Miss River Days!

Here she is . . . Miss River Days . . . Kerlann Bennington! The crowd goes Wild! Kerlann couldn't have done a better job representing South Webster in the River Days Pageant. Whether she was dancing, modeling her sportswear, or giving her speech in her lovely evening gown, all eyes were on Kerlann the minute she stepped on stage. Kerlann was not only crowned Miss River Days, but her float also took first place. Congratulations to Kerlann. All of your hardwork and dedication paid off on that magical night. Thank you for representing us.

Aggressive Action Brings Pains And Gains To Soccer Team

Expectations were pretty high as the Jeeps returned nine starters from a team that went 3-6-3 in 1991. As the 1992 season approached, the team set three goals: have a winning record, win the SOC Championship, and be District Champions. What eventually happened was that a group of players saw most of their goals accomplished as the Jeeps finished with a 13-2 record. The Jeeps stormed through the first half of the season with a 7-0 record and left area soccer fans believing that the Jeeps were for real. The Jeeps were ranked ninth in the State Soccer poll, only to see Wheelersburg upset us. We closed with a win over Minford and went into the tournament 11-1.

An impressive win over Warren opened the tournament for the Jeeps. It was the first tournament win for Jeeps soccer. Albany Alexander was the last obstacle for a District title. In a hard-fought game, the Jeeps lost a heart-breaker, 3-2 in overtime.

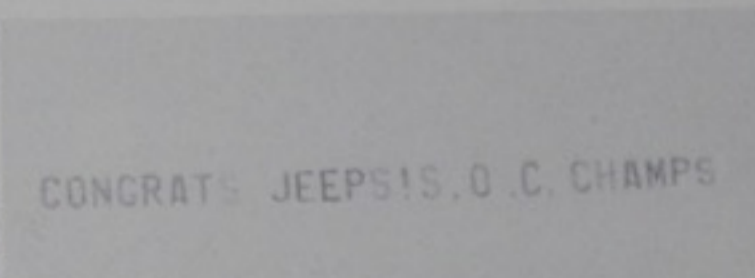

Though the season ended with a tough loss, it will be remembered as a great season!

Drum Major Leadership Aids March To Perfection

Alison Moore

Being a drum major takes a lot of work especially when leading the band. Band members depend on Drum Majors for keeping everyone in step and moving in the right direction in order to perfect their performance. Alison Moore, a sophomore, proudly conducts the band with precision and dedication. The best thing about being drum major is the power and responsibility that comes with the job.

State Degrees

Heather Holley and Missy Ruth received their State Degrees this year. To receive this prestigious award, one must complete a series of activities involving the community, home, and school. Then one has to document the activities. It is a great accomplishment.

Congratulations Missy and Heather!

The 1993 yearbook was hard to produce. This yearbook has a lot of pictures, meeting notes, and giving out awards. Our goal is to make the yearbook what everyone will want to read. It is a lot of work but we're happy working at it. If you have any comments about the yearbook — we'll be happy to hear from you — ASK

The 1993 yearbook staff worked very hard to produce an original yearbook this year. Producing this yearbook has caused a lot of frustration and headaches, but was worth while. Scraping for pictures, meeting those deadlines, and giving up personal time to get the job done is all a part of being on the yearbook staff. Our goal is to try to put into the yearbook what we believe everyone will want out of it. Although it is a lot of hard work and dedication we've had a lot of fun either working at school or at camp! If you have any questions or comments about the 1993 yearbook — we had nothing to do with it — ASK ED!!

In Memory Howard Sommer

Two Vernon Elementary students were recently honored at an assembly for their actions which helped to avert greater catastrophe as a result of the sudden death of Howard Sommer, a thirty-five year bus driver in the Bloom-Vernon District.

Christina Wampler and Justin Yates acted quickly by grabbing the steering wheel, steering the bus into a ditch, applying the brake, and stopping the bus. Eleven other students were also honored for their assistance in reaching help and organizing students to assure their safety. These included Staci and Matt Slaughter; Beth, Angie and Sarah Acox; Andy Yates; Stephanie and Phyllis Wampler; Carl Wicker; Amanda Kelly; and Rebecca Groh. The students received commendations from the Bloom-Vernon Board of Education, the Scioto County Sheriff's Office, Nationwide Insurance Company, State Highway Patrol, and the State Division of Pupil Transportation. They have also been recognized as "Hometown Heroes" by WSAZ TV.
