The Students
of
East High

To the confident Freshman, the presumptuous
Sophomore, the zealous Junior, and the thoughtful deter-
mined Senior . . . who will be the future citizen of this
community, of this state, of this nation, and of tomorrow's
changing world.

So that the events of the past year may always
be held in your memory, a possession of inestimable value;
as an encouragement and a reward; and as a pleasant re-
collection of work, play, and friendship in East High . . .
to you as individual students . . . we dedicate this Tartan
of 1947.

Looking Ahead . . .

The members of the Junior Class of 1946, foresaw visions of an annual being published during their last year at school. This dream had first taken faint form and promise during their Freshman year, had strengthened and grown during the next year and had first actually become a "soon-to-be" reality during the Junior year. The process of putting a foundation under the dream really started with the attendance of several members of the future staff at the Journalism Conference at Ohio University in Athens, Ohio last June.

In the meantime several members of the faculty became interested in the project and agreed to assist in carrying out the plans.

As a yearbook had not been published at East High for the past ten years, we were glad that our class had the opportunity of attempting to give the public a presentation of such a book as portrays the history of our classes through their progress of learning, athletic achievements, and social activities.

We have worked industriously to make our efforts a success. Each one has done his best. There have been mistakes and oversights which we hope future classes will foresee and rectify. Obstacles which handicapped us, we trust, will be overcome.

May this year's project serve as a stepping stone for future classes of East High to carry on the work. May their efforts keep pace with the progress and increasingly high standards of East High.

Gene Jenkins, Editor

Behind each dream, ambition or project is a guiding individual . . . some one who helps plan, encourage, and direct that undertaking. Such has been our case. To such a one we wish to show our appreciation.

To one . . . who devoted long hours of patient work, who suggested and supplemented many of our own ideas, who "spurred" us on when we were inclined to "lag" . . . who, in fact, was our guiding spirit . . . to MISS MILDRED WYATT . . . Our Sincerest Thanks!

MR. GLEN C. WEST
Superintendent of Schools

Mr. West is completing his second year as Superintendent of Portsmouth City Schools.

He received his B. S. degree from Ohio University and his M. A. from Columbia University. Prior to coming to Portsmouth Mr. West held the position of Executive Assistant to the Director of Education of Ohio.

Portsmouth City School Board

The conduct of school affairs in Portsmouth is the work of a group of citizens who are elected by the voters of the city. This Board, in turn, chooses the Superintendent of Schools and the Clerk. The present Board members have shown themselves to be very capable and very much interested in the schools.

The students of East High School wish to take this opportunity to express their appreciation for the work of the Board of Education. They wish also to pay tribute to the memory of Mr. Thomas Shackelford who lived in our section of the city. His interest and enthusiasm were very genuine and helpful.

The Board has selected Dr. William Duvendeck, Sr., also of our district, to complete Mr. Shackelford's unexpired term.

Left to right—Mr. C. Craigmiles; Mr. Carl Phipps; Mr. Glen C. West, Superintendent of Schools; Mrs. Charles S. Baker; Mr. Thomas A. Shackelford; Mr. Wesley Ridenour, Clerk; Mr. Lawrence Daniels.

MR. TEACHNOR W. SMITH

Principal

Mr. Smith became Principal of East High School in the fall of 1940. He received his A. B. degree from Ohio University and his M. A. degree from the University of Cincinnati. Prior to becoming principal, Mr. Smith taught Chemistry and Physics at East High.

Mr. Smith has made many improvements at East High School. Under his guidance the school now has a large, well-stocked library with a full time librarian. Another immediate and important goal of East High is that of becoming a member of the North Central Association of Schools and Colleges. One of the requirements for that membership is a full time course in physical education for the girls and the boys. We hope to make this addition to the curriculum next year.

The faculty and students respect and admire Mr. Smith's ideals in retaining and expanding the high standards of East High School.

School Administration

MISS HELEN M. TAYLOR

Dean of Girls

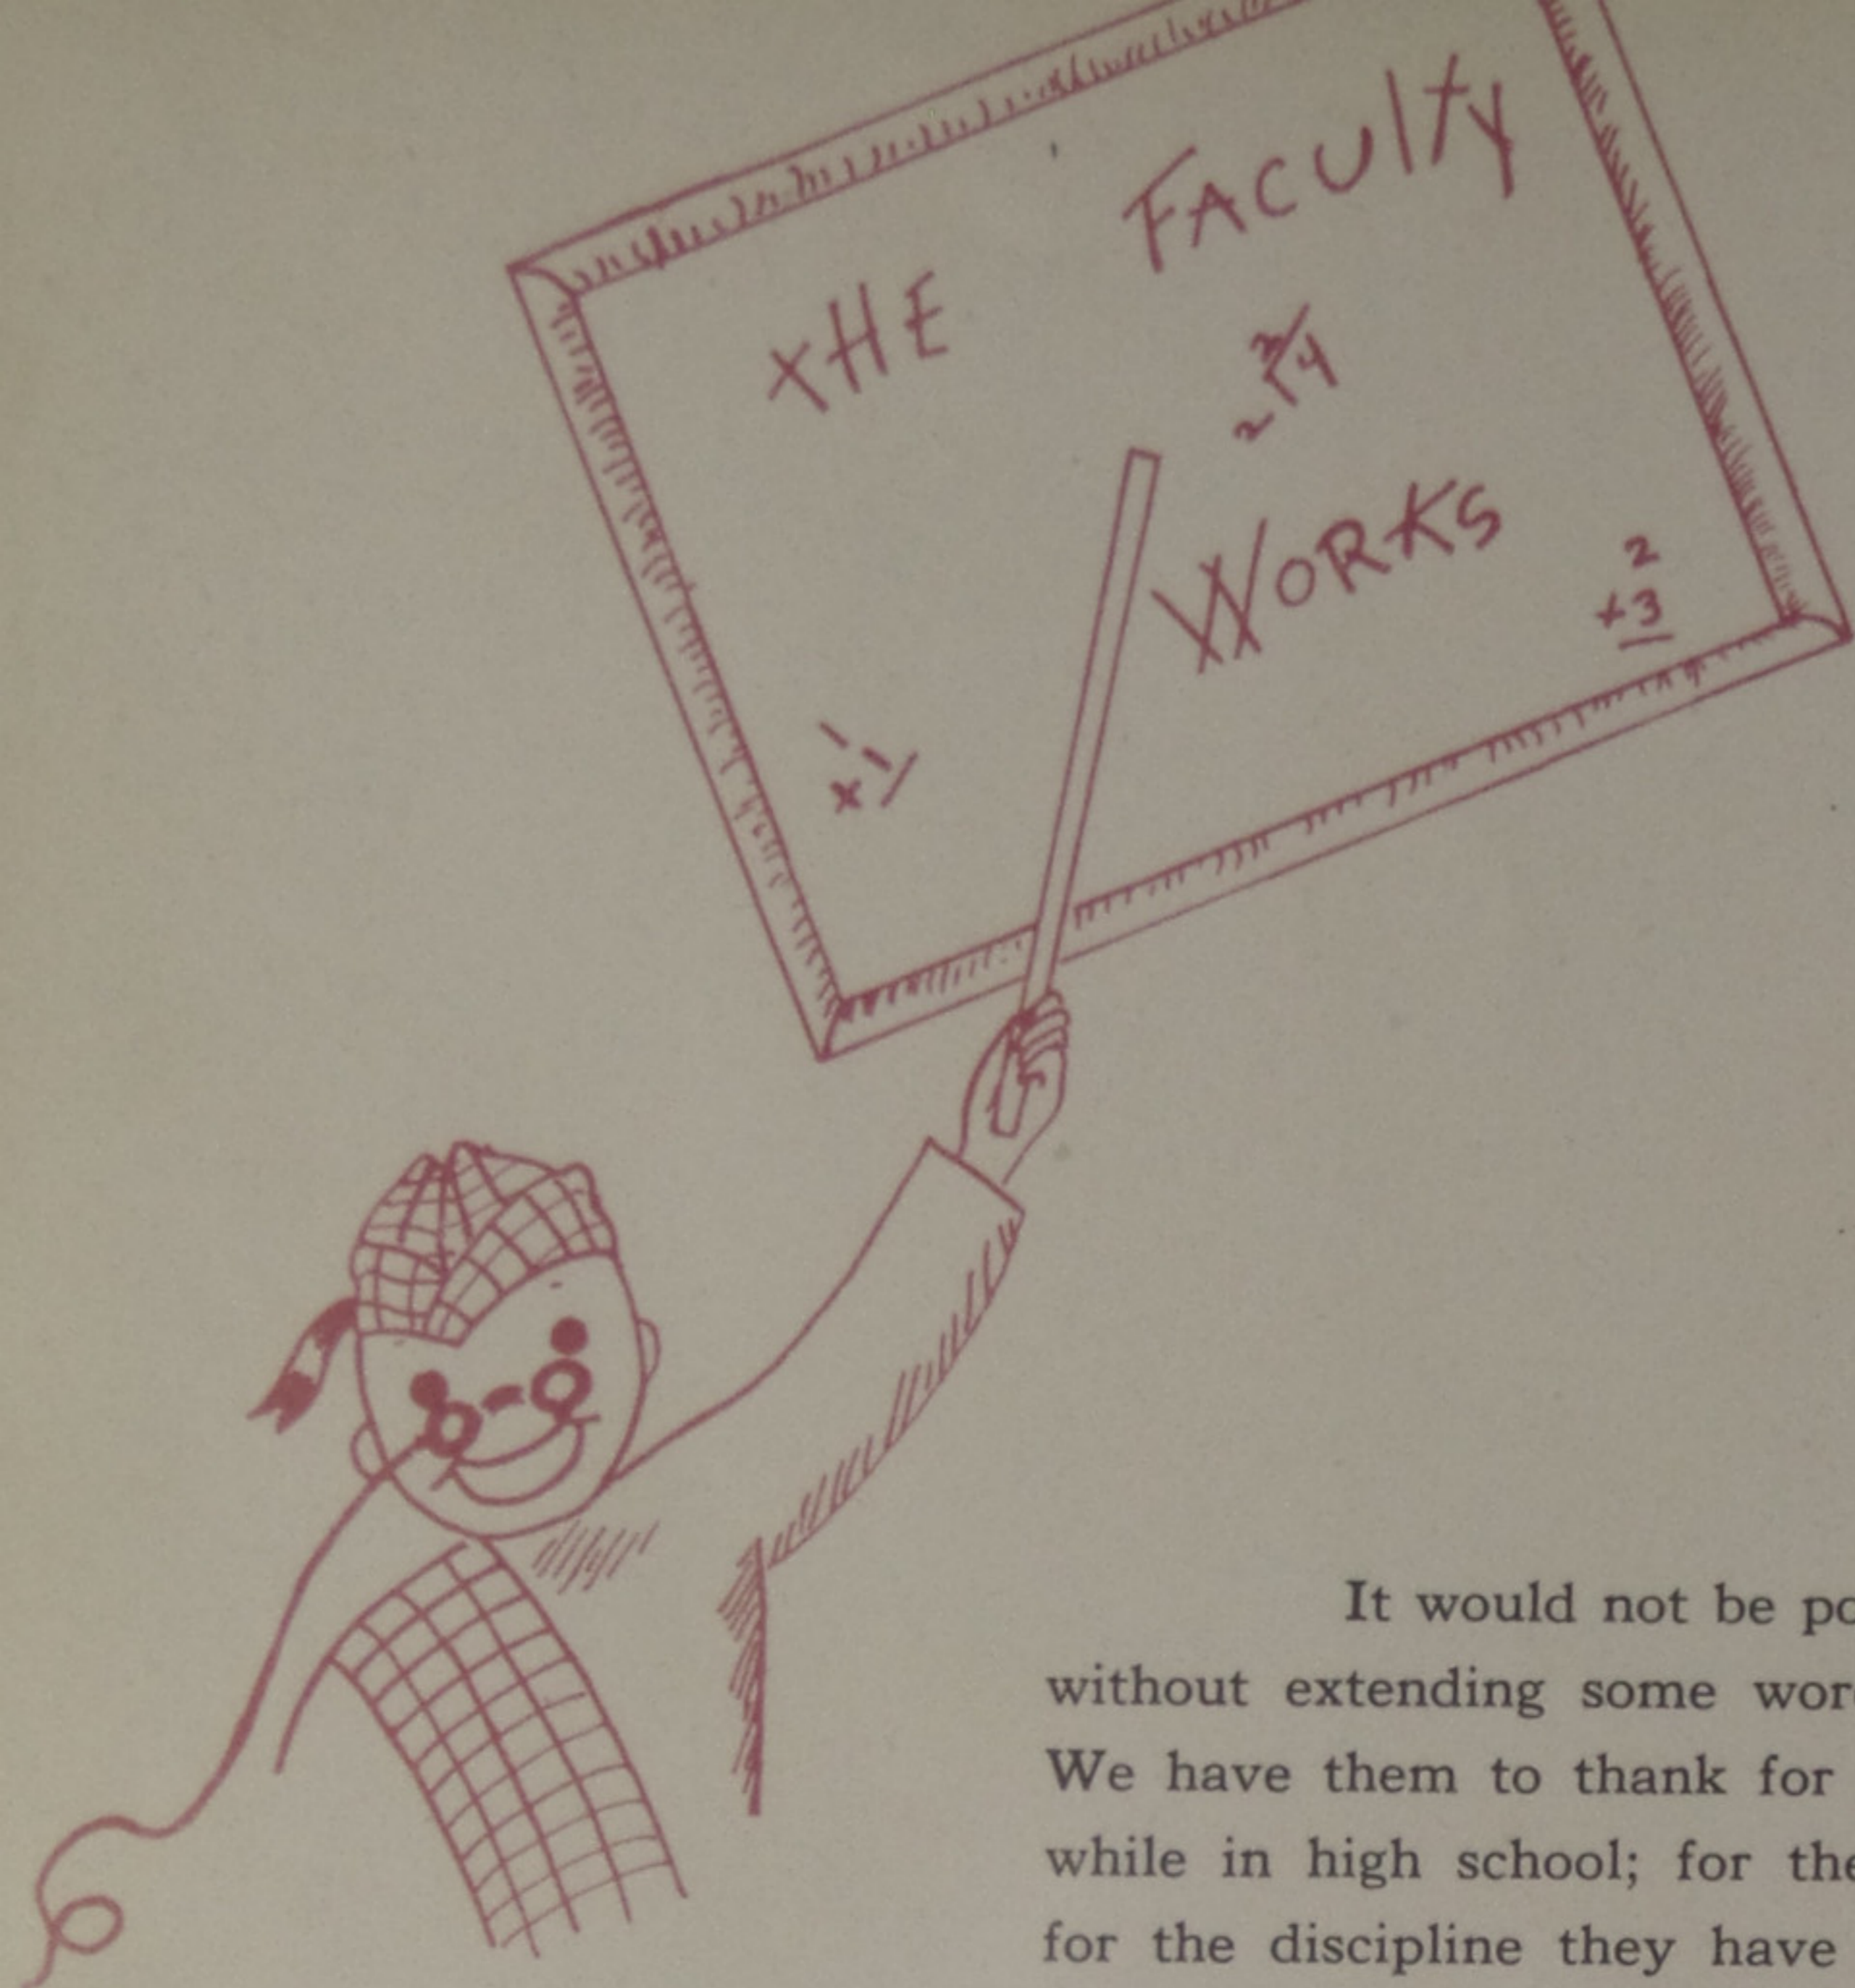

Miss Taylor is completing her seventh year as Dean at East High School.

She received her A. B. degree at Miami University and her M. A. degree from Ohio University.

The most important task of the Dean is to counsel the high school girl in her personal and academic problems.

Miss Taylor is also Girls League Sponsor and Co-Sponsor of the Y-Hi and Student Government.

It would not be possible for us to publish an annual without extending some word of appreciation to the faculty. We have them to thank for the knowledge we have received while in high school; for the training in intelligent thinking; for the discipline they have maintained and which has been very effective in forming our characters. The teachers will always have our deepest respect and admiration.

Junior Class

The Juniors, with Miss Davids, Mr. Bricker and Mr. Glass as advisers, entered the new year with an enrollment of 84. Their first dance was given on October 4. Their second, the Christmas dance, followed on December 13.

Rhea Jones was chosen by the class to represent the Juniors at the Homecoming game and dance.

Two assemblies were in charge of the Juniors, the first a Thanksgiving assembly with a short play entitled "A Light Dessert for Thanksgiving," was given November 27. The other was given on May 8.

The annual Junior Class play, "Who Killed Aunt Caroline?", was given on March 27 and 28.

As other money making schemes, the class sold refreshments at all the home football games. Small football-shaped score cards were sold at the East vs. New Boston game. Later, the Junior class sold subscriptions to magazines. This campaign lasted two weeks and several prizes were given to those selling the most subscriptions. Ruth Maxey sold the most subscriptions and Vivian Schomberg was second among the girls. John Williams was the superior boy salesman.

Class rings were ordered by the class and were received during the winter.

The Junior-Senior Prom was given at Harding School Auditorium on May 23, 1947.

Sophomore Class

The Sophomore Class started off the year with an enrollment of 103 students and Room 20 as their homeroom. The girls under the care of Mr. Bricker occupied the back of the room, while the boys under the direction of Mr. Fugitt had the front. Mr. Fugitt took over the boys after the resignation of Mr. Ellsesser.

The first Sophomore assembly was given November 3 to celebrate Armistice Day. Talks discussing World Wars I and II were given by Lewis Mault, an American Legion representative and William O. Norris, a local minister. The poem "Flanders Field" was recited by Billie Conley and taps were sounded by Joe Hibbitts. The program was closed by the presentation of a bouquet of roses which was placed on the War Memorial by three local service men.

In order to make money to cover expenses, the class sold pennants which had blue backgrounds and the grey lettering "TARTANS". At the beginning of the year the class voted on dues and the price was set at twenty-five cents a semester.

Three new reserve cheerleaders were chosen from the Sophomore Class at the beginning of basketball season. They are: Joan Williams, Carolyn Starrett, and Joan Arthurs.

The class sponsors are: Miss Scott, Mr. Schomburg, and Dean Taylor.

Freshman Class

The Freshman Class of 1946 was quite a large one. Its members came from the three grade schools: Harding, North Moreland and Lindsey.

Late in September, with the help of our advisers, Miss Walden, Miss Smith and Mr. Watts, we elected officers. The president was Kenneth Weber; vice president, Mary Millhuff; secretary, Joanne Smith; and Lowell Stanley, treasurer. The officers, in their turn, elected three committees. These were the dance committee, assembly committee, and concession committee. The last committee had the large job of raising funds for the class. The first project was making and selling paper basketballs at the game. Also during the year, the class sold pencils with East High printed on them. The assembly committee chose February 19 for the class program, and the dance committee selected March 14 for the annual Freshman dance.

With these projects and events, this newest class got off to a flying start on its career at East High School.

Hi-Y

The Hi-Y, a club for Sophomore, Junior, and Senior boys, was organized at East High School in 1934. Any boy desiring membership submits his application to the club and the new members are selected from these applications. Membership is based on clean sportsmanship, clean speech, clean scholarship, and clean living. The purpose of the Hi-Y is to create, maintain, and extend throughout the school and community high standards of Christian character.

In 1945 and 1946 the Hi-Y collected money daily from the students in each home-room for the purpose of buying a memorial in honor of the boys who attended East High School and who gave their lives in World War II. On May 29, 1946, this memorial was erected on the lawn of the school. A dedication service was presented at this time by the American Legion with the aid of the Hi-Y. The Gold Star Mothers were present at this program.

Other activities of the Hi-Y are the editing of the school paper, *The Hi-Y Tartan*, the crowning of the homecoming queen, and the preparation of Easter Chapel Services.

OFFICERS:

Jean Colvin, *Vice President*; Pat Copas, *President*; Sharon Starrett, *Treasurer*; Mary Lou Ketter, *Secretary*.

Y-Hi

The Y-Hi is an organization for Junior and Senior girls. Those who are selected to become members must maintain an average of C or above. The object of the club is to stimulate social, intellectual and moral development and to promote good fellowship among its members.

The activities of the Y-Hi are of a social nature. The club gives one dance each year and makes the chrysanthemums which are sold at the homecoming football game.

The activities of the year usually end with a party for the members.

ADVISERS:

Miss Davids, Miss Walden,
Miss Taylor.

The Phochemphele Science Club was organized in 1945 under the sponsorship of Mr. Bricker.

At the meetings held every two weeks, each member presented an article on some new scientific subject which he thought interesting and important.

This year the club took up the study of photography. Mr. Clifford Foster, photographer, gave the club much valuable information and instruction on this subject.

The club obtains money through the collection of dues only and this money is used for equipment and supplies for the club.

The officers for 1946-47 are Lee Williams, President, and Jean Colvin, Secretary-Treasurer.

Girls League

The Girls' League, organized in 1939, is an activity in which all girls may participate; membership is open to anyone who pays small yearly dues. Shortly after the beginning of each school year "big sisters" are selected for freshmen girls to help acquaint the girls with the other students in the school, the school itself, and its customs. Parties and dances are given during the year as social activities.

Dean Helen Taylor is the adviser for this organization.

Spanish Club

The East High Spanish Club was organized in November, 1946, with Mr. Stevenson as sponsor.

Each member of the Spanish Class automatically becomes a member of the club.

Three members are selected as a triumvirate for carrying out club activities. These members were Lester Covert, Jean Colvin, and Pat Copas.

Once a week the club went to the gymnasium where they sang Spanish Songs and learned the national dance of Mexico, "El Jarabe Tapatio."

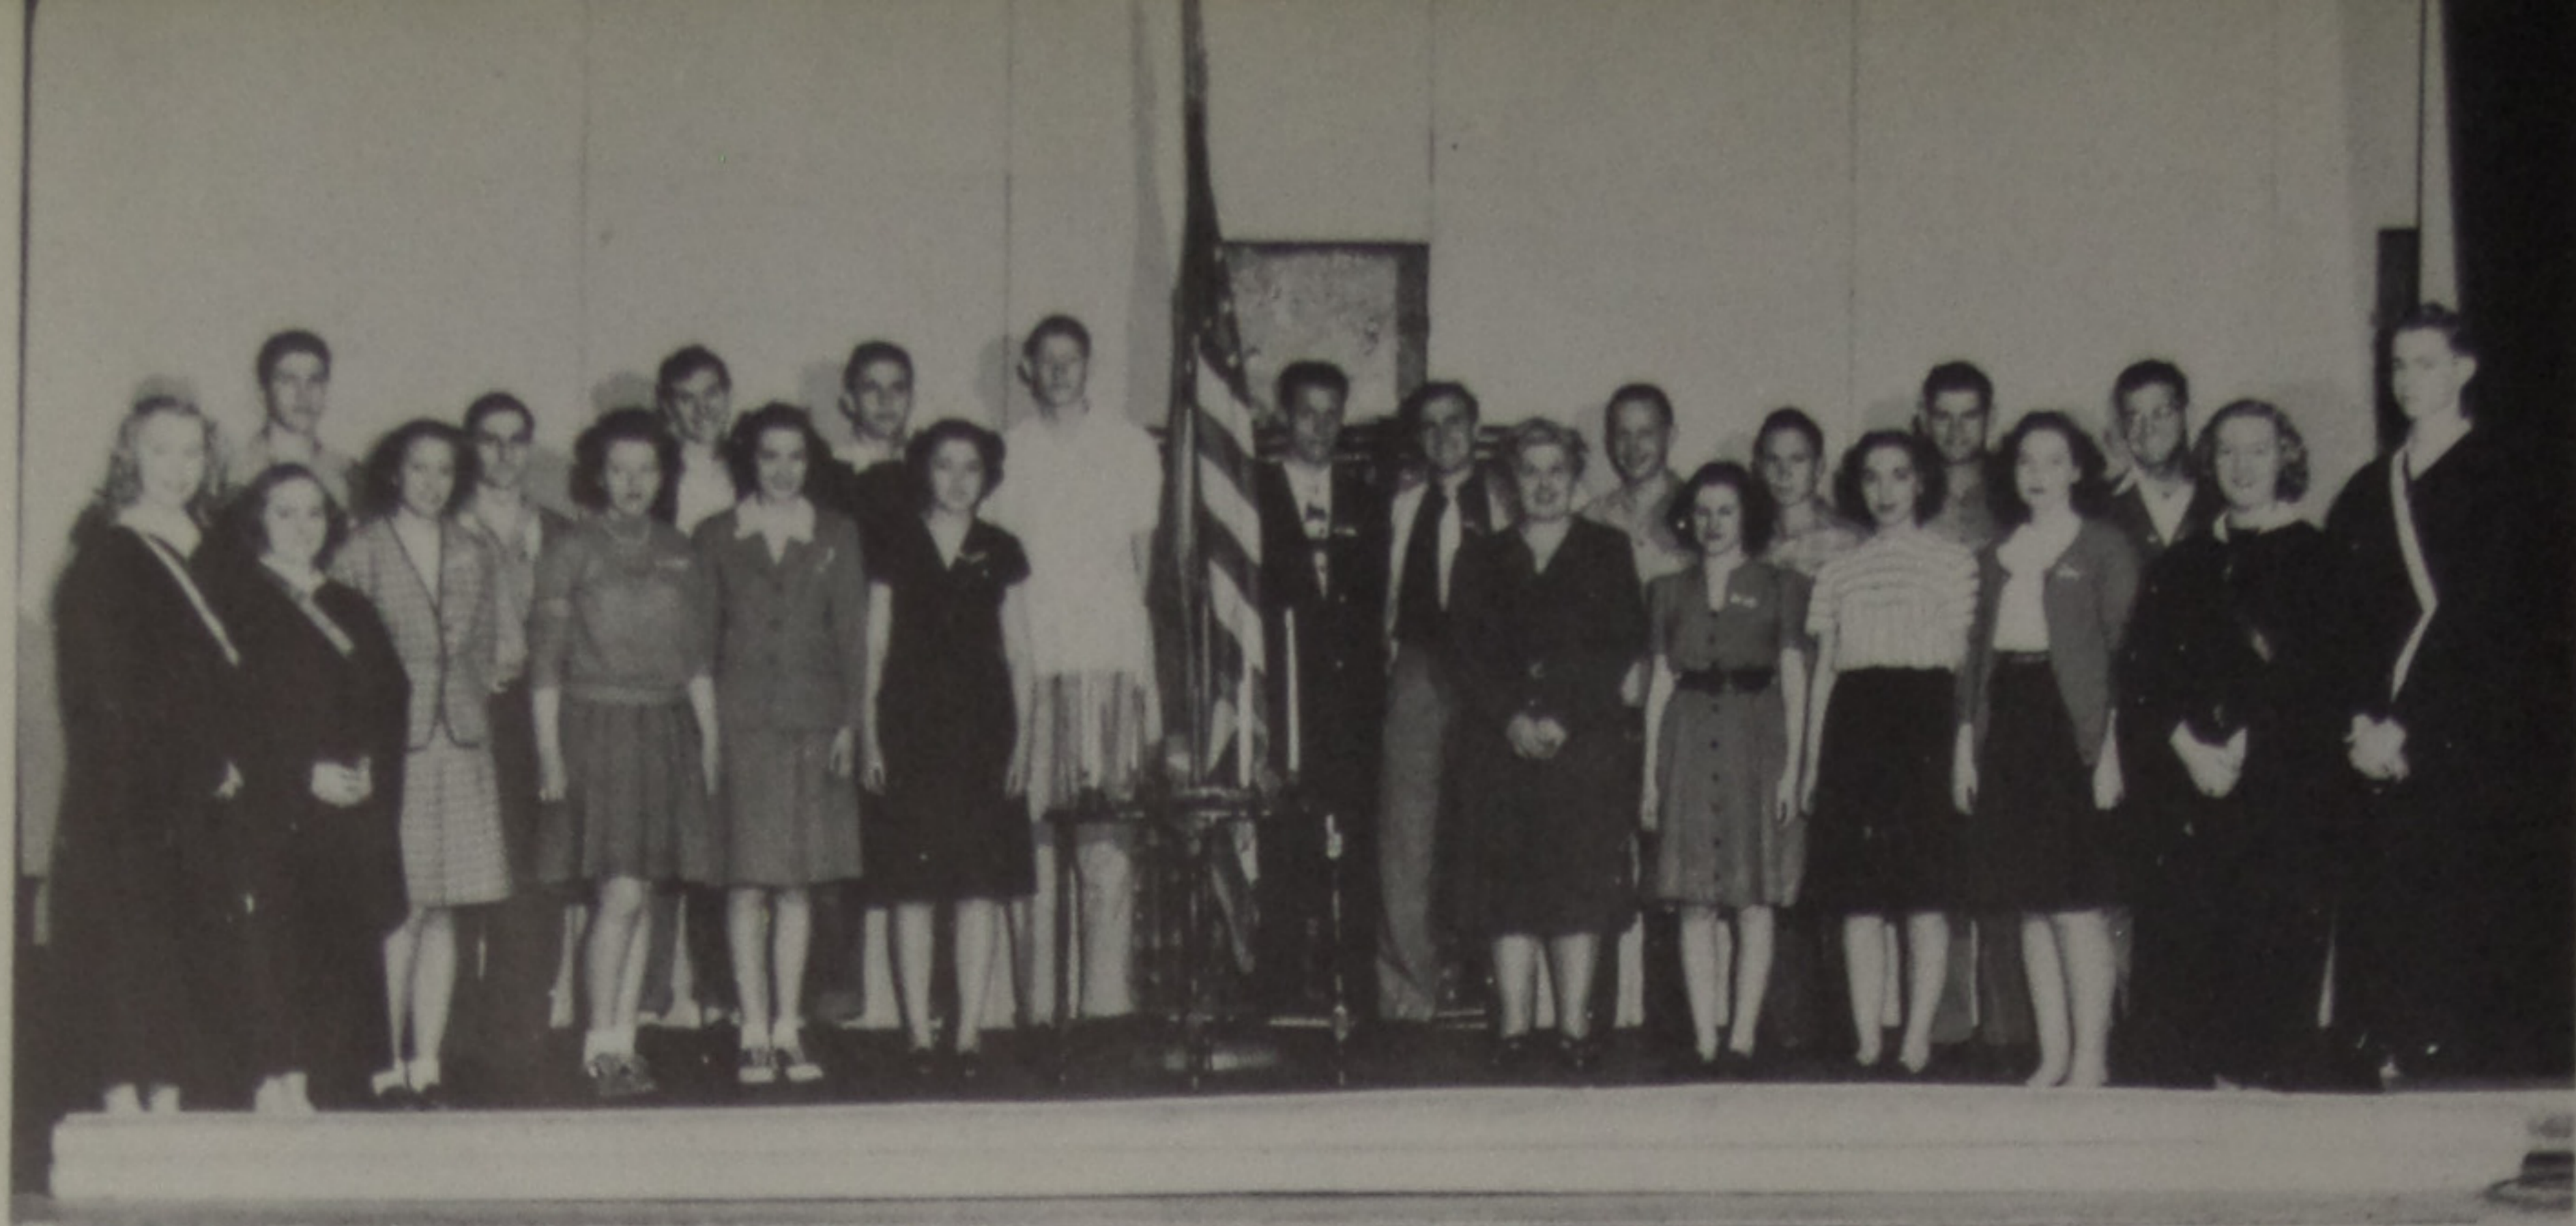

In October, some of the club members went to a concert in which Xavier Cugat and his orchestra appeared at Memorial Hall in Columbus. Here they heard music in Spanish, Mexican, and Cuban style.

The club gave its first assembly on February fifth and presented several songs, a dance, and a skit written by club members.

On March seventh the club sponsored a dance in the school auditorium.

National Honor Society

The National Honor Society was organized in 1921 as an organization for secondary schools of the United States.

The chapter at East High School was organized in 1939 by the P. T. A. At present there have been 98 members of the society since its organization at this school.

The emblem of the Society is the keystone and flaming torch.

Members are chosen from the Junior and Senior classes by the faculty on the basis of Character, Scholarship, and Service.

The four senior members of the Society who were selected in their Junior year are Gene Jenkins, Jean Colvin, Patricia Copas, and Helen Hamilton. The 1947 members were chosen at an assembly ceremony April 16.

Junior Cup

The custom of making an award to the outstanding Junior chosen by the faculty on the basis of such merits as scholarship; leadership; services; attitude and co-operation was begun by the old Delphic Literary Club of Sciotoville High School in 1925.

The name of the winner is inscribed on a cup. Thus far 22 persons have attained this honor. Helen Hamilton is the holder of the cup for 1946-47.

Hi-Y Tartan

Your *Hi-Y Tartan*, the school newspaper, is published monthly under the sponsorship of the Hi-Y organization. The news staff is chosen by the club's sponsors, the president, and the editor.

The paper keeps "you" up-to-date on class news, club work, sports, and school scandal. The editor or a faculty member usually contributes an editorial on some matter of interest or on school conduct.

The staff strives to build school spirit and to encourage the students to hold high the standards of East High School.

Glee Clubs

East High has three Glee Clubs. The Junior and Senior girls form the Senior Club and the Freshmen and Sophomore girls make up the Junior Club. These clubs have organized and have elected officers. The Boys Glee Club is made up of all the boys in the school interested in music. These clubs have worked very hard throughout the year with the Christmas program, Operetta, and Spring Concert. Miss Iona Duvendeck is the director.

Band

The band this year, although small, has nevertheless performed its duties well. It has played for all of the home football games and several of those which were out of town.

Mr. Ray Adams was hired as substitute band instructor when J. C. Carter resigned to take another position.

A marching corps was organized by Miss McKinney which marched with the band and made formations at the ball games.

"There Goes the Bride"

The Junior class of East High School presented a three act comedy, "There Goes the Bride" on April 11th and 12th, 1946. The play told the story of Phyliss, who must marry before her birthday in order to inherit a fortune. The adventures of Phyliss and her family created a situation full of mystery, suspense and laughter.

"Alibi Bill"

The Tartan Annual Staff presented a three act comedy, "Alibi Bill," on November 21-22, 1946. This play was a hilarious mystery. Bill never knew how it happened—home was boring with his wife gone and so he went to the club. The next thing he knew it was morning, he was home, a strange man was asleep on the sofa, and he had coal in his pocket and a wig of blonde curls! There's stuff in the paper about a "Coal Yard Murder" and, to make it perfect, his wife and mother-in-law walk in. Bill spends several unhappy hours of dodging and squirming under the keen scrutiny of his mother-in-law. All ends happily, however, and Bill isn't guilty of murder!

The Student Council

The Student Council at East High School was organized in April, 1947. The president of each club and class of the school met with several faculty members and discussed plans for organization. It was decided that each home room would have one representative elected by that room.

After home room representatives were chosen, officers for the council were elected. They are:

Cheerleaders

The varsity squad of our cheerleader section is made up of six girls, three Seniors and three Juniors. They have done much the past year to build up pep, interest, and excitement in the football and basketball games. Wearing their white skirts and blue sweaters, they attended all games and did a fine job of cheering.

The reserve squad is picked by the popular vote of the student body. Next year these girls will take the places of the varsity Juniors and will move up to Senior place.

They have a constitution which states qualifications for cheerleaders, practice rules, and choice of uniform.

Homecoming Queen

The Homecoming Queen is chosen each year by the popular vote of the student body of the school under the sponsorship of the Hi-Y.

The Queen is a member of the Senior Class and has four attendants, each representing the four classes of the school and selected by the respective classes.

The 1946 Queen was crowned and given a bouquet of chrysanthemums by the football captain, Bob Leadingham, at the Washington Township game on November first. Each attendant was also presented a corsage by the captain.

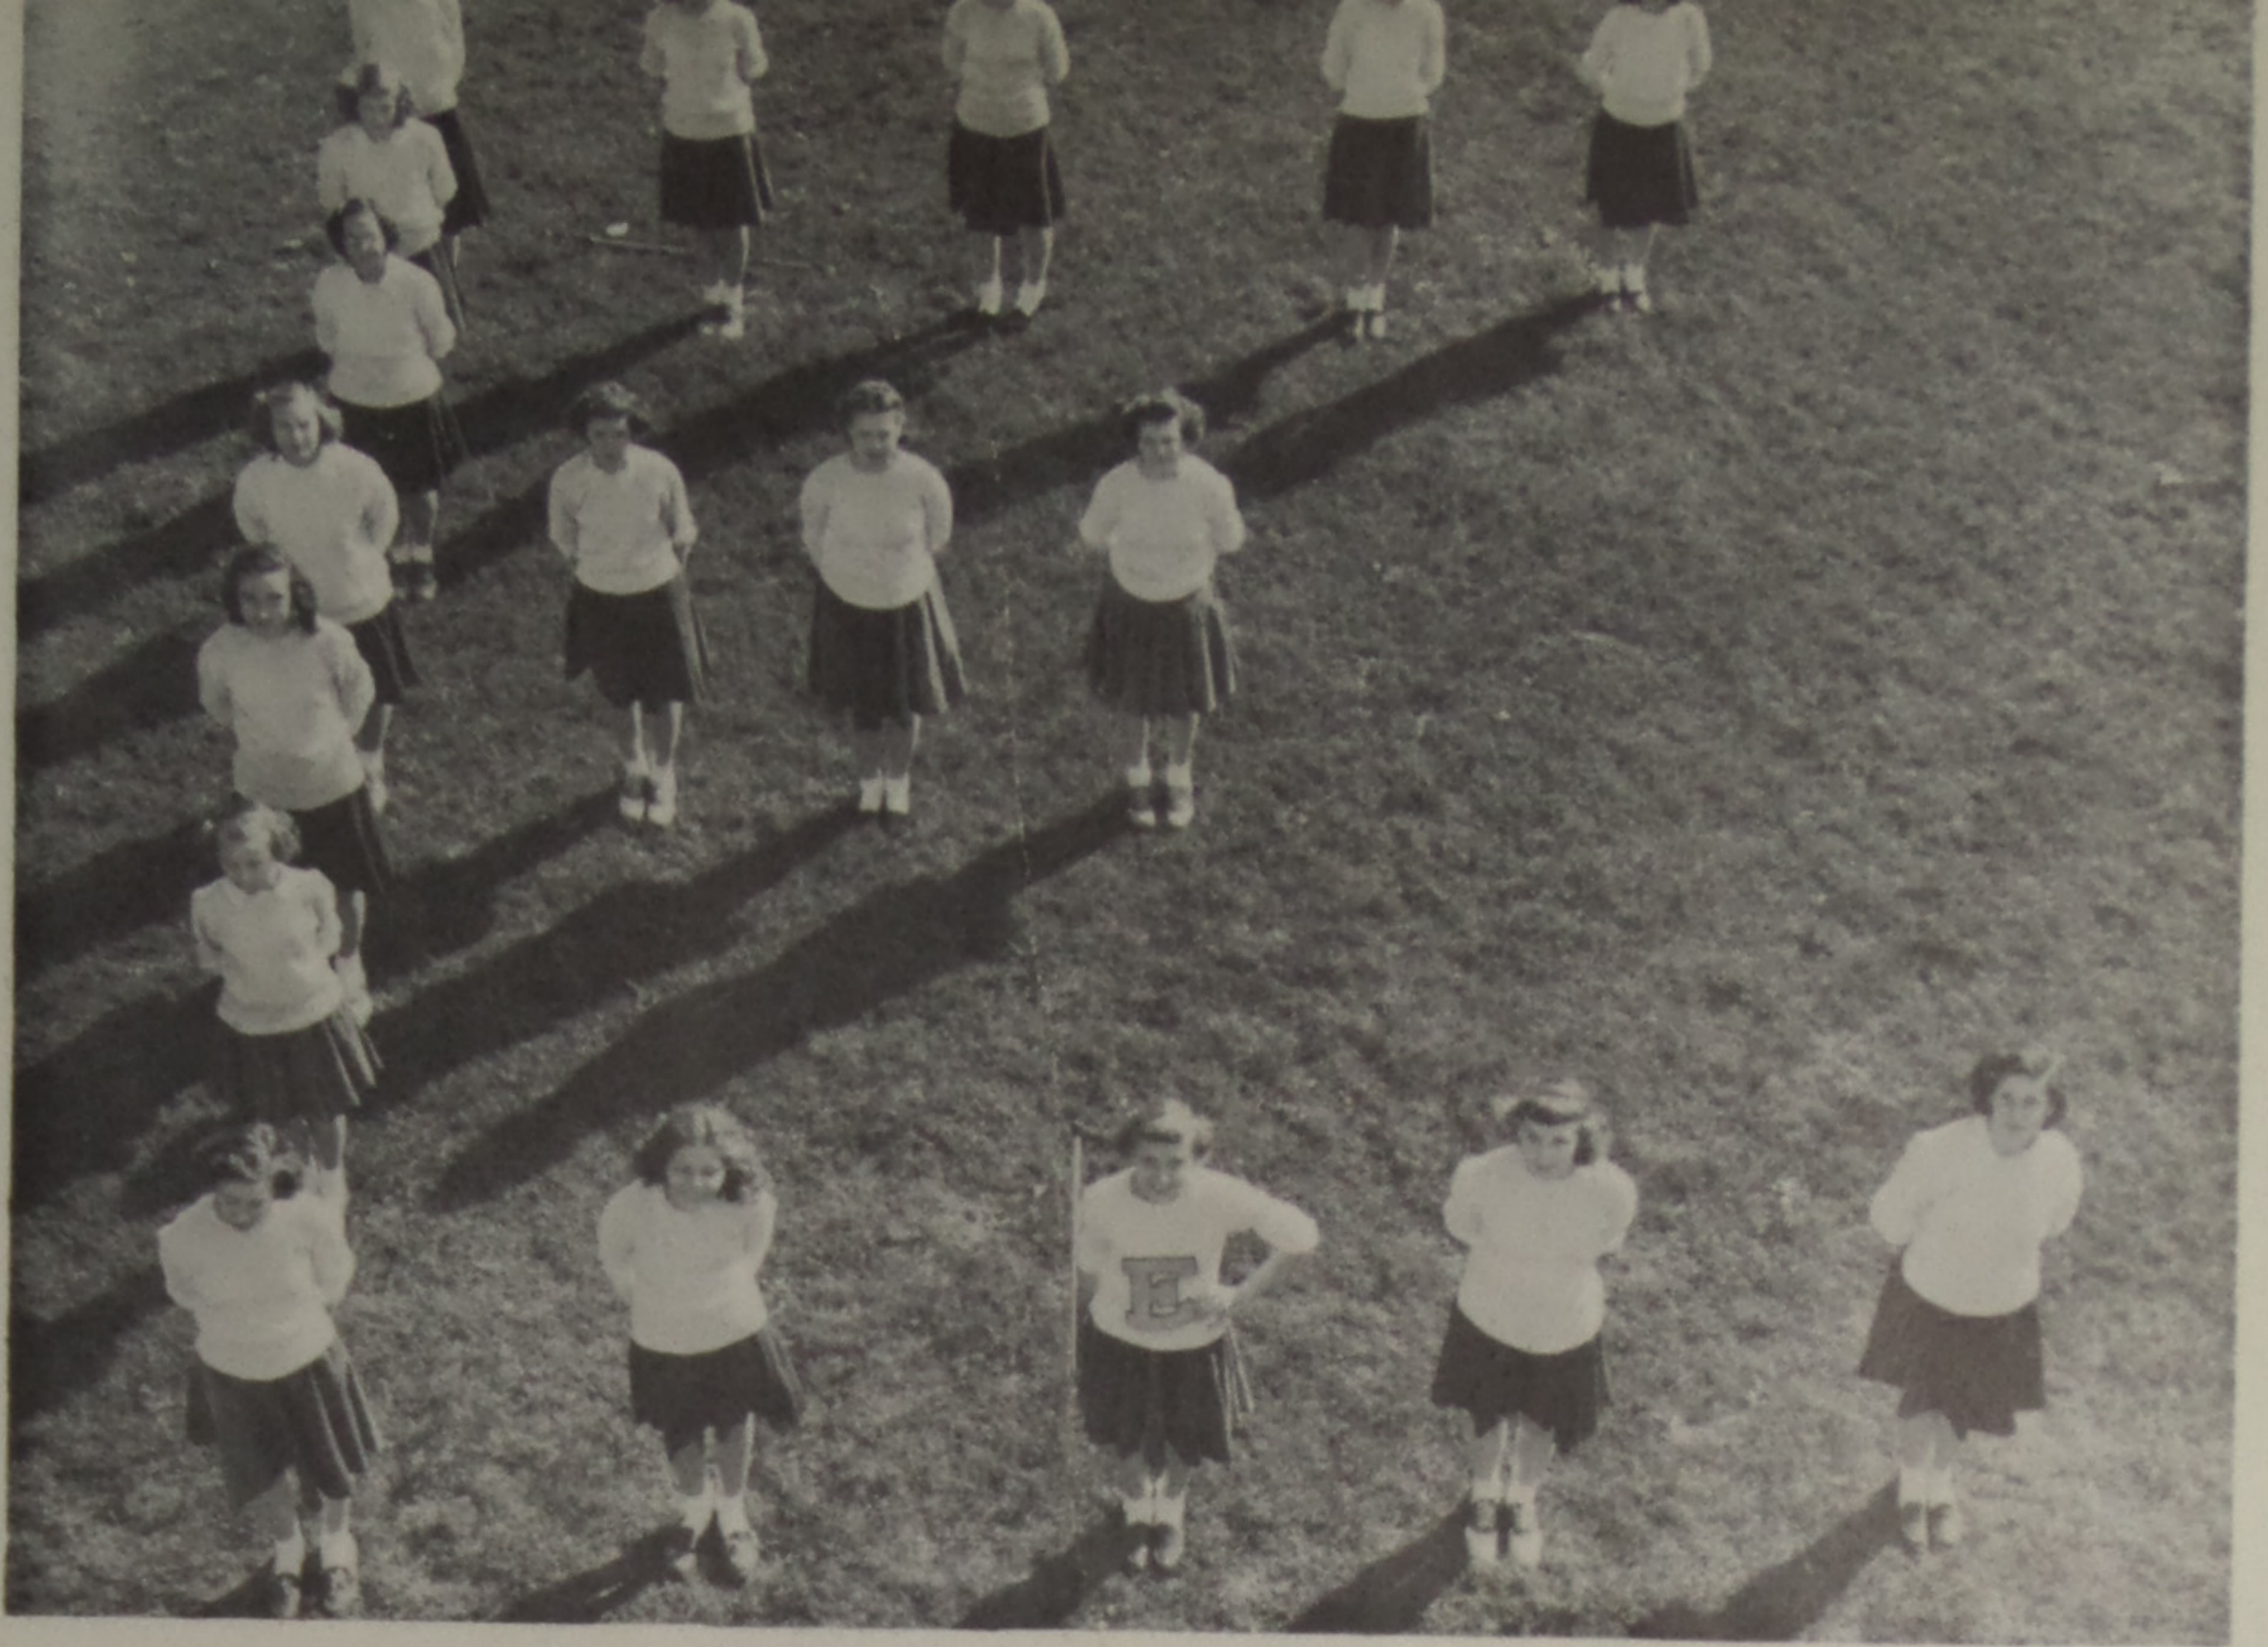

The Queen and her court reigned at the homecoming dance given in the high school auditorium after the game.
