We wish to dedicate this annual to Mr. Rolf, our supervising principal. Mr. Rolf has unselfishly given his time and effort for us and Washington High School.

The state inspector of Schools gave Mr. Rolf one of the finest recommendations possible-Quote. "One of the outstanding supervising principals in the state of Ohio."-end Quote. Congratulations, Mr. Rolf.

We sincerely hope all of you enjoy your annual.

THE ANNUAL STAFF

WASHINGTON HIGH SCHOOL  
West Portsmouth, Ohio

**MR. EDWARD R. McCOWEN**  
County Superintendent of Schools

Mr. McCowen received his B.S. degree in education from Ohio University and his Master's degree from Northwestern University. His broad vision has helped make it possible for our school to continue to offer new courses as the need arises.

In a letter this year to the County Board of Education from Mr. L. L. Louthian, high school inspector of the State Department of Education, Mr. Louthian said in part, "Scioto County is one of the fine systems in the state, the leadership is very superior and the several units are making more improvements and are functioning at a higher level than at any time in the past." This report speaks for itself as to the schools of Scioto County and the leadership. Mr. McCowen points out that our slogan for not only this year but the years to come for all rural schools be, "Go Forward Scioto County Schools."

Supt. McCowen points out, "We will continue in the years to come to serve our boys and girls in the best manner and continue to improve the educational set-up in Scioto County."
