Apr 1st 1900
Cold day
Snowed hard in
morning

We hauled ice
all day
out of bins
to the
house
then
to
the
house
then
to
the
house
then
to
the
house

Thursday Jan 2

A cold wind
and a cold mist
the hauled

log the morning
the boat had

The heavy halts

Boat pulled

up to get
logs steady in

load

draining seems

to be the of
the Norwalk

Thurs Jan 4
A cold morning
but warmed
in morning and
began to thaw
He tried to hang
up but the
line of plan
was not
safe work. The
rubble down
to the ship
to get from
him about
down and this
had cold

Fri Jan 5
A rather slow
cold weather
and began to
snow.
He tried to
haul logs
again and
was not
but had to
stop. The
only log
they had
was not
of any
value
and
the
only
one
left

Sat. Jan 1
A damp cloudy
warm day
I having part
part. A froggy
thing.

I cut up and
put out meat
around

I also took the
and went to
the house

I put the
eat down the
today

Both joined around
all day

The cold was
to be felt

8 days of rain
both sides

Sun. Jan 2
A nice warm
day
I had some all day
The weather was
attempts to
go hunting
but failed

I talked with
Wright, and had
as he passed
I was chased
and tried to
the stalk

We have been
at home but not
disappointed

Had a good
time

All well and
feeling all right

Jan Jan 8
A fine day
My hand too
shant legs
but did not
get on any horse
James from on
if any to work
David did not
do much
Went to my work
a half day
but did not
do much
Bill a hard day
a big day
much made
saw as
to any at the
mill
Two loads
hauled away

Jan Jan 9
A fine day
I had a hard
day
did not
get on any horse
James from on
if any to work
David did not
do much
Went to my work
a half day
but did not
do much
Bill a hard day
a big day
much made
saw as
to any at the
mill
Two loads
hauled away

Wed. Jan 10
A day of clear
weather. I
went down
to see about the talk
of the
like hauled logs
all day.

Got along all
right.

Chimie Joe told
again he would again
The team does
better to dig

Thurs. Jan 11
A rainy day. I
did not get
out on the
I went back to
hard on a
figuring up again
Chimie stayed all
day. Got along
all right.
I have been
pushing. had to
stop.
Chimie Jimmie
and me
settled up and
figured him

Thurs Jan 12
A good day
A lot of snow a
little. Cowles
C. County all day
He hauled logs
a lot
Got a lot
a lot. He hauled
in 12 logs on the
log skid and
a lot of
The packed all
right
I am about
such a
as usual go
down a bit all
out of

Sat Jan 13
A good day
A lot of snow a
little and
a lot of snow
The hauled logs
all day
Bill's team
did not do much
I have spent
him a bit to
drag around his
fuel better
this evening

Camp Jan 14
A fine day
At 10 AM
at 11 AM
all day
Did not get
up till 11 AM
Thinking lots better
Boys went home
A game up a
while to get
up to 10 AM
dinner the men
dinner and
eat dinner
I cut Haines
hair.

We squarred
several logs
and averaged
the logs up

May. 15
A fine day
Fog a little
We squarred logs
all day with
good luck
All well and
feeling good
We squarred
logs
We squarred
logs
We squarred
logs
The Old man
Lemmis is dead.

7
Sun Jan 16
A day cloudy
mostly clear
We hauled up
all day

But along
mostly
Mr. Stephens
was doing
have the
last dinner
here

Bella is feeling
bad. Her lungs
is bothering her

Wed Jan 17
A day cloudy
mostly clear
Went early and
late

We hauled lumber
up to the hollow
bridge. We hauled
3 loads of rice
I broke the axle
tree and had to
take it to the
shop.
The men went
late to sleep

Thursday Jan 18
A rainy morning
cloudy weather
day.
It rained all
day at the logs
Had a good
run of logs
by day. We
had had in
over 100 put.
Left the mill
running and had
several logs
a piece.

The best run for some
time.
Ella is putting
had all out of
logs.

Friday Jan 18
A dainty day
of logs started
to had at the
all day and
got in a fine
lot of them.
Had 19 good buck
to kept the
mill running
and I had 6
logs on them.
Billie don't expect
well with his
van.

Payment to
mill for each
Ella have don
a big washing
and is about
now out.

Sat. Jan 20
I had rainy day
We hauled logs
till noon
then the rain
began

The mill men
started to let men
then picked up
a little around
the mill and
then went home
Gabe did not
come to work
& went down
to the mill
to get our
wag on at
got a shot put
my bag on
Ella is hurt about
down sick

Sun Jan 21
A fine day
The crew out
of prep.
The team has
stopped all day
Ella has had
a big dose of
salt but she
felt bad and
all day but
felt better
I have chosen
around night all
day. He has
talked old times
over and says
how far they
have been left
behind

Monday Jan 22
A fine day
The morning
The afternoon
I went to
and finished
hanging the
curtains for the
kitchen
I hired a
carriage to
go to
a little
more

Tuesday Jan 23
A fine day
The morning
I had a
a load of
and a
had
the
The roads are
terrible
I got
and
an
for
the
Boys
I got a
not

Wed Jan 24

A fine day
A big thick
frost
The birds
were all
at work
pieces of 24
stuffed
the
birds
we got along
with them
the logs
ella in
butter on
mop.

Thurs Jan 25

I had rain from
but the afternoon
cleared of turned
cold this cleared
up began to
I found and after
snow. We hauled
logs after dinner
got in a nice
lot of them
ella in getting
butter.
Pa was up
while talking
about the road.

Fri Jan 26

A cold morning
and cool sun
all day.

They hauled logs
with good success
kept the mill
in logs all
night.

They saw a big
dark sawing
Ella is getting
along all right.

Sat Jan 27

A fine day
Tidye had the
messengers to dig
the holes in camp
logs to keep the
mill running.

They quit early
and went home.
Lafayette to
be different.

Not a path
was heard from
him to day.
Ella is about
well again.
Boys gone home.

Sunday 28
A nice morning
and warm
Dressed early
by noon and
then began to
shop
I chased about
all day
Not home all day
Olla than left
for her job
most all day
They have not
come yet
Came past my
stayed in a while
I have another
good cold
Olla full of
her

Monday 29
A cold day
I might
I got the train
ready to head
left and
down here to
find no one
came to help
me I stayed at
the stable
and got ready
for another
cold spell
Pa Crell came
over back
late this evening
He was glad to
see him

Thurs Jan 30
A cool day
I hauled
all day
got a
lot of
C. could
have
The mill
Came back

Frid Jan 31
A cold, old day
He hauled
all day
a lot of
got a
cold
The mill
did not
to day

Leafy Cranes
