The victories of Superior ratings, qualifying for State Competition, Best of Show Band, Best of Show Overall, Best Show Percussion, Best Show Color Guard, Grand Champion awards, and our own Festival of Bands were worth every bit of the sweat, blood, bug bites, sunburns and tired muscles that were endured during summer camp and after school practices!

The background of the page is a complex, abstract composition of overlapping geometric shapes and patterns. It features a grid of squares, some of which are filled with a checkered pattern. There are several large, semi-transparent circles and arcs scattered throughout. The overall color palette is muted, consisting of various shades of beige, tan, and light brown. The text is overlaid on this background.
