# 06-07 Ohio Model United Nations

Chris Dolan, Drew Smith, Levi Munn, Henry Allen, and Aaron Evans represented the nation of Swaziland during the Jr. OMUN Program. During their council session Chris Dolan and Henry Allen presented their author speech for their resolution to the nations. After a debate over their ideas Levi Munn presented closing comments to the nations. Their resolution passed by a vote taken from the nations.

During the award ceremony Drew Smith won a trophy for Outstanding Leadership. Minford had three students run for office for next year's program. Henry Allen was elected council president and Drew Smith and Chris Dolan was elected council vice-presidents. Minford was well represented during the Jr. OMUN by all the delegates of Swaziland. Congratulations to all the students for a job well done.

## MMS Incentive Program

### Principal's Top Ten

At the end of each grading period, 10 students (2 from each grade level) will be honored as the Top Ten Students for the next grading period. The students will be chosen based on teacher recommendations. Those recommendations should be based on:

1. citizenship
2. discipline
3. effort
4. attendance

Each teacher will be permitted to nominate 2 students from the grade level in which they teach. If you teach more than one grade, you may nominate from any grade, but only two.

After receiving all the nominations, a faculty member and myself will chose (based on teacher comments and student performances) which students become Top Ten Students for that grading period.

The rewards for being a Top Ten Student are as follows:

- Certificate of Achievement
- Free 6 inch sub from Subway
- Free ballgames and dances for 1 grading period
- 5 tickets added to the year-end drawings
- Name announced on WPAY radio station
- An afternoon at City Limits (end of year)\*

\*Subject to change depending on availability of facility

## 7<sup>th</sup> Grade Renaissance Festival

We traveled back in time to the late 1500's when a Queen ruled and knights fought to save the land. We started our unit with a trip to the Ohio Renaissance Festival in Harveysburg, Ohio on September 27<sup>th</sup>. While at the festival, we learned

first hand what it would have been like to live in a Renaissance Town during the 16<sup>th</sup> century. Once back in the classroom we picked one topic from a list of many different people, events, and careers from the Renaissance Times to study. Based on our findings we worked on creating our very own Minford Renaissance Festival creating a smaller version of a Renaissance Town.

# Science Fair
