Competition Competition Competition

*tigers
keep fans guessing
with season full of
ups and downs*

*defense holds opponents
to 16.5 points per game*

The young Tigers showed a willingness to hit and a desire to win, in a season plagued with injuries. But we are optimistic for the future with a veteran squad returning, and with any luck our young Tigers should be in the thick of the SOC, and the SCL races in '74.

*tiger courtmen
record a disappointing
7-11 season*

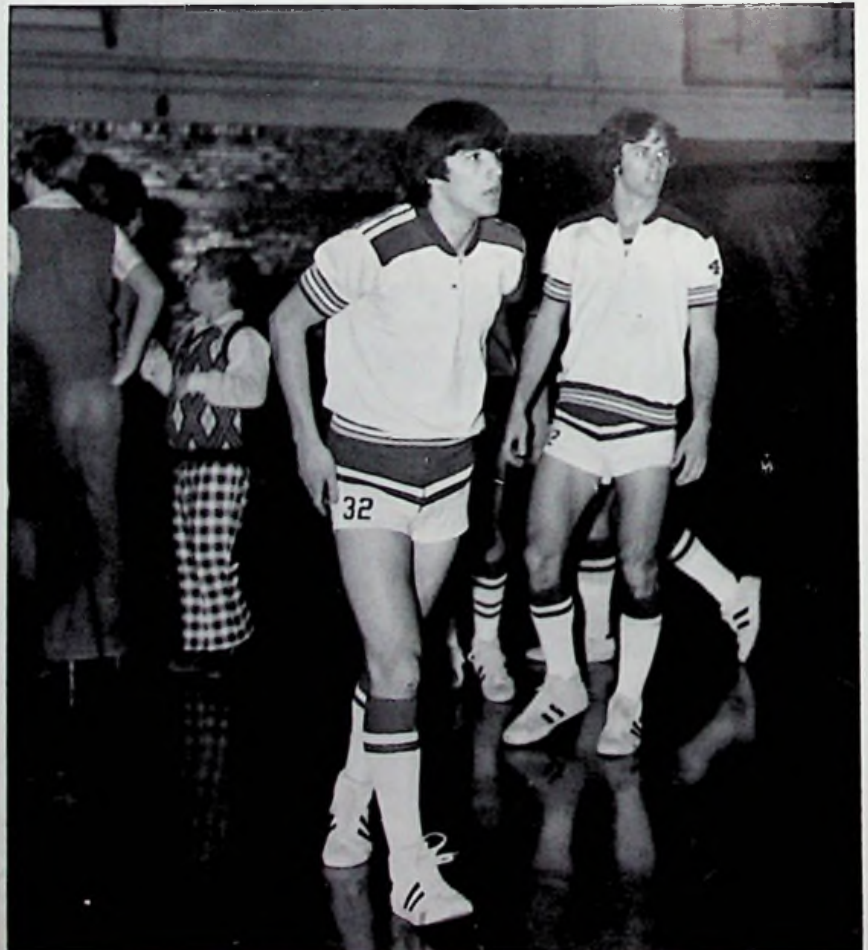

The Tigers failed to achieve the record of excellence which marks their past history. It seemed as if individual players excelled. Only on rare occasions did the team appear as a single unit. Next year it is expected that the record of excellence will once again return to New Boston.
