FRESHMEN

We, the freshmen class of 1994, here do declare our most memorable school moments and thoughts of 1994, for all of our friends to hear and see, for now and ever. We remember when:

- the freshmen class did not rally at the first football pep rally!*
- Zach Swords should have beaten Mr. Merritt in the Big Mac eating contest.*
- Crystal Gibbs gave Mandy Nolan a really bad hair cut.*
- our first day of high school and we were made so much fun of because we were freshmen.*
- we went to the wrong class, sat down and realized after the bell rang we were in the wrong place.*
- Jason Maple got shaving creamed in the locker room!*
- the upperclassmen tried to sell us elevator passes and some of us bought one.*
- we tried to have lunch put on our schedule.*
- we showed all the upperclassmen up by decorating our hall and winning the spirit competition.*
- we had to do really crazy, wild things to get noticed by the upperclassmen.*
- we saw all of those gorgeous upperclass girls and guys and we knew there was a God in Heaven!*

REMEMBER

Do You Remember When...

We were thrilled to get our drivers licenses.

We finally knew where all our classes were.

We put our imagination to the test by decorating the hallway for homecoming.

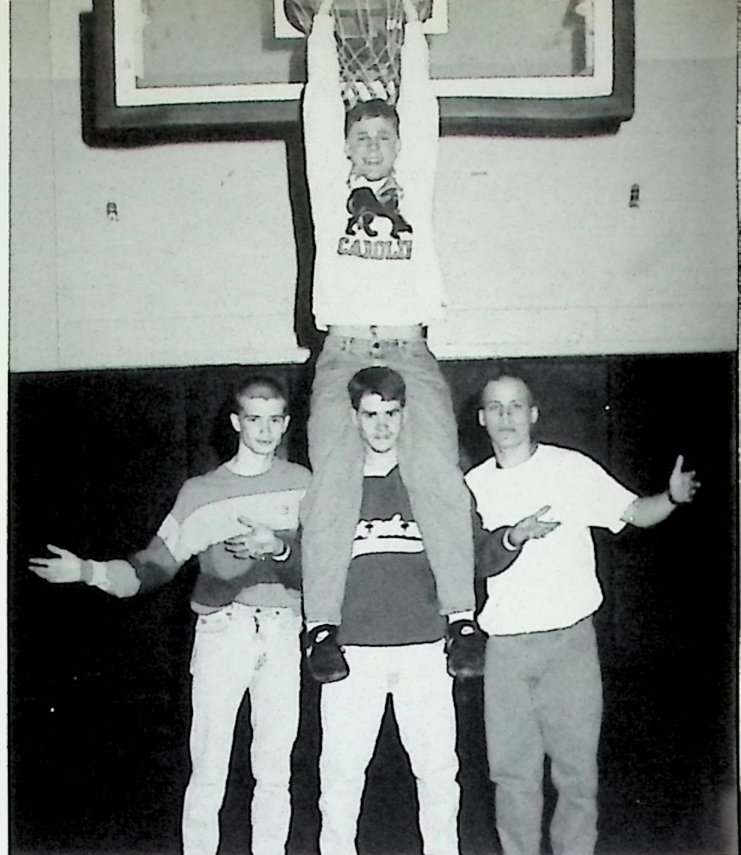

We could finally call people freshmen instead of being called freshmen.

We missed so many school days because of snow.

We went on the Chorus trip to King's Island.

Mr. Conrad ripped down the World History Map.
