Old Memories

*There are those special memories
We cherish through the years;
The most of them are happy ones,
A few are touched by tears.*

***They all become more beautiful,
The older now they grow;
And with their age they take
their place
As days of long ago.***

*They are the pictures of a past
For which we sometimes yearn,
But which we know so well is
gone,
And which cannot return.*

***And yet those memories
can play***

***A most important part,
As they inspire or console,
Or otherwise help the heart.***

MEMORIES OF THE PAST

Since the emphasis this Bicentennial Year is on the past, we decided to trace the history of our school. What better way than with a few old pictures.

All In The State of Mind

If you think you are beaten, you are,
 If you think you dare not you don't,
 If you'd like to win, but you think you can't
 It's almost a cinch that you won't.

If you think you'll lose, you're lost,
 For out of the world we find
 Success begins with a fellow's will,
 It's all in the state of mind.

If you think you're outclassed, you are,
 You've got to think high to rise,
 You've got to be sure of yourself before
 You can ever win a prize.

Life's battle doesn't always go
 To the swifter or faster man,
 But sooner or later the man who wins
 Is the man who thinks he can.

New Field

New this year at Notre Dame is a baseball diamond and a cinder track located directly behind the school. These new additions to the athletic facilities are the cumulative results

of hundreds of hours of work donated by area businessmen, the school board, Central Catholic Athletic Association, Notre Dame fans and Notre Dame students.
