IN ACCOUNT WITH

---

*E. & S. Hayward*

Friday Feb. 2nd

A nice day  
Barnes  
He hauled a  
lot of wood  
to the house and  
a lot of corn  
Barnes took the  
engine and the  
car  
I tried to get  
an iron chest  
on the line but  
don't know what  
to do about it  
The mill says  
a lot and other  
things. Ella has  
had a long  
old day of it.

Sat, Feb, 3rd

A fine day  
Cold this morning  
He took a load  
of pine lumber  
up to the house  
Barnes went along  
the gut. He got  
and a spare part  
on to the road.  
He got back  
by there  
I charged around  
early  
Harrison says  
the weather is  
perfect. To say

Sun, Feb 4th

A rainy, foggy day  
March 1st  
It was all day  
dissipated with  
hammock terribly  
furious. I had  
cold as the grip  
of the same. But  
this evening  
I have taken  
as much as all  
day  
things in your  
shape

Mon Feb 5.  
A nice day  
I was a little  
last night  
Bogey & I fixed  
the lamp and  
to hand the  
we will have  
same  
The fixed lamp  
and chopped  
wood and  
chopped around  
hammock and  
to my father  
stretched feet

7  
A damp cloudy  
morning day  
The sheep and  
blacksmith  
left noon

Have had some  
lumber up and  
hired a wagon  
to haul

Went out wood  
and charcoal some  
The mill men  
came back and  
will be ready

for work tomorrow  
The Dublin men to  
town. The camp  
up and eat dinner  
with us. Hamlin  
is some better

125  
170  
Wed Feb 7  
A warm cloudy  
rainy bad day  
Began to rain about  
noon and rained  
most all the afternoon  
but not hard

The hauled logs  
all day. Hauled  
6 logs for the mill  
took with all day  
We got a late start  
Hamlin is  
well by a  
long way

Thurs Feb 8.

A very warm day  
but through and  
then rain began  
about 5 o'clock this  
evening.

The hauled logs  
off the hill  
to the mill  
He kept the  
men at work

Fri Feb 9.

A nice day  
except a little  
fog in the  
morning.  
The hauled logs  
off the hill  
to the mill  
all the part  
of the beam.  
Left the mill  
sawing except a  
few logs.  
The men at work  
logs sawing

Sat. Sep. 10  
A nice day  
Washed  
The hand dogs  
off the dirt to the  
holder.  
Got a paper  
lot of things  
I got up early  
and went out  
to the  
Joker's after his  
large  
I left  
my horse  
Drove a good  
bit  
I shaved  
for the  
the  
Xmas

Sun. Sep 11  
A nice day  
Got a  
and  
depart  
The road was  
deadful  
had  
bag  
the  
had a  
went  
ones  
show  
his  
back  
in

Mon Feb 12  
I had a quiet  
day. Planned to  
play around  
ball today  
But went  
back on the  
account of the  
study. There  
I have checked  
around hard  
all day  
Thinking of the  
meat ready to  
supper  
I should have  
known as  
an article of  
a matter

Tues Feb 13  
A rain storm  
but it cleared  
up and got cooler.  
I took the buggy  
and then to Phyllis  
to see about  
buying her  
and then home  
and down to  
Dinner. I was  
but she had been  
I did not have  
enough and had  
supper and  
checked around  
of the Hotel. I  
have heard  
that of the men

Wed, Feb. 14

A fine day  
saw a lot of  
things  
but saw  
the hauled  
off the  
to the  
along  
down

Thurs Feb 15.

A fine day  
the hauled  
all day  
I at all my  
the hauled in the  
biggest oak log  
to  
Boyer came  
to work

Wed. Oct 14

A cool day  
I worked about  
all day

Went to work, but  
fell to sleep

than and have  
had all night

The haulid  
from all day

from the night  
I was not too

very good but  
not expect

no better  
I hope to work  
work to day

Sat. Oct 17

A cold day  
A big wind from  
the front plus

snow all day  
The haulid from  
all day but

with the storm  
succeeded

Spent out at  
noon and worked

hard near all  
the afternoon and

came in with  
a log. Pulled

the sled to  
cut and had to

come within day  
Ella & Q. who

talked till late  
into the head

Sun. Feb 18  
A very cold frosty  
day. Chit. him,  
all day  
He kept a computer  
and chored  
He left busy  
Thinking to the  
a talk.

Did not get  
up until late  
I have both  
came around  
to get it on the  
Coffin & Capace  
showing close  
went back well  
He took the  
I am writing  
on his  
chasing

Mon. Feb 19  
A nice day  
Very cold this  
morning. 4 dig  
above zero but  
it warmed up  
and made a  
nice day

We got in  
the logs on the  
with. Put in  
all the afternoon  
on the big  
massive log  
and then started  
to get it in  
Before a lot of  
single trees and  
had some  
just was here

Tues. Feb. 20

A cold morning  
but warmed up  
and made a  
mid day  
We had the logs  
all day.

By the afternoon  
had to make a  
new one which  
took up a  
half day.

The mill men  
came back  
As Stevens was  
down

Marion went  
to mill for  
me.

Wed. Feb. 21

Raining this  
morning. and  
left at noon

Boys & I cut  
up a table  
and set up  
the other side  
this afternoon  
and  
left at 10  
had a  
log.

I was out  
with the  
log.

Thurs Feb. 22

Had a very  
pleasant day  
all the afternoon  
I went to  
the church ground  
cleaned graves  
with a  
shovel and  
brush.

I dug up a  
grave and  
found the first  
one I ever  
found. Made a  
single tree and  
it had a leaf

Fri Feb. 23

A very  
pleasant day  
I went a little  
to the  
church ground  
and  
found the first  
one I ever  
found. Made a  
single tree and  
it had a leaf  
I had as  
much as  
I could  
to take  
the

Monday July 26

A very dry  
Cold. Wind  
with heavy clouds  
at night  
The family  
went all day  
got a late start  
hauled up  
logs and they  
down off the hill  
summit had a  
small piece of  
the log  
The log cut  
some on again  
The mill  
had not  
back

Tuesday July 27

A very cold  
B. Light  
B. & D. hauled  
logs all day  
B. & D. team  
got at the  
logs can be put  
about back  
The mill  
got back  
evening
