Dedication

The 1978 Falcon Yearbook Staff is happy to dedicate the 1978 Falcon to the Minford High School Marching Falcons. We feel that the band is deserving of this honor because of their unselfish desire to perform to the best of their ability and to entertain others. They put in many long and hard hours of practice in order to perform at various functions throughout the school year. Each performance this year was a display of their dedication to school spirit and their pride in Minford High School. All the students of Minford High School are proud of our band. We wish to thank Mr. Bennett and the band for a job well done.
