## Who needs Swag?

Vivian speaks to the elementary school about her platform. She reached out to all of the schools in the district to inspire them to help her goal.

## When you have Swing?

It was a huge honor to be with Vivian on such an excellent float and I am glad she was able to bring back the 1st place trophy to Northwest.

# Miss Northwest 2018, Vivian Pennington

In the previous school year Vivian Pennington was chosen to represent our school as Miss Northwest. Vivian's platform was "Clothing the Mohawks" and within her platform she created clothes closets in the elementary, middle, and high schools to help ensure students would be able to have the clothing they needed throughout the year.

Vivian received swing as her genre for her float and automatically became pumped for all of the possibilities. The World War II swing themed float took grand champion out of the twelve others competing. After Vivian's six month journey as Miss Northwest she said, "River Days is definitely not something you can prepare yourself for; I learned a lot of great things from my experience. I am very thankful for all of the other River Days girls and the bonds that were created by this experience also."

# Football Homecoming Queen, Laiken Rice

Feelings of nostalgia and a sense of community filled the air of homecoming night as former homecoming queens and attendants made their presence known. The 2018 football homecoming queen Laiken Rice chose the theme "There's No Place like Homecoming," based off the classic movie The Wizard of Oz, and invited all former queens and court to participate in the special night. Laiken wanted to break the tradition of homecoming being revolved around one person and make it "our night" rather than her own.

The queen and her court enjoyed an evening dedicated to not only them, but to the cherished memories past courts had the chance to relive once more. It was a ceremony to remember even though times have passed and people have moved on, there is no feeling like returning because there's no place like home.

Posing happily, freshman attendant Kloe Montgomery looks glamorous beside her escort Zane Gilley.

Showing off their silliness, the queen and her junior attendant Addi Newman grin for the camera.

Flashing dazzling smiles, Kaden Zumbro escorts sophomore attendant Chloe McIntire to their designated spot for the homecoming ceremony.

Former homecoming attendant Jordan Glenn stands at attention with a smile while the band played for the court.

Senior attendant Hanna Tackett smiles for her picture in front of the homecoming court's float.

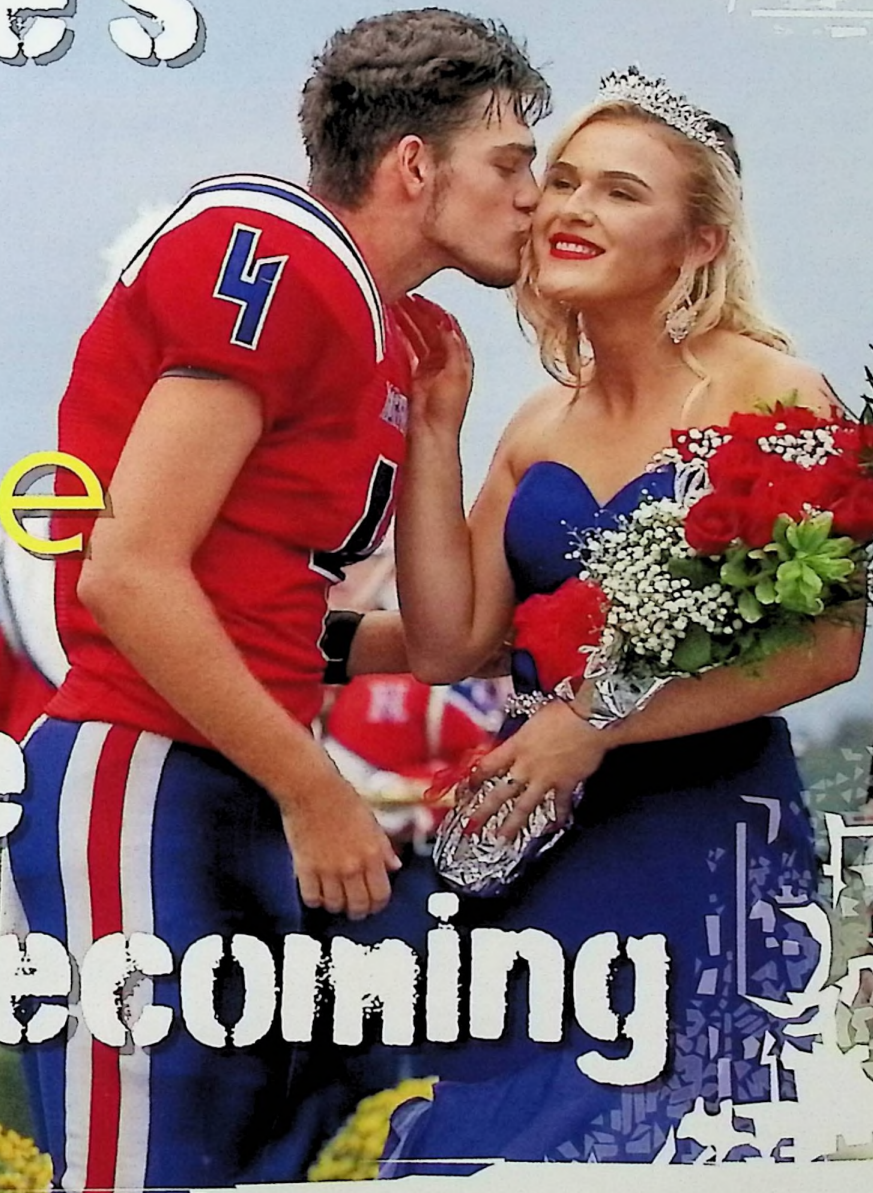

Gage Lute-Defoe escorts the junior CTC attendant Zoe Pierce to the center of the field for pictures in the ceremony.

"If we know ourselves,  
we're always **HOME** anywhere."

Mohawk Nation traveled down the rabbit hole with homecoming Queen Miranda Sandlin for a "Night in Wonderland." Miranda was an attendant her freshman year and has always dreamed of being queen her senior year. Miranda's night was one to remember and she could not have asked for a better night with her friends and beautiful court.

Our Queen of Hearts was very ecstatic to represent her senior class and the student body. She thanks the whole Mohawk community for making her dreams become a reality and made sure to cheer on the team to put on a good game. Miranda hopes her court cherished the night as much as she did, but she will forever be the Queen of our hearts.

Alexis Jenkins and her date Donnie Russell pose for a picture in the hallway while waiting to enter Grand March.

Prom goes dance to the Cha Cha Slide in unison in the middle of the gymnasium floor.

As the day comes to an end the stars start to appear, the ladies get all dolled up in their elegant gowns and the gentlemen look sharp in their tuxedos for Grand March. Each then enjoyed a night under the stars of lights, dancing, laughing, and making memories that will last forever.

This is the night where people from many different friend groups come together, where different images of who we think people are disappear, and where no one is left from the dance floor. Prom night is always one that is never forgotten and is looked back upon fondly throughout the years.

# A SPLASH OF COLOR

# KEEP N M E T I M E

Qualifying for state twice in one year is no big deal for the musical Mohawks. The Marching Mohawks qualified for the Ohio Music Education Association state competition for the first time at the Ironton competition with their show titled "Trapped in Time." Later in the year, the concert band qualified for state once again in the district concert competition held in the Vern Riffe Center for the Arts at Shawnee State University. The band works hard to accomplish many things over the course of the year, and this year was no exception.

I got into character for being trapped in time by acting as if I really was trapped in time in a certain period of time trying to break free. What kept me motivated throughout the season was the support given to me from friends and family. My best memory from this season was when we went to perform at OSU and Mentor High School had the same show as us.

**Susie Shackart**

I have impacted the students by trying to be encouraging and respectful. I try to build their self confidence and their self esteem by listening and showing that I really care and by never embarrassing them. My words and actions affect the way they feel about themselves for the rest of their life.
