In Memoriam.

Bertha Loren Wright,

Assistant editor of this publication.

Died

November 14, 1894, aged 22 years, 3 months and
24 days.

Daughter of Henry and Sarah Wright.

She was born in this city and was a graduate of its
High School.

In the spring of health and hope and gladness, by the
breaking of a gilded chain, the falling of a
lighted lamp, her life went quickly out.

And her spirit swiftly winged its way to the unknown
haven of eternal promise.
