The senior class of 1978 have many memories of their last year at Valley. We'll always remember them all no matter how good or bad they were.

Music underwent a big change during our senior year. It changed to "disco" when John Travolta starred in the movie "Saturday Night Fever". "You Light Up My Life", sang by Debby Boone, was named Song of the Year. Some of the biggest names in music were "Fleetwood Mac," "Bob Segar," and the "Bee Gees."

Pizza was the favorite food of the seniors and everyone was glad when a Pizza Hut opened in Portsmouth. Of course, everyone still liked MacDonald's and will always remember all the fun they had there after ballgames.

Cowl-neck and drawstring sweaters and tops were really in style. Boots came in handy again this year when Lucasville was hit with a blizzard and a record snowfall. We missed 19 days of school. A big news item during our senior year was a nationwide coal strike which was the longest in the history of the United States. It lasted 111 days.

The seniors will always remember how they helped boost school spirit at pep rallies and ballgames. Our football team showed great improvement. The girls' volleyball team had a very successful season. The boys and girls' basketball teams both did a wonderful job, although they both lost in the district tournaments. Our baseball team also lost in district play, but everyone was still proud of them.

The junior class had our prom at Shawnee Lodge with the after-prom held at Rainbow Lanes. The prom was a big success and everyone really enjoyed themselves. Thanks again juniors!

For our senior trip, we went to Cincinnati and attended a Red's ballgame and visited King's Island. Everyone had a good time and will always remember it.

We graduated with the motto - Today We Follow; Tomorrow We Lead. We hope we have set good examples for all the underclassmen, because without them we never would have had all the wonderful times we had at Valley High School.
