## Students Enjoy Vacation

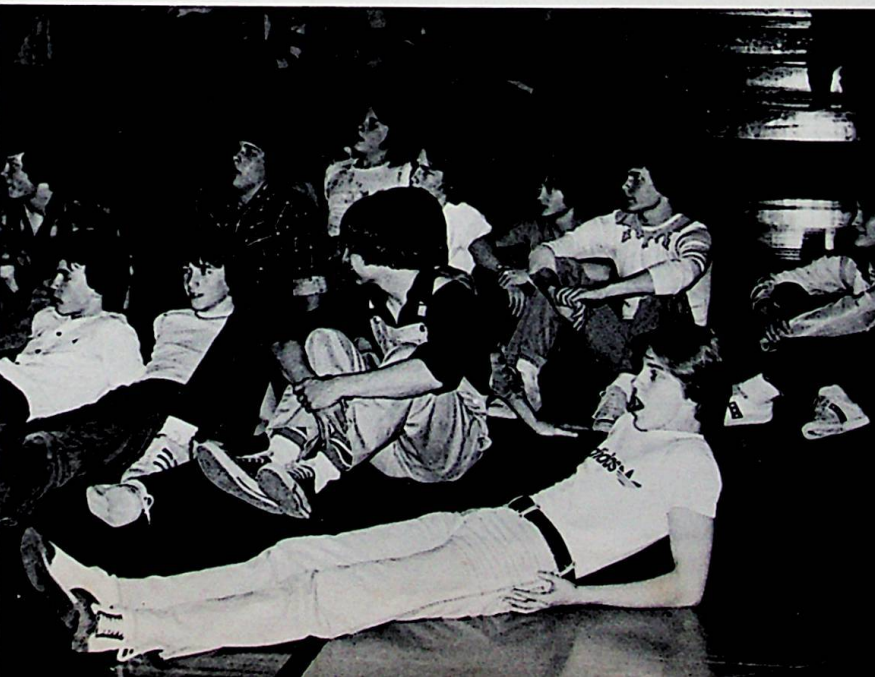

This year the bad weather caused the closing of the school for twenty days. Many of the students relaxed during the long days at home while some took advantage of the snow to show their creative talents at constructing snowmen or had snow battles with one another. The students enjoyed the vacation but they were glad to return to school after the long break.

## Bad Weather Closes School

The abnormally low temperatures during January caused some troubles for the local schools. Snow fell to a depth of eighteen inches which made it impossible for the buses to make their runs. Wheelersburg High School's gas allotment was cut to 40% forcing students to dress very warmly due to classroom temperatures dipping to the low 60's. On one occasion teachers and students even wore their coats and gloves during classes. The decreased allotment prompted the changing of one of the high school's gas-fueled boilers to fuel oil.

Julie and Mark enjoy playing London Bridge.

Didn't think I could catch it, did you?

Ira Fowler examines the grain of the green.

## School Gets Lucky Break

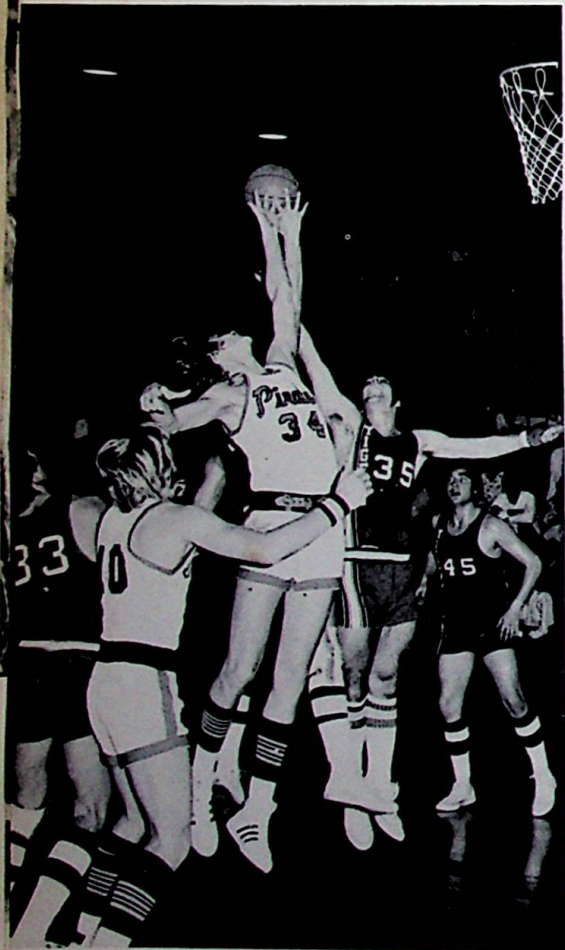

In the early spring the state legislature passed a bill allowing fifteen calamity days to be used for snow and five for energy or vice versa. This allowed Wheelersburg to count all twenty days thus not having to attend classes on Saturday or to extend the school year as most other districts did.

## Students Return With Enthusiasm

When the students returned to school after being out about a month, they finished the first semester and then started the second semester a week after school resumed. Students were glad to get back to school after the break, but as usual, the warm weather of May gave everyone spring fever and a longing to be out in the sunshine which was so welcome after the "Year of the Big Snow."

# Teachers Enjoy Unexpected Vacation

MRS. JESUE BURKHART - Biology I and II, General Science.

The Burg was pelted with an accumulation of 16 inches of snow, resulting in school being closed for twenty-one days in January.

The unexpected break allowed teachers more time to spend on class preparation and paper grading, but also offered a chance to enjoy some hobbies suitable to the weather. Mrs. Climer took advantage of the snow and spent some of her vacation skiing at Snow Trails.

All teachers said that they had read a lot during the month. They also indulged in a variety of activities and work such as crocheting, macrameing, sewing, preparing income tax forms, babysitting, cleaning the basement, and splitting wood.

MRS. KATHY DELAWDER - Typing I, Consumer Math, Business English.

Miss Janet Stone demonstrates the proper technique for shooting an arrow.

## Teachers Help With School Athletics

Teachers' participation in school functions was not limited to teaching and sponsoring clubs. They also helped to sell tickets for the ball games on their own time. During football season, teachers were seen at the gates to football games selling and taking tickets with their teeth chattering from standing on the cold ground from 5:30 until the gates close.

Basketball season found them without their mittens but none the less cheerfully counting change and collecting tickets.

MRS. JEAN FRANKE - Guidance.

The faculty played an important role in the spirit of pep assemblies.

For the pep rally prior to the Portsmouth game, the faculty and teachers' aides got together to put on a Trojan funeral. Some of the members sang in a choir harmonizing in the song "Shall We Gather At The River," while on the other side of the gym a Trojan casket was brought in by pallbearers with weeping mourners following. In another skit the faculty stalked an Ironton tiger with toy guns, expecting a Pirate victory.

# Pirates Kick Off a Winning Season

"'Undeafated we are, undefeafated we'll stay,'" chanted the crowd throughout the football season. This cheer came true for the team with a season record of 10 and 0. Huge crowds followed the team wherever they played to see the mighty Pirates put another win in their pocket.

Gary Bailey stated, "We played some pretty rough teams this year, like Jackson, but we always seemed to have the edge on our opponent. When we got psyched up, nobody could beat us."

Coach Ed Miller once again showed his ability to produce a winning team, with the help of coaches Larry Hall, Randy Parker, and Bob Schwamburger. The coaches showed the team that the hard practices produced a winning team.

The Wheelersburg Pirates ended their third undefeated season in the past four years. Along with this went the fifth consecutive SOC and SCL crowns.

Many members won individual awards for their efforts during the season. Gary Bailey and Dale Schneider were selected for the All District first team, while Terry Cooper, Dean Miller, John Anders, Wendell McBrayer, and Jim Thompson made the second team.

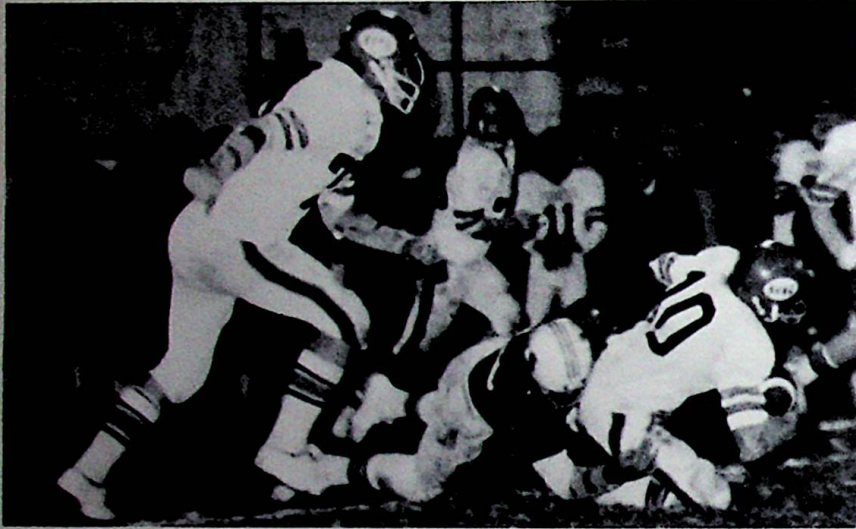

At the football banquet, team awards were presented to Terry Cooper, best offensive lineman; Gary Bailey, best defensive lineman; Dale Schneider, and Dan Baker, best defensive back. Randy Spradlin received the most improved player award while the Andy Hopkins Most Valuable Player award went to Dean Miller.

Co-captains Dan Baker and Dean Miller then presented Coach Miller with a plaque on behalf of the seniors team members with these words, "We cursed this man many times during the year . . . but he's the best high school football coach in America, and you can believe that." This statement was also supported by the presentation of the SOC Coach of the Year award to Coach Miller.

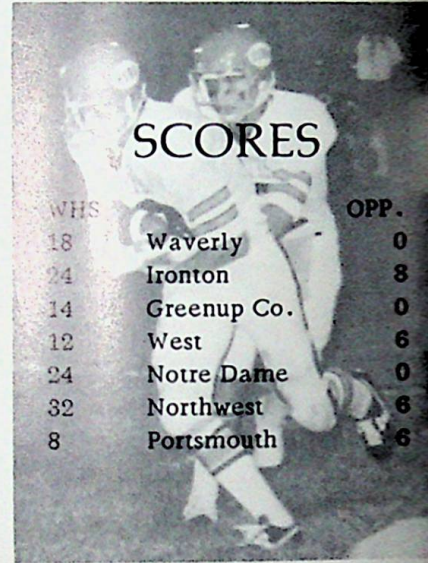

# Rookies Carry on Burg Tradition

Wheelersburg certainly has the right to be proud of their freshman football team since they once again had an undefeated season. "We had some really tough competition, like Portsmouth, but we worked together to end up with a win," said Ray Thompson.

Coaches Mike Schomburg and Walt Brown drilled the team on the different plays until the team had them committed to memory. Now the freshman football team looks forward to when they can play for the varsity team.

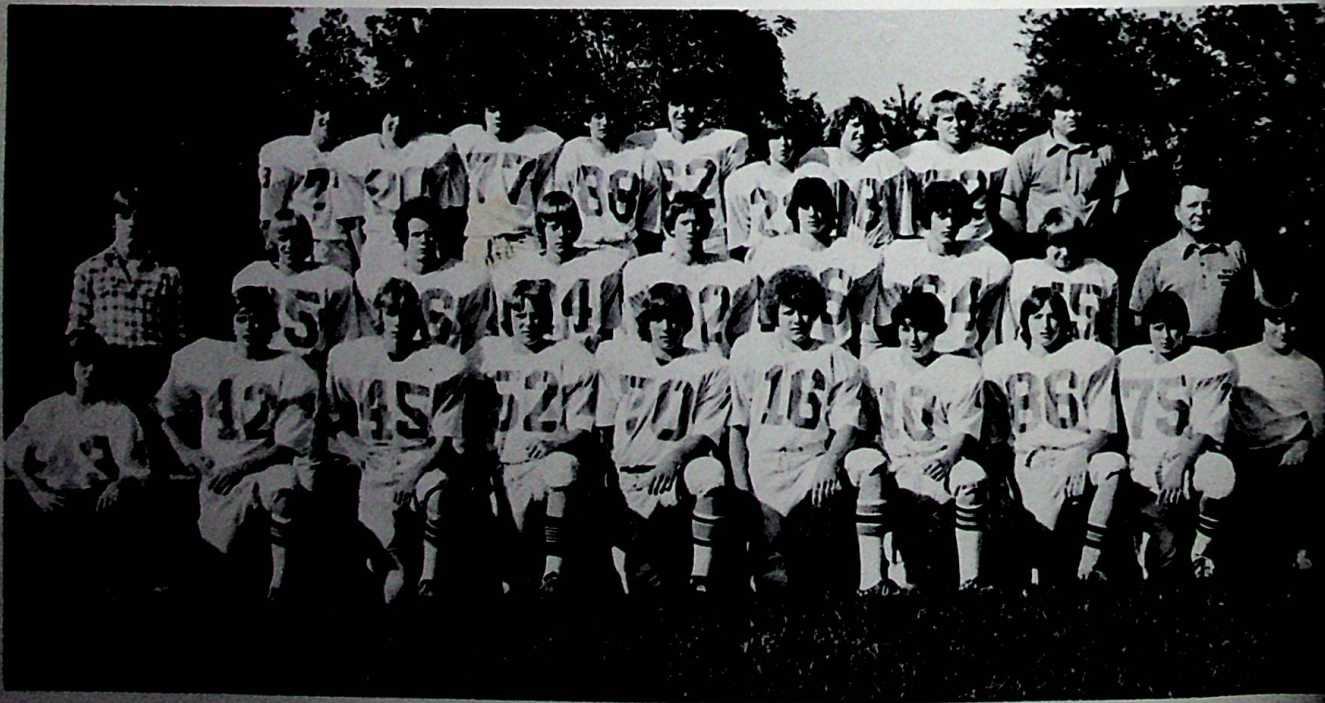

Pirates fight for every inch.

## Second Year Shows Improvement

The girls volleyball team had another fine season this year with an 8 and 2 record. Although the team was just in its second year, the girls played like veterans. Under the guidance of a new coach, Miss Drummond, the girls combined work and pleasure into their practices to make the long hours more fun.

Diana Bowen said, "We really did have a good time. Miss Drummond made it seem like a recess instead of a practice, but after we got home we knew that we had done a lot of work by our aching muscles. She's a good coach."

The girls' hardest competitor was Notre Dame which beat the Burg in two close games. During those games the lead changed hands several times. "I thought we'd win for a while but they would always pull it out. It was an exciting game," said Cathy Thompson.

The team is looking forward to another good season next year and hopes that they get the same student support at the games as they did this year.

## To Grand- mother's House?

Over creeks and through the woods the cross country team ran.

They practiced long and hard by running over five miles a day in all kinds of weather. This grueling practice paid off since the team placed well in all their meets. According to Brian Noble, "The hardest thing to get used to is running on an uneven surface and watching out for pot holes. The race itself is exhausting, especially when it's real humid, making it hard to get air."

Mr. Brannon, coach of the team, also put in many long hours after school giving useful tips and timing them to see how much improvement was necessary.

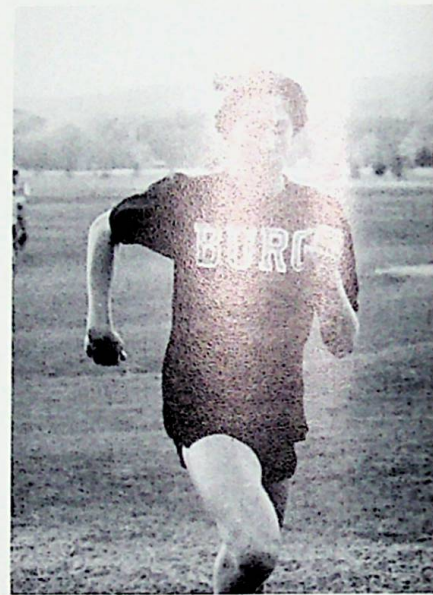

The team will be losing two good members next year but hopefully will have another winning season.

# Golfers Take the SOC

The Little Sciote Country Club once again was the home course for the Wheelersburg golf team which consisted of the seven best golfers in the school. Under the direction of Mr. Beckett, these young men drove and putted their way to a

victory in the SOC and a fine season record of 7 and 1.

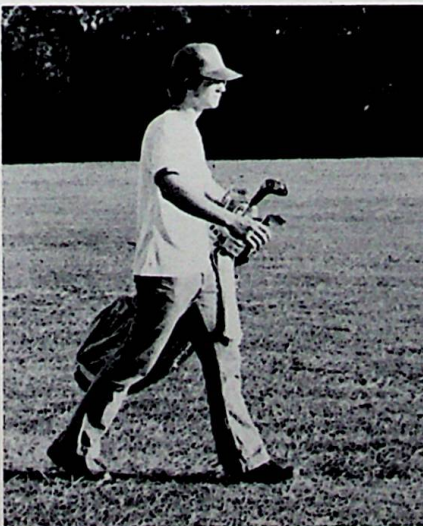

Despite an occasional slice or hook on a drive, Rob Whittaker was the medalist with a score of 87 in the Sectional Tournament at Chillicethe.

For the third year in a row the Pirate basketball team took both the SOC and the SCL titles. Dean Miller said, "We were in some close games that had us worried but our record of 17 and 1 showed who came out ahead." Coach Hughes added, "The team had a better balance of players this year. That's what made everything work as well as it did."

Several honors were bestowed upon the team this year. At the end of the season WHS was rated fifth in the state by the Associated Press Poll. Three of the team members, which included Dean Miller, Gary Bailey, and Jeff Meadows, were named to the SOC All-Star team.

Gary Bailey weaves through Trojan traffic.

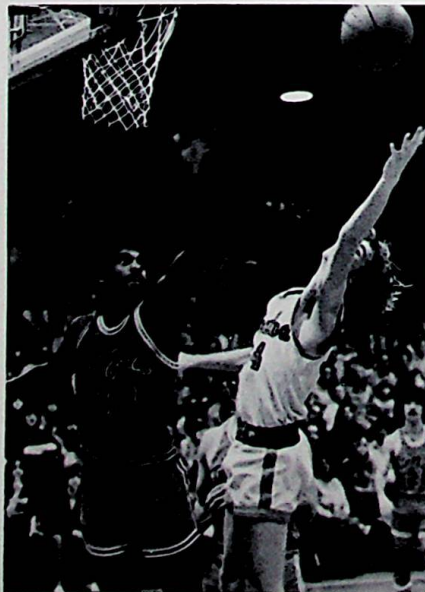

Oh my aching feet!

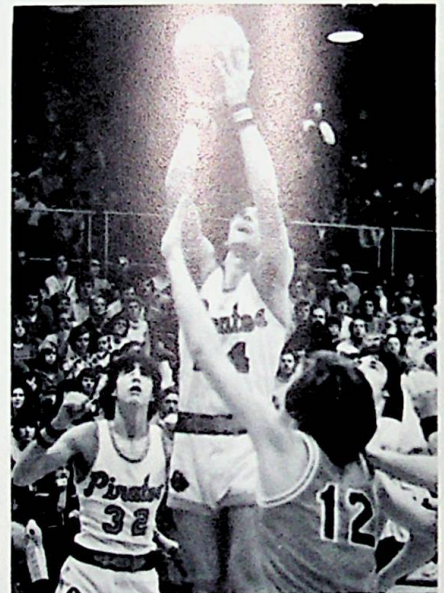

The team waits with anticipation.

The Trojans of Portsmouth High School were the only ones who could defeat the mighty Pirates in regular season basketball this year. The entire game was close with the lead changing hands a couple of times. According to Jeff Clinger, "They really surprised me. I heard they were good, but I guess they were really up for the game too. We just made too many mistakes." The thoughts of the non-senior members of the team were summed up when Jack Miller said, "We'll get 'em next year!"

## Reserves Have Winning Season

The 1977 reserve basketball team had a fine year with a season record of 12 and 6. Coach Mike Schomburg showed the team the mechanics of the game, then taught them how to use what they learned in the actual game. "We practiced long and hard every day after school. I didn't like the hard work, but it was worth it to play in the games on the weekends."

# The Future Varsity Team

The Freshmen ended their season this year with a 2-4 record. They averaged 37 points per game but allowed the opponent an average of 45 points. "The boys played well defensively but were a bit weak

when they were on offense. That will get better with practice. I think they are a fine bunch of boys and will be a valuable part of the future team," said Coach Mike Schomburg.

# Girls' Basketball Team Improves

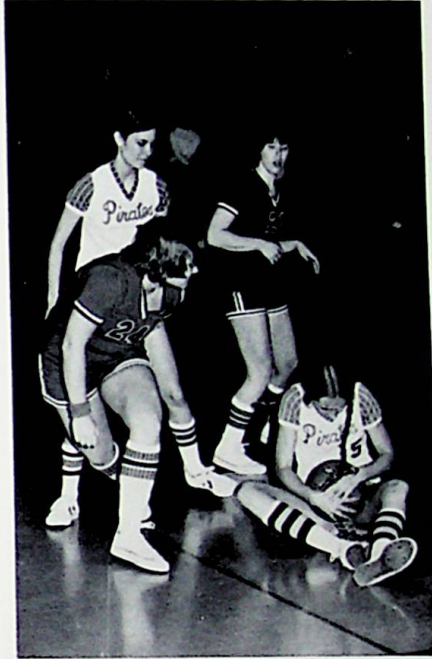

The girls' basketball team played with much improvement this year since they had a season record of 5-9 and last year the team won only one of their regular season games. The team had a new coach, Miss Tina Schmitt. "We all liked the coach real well," said Sharon Roth. "She really knows about basketball. When we were behind in a game she

would call time and give us a pep talk to settle us down and play good basketball." Several awards were given to the girls at their banquet. The Best Offensive Player was Cathy Mullins, Sharon Roth took the Best Offensive Player award, and Most Improved Player went to Susan Jewell. Tammie Bailey received Most Valuable Player.

Under the direction of Coach Parker, the boys track team ran away with both the SOC and the SCL titles. The boys then proceeded to the districts which was their final competition of the season. The regular competition for the season also went well since the team won three of their dual meets and two of their tri-meets. They also placed well in the Chesapeake and Notre

Dame invitationals. "It was a disappointment to us that we couldn't have any home meets because of the condition of our track, but we always had a big cheering section wherever we ran. That makes a person feel good when

he's running. I know it always made me do better," said Tom DeCamp.

The Girls Track Team showed their running skills this year by winning two of their regular season meets and by coming in second in the SCL and third in the SOC. Lisa Leach said, "It was a lot of fun going to the meets. It made the long practices after school worth

it." Sharon Roth added, "I wish we could have sent someone to the state competition this year, but there were so many individuals who were better than any of us. As a team we held our own." With this year behind them, next year's team should produce a winning season.

# Yearbook Staff Pressed for Time

Plans for 1977 edition of THE WHEEL began as early as June 1976. Miss Turner, the advisor, and staff members Jayne Ann Salyer, Lena Graff, Todd See, Robert Gaus, and Ed Clark attended a five-day yearbook workshop at Morehead State University. At the workshop, the staff members attended classes in which they learned of layout styles, cropping procedures, and many other factors in putting together a yearbook. After selling advertisements in the summer, the

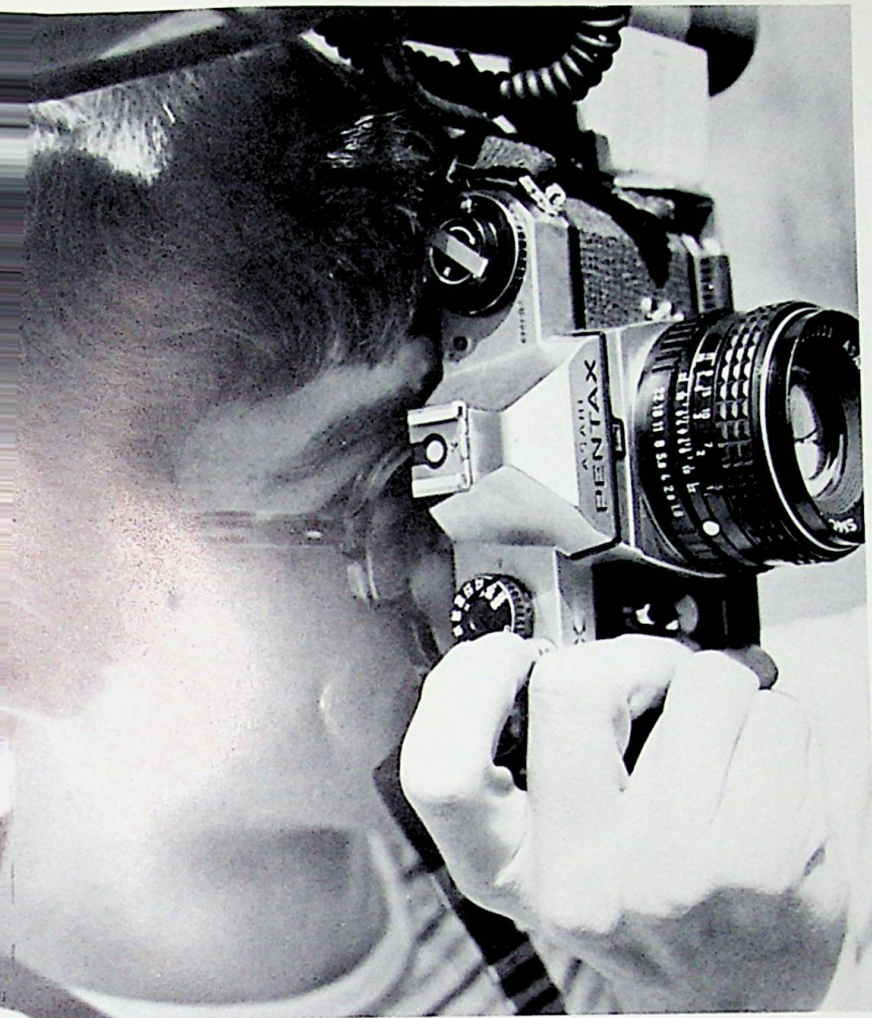

staff began work on the yearbook in September. Thursday nights were set aside for the weekly yearbook meetings. There, specifications were selected for the yearbook, and work on the different sections began. In the spring, the final sale brought the total yearbook subscriptions to 380. Due to the interruption of school in December and January, the yearbook pages were delayed. The interruption demanded harder and quicker work by the staff in order to meet deadlines.

Yearbook brings smiles to many faces.

# Staff Members Attend University Workshop

This year, the Pirate Press not only produced a newspaper, they enjoyed themselves as well. With Patsy Hibbits and Scott Bray as editor and art editor, the staff has two experienced leaders to guide them. Three members of the staff,

Jay Elswick, Debbie Myers, and Rita Eubank, attended a newspaper workshop at Ohio University during the summer where they learned the basics of putting a newspaper together.

The staff also enjoyed themselves by going bowling and by having staff parties. The paper publishes editions on holidays and during special events, such as the Wheelersburg-Portsmouth football game.

# NHS Inducts Thirteen

Activities for members of the George Rightmire Chapter of the National Honor Society centered around the spring induction ceremonies. Ten juniors and three seniors were tapped as new members during the annual event. Following the ceremonies, parents and faculty were invited to attend a tea honoring the new members,

which included Cassie Balzer, Dennis DeCamp, Pam DeCamp, Diana Foster, Robert Gaus, Lena Graff, Kelly Guilkey, Brad Marcum, Patricia Reiter, Tom Schulte, Rachel Thornton, and Valerie Willard.

In December the Society braved the cold to spread Christmas greetings by caroling to residents

in part of Wheelersburg. This preceded a Christmas Party held at the home of Mr. and Mrs. Joe Hibbitts.

As a service project members joined with the Library Club to solicit money for the American Cancer Crusade.

## Council Collects for Dystrophy

The Student Council, under the supervision of Mr. Keiser, performed their annual activity of collecting money for Muscular Dystrophy. The club also elected officers during the year. President of the club was Dean Miller, vice-president was Kelly Guilkey, secretary was Cassie Balzer, and the treasurer was Diana Price.

The Student Council consists of all class officers and a representative from each organization.

## Quebec Club Makes Return Trip

The Quebec Club, under the leadership of Mrs. Kuhn, has been very busy during the year working on money making projects. Some of the projects were car washes during the summer and the sale of orange and black football pillows, Bright of America Christmas gifts, and candy

bars. They also held an after-the-game dance during basketball season and bake sales after school. A new idea to add incentive was to include on the trip the first-year member who had earned the most money.

## Roman Banquet Highlights Year

The Junior Classical League is an organization formed for first and second year Latin students. The groups activities during the year included a trip to a Junior Classical Convention in Columbus and a bowling party. The group planned and presented a skit to eighth graders to encourage them to register for Latin for their freshman year. They also held a Roman Banquet to which they invited Latin students from New Boston. Members dressed as the ancient Romans and dined in the Roman style. First year students acted as slaves to the second year students by serving them food.

## Spanish Club Has Active First Year

The Spanish Club, under the sponsorship of Mr. Beckett, was added to the list of clubs in the high school. The club made arrangements for a variety of speakers to visit the Spanish classes. A girl who is a native of Orizaba, Mexico, came to talk to the students. The situation was a challenge for the Spanish students. Since the girl knew very little English, the students had to speak Spanish. The club had Christmas meeting, at which Joan Patrick and Charlotte Varney won the pināta contest. The group planned a trip to a Cincinnati Reds game for the spring. Cathee Turner commented, "I think that the Spanish Club was very successful this year, and I hope that next year's club can accomplish just as much."

# FHA Attends State Convention

The Future Homemakers of America had a very busy and successful year. They planned many activities which included a Thanksgiving Dinner in the cafeteria to which their parents were invited. They also held a Sweetheart Bowling Party and a Mother-Daughter Banquet at the Branding Iron Steak House. Karen Bentley hosted a swimming party for the members; they also attended a State Convention in Columbus.

Janet Hibbits said, "I enjoy F.H.A. very much, and I hope that more girls join next year."

SCIENCE CLUB: Jay Elswick, Cassie Balzer, Steve Clevenger, Teresa Belville, Brad Marcum, Rob Fite, Cindy Thompson.

## Meetings Held With Few Members

The science club, sponsored by Mr. Keller, began meeting again late in the fall of 1976. Students were permitted to choose the topics in which they were most interested to discuss at the meetings. The club was not only concerned with basic experiments in science, but also with choosing careers in the future. Although the number of regular members were few any students were welcome to join in at the meeting.

TRI-STATE CHEMISTRY TEST: Robert Gaus, Lena Graff, Teresa Keeler, Mr. Keller, Judy Neuirth, Alan Lemons, Scott Green, Brad Marcum, Steve Clevenger, Rob Fite.

## Students Honored

Students in Chemistry I and II were selected to take the Tri-State Chemistry test. The students studied for the test several evenings after school and took the test Saturday, March 15, at Marshall University in Huntington, West Virginia. In May, they attended an awards ceremony at Marshall where Robert Gaus was recognized for placing first in the school.

# Staffs Beneficial to Faculty and Students

The Audio-Visual staff, supervised by Mr. Schrader, learned about the operation of projectors, tape players, phonographs, and various visual aid equipment. The students gave up their study time to assist the faculty in the presentation of slides and films. Students were also permitted to go to the audio-visual room where the staff would assist them in the showing of films for special projects.

The Library Club, twenty-three strong, assisted Mrs. Moyer in the duties of the library. Such duties included checking out books, finding research materials, shelving books, and selling school supplies.

The members had their annual Christmas party at the home of Mrs. Moyer, and in April the club had an end-of-the-year party at the French Tavern in Huntington, West Virginia.

# "We've Got Spirit"

The Cheerblock, sponsored by Miss Riepenhoff, spent another year of boosting the football and basketball teams on to victory. On Tuesdays, members of each class could be found in their respective halls with their dishes of paint and paper creating their signs. Then on Thursdays, the members decorated the halls by hanging crepe paper and balloons on lockers and from ceilings to build the spirit and excitement for Friday night's game. Competition between classes for possession of the spirit stick resulted in very colorful and imaginative hallways.

# Intramurals Provide Saturday Recreation

Saturday mornings were reserved for those boys who enjoyed playing basketball with the girls participating in their own games in the afternoon. Under the direction of Mr. Parker and Miss Stone, they chose teams and then were required to play in their team's games.

Occasionally, the girls were permitted to stay after school for games. At the end of the season, the top players competed in all-star games. The intramurals provided a good source of athletic competition and recreation for anyone who wanted to participate.

# Chorus Has a Great Year

The chorus this year was one of the biggest Mrs. Climer has had.

Along with the WNXT radio program at Christmas, the chorus sang on the esplanade for the people who were doing their Christmas shopping. The chorus combined with the band to give a Christmas concert for the community and another one for the student body.

They also sang at the Spring Concert and for graduation. As a new addition this year, Mrs. Climer selected a small group of students who practiced one evening a week. They then sang at various functions such as the Farmer-Businessman Banquet, Goodwill dinner, and at the chili supper held at the Elementary school. At the end of the year, Mrs. Climer gave them a party.

# Band Works for New Uniforms

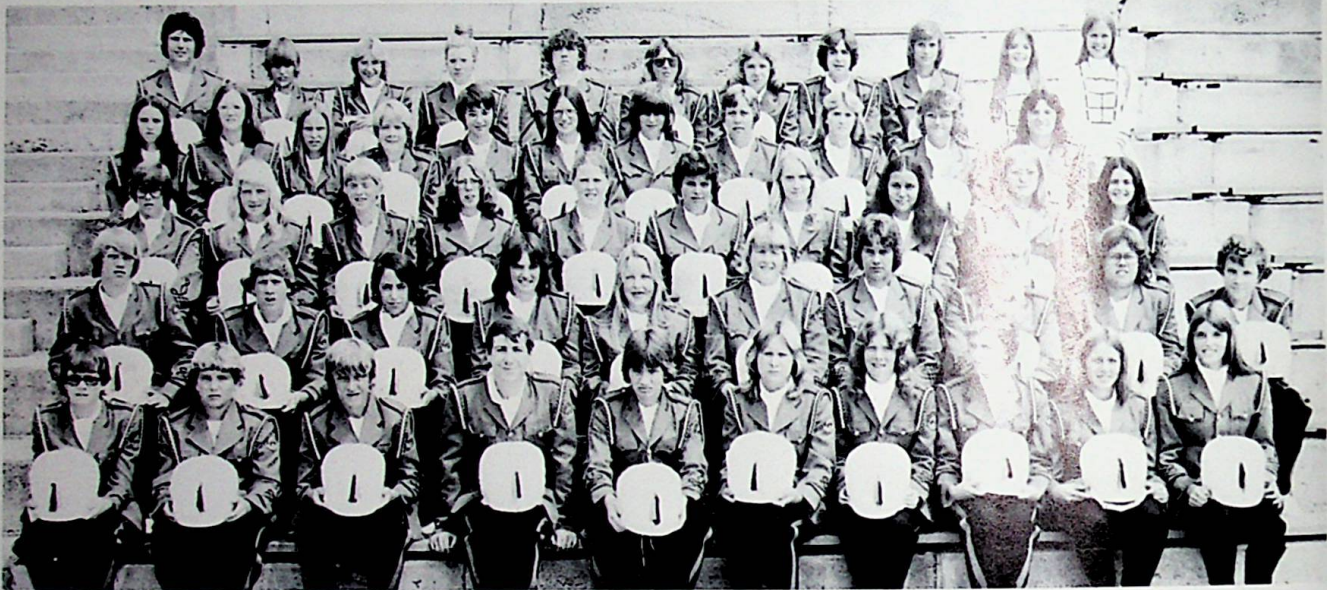

In the fall of the year, the band marched in the Jackson County Apple Festival parade and in the River Days' Parade in Portsmouth placing first in the latter.

During the football season the Band Boosters operated a concession stand to make money for the purchase of new uniforms. Band

members joined in making pizzas at Giovanni's when proceeds from the sale of pizzas on "Band Night" went to the band. With the money that the band and its boosters made during the year, the Marching Band will all be in one color uniform in the future rather than its familiar mixture of orange and black.

# Stage Band Presents Concert

The Burg's little band entertained fans and provided music for the majorettes at basketball games. They also played at the SOC football and basketball banquets at the high school.

As a change from other years, the stage band presented a concert April 22, in the high school gymnasium. Stage band member Sally Moore said, "It was hard work, but it paid off every time the crowd applauded. I'm also glad that by our hard work, we were able to give a concert."

## The Girls With the Spirit

Through rain, sleet, and cold of night, the WHS Cheerleaders were on the go. Working under the supervision of Miss Riepenhoff and Mrs. Kennedy, these girls were a priceless asset to the school.

The cheerleaders started the year long before the first game by daily practicing new cheers after the school year was finished in the spring before attending camp in the summer. As the season began, the cheerleaders played a very active role in school, leading the cheerblock in decorating the halls, planning the homecomings, and conducting the pep assemblies to raise the morale of the team and of the student body on the day of the game.

Susan, you're breaking my back!

## Juniors Get a Chance to Act,

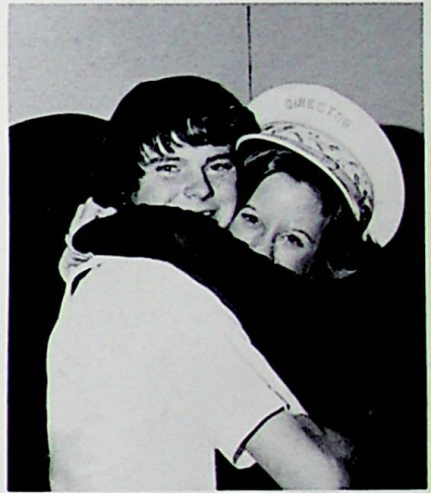

"Her Father Said No!" a three act comedy, was presented by the Junior Class under the supervision of Mrs. Green and Miss Riepenhoff.

The play took place in the Mirmar Hotel, a resort hotel in Florida. Mr. Page, a wealthy, dictatorial man tried to break up his

daughter Janet's romance with Jack Prescott. Mr. Page intended to take Janet to South America to live until his passport was taken by Jack. After several funny events, the play ended when Mr. Page found out about Janet's marriage, and Janet found out about his plans to marry.

Gary Bailey, playing the part of a girl, is getting ready to go on stage.

# Seniors Sponsor Ghoulish Play

The senior class play, "Boys and Ghouls Together," was a three-act comedy about a group of teen-age Americans who were touring Europe by bicycle. During an overnight stay in Count Dracula's castle, the Count and his wife, Letha, decided that one of the group, Buddy, would make a good husband for their daughter, Dirga.

After Buddy's girlfriend, Barbara, was kidnapped to encourage the match, Buddy fell in love with Dirga, with the help of a potion

made by Dirga's grandmother, appropriately called "Granny."

Plans were changed when the Magnificent Marvilini, grandson of Svengali, an old friend of the Count, arrived and Dirga fell in love with him.

With the help of a Frankenstein-like robot, Model S, Buddy drank a potion to bring him back to normal.

The play ended when the postmistress found her husband who had been turned into a clock. The play was under the direction of Mrs. Westerfield.

Magnificent Marvilini. I presume.

## Somewhere Over the Rainbow

Queen Cindy Bobst.

"Somewhere Over the Rainbow," the theme for the 1976 Football Homecoming ceremonies, set the scene for Cindy Bobst to reign as queen.

Wearing a long white gown, Cindy was crowned on October 1 by co-captains Dean Miller and Dan Baker. The attendants of the court selected gowns in the shades of the rainbow. Mike Keeler escorted senior attendant, Pam Meadows, who wore a green gown, while junior attendant Jan Spaulding, wearing a peach gown, was escorted by Jeff Meadows. In light blue, Karen Foster, sophomore attendant, was escorted by Jack Miller. Bob Clevenger escorted the freshman attendant, Charlotte Varney, who wore a rose-colored gown.

The football team honored their queen and her court by defeating the Portsmouth East Tartans 44-0. The Cheerleaders held a dance after the game with music provided by Phil Malone.

## Carousel of Love

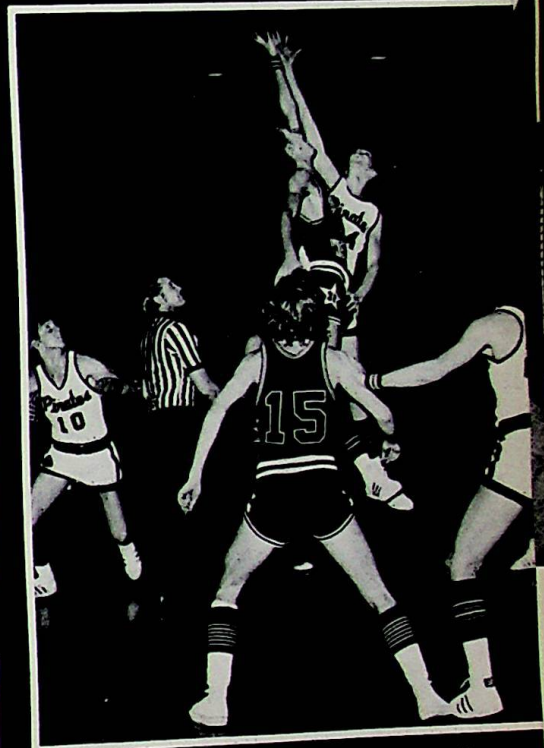

"Carousel of Love" was the 1977 Basketball Homecoming theme. Queen Kendra Day, in a long white gown, was escorted by John Anders. Co-captain Gary Bailey crowned the queen, and co-captain Dean Miller presented her flowers. Terry Cooper escorted Mary Jane McFarland, who walked in a light blue gown. Lori Dearfield, escorted by Tom Schulte, wore mint green while Dana Johnson, wore a pink gown as

she was escorted by Ron Conant. Tammy Lilly, wearing a yellow gown, was escorted by Larry Ickes.

The basketball team barely emerged victorious in a close game with South Webster by defeating the Jeeps 61-60 with two foul shots in the last second of the game. Following the game, the cheerleaders sponsored a dance with music by Phil Malone.

## An Evening at Camelot

The annual Junior-Senior Prom was held on May 13 at Shawnee Lodge from 9 p.m. to 1 a.m. This year's theme was "Camelot" complete with king and queen, who were Brian Whisman and Kelly Guilkey.

Decorations selected by the prom

committee fit the theme perfectly. Two eight-foot knights guarded the entrance to the ballroom while shields and medieval figures decorated the walls, but the focal point of the ballroom was a mural depicting the mythical castle of Camelot.

# Wheelersburg Graduation 1977

For the first time, Wheelersburg graduation ceremonies took place outside in the football stadium. The weather was beautiful and the emotions were mixed as the 115 graduates marched into their seats.

Graduating with high honors were Patricia Reiter, Sean Terry, Patsy Hibbitts, John Kantz and Carol Boll. Those students graduating with honor were Tammy Finn, Rob Matheny, Dean Miller, Diana Foster, Karen Henry, Tina Dooley, Rachel Thornton, and Jackie Patrick. Joe Fitch was named Top Vocational Student.

For the occasion, the chorus sang "The Times of Your Life" and "I'll Always Remember." Becky Lewis said, "The songs made me realize that even if I do miss my high school friends, I'm really only beginning my life."

# Honor Banquet Held at American Legion

Ninety-five students were invited to the Fourth Annual Scholarship Banquet in recognition of their placing on the A Honor Roll one time and on at least the B Honor Roll the other two times out of the first three nine week periods. Rev. Grant Montgomery gave the address, and Mr. William Lewis presented certificates to the guests at the banquet which was held May 17 at the American Legion Hall. The banquet is annually given by the high principal and faculty. Names of the invited students are listed below.

## Freshmen Score High on NEDT

Nineteen freshmen received certificates for their superior performance on the National Educational Development Tests.

Eight of the nineteen students received a national certificate which is awarded to students whose composite score is at or above the 90th percentile nationally. These students are Arnold Gaus, Jackie

Keiser, R. J. LeMaster, Missy Lewis, Sherri Raison, Dotty Warner, Rebecca Wentz, and Kevin Wines.

Eleven of the nineteen scored between the 80th and 89th percentile and received a local certificate in recognition of outstanding achievement as measured by local norms. They are Teresa Belville, Beth Bihl, Jeff Cartee, Mike Dur-

den, Cheryl Fannin, Cheri Fenbert, Bruce Hatten, Lori Kantz, Kevin Lyles, Barry Spradlin, and Paul Willard.

The NEDT is composed of tests involving English Usage, Mathematics Usage, Social Studies Reading, Natural Science Reading, and Word Usage.

# Neuwirth is Finalist

Judy Neuwirth advanced to "finalist" standing in the 1977 National Merit Scholarship Corporation. After taking the Preliminary Scholastic Aptitude Test in October of her junior year she was one of four students in Southern Ohio to be declared a semi-finalist based on high test scores. By meeting additional requirements and scoring high on the Scholastic Aptitude Test in November of her senior year, she was notified of advancement to finalist making her one of 14,000 students representing less than one-half of one percent of the nation's graduating secondary school seniors.

Robert Gaus, a junior, has been named as a semi-finalist after taking the PSAT this year. He now is classified in the top 5% of over one million students taking the test.

Judy Neuwirth listens as Mr. Keller examines results of her experiment.

Karen Henry receives the Doris Pace Scholarship from Dan Pace while Mr. Gilbert observes.

Tom DeCamp watches for a chemical reaction in lab.

## Seniors Receive Awards

Tom DeCamp was named winner of the Bausch-Lomb Science Award which is annually given to the student demonstrating the highest interest, ability, and achievement in the science area.

Karen Henry received the Doris

Pace Scholarship in the amount of \$400. This is the last year that the scholarship is to be awarded which was given in memory of a high school physical education teacher who died in 1973.

The Women's Civic Club Scholarship was awarded to Mary Sherman, a 1976 graduate who had received the scholarship the previous year. Mary is majoring in pharmacy at Ohio Northern University.

# Nation Paralyzed by Severe Winter

Miami, Florida, had the first snow ever recorded, cities reported average January temperatures of 10-24 degrees below normal, deaths resulted from exposure, buildings burned because firemen's hoses froze, barges carrying necessary coal and fuel oil were stilled in frozen rivers, industries and schools were forced to close, and cities exhausted budgets and supplies for snow removal. Such was the winter of 1976-77 which gripped the greater part of the U.S. in the worst weather in over a century. The extremely low temperatures for such a long duration of time taxed fuel supplies causing a wide appeal to set thermostats at 65 during the day and lower at night. Brown-outs were experienced in some cities, and those having enough fuel discovered sky-rocketed fuel bills.

Travel was an impossibility in

many cities with snow removal budgets and salt supplies exhausted compounded by a lack of sufficient snow removal equipment or even an inability to get through the snow with the equipment owned. Commuter trains stopped, cars were left stranded, and accidents increased with Birmingham, Ala., reporting 600 automobile collisions in one night.

Perhaps the city that was hardest hit was Buffalo, N.Y., where a record 175 inches of snow practically buried the city. Piles of snow reached 20 feet in some places trapping people in homes and factories.

Locally, schools and businesses closed for up to a month and the Ohio River was frozen from bank to bank for the first time since 1948. Columbus schools held classes in

restaurants, homes, business conference rooms, and churches due to schools closed from the energy crisis.

Explanations for what was happening to cause such severe weather were given, but reasons for why it occurred were unknown. Westerlies carrying frigid polar air dipped almost 10 degrees further south than normal and stayed still over sections of the Midwest, South, and Northeast. This same weather brought a mid-winter thaw to Alaska, melting ice-skating rinks, and caused a severe drought in Southwest U.S. because of a lack of snow in the Sierra Nevada and Rocky Mountains.

One of the most frightening aspects of this winter is that nobody knows if the same thing will occur in future years.

## "Roots" Most Popular Televised Best Seller Wheelersburg Gets Cinema

Long specials of best selling books were the choices of television viewers. Of these, "Roots," a story of a negro family, was most widely acclaimed. Other noted best sellers were "Captains and Kings" and "Once An Eagle." "Gone With the Wind" made its television debut and became one of the most watched events of the year. The most popular T.V. show was "Charlie's Angels" which propelled Farrah-Fawcett Majors to sex symbol status. "Baa Baa Black Sheep" and "The Captain and Tenille" seemed to attract viewer attention.

Some of the songs that made the

charts this year were "The Wreck of the Edmund Fitzgerald" by Gordon Lightfoot. "Feelings" by Morris Albert, "Beth" by Kiss, "Muskrat Love" by Captain and Tenille, "Nadia's Theme," and theme from "A Star is Born" by Barbra Streisand.

Although the movie industry had no great movies as in the past, the popular ones were "A Star Is Born," "Rocky," "Carrie," and "Network."

The local area was fortunate this year to have the Wheelersburg Cinema open making current movies more convenient to the community.

# U.S. Elects Georgia Ex-Governor

## Britain Celebrates Queen's Silver Jubilee

During the presidential election of 1976, the nation voted in a relatively unknown ex-governor from Plains, Georgia. After waging a 22-month campaign James Earl Carter, better known as "Jimmy," narrowly defeated President Gerald Ford to be the first man elected from the Deep South since pre-Civil War times. The final vote was 51% to Ford's 48% in the popular vote and 297 to 235 in the electoral college. With a majority in the House and Senate, the election put the Democrats in complete control of the federal government.

The Republican party had trouble deciding at their convention between Ronald Reagan and Ford as their candidate. Following the Democratic Convention in July, Carter's popularity well exceeded Ford's by Gallup Poll results of 62% to 29%. As the campaign between Carter-Mondale and Ford-Dole got under way, the gap in popularity began to close which looked as though Ford would surpass the Georgia peanut grower. Three televised debates between the presidential candidates marked the first time an incumbent debated his challenger.

Great Britain began in June, 1977, to celebrate the Silver Jubilee of Queen Elizabeth II commemorating the 25 years during which the Queen has served as their monarch. Ceremonies involving all of the pomp and pageantry associated with royalty were held as the British embarked on a year that could be compared to the U.S.'s bicentennial celebration. Also like the United States, the Silver Jubilee was felt to be a shot in the arm of Britain's sagging economy and national pride.

## Coffee Prices Climb

### Gary Gilmore Executed

Soaring prices plagued the nation's coffee drinkers as producing countries raised prices due to a frost hitting the coffee beans. Brazil boosted the export tax on a bag on coffee from \$21 before the frost to \$100 after. Retail prices rose from an average \$1.27 per pound to over \$4.00 in some places.

After two stays of execution, death row inmate Gary Gilmore got his wish and was killed by firing squad. Gilmore's execution was the first in the country in a decade. It remains to be seen if his death broke the moratorium on capital punishment for the 358 men and women on death row in twenty states.

## Tragedies Result in High Death Toll

Beverly Hills Supper Club in Southgate, Kentucky, was the scene of a devastating fire that killed 161 persons on May 28. Several thousand people had crowded the "Showplace of the Midwest" on Memorial Day weekend to hear singer John Davidson. When the fire was discovered, a bus boy took a microphone from a performing comedy team to ask the people to leave but later stated

that, "a lot of people didn't believe me when I said there was a fire." Panic accounted for many deaths.

The worst crash in air history occurred when a Pan Am 747 collided with a KLM Jet in the Canary Islands. All were killed on the KLM with 67 survivors on the 747. In all, 576 persons perished.

# Support for A-Plant Urged

## Chemical Spill in Ohio River Is Detected

One of the main concerns of Southern Ohioians was the construction of an add-on facility at the Atomic Plant in Piketon. In his presidential campaign, Carter promised to uphold the decision to proceed with building the 4.4 billion dollar, 300-acre structure creating many needed jobs for the area.

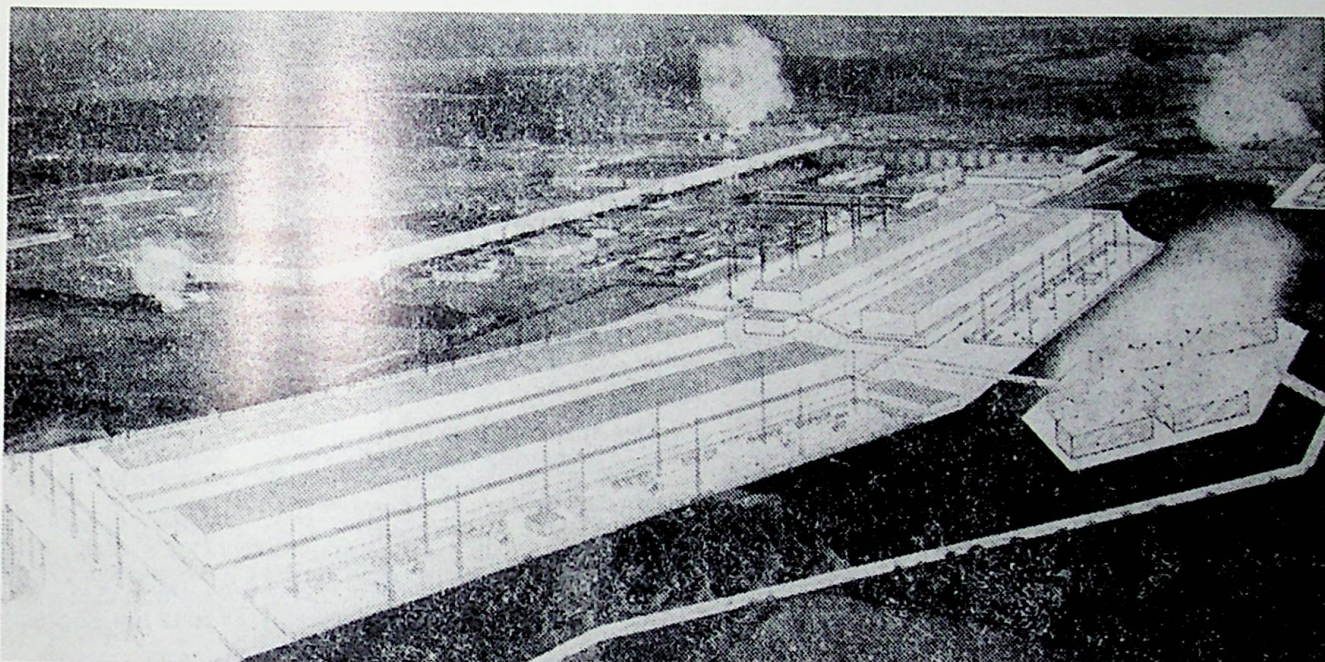

The gaseous diffusion process plans were abandoned in favor of a

more economical centrifuge process, but Pres. Carter angered the Ohioians when he said that the plant may be built in Oak Ridge, Tennessee, where laboratories were already established.

A writing campaign followed, reminding Carter of his promise. At the time of this writing, Carter has stated that he may propose building a small plant at both sites which would increase construction costs

but possibly would appease both states.

In February a plant in Charleston, West Virginia, spilled carbon tetrachloride into the Kanawha River which flowed into the Ohio where it was detected a week later. Residents using the water were advised to boil it for drinking purposes until the chemical mass had passed Portsmouth.

## Reds Win Second World Series

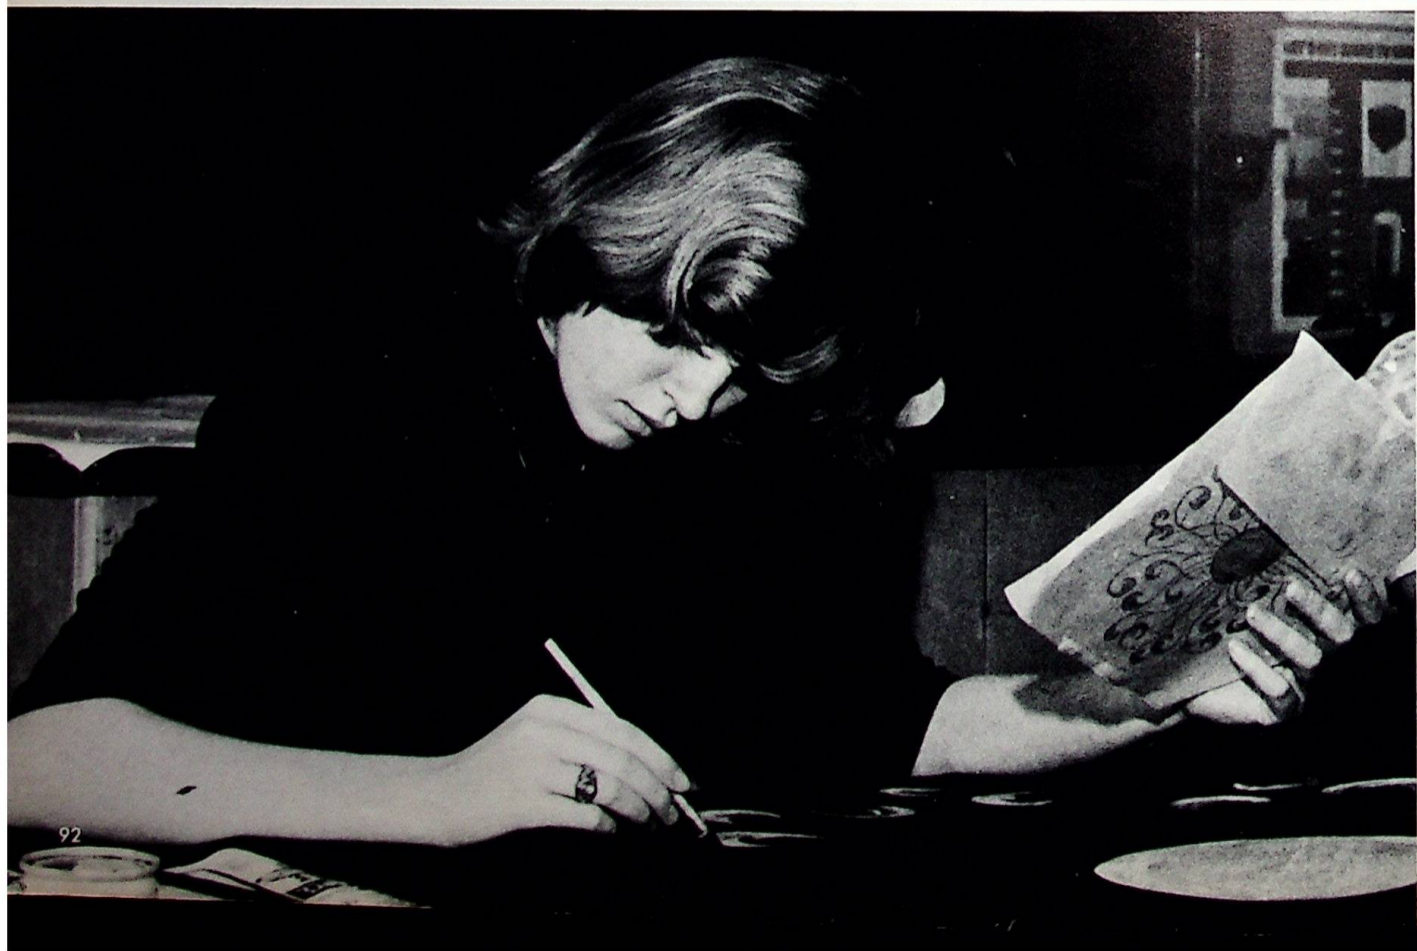

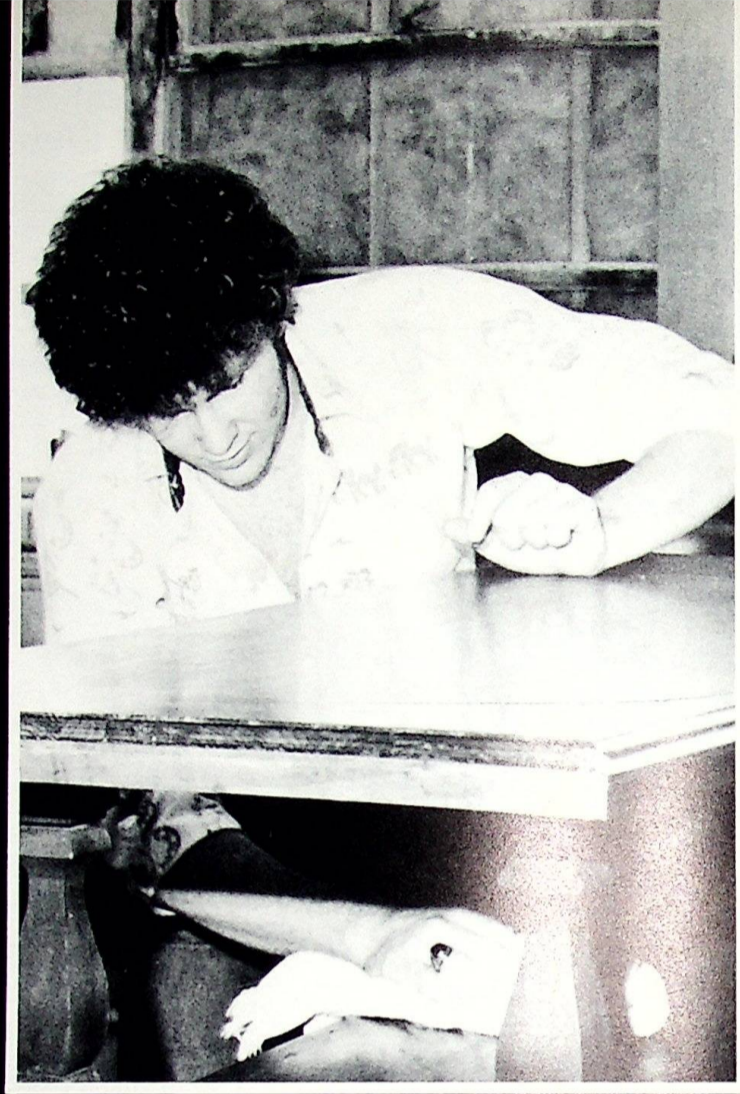

### Comaneci Is Olympic Star

Johnny Bench was named Most Valuable Player as the Cincinnati Reds won their second World Series in the fall of 1976 by defeating the New York Yankees in four games. The Reds have had bad luck this year while the Dodgers have forged ahead. October will tell how they fare. No National League team has yet won three World Series in a row.

In the summer Olympics, the American men's swimming team, led by John Nabor, took the gold from their competitors while another American, Bruce Jenner, proved himself to be the world's greatest athlete by winning the decathlon. The boxing and basketball teams did well.

Fourteen-year-old Nadia

Comaneci from Romania became the most popular Olympian as she received several perfect scores of 10 with her gymnastics routines. She became so well known that music to a soap opera called "The Young and the Restless" was renamed "Nadia's Theme" after it was set to one of her routines run in slow motion.

# Students Work Toward Art Show

Miss Drummond filled in as art teacher during Miss McCall's year's leave of absence. She not only accomplished a lot in her art classes but she also was the girls' volleyball coach. The kids in art worked hard, and at the end of the year they had an art show which displayed a variety of beautiful pieces. Some of the kinds of entries were paintings, 3-D figures, macrame, and even a life size pirate constructed for the school.

## Seniors Introduced to Tax Forms

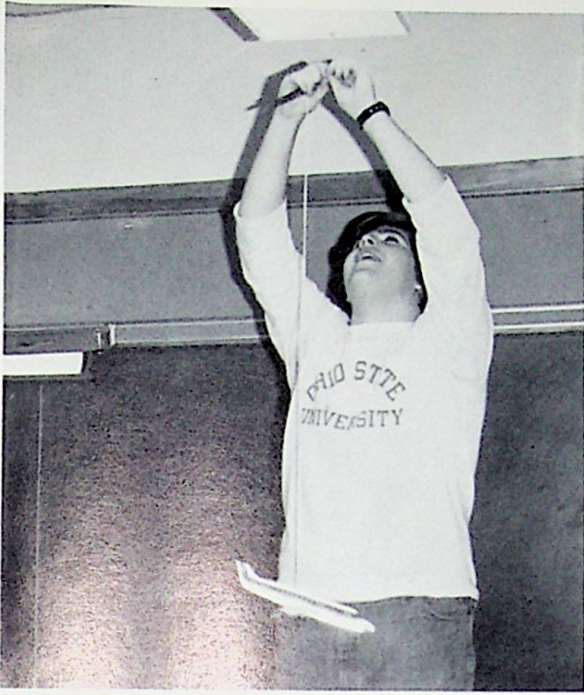

The seniors in government learned how to compute taxes. They spent several weeks studying a booklet, INCOME TAX 1977 which answered questions about income taxes. All seniors had a chance to fill out a 1040A form. They also filled out a puzzle of tax questions which was counted as a test grade. With this time spent in government class on taxes, the seniors are ready to file their own income taxes.

# Exchange Students Attend W.H.S.

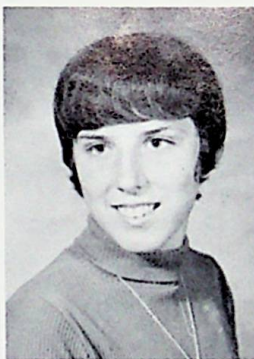

Lee Oliveira and Micki Loth take time from their work for a picture.

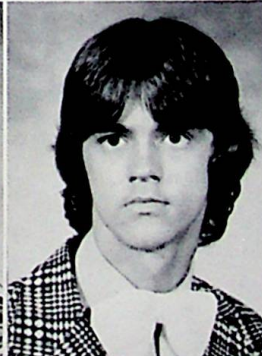

Wheelersburg High School had two foreign exchange students added to the enrollment - Micki Loth, from West Germany, and Lee Oliveira from Brazil.

Micki's full name is Michaela Loth. Her home is a small town near Munich, Germany. At first Micki went to Plain City High School, near Columbus, Ohio. Then she came to Wheelersburg and stayed with Mr. and Mrs. Cocanour. Micki enjoys skiing and horseback riding. She also enjoys attending dances.

Eliana Clemente de Oliveira, known to the students as Lee, is from Sao Paulo, Brazil. While in Wheelersburg, Lee also stayed with the Cocanour family. Lee's hobbies include reading and collecting souvenirs from her stay in the United States.

# Seniors Say Good- Bye

The Seniors of 1977 kept busy during their four years of high school with various activities. To raise money for the Junior Prom, they had many dances and fund-raising projects. They also became involved in clubs and athletics in addition to attending classes.

The Senior class selected the yellow rose as their class flower along with "Give us one firm spot on which to stand, and we shall move the earth," as their motto.

As always, there were mixed feelings about leaving high school and going away to college or just being on their own. Rob Matheny commented, "Graduation is both a happy and sad time for me. I'll miss W.H.S., but I'm glad the homework's over. Most of all, I'll miss a lot of friends."

## Gauchos, Large Glasses Make Fashion Scene

Many kids were enjoying the new styles this year. Gauchos became a big fad, and along with them came dingo boots. A lot of girls and boys who said that they would never make the change from the bell-bottoms to straight legs did so this year. They also started hooking suspenders on them.

There weren't many wire frame eye glasses anymore. People returned to the plastic frames, but this time they were getting really big ones.

Pierced ears were already a big fad, but now they were putting more than one hole in their ears, to wear more than one pair at a time.

Some ears had up to four holes in them.

And there we have the Miss Gauchos of W.H.S.: Cassie Balzer, Kelly Guilkey, Mrs. Morgan, and Cindy Thompson.

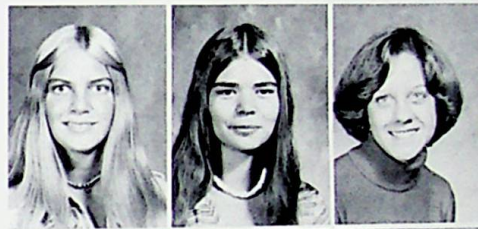

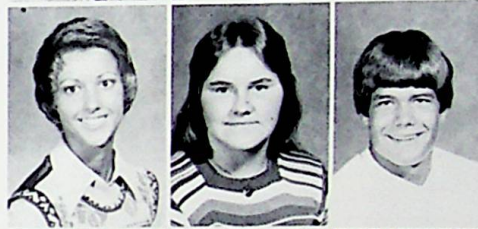

One big happy family.

## Sophomores Sell Plaques

Sophomores got off to a roaring start. They met challenges with new subjects, such as World History, and Geometry. The class of 1979 helped support their class by selling plaques during the early months of school. One of the most exciting events for sophomores was ordering and receiving their class rings. They also sponsored a Sadie Hawkins dance on April 15.

## Weather Delays Games

With the foul weather and school not being in session through January, some of the basketball games were postponed until school resumed. There were a total of five games that had to be rescheduled. Besides these five make-up games in February, there were also the regularly scheduled games which sometimes meant playing three or four games a week. Although this may have tired the players, the school's enthusiasm did not tire out. Each game night there were many supporters out to cheer the team on to a victory.

## Early to Rise

"Attention! School will start at 7:45 instead of at 8:00." When Mr. Miller implied this, reaction around the school was summed up by sophomore Ron Conant as "one big yawn." Students found it necessary to adjust their own time schedules at home to accommodate the new time as indicated by Paula Jordan, a junior, who said, "I don't like it

because I'm sick of getting on the bus with my toast in my mouth and my shoes in my hands." Dave Perkins, a sophomore, added, "You don't get anything out of the first class."

## Humanities Class Sees Nutcracker

On December 28, the Humanities class took a trip to see "The Nutcracker." The presentation was given at the Music Hall in Cincinnati, Ohio. The four cars of students and teachers left Wheelersburg about 9:30 a.m. When the group got to Cincinnati they stopped to have lunch before going to the performance, which began at 2:00 p.m. "The Nutcracker" is a classic ballet based on E.T.A. Hoffman's fairytale, "The Nutcracker and the Mouse King" written in 1812. The presentation was by the Cincinnati Ballet Company.

Scott Gray displays his Algebra I problem.

When the freshmen entered high school, they encountered a number of changes. First, they had to decide which program they would choose for their future career - college preparatory, general, or vocational. They then elected which subjects to take for that program along with required for their first year in high school.

Other changes were shortened lunch periods and no recess. Instead, they discovered study halls where they could work on their subjects. A pleasant transition was the numerous clubs which they could join. Through it all, this year's rookies have done well and look forward to the day when they will be sophomores.

## Biology Students Dissect Specimens

Mrs. Burkhart instructed her Biology I and II students on dissecting various specimens such as worms, frogs, crayfish, mussels, sharks, and a cat. By dissecting these creatures, the students learned about anatomy and the function of various organs of the body.

Cassie Belzer commented "Dissecting wouldn't be so bad if I didn't have lunch right after Biology." Several of the other students agreed with Cassie on this point.

Hey Chuck, who's lunch is that?

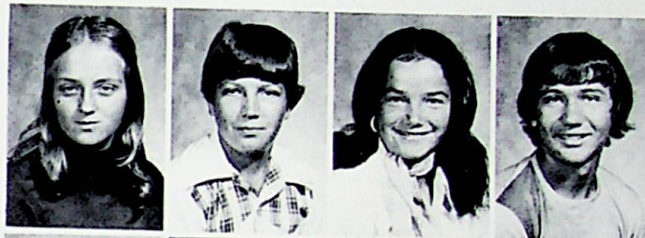

Patty Bolander and Ron Conant promenade the hall.

## P.E. Classes Learn to Square Dance

Miss Stone's gym classes invited some boys' from chorus and study hall to learn how to square dance. After a few days of square dancing the boys were on to some more popular steps such as the "Hustle" and the "Watergate." Miss Stone commented that the boys were exceptionally fast learners.

Jackie DeCamp and Debbie Williams pass through the arc.

# Students Stay Busy

Look, Joan paints with her hands and teeth.

Is it that bad, Mr. Pace?

Nice work, Benji!

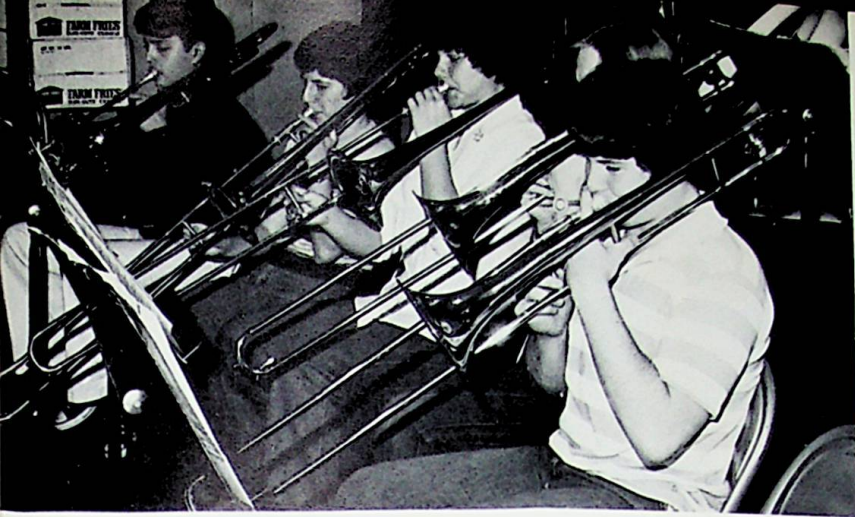

Patsy and Teresa help Mr. McCoy.

Guess what Sue, Lori, and Janet are talking about.

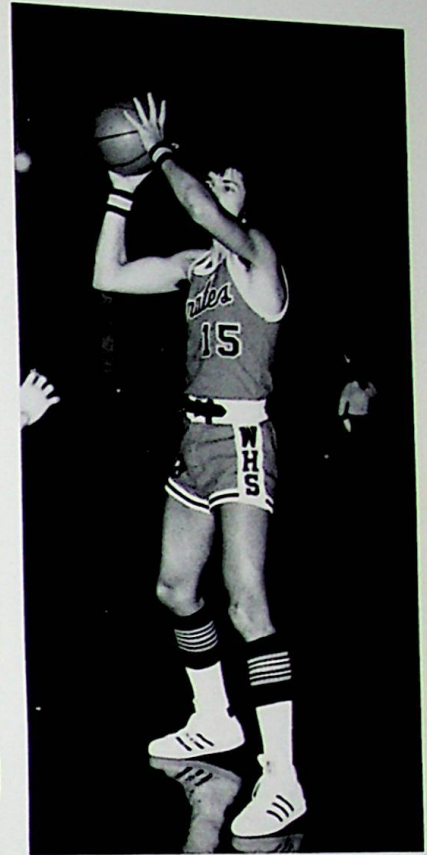

Get it together, you guys.

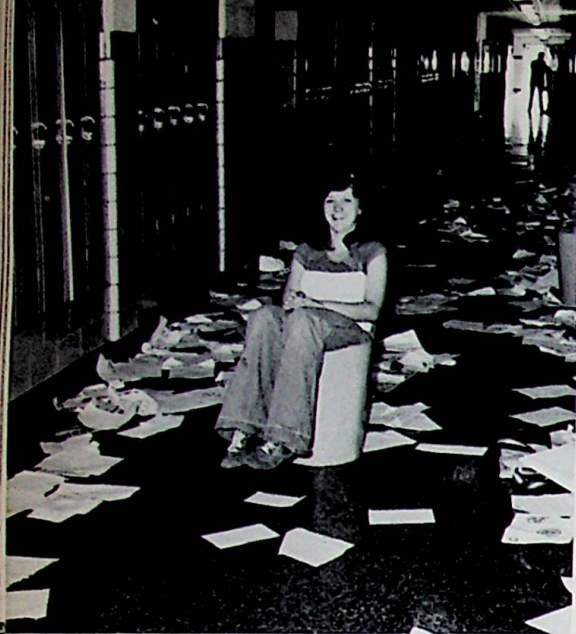

Batman and his super heroes.

Let's go Jeff.

How does it feel, seniors?

Becky Hewitt finds her niche in life.

Rick Wright concentrates on his work.

"Oh, Yea?" "Oh, Yea!"

Carol Boll is beginning to act like Dr. Frankenstein.

Cindy Hawley and Marsha Mathis relax after a hard day in Shorthand II.

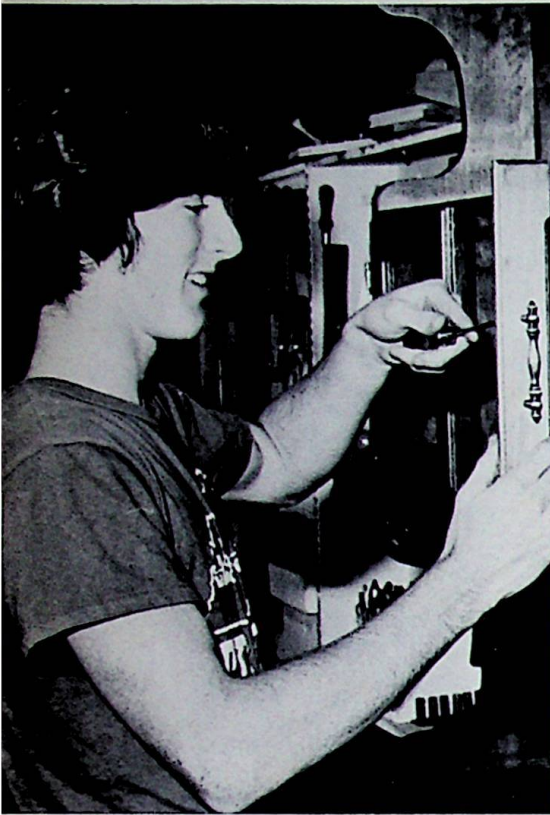

Cindy, Ed, and Cathy are busy working on the Prom.

Dana and Sonia clean their lockers for the last time this year.

Connie Adams enjoys her lollipop.

Dan Baker puts the finishing touches on the hutch.

Patty Stanley begins her art project.

## They'll Always Remember

This year W. H. S. had approximately 600 students enrolled, with one hundred fifteen seniors. As they leave high school, they will all remember their years here in many different ways. When they look back on their days in school, each will remember different faces and places and hear different voices. But they will always remember the Burg.

It looks like Diana Foster is enjoying her book.
