MINFORD SPORTS

2008-2009

Mrs. Daniels School Nurse

She is married to Mr. Daniels

She has two kids Eli and Erin

She enjoys being with her family, watching sports. Especially those involving her kids, and loves to watch Mighty Minford Falcon Football.

The High School she attended: Minford High School

The College she attended: Marshall University

How long she has been a nurse: 13 years

How long she has been a school nurse: 11 years

When she was little she wanted to be a teacher. And thought she would be a social worker.

She spent half of her career day shadowing Mrs. Huff's third grade class, and the other half she spent at Mercy emergency room. She knew from that point on she wanted to be a nurse.

ENERGY FAIR

Ohio Model United Nations

OK?

Ohio Model United Nations is a three-day global education simulation experience that allows students in grades 6-12 to learn about the complete operations of the United Nations and its role as the world's largest international peacekeeping and humanitarian organization. Through the process of role-playing, students become delegates of a selected nation in order to write, present and debate issues affecting the nations and peoples of the world. Additionally, students present culturally based talent, participate in global education contests and debate current issues from the agenda of the United Nations.

Minford Middle School had two groups
Burkina Faso: Abby Fuhrmann, Olivia Thoroughman, Ethan Lawson, Cody Martin, Cody Stapleton, and Brittney Rolfe.
Lesotho: Jared Howard, Mathew Parker, Kenton Gullion and RJ Thacker.

Talent Showcase

They both did a great job presenting their resolutions. Burkina Faso also did a talent and advanced to the second round.

Awards

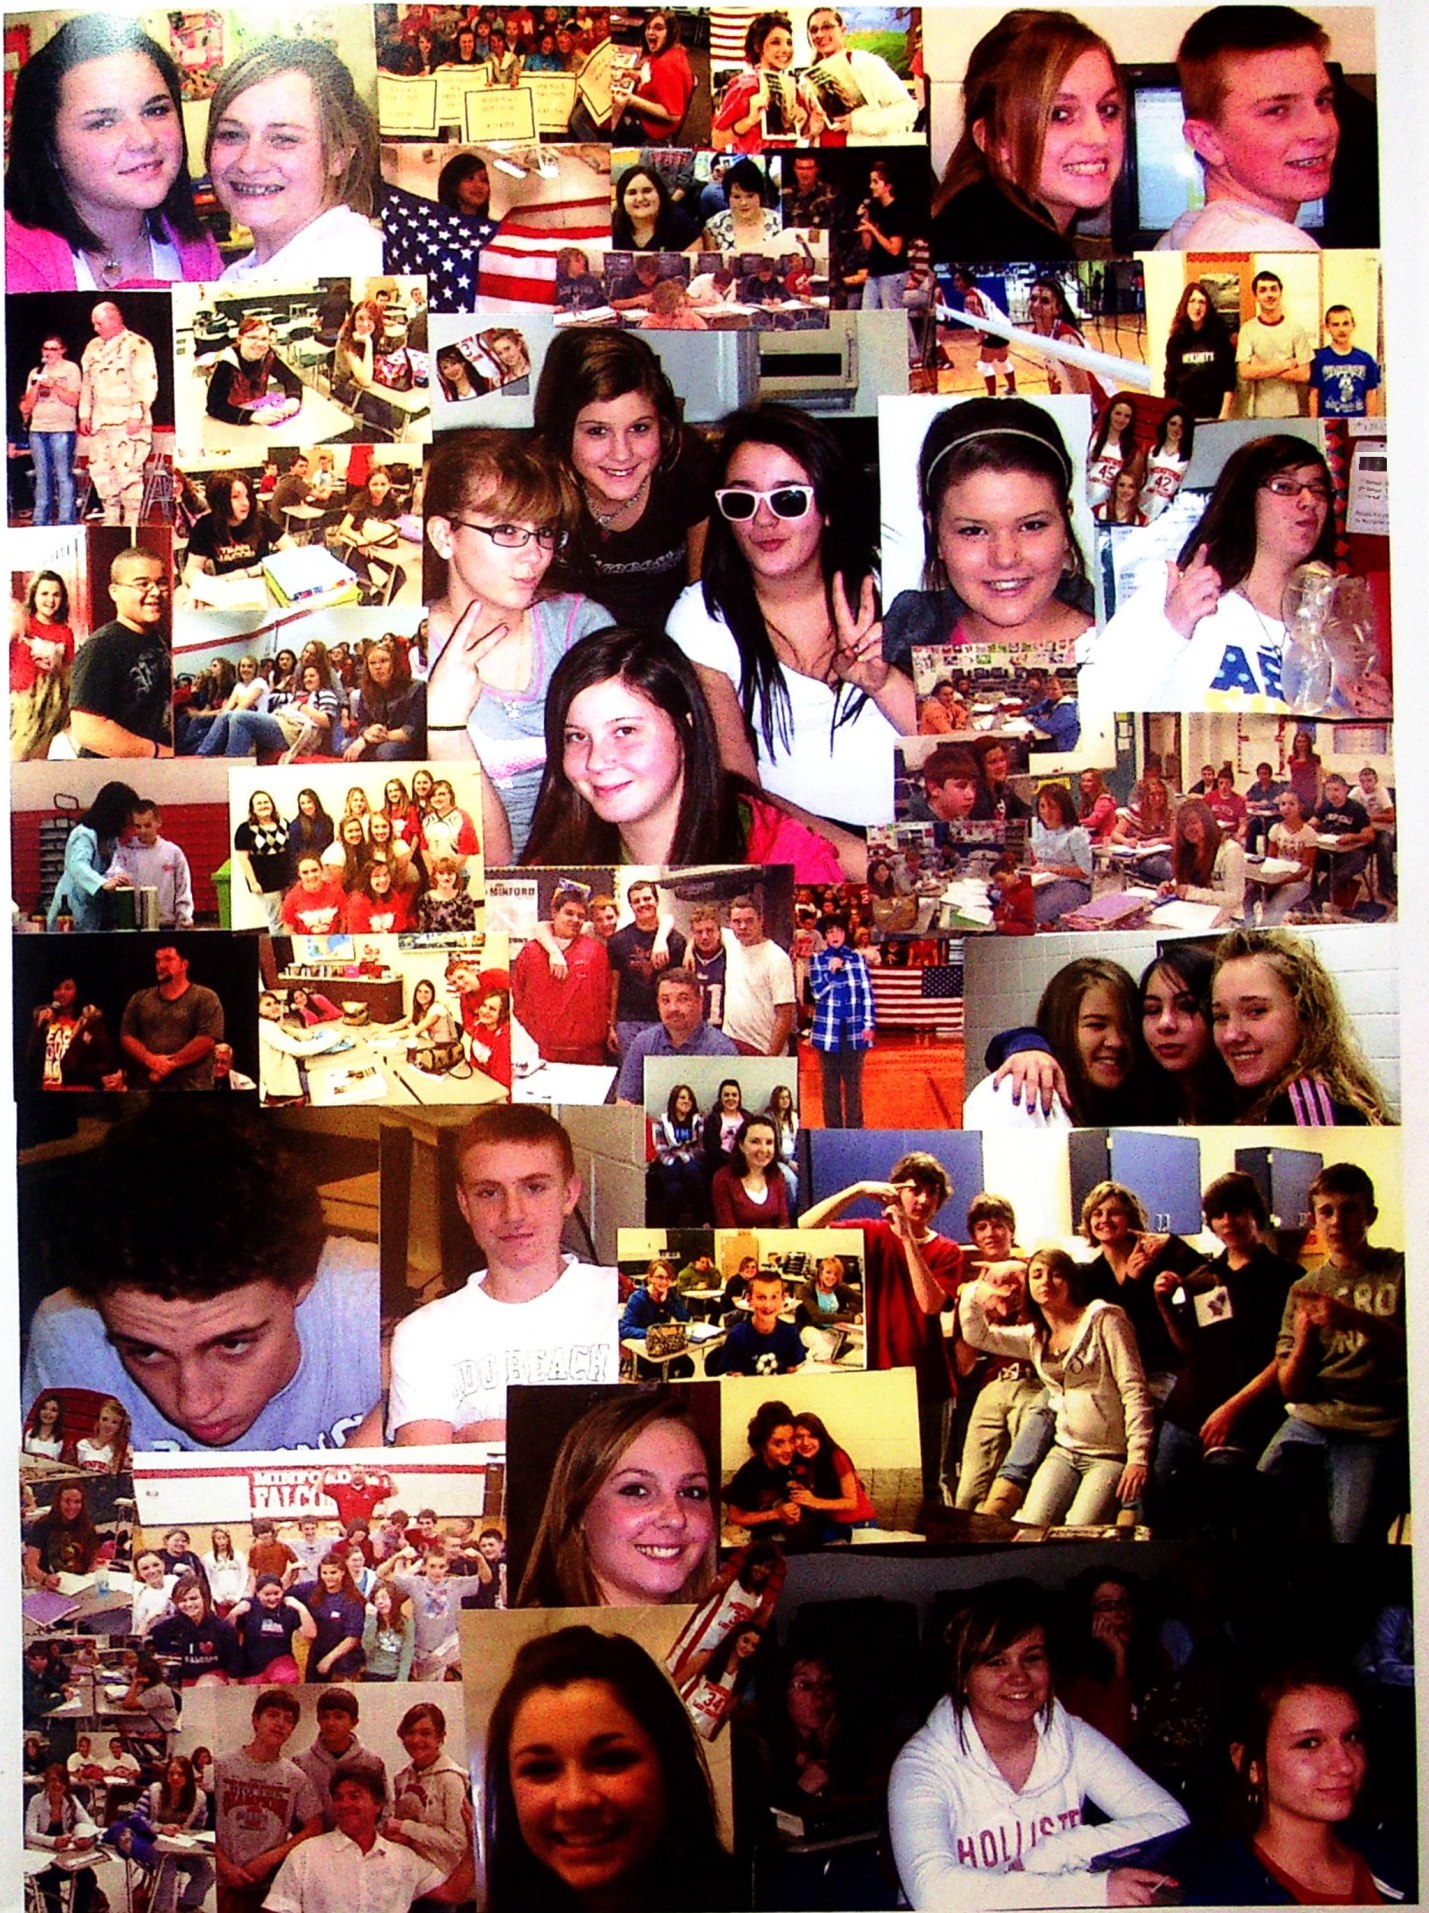

Abby Fuhrmann won a trophy for Outstanding Leadership, Olivia Thoroughman, Ethan Lawson, and Jared Howard won a trophy for Outstanding Delegate, and they won first place as a school for Outstanding Community Service for the I-OPEN Project.
