Connie—

So wire out — now  
what? A grand summer of  
fun, fun, fun to look forward to.

Lotsa' "turf tread" and blue ribbons  
for you and for me — who knows.  
This year has been very hectic but we  
made it. I don't feel any surge of maturity  
since graduation, in fact I don't feel any thing at  
all. In 5 years when we come back for our reunion  
I'll probably feel the same as I do now (if I'm  
still around in 5 years.) One never knows,  
does one! Well, lotsa' luck to a swell friend  
and success in all you do.

Education has always contributed greatly to the progress of our country—to all of the things that have made us a mighty nation. Formal education has given us much of the knowledge for social progress; it has helped develop the weapons to fight poverty; it has helped to create our American arts.

But now, today, education in the United States is perhaps more important than ever before in our history. It is vital not only to individual success but to the very survival of our freedom.

### NATIONAL HONOR SOCIETY

National Honor members are chosen by the faculty on the basis of character, leadership, and service from students who are high in scholarship. They excel in everything they do and are always striving to know and understand better the things around them.

The Emily Ball Memorial Chapter at Portsmouth High School was organized in 1927. Each year during the second semester, five percent of the junior class and ten percent of the senior class are elected to membership. They are initiated at the first regular assembly in April.

National Honor meets the first Wednesday of each calendar month. Miss Margaret Anderson is the adviser of the society.

## Office Education

CLERICAL OCCUPATIONS WILL CONTINUE TO  
PROVIDE MANY JOB OPPORTUNITIES

MISS ALBERTA WITTENBURG—Co-Ordinator

Co-operative office education with its "flexibility of the principle of integrating theoretical study and practical employment" is adaptable to individual conditions at different schools. Its program varies from school to school, from city to city.

At Portsmouth High, COE on-the-job work experience is given by the Portsmouth employers who co-operate with the school in a training course to prepare youths for careers in the business office. These students attend school four periods a day for classroom instruction and are on the job for training during the afternoon.

By co-ordinating work experience with the classroom program, theory and practice are more closely integrated, and students find greater meaning in their studies. Miss Alberta Wittenburg is the teacher-co-ordinator.

Lou Tinsley—Mr. Harry Kuhner,  
Security Central National Bank.

**Class filling out application blanks**—Knowing how to apply for a job correctly often makes the difference between getting the job or not getting it.

**Sources of Information**—For information not available in the office, the secretary needs to know how to use reference books in either the company library or in the public library. Mary Alice White, Sandy Albrecht, and Sharon Feagan are using the library to secure needed information.

**Filing correspondence**—Filing is one of the most important of all the duties performed by a secretary. Standard rules of filing must be followed. Rebekah Tuttle demonstrates to Sherry Bauer and to Pat Clifford the correct way to file a letter.

# School Role in Office Training Emphasized

Miss Toney demonstrates a dry process photocopier—To give an exact copy, photocopying, which eliminates the secretary's retyping the material for duplication, is used more and more to save time and money in the business office.

Collating Duplicated Copies—A duplicated job of two or more sheets must be collated—the pages gathered together in proper order and fastened together. An efficient worker uses correct methods. Lana Perry is showing Sharon Zornes and Darlene Meyers how to collate a number of sheets.

## SECRETARIAL PRACTICE

MISS HAZEL WYANT  
Instructor

The future for office workers remains bright and there is no evidence of a decrease in the need for business education. One worker in six in this country is engaged in office work of some kind. Business education offers one of the greatest opportunities for young people with both high school and advanced training.

Secretarial Practice, which meets for two periods each day, is a terminal vocational course offered to twelfth-year students who wish to qualify for skilled clerical jobs in serving an expanding economy.

Mr. Lemankoler points out selling techniques to Penny Book and Janet Lyons at H. L. Green and Company.

Mr. Boder gives Freda Sizemore, Rovena Ruby, and Ginny Kinnison instructions on how to record their sales.

# Education . . .

**MR. CHARLES McClURE**  
Co-ordinator

Co-operative education helps markedly to orient students to the world of work . . . they have opportunities for exploring their own abilities in connection with real jobs and have a chance to test their own aptitudes more fully than is normally possible.

For many students, work experience contributes to a greater sense of responsibility for their own efforts, greater dependence on their own judgments and their understanding of other people.

Students find that a retailing career is exciting as they serve as trainees gaining experience and training by working a sales job part-time while still in school. A successful salesman is one who is prepared for his career through study, training, and experience.

Larry Carter and Barbara Harris demonstrate to the other members of D.E. Class how to make a successful sale.

**SALES WORK WILL EXPAND**—Mr. McClure and Larry Carter, president of D.E. Class, discuss selling techniques with the class.

# Your Future is What You Make It

## TRADE AND INDUSTRIAL EDUCATION

O. M. GWINN, Vocational Supervisor

Vocational education prepares boys to enter trades and industrial occupations. Three hours each day are spent in the "shop" of the student's choice where the correct use of hand and machine tools are taught. The work performed in the shop must be on a useful basis under actual job conditions so far as possible. Students are given individual attention rather than group instruction in their shop training.

Approximately thirty percent of the student's time in school each day is devoted to the study of trade

technology which includes shop mathematics, science, blueprint reading, sketching and trade information. These subjects differ from general subjects in that they are designed to apply directly to the chosen trade.

Your future is strictly up to you. As a citizen of free, dynamic, ever-progressing America, your opportunities will be limited only by your vision of what your future may become, your abilities and how you use them, your character and your determination.

**Superintendent of Portsmouth City Schools**

**MR. C. H. DUDUIT**

The school, through the resources and leadership of the administration, provides the necessary educational atmosphere conducive to growth and maturity.

C. H. Duduit, our new superintendent of the Portsmouth City Schools, came to the system in the fall of 1959 as director of curriculum and assistant to Mr. McKelvey. Mr. Duduit's gracious manner, his devotion to our educational program, and his charming personality have endeared him to all who know him.

Superintendent Duduit has been an educator for 27 years. He has served in the Wheelersburg Local School District as an elementary principal, high school principal, and as superintendent of the system. He has also served as principal of the University of Florida's Elementary Training School and has had a wide field of experience in business.

He is a veteran of World War II and served as a Lieutenant Commander with the U. S. Navy.

Mr. Duduit received his B.S. degree in education from Ohio University and his M.S. degree in school administration and supervision from Ohio State University.

Our schools go far beyond the three R's. They train young citizens in tolerance, in working together, in sharing democratic group activities, in understanding social, economic, and political problems of the United States and the world. Our schools train students to have a mind of their own—and to use it!

# Trojan Football Record 1961 Season

TROJANS ENTER FOOTBALL GAMES WELL PREPARED, POISED AND EAGER FOR VICTORY.

## TROJANS SURPRISE STONEWALL JACKSON 19-12 IN OPENER

Athletic Field—September 8

An alert, eager group of Portsmouth High School Trojans rolled over a more experienced Stonewall Jackson team by a score of 19-12. Portsmouth's tally honors were shared by Barney Apel, Bob Jackson, and Ray Pope, each contributing a TD.

While the high-riding Trojans used teamwork in compiling the victory, Stonewall's quarterback put on a one-man show by scoring both of their goals. The climax of the game came when Dee Hacquard grabbed a surprise pass interception to end Stonewall's scoring threat. Coach Baughman credited Portsmouth's new "jitterbug" defense with the victory as PHS danced to its first win of the season.

## TROJANS CRACK WALNUT HILLS 36-12 FOR SECOND WIN

Municipal Stadium—September 15

The Trojans opened their homestand by downing Cincinnati Walnut Hills, 36-12. Captain Clay Johnson, Bob Jackson, Ray Pope, and Dave Major scored Portsmouth's five TD's.

The high-stepping men of Troy got off to a great start by setting their record at two and none. Exceptionally good teamwork gained for them these early season victories.

## TROJANS FALL TO COLUMBUS AQUINAS 14-13

Municipal Stadium—September 22

The PHS Trojans lost their first game of what was to be a victory starved season to a fired up Columbus

Aquinas team. PHS was definitely handicapped without the services of its starting backs, Bill Parker and Ray Pope. As the contest progressed another serious wound was felt as guard, co-captain Clay Johnson was injured in the second period of play.

The Troy men started the game as if they would surely rack up a victory, making a TD in fourteen plays. Richard Lintz went over from the four and a pass to Jackson accounted for the 8-0 lead. But then Aquinas's scoring parade began, and at the end of the third quarter the tally was 13-8. Bob Jackson charged over the goal line for the Trojans in the third period adding the count to 14-13. Portsmouth had other chances but failed to capitalize on them. The game ended with the Aquinas exploding on a seven-yard run.

## PORTSMOUTH FALLS 34-0 IN GOL OPENER

Municipal Stadium—September 29

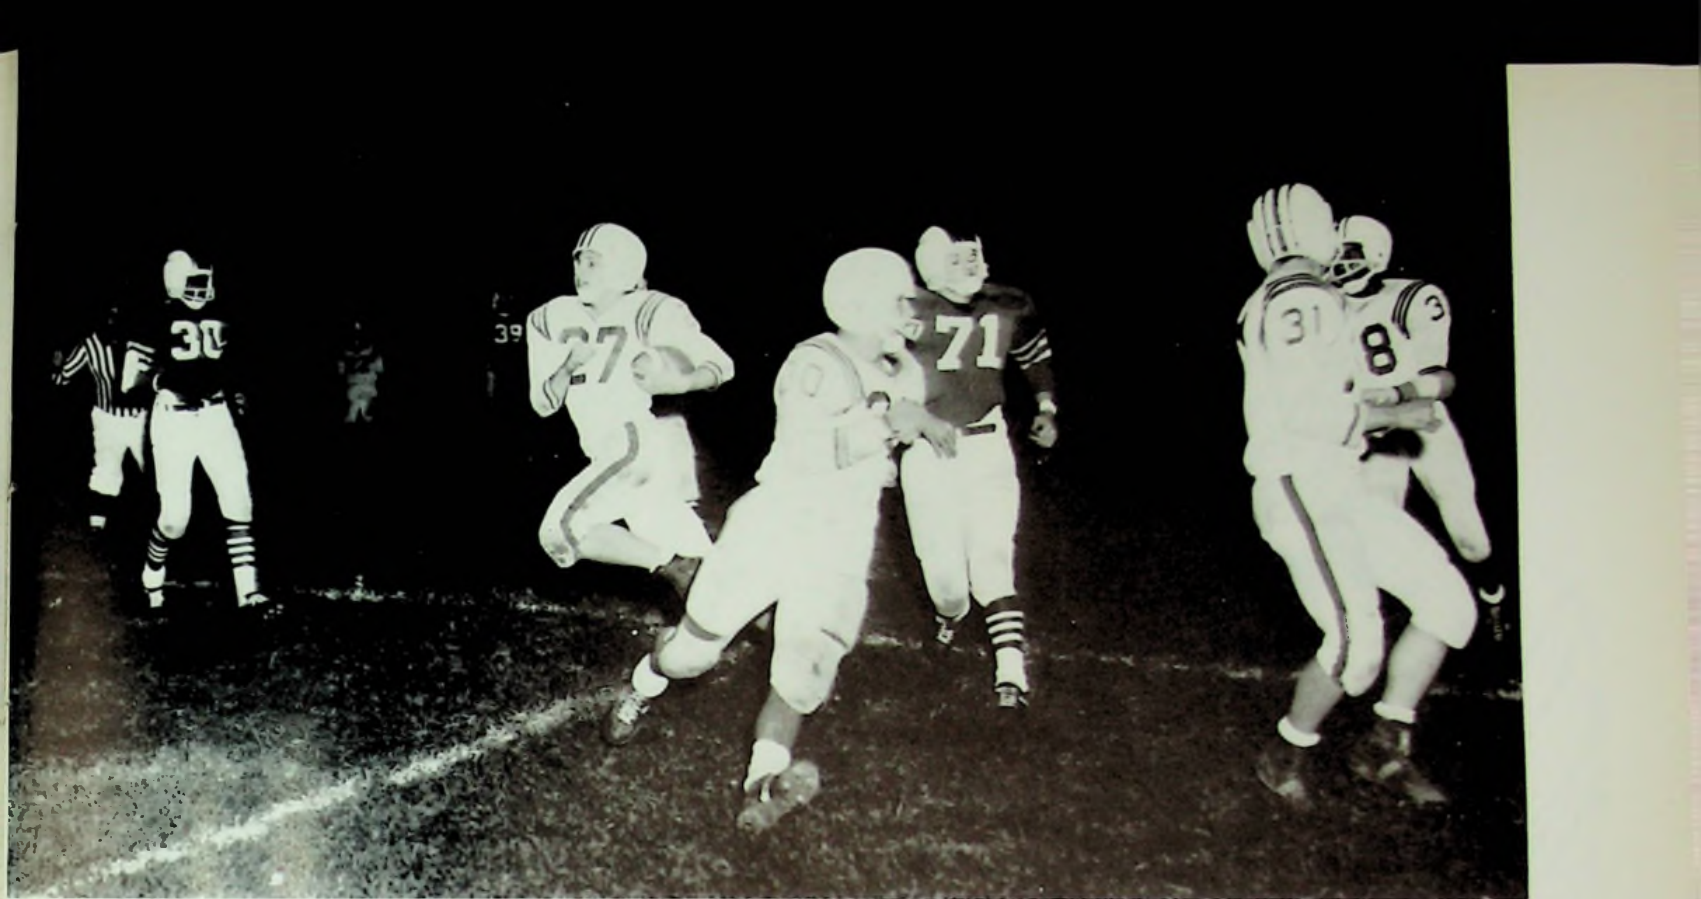

PHS dropped their first GOL encounter to the defending champion, Springfield. This was the third straight year that Trojans have failed to break the Wildcat victory jinx.

The Men of Troy almost ended their scoring drought in the first quarter when Apel recovered a fumble and raced into the end zone for an apparent score. However, the officials ruled the ball had touched the ground. Later in the game, Phil Vasser intercepted a pass at the 21, and the ball was moved to the 3 before the Trojans lost it on downs.

Springfield's fine running backfield and a hard-charging defensive line gave the Wildcats their impressive victory over the smaller Trojans.

Harried by Lima tacklers. Barney Apel charges forward across the line.

Rich Lintz is triumphant, Lima is turned back by the victory-starved Trojans.

**CHILLICOTHE CLAMPS TROJANS IN 14-6 TRIUMPH**  
**Municipal Stadium—October 6**

Portsmouth High School lost their third football game of the year to the Chillicothe Cavaliers. This was Chilli's second straight victory from Portsmouth after 39 years of Cavalier football frustration.

The Troy men etched their only marker on a short run by Bill Parker from the one-yard line. The Trojans could have tied the ballgame if a snap from center hadn't been fumbled.

Chillicothe's ability to take advantage of the breaks and their intense desire and drive counted for the difference in the contest.

**MIDDIES POUND PORTSMOUTH 42-20**  
**Athletic Field—October 13**

The Middletown Middies capitalizing on the expert passing of quarterback, John McCluskey, blasted the Trojans 42-20 in another GOL tilt.

It looked as though the Men of Troy were being led to a slaughter, as the Middies tallied four T.D.'s in the first ten minutes of the game. One bright spot for victory-shy PHS was sophomore quarterback Bob Novinger. He returned in the second half to replace the injured Barney Apel.

This victory put the Middies in first place in the GOL.

**HAMILTON HOUNDS TROJANS 41-0**  
**Athletic Field—October 20**

Hamilton's fast-running squad completely buried the Trojans as the Griffins tallied in every quarter of the game, while holding the Troy men to zero.

For the sixth-ranked Hamilton this was the seventh victory in a row. PHS set up a long drive in each half of the game, but nothing seemed to work as the Griffins plastered every attempt.

**LIMA ROUTS PHS FOR 65-22 WIN**  
**Municipal Stadium—October 27**

The PHS Trojans suffered defeat, their sixth straight

of the season, 65-22 in the hands of the Lima Spartans in a GOL contest. The Trojans started as if they were going to upset Lima by blazing a TD on a fumble by the Spartans. The tally was not long in Portsmouth's favor as the lightning-fast Spartans scored a marker placing the total at 23-14.

PHS was forced to part with the pigskin after the kickoff and Youngblood of Lima raced 71 yards for a touchdown. After an exchange of fumbles, Portsmouth got off its third and final goal with Parker going over and Jackson getting the conversion.

The rest of the game was Lima's as they tallied five more markers.

**TROJANS MANGLE McKELL 24-14**  
**Municipal Stadium—November 3**

The Trojans finally broke a victory famine that lasted through six weeks by putting down a fighting McKell football team 24-14.

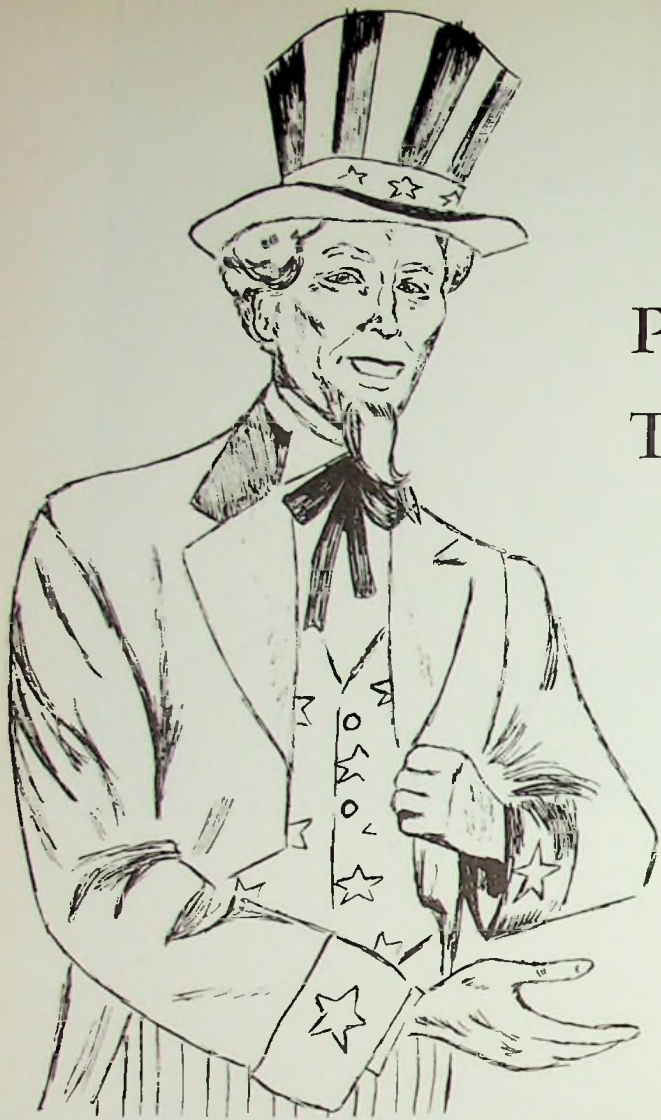

This much-desired triumph paced PHS at a 3 and 6 record. The game was played in a steady rain that became harder as the second half progressed. The down-pour hampered the play and spirits of both teams as they churned up the gridiron.

**PORTSMOUTH FADES TO IRONTON IN FINALE 41-0**  
**Beechwood Stadium—November 10**

The Ironton Tigers put the icing on a sour Trojan cake as they blazed to a 41-0 decision over PHS.

The Men of Troy gave to the Tigers a serious threat in the second period, when quarterback Barney Apel clicked with Dick Lintz on a 43-yard pass that put the ball on Ironton's six-yard line. But PHS couldn't progress from here, and the Tigers took possession at the 30.

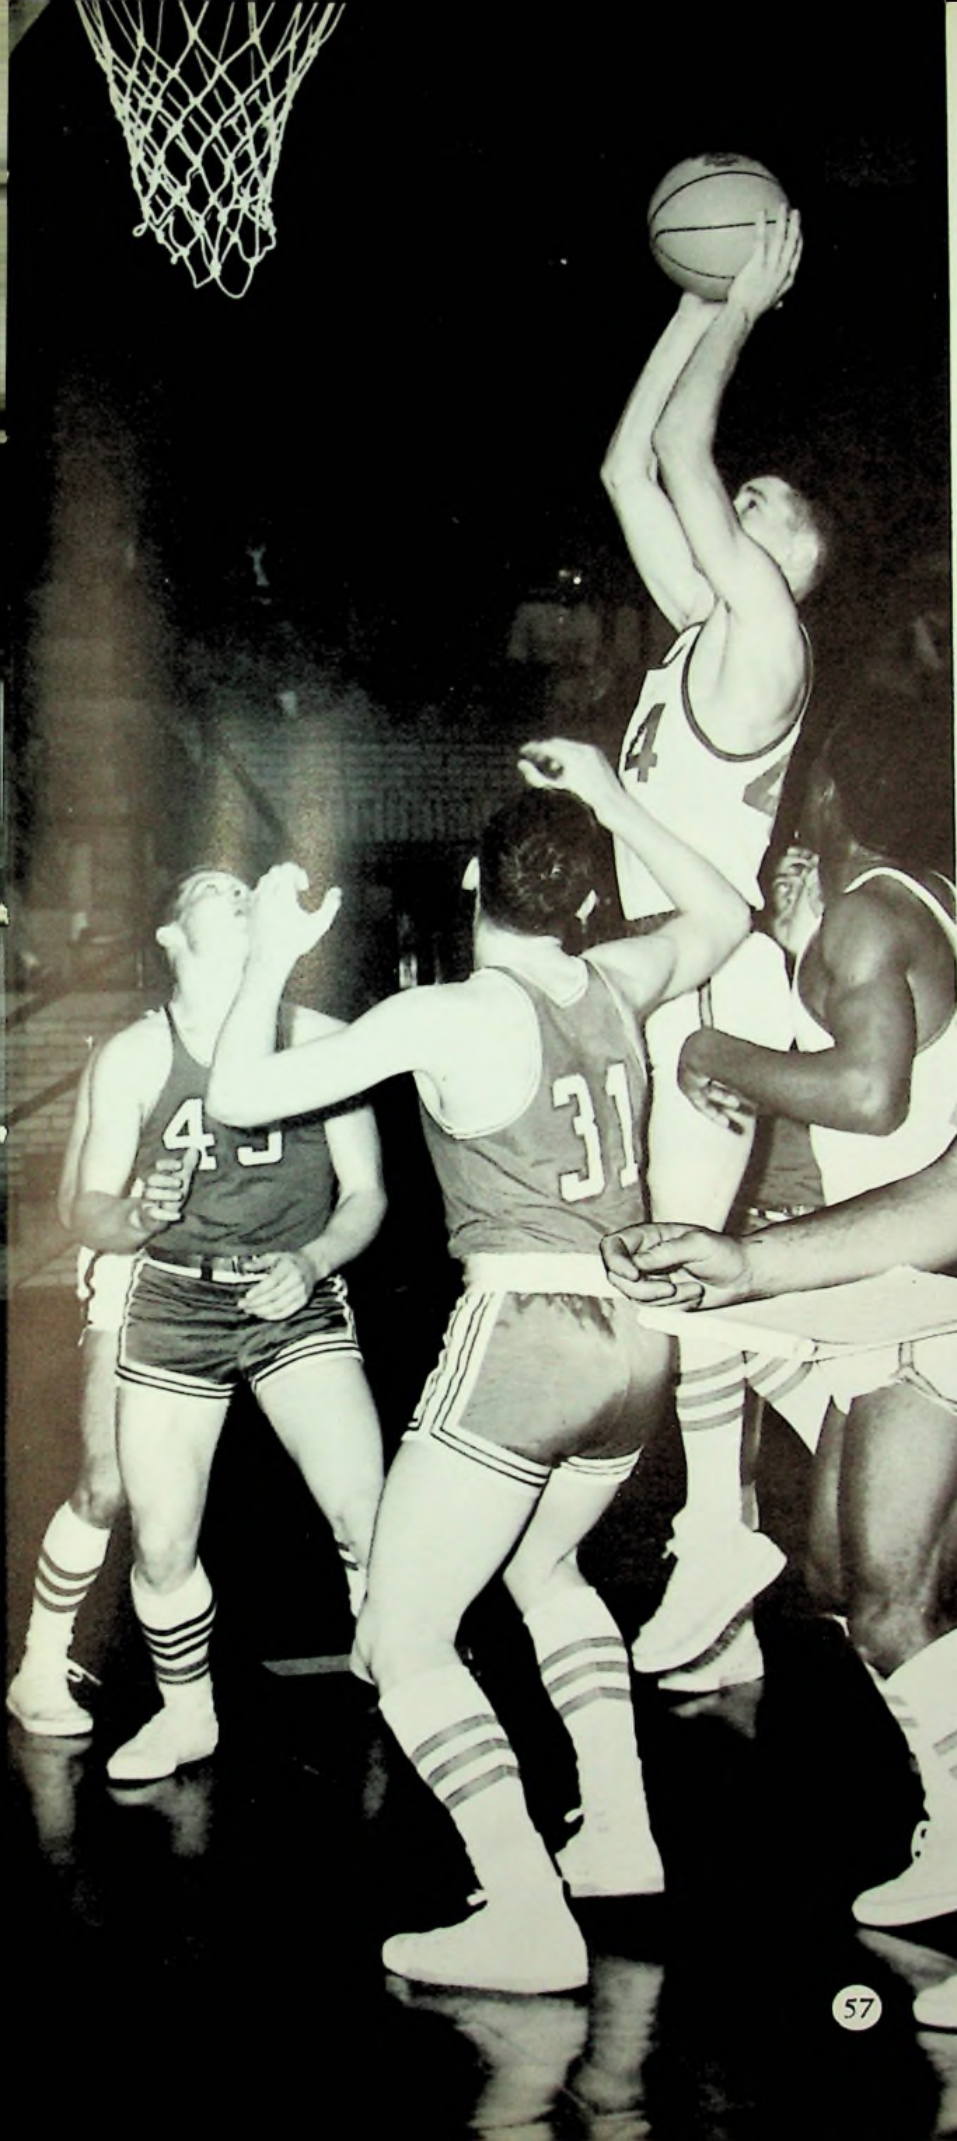

This was the last game for nine seniors to wear the Red and Blue. These mighty Trojans, co-captains Newton Horr and Clay Johnson; Dee Hacquard, Richard Lintz, Dave Major, Bill Parker, Fred Potts, Jim Taylor, and Roy Wise helped end the 1961 football season with a 3 and 7 record.

**Mike Lisath—Sophomore**

Played quite a bit this year. A real fighter. Gave it all he had.

**Bob Novinger—Sophomore**

A sharpshooting guard who saw considerable action. He, too, had no basketball experience last year, but he was a first line substitute this year. Should be a starter next year.

**Mike Gilpin—Sophomore**

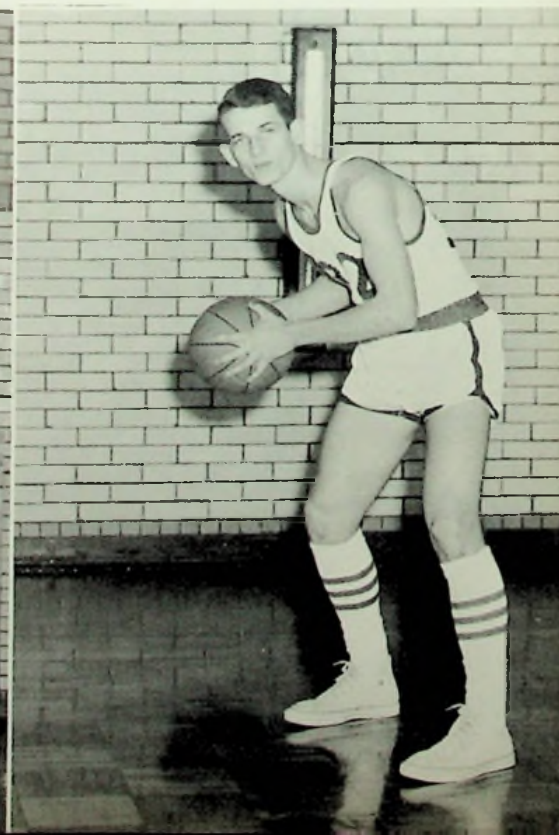

Should give needed height and experience to next year's squad. A good shot.

**Bill Hobstetter—Junior**

A scrappy player with loads of determination. Bill will give the Trojans depth next year.

**Terry Routt—Junior**

A fine sport and good rebounder. His height will help next year.

**Barney Apel—Junior**

A good playmaker and regular starter all season. Has a good outside shot. Look for him next year.

**Bill Parker—Senior**

Only letterman from last year's State Champions. A top notch rebounder, despite his height, and 11th in GOL scoring. Won Efficiency Award.

**Tom Justice—Senior**

Pressed the 1st string for a starting position all year. A real fighter on defense and under the boards. Put out 100%.

**Paul White—Senior**

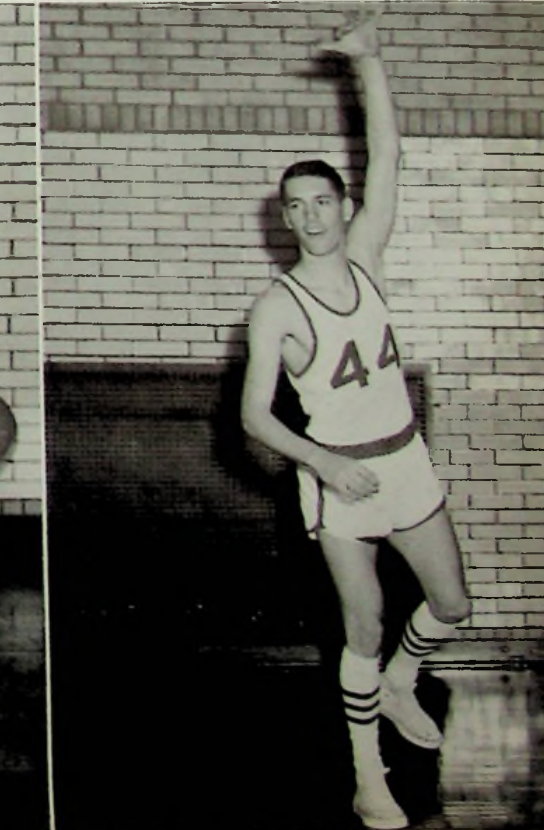

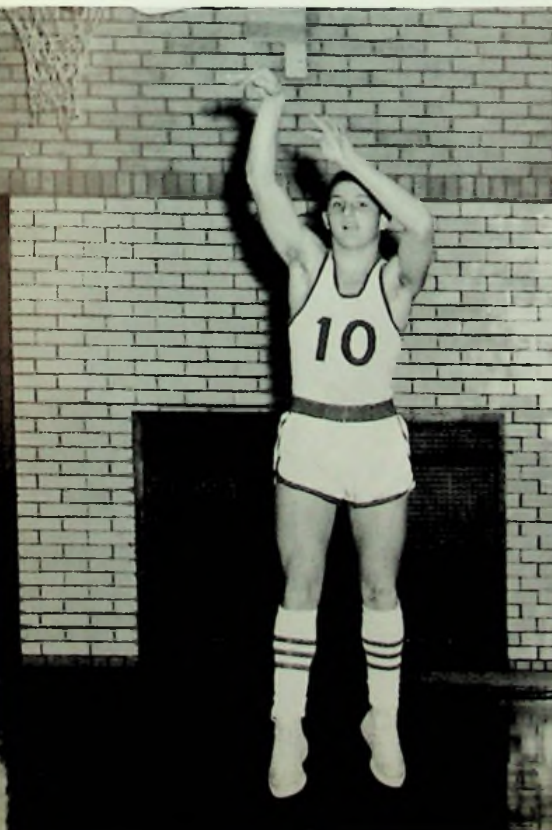

Top scorer on the squad and 10th in GOL. Gained a position on ALL-GOL second team. Won Foul Shooting Efficiency Award. A real ball hawk and a fine shot from any position.

Played center position against fellows much taller and turned in excellent defensive work despite his lack of height. Could always be depended upon when needed.

**Jim Cyrus—Sophomore**

Cracked the starting line-up at center though he had no experience in junior high last year. Developed as season progressed. Look for him in the next two years to be mainstay of the team.

## Trojan Basketball Record 1961-1962 Season

### TROJANS NOSED OUT IN OPENER 66-62

The Portsmouth High School Trojans opened the 1961 basketball season with a close loss to the Purple Panthers of Pomeroy.

The Trojans placed four players in the double-column figures. Paul White sank 22 points while Bill Parker and Tom Justice tossed in 12 apiece. Hugh Ruel brought up the score with an added 10.

All in all, the Trojans showed plenty of spirit. They were handed their defeat at the foul line where the Panthers tallied 20 out of 35.

### LANCASTER LANDS PHS—55-48

A cold second period, plus excess fouling led to the Trojans' second defeat in two starts. The margin of victory for Lancaster came at the foul stripe where the Golden Gales made 15 of 28 attempts.

The Troy-men outscored the Golden Gales in the first period, 14-13 and in the second half, 29-21, but the damage that occurred in the second period was too much to repair.

The final tally was Lancaster 55, PHS 48.

### TROJANS TRIP CAVALIERS IN FIRST VICTORY OF SEASON 41-36

The Trojans gained their first victory of the season by defeating the Chillicothe Cavaliers to break a two game losing streak. Portsmouth won the game at the foul stripe after losing their first two games because of a noticeable weakness at that position.

Trojans' Paul White and Hugh Ruel were top scorers for the PHS with 11 points each. Bill Parker put in 10 points and grabbed 18 rebounds to keep the Trojans alive.

Although the Trojans were tired from a game with Lancaster on the previous night, they played a much better brand of ball. That final score, Portsmouth 41, Chillicothe 36, was a welcome change.

### SPRINGFIELD SOUTH RIPS TROJANS 61-51 IN THE FIRST GOL GAME OF THE SEASON

P H S lost their third game in four starts as the Wildcats of Springfield South romped to a 61-51 victory. Lack of height and experience gave the Wildcats an edge over the Trojans. Paul White

again led Portsmouth in scoring with 13 points. The Trojans seemed to completely tire out in the last quarter as the Wildcats kept a 10-point winning lead.

### LIMA DEFEATS PORTSMOUTH 56-44

The Trojans dropped their second straight GOL game to the Lima Spartans. PHS put on a poor scoring attempt with only 23 per cent of the Trojan shots hitting in the first half.

Bill Parker paced the Trojans with 18 points while Paul White netted 10 markers to be the only other Trojan in double figures. Jim Cyrus grabbed 14 rebounds to lead Portsmouth in ballhawking. This defeat left PHS with a 1-4 season record.

### IRONTON BLASTS TROJANS 86-57

A tall Ironton team took the lead from Portsmouth in the last three minutes of the first quarter and romped to an easy 86-57 win over the Troy-men.

Tom Justice, who took scoring honors for Portsmouth with 14 points, was the only regular not to be retired from the game. Hugh Ruel was next in scoring with 13, and Paul White added 10. Coach Heller finished the game with four sophomores and a junior in the lineup.

This was the fourth time in five starts that the Trojans had been defeated.

### GARFIELD SWAMPS PORTSMOUTH 75-49

Hamilton Garfield extended the Trojans' losing streak to four straight as the Griffins swept to an easy 75-49 victory over PHS.

In the third period, with the scoring issue no longer in doubt, both coaches started to substitute freely, and all players on both teams saw action.

Top tallier, Bill Parker, led the field with 10 points and was followed by Paul White with 9, Jim Cyrus with 7, and Hugh Ruel with 5.

### LIMA CHOKES TROJANS 70-34

PHS lost their fifth straight game, and seventh of the season to the Spartans of Lima. This loss put the Trojans at 0-4 in GOL competition.

Both teams played ragged ball with the Trojans hitting a scoring low for the season of 34 points.

Barney Apel, a Trojan guard, paced his team with 12 points and was the only Trojan to reach the double figures.

### **TROJANS DROP TO GARFIELD 72-62**

The apparent PHS desire and hustle went to no avail in a rugged Greater Ohio League contest against the taller Garfield Griffins.

Bill Parker was high man for the Trojans with 17 points and 21 rebounds. Paul White followed with 16 markers, and Jim Cyrus, who continues to improve with each game, added 14.

Hugh Ruel scored only seven points, but his ball-hawking set up several Portsmouth baskets. He teamed with White at the guard slots to give the Troymen a much-improved backcourt.

### **HILLSBORO DUMPS PHS 81-65**

The Trojans started out as though they were going to make short work of Hillsboro. Thanks to the fine scoring of Bill Parker, Portsmouth grabbed a 10-2 lead early in the first period with Parker netting seven of the points.

PHS started the fourth quarter with Parker and Paul White on the bench, having accounted five fouls apiece. But the Trojans kept plugging away with Tom Justice and Barney Apel taking up the scoring slack. But like the scoreboard in Grant gym that stopped working in the reserve game, the Troymen quit tallying, and Hillsboro took over to ensure the victory.

### **WILDCATS BOMB TROJANS 78-40**

The Wildcats of Springfield combined good shooting, teamwork, and strong rebounding to easily make a runaway of the game against Portsmouth.

Paul White was the Trojans' chief scoring threat as he canned five fielders and five foul tosses for 15 points. The next best effort was made by Bob Novinger who tossed in 8. Novinger made his first varsity start of the season in replacing Barney Apel, who became ill early Friday and did not make the trip.

The only varsity member that didn't see action was Tom Horr who was accidentally locked in the Trojans' dressing room at halftime.

### **CENTRAL DROPS PORTSMOUTH 79-38**

It was the same story again, Portsmouth was defeated for the ninth straight time this season.

Hugh Ruel and Bill Parker paced the Trojans with eight points apiece while Paul White netted seven to lead our scoring.

The Trojans didn't find the range all night. Finally, in the fourth quarter, Coach Heller sent in a junior and four sophomores to get game experience. Columbus dominated the game completely.

### **MIDDIES SNOW TROJANS 80-37**

The Trojans played their best basketball of the season during the first thirteen minutes of the game, but soon lost to the more experienced Middies.

Portsmouth hit 31 per cent of their shots, making 14 of 44 attempts while Middletown connected for 34 of 75 attempts or 45 per cent. Parker scored 13 points to lead the Trojans, followed by Cyrus, 9; White, 5; and Ruel, 3.

The Middletown players continued to live up to their reputation by scoring in machine-gun style to take an 80 point win.

### **TIGERS DOWN PORTSMOUTH 67-50**

Ironton sent Portsmouth to their thirteenth defeat of the season. This game was equally bad in respect to poor playing and officiating. Forty-six violations were called; thirty-one against Portsmouth.

The game took almost two hours to complete because of all the fouls called on both teams.

Jim Cyrus led the scoring with eleven points.

### **COLUMBUS EAST TRIUMPHS OVER TROJANS 63-43**

The Portsmouth-Columbus East game ended with the Trojans again on the losing end of the score, the contest closed 63-43.

Paul White and Hugh Ruel each made six markers while Tom Horr and Jim Cyrus tallied eight points to lead the scoring.

### **LOGAN VICTORIOUS OVER PORTSMOUTH 60-58**

The Trojans lost their chance to break their long losing streak by failing to take advantage of numerous opportunities at the foul line. This loss left Portsmouth 1-15 for the year with thirteen straight defeats.

The game proved to be a rough battle with Logan in the lead from midway of the first quarter to the end of the contest. Although the Trojans lost, they displayed a terrific effort to win.

Top scorer for the Trojans was Hugh Ruel with twelve points. He was followed by Bill Parker with ten and Paul White with nine.

### **MIDDIES MASSACRE PORTSMOUTH 82-45**

The Middletown Middies ended their regular basketball season with no contest as they downed the Portsmouth Trojans 82-45.

The Trojans never threatened and the Middies were out in front at all stops, 22-9; 47-17; and 62-23.

The game gave the Middies a 12-6 record for the season. Portsmouth has won only one while losing 16.

Glenn Barker paced the Middies with 16 points, while Parker led the Trojans with 14.

### **NORTHWEST WINNER OVER PORTSMOUTH 74-72**

In Scioto County Class 'A' tournament play, Northwest out-fought Portsmouth to take a 74-72 victory in the opening game.

The Northwest-Portsmouth game was as close as anyone would care to have a game played without going on into overtime play. The score was tied thirteen times and the lead changed hands on thirteen occasions.

Portsmouth's tournament trail for 1962 ended exactly where the 1961 team started its march to the state championship title.

Tom Horr accounted for twelve points and Paul White for eleven markers for PHS before both fouled out. Jim Cyrus came through with seventeen tallies and Bill Parker with fourteen to help the P H S score.

Horr with a bit o' ballet.

## SOPHOMORE CLASS OF 1964

Our Sophomore Class has learned the true spirit of Portsmouth High this year by becoming acquainted with new friends, interesting studies, and much fun. Junior high school days were only a preview of the many exciting times we would have at PHS.

To guide us in accomplishing higher goals, we elected as officers: Barbara Bennett, president; Mary Jean Tilton, treasurer; Nancy Schisler, secretary; and Nancy Williams, vice-president.

As our project, we sold name stickers and planned our sophomore party under the guidance of our spon-

sors, Miss Helen DuPre and Mrs. Olive Wood. Our president, Barbara Bennett, was chosen sophomore attendant for the annual homecoming festivities.

We were proud to be a part of our high school student body and will continue to carry the Trojan torch in our junior year at P.H.S.

Our outstanding students were Mary Asche, Carolyn Head, Jim Lawrence, Margaret Linard, Scott Pitcher, Tim Rardin, Donna Seeley, Beverly Sieling, Pam Suter, and William Everett.

#### JUNIOR CLASS OFFICERS

Left to Right: Drew Egleston, president; Laura Jo Brant, vice-president; Judy Appleton, secretary; Ricky Warren, treasurer.

## JUNIOR CLASS OF 1963

Juniors at Portsmouth High are given the opportunity to study many different subjects, to participate in various extra-curricular activities and to take an active part in athletics. These areas help to develop the well-rounded student.

We first began our high school career as eager sophomores. We chose our class officers: Becky Caudill, president; Judy Appleton, vice-president; Laura Jo Brant, secretary; Joyce Cohen, treasurer.

In order to finance the sophomore party we sold name labels with the aid of our sponsors, Mrs. Olive Wood and Miss Helen DuPre. Our homecoming attendant was Jolene Storts. The selection of our class rings was our final project for the year.

As "Jolly Juniors" we made many happy memories to recall and enjoy. To lead us in our junior year we elected as officers: Drew Egleston, president; Laura Jo Brant, vice-president; Judy Appleton, secretary; Paul Warren, treasurer.

Receiving our class rings in October was the first event signifying our status as juniors. Mr. Pierson, the

class advisor, aided us throughout the year in our various projects. With the Junior-Senior prom in mind, we plunged into the sale of magazines. Chairman for this drive was Drew Egleston; our top salesman was John Massie.

Betsy Covert and George Pressler were chosen as the capable co-chairmen for the Junior-Senior Prom, which proved to be the high point of the fun-filled junior year.

Outstanding juniors for the year were: Yvonne Ferguson, Najara Hurst, Ruby Rogers, John Salladay, Paul Karr, Rosalie Sagraves, Sandra Stone, Charles Horr, Ted Herrmann, and Stephanie Riley.

For her second year, Jolene Storts represented the class of "63" as the homecoming attendant. Yvonne Ferguson, a junior class student, represented P. H. S. in the "Voice of Democracy" contest and won first place in the state of Ohio. She then journeyed to Washington to compete in the national contest.

So, our junior year ended. Oh, happy days!

# SENIOR SPIRIT 1962

#### SENIOR CLASS OFFICERS

Left to Right: Jerry Cardwell, treasurer; Linda Howland, secretary; Debby Peebles, vice-president; Newton Horr, president.

## Senior Class of 1962

The Spirit of Portsmouth High School will forever remain in our hearts as we move out as seniors to go forth and seek a place in the world. This "Spirit" has colored our high school days with joy, fun, and hard work.

For our sophomore year, we elected Ernie Eynon president; Pat Norman, vice-president; Debby Peebles, secretary; and Bill Piquet, treasurer. Our homecoming attendant was Sue Grimm. At the beginning of the year, Senior Honor entertained us with a mixer. We sold name stickers and selected our class rings with the help of Mrs. Olive Wood, our class sponsor.

For many years, "the Spirit" of our junior year will be a favorite memory of high school days. Our officers for that year were Sue Grimm, president; Debby Peebles, vice-president; Judy Rhea, secretary; and Marina Burns, treasurer. Sue Grimm was once again our

homecoming attendant. Our big project was the magazine drive under the guidance of our sponsor, Mr. John Glass. "The Enchanted Kingdom," our Junior-Senior Prom, climaxed a fun-filled year.

In our last year at P.H.S. we elected Newton Horr, president; Debby Peebles, vice-president; Linda Howland, secretary; and Jerry Cardwell, treasurer. Our class play, "The Many Loves of Dobie Gillis," under the competent direction of Mr. John Glass, was a huge success. Sue Grimm reigned as homecoming queen. Debby Peebles was elected as Sue's senior attendant. Once again, Mr. Glass served as our class sponsor.

As seniors, we take with us wonderful memories of good times, lasting friendships, and the invincible Spirit of Portsmouth High!

# THE BOOK

Before the Archives Building in Washington.

The very existence of mankind today depends upon man's control of his social environment.

The Social Studies Club was organized to stimulate interest in history and the social sciences. The purposes of this club are: to promote democratic citizenship; to recognize outstanding abilities, talents, accomplishments and achievements; to enliven the study of history; to stimulate reading in the field, and to provide opportunities for vocational exploration.

The officers were: Wayne Pitcher, president; Jim Kirsch, vice-president; Yvonne Ferguson, corresponding secretary; Debby Peebles, recording secretary; Paul McGilliard, treasurer; Judy Kalmon, historian.

The club's activities placed emphasis on student help in restoration of the Kinney House by raising money to restore and decorate this historical landmark. Other projects of the club were: a Civil War study trip to Gettysburg, a historical assembly program in January, and the participation of delegates sent to the Human Relations Seminar at Morehead College and the Government Program sponsored by Capital University.

The club's sponsor is Miss Mary Kransz.

INVESTMENT CLUB MEMBERS STUDY CHART OF MAJOR U. S. BUSINESS AND INDUSTRY RETURNS

"FOREWARNED IS FOREARMED" — Mr. Kegley points out that knowledge of the true investment objectives and the study of pertinent financial data are needed when one decides to venture forth into the financial risks of the stock market.

The Investment Club is a means of demonstrating the American free enterprise system and showing students how they, with millions of others, can own a share in American industry and business. Student investors have an opportunity to see how their savings, put to work, can earn for them.

## Service Activities

We know each other better through service activities. The dean's assistants and the hall monitors symbolize this to the highest degree.

The services that these people do are numerable. Among the duties of the deans' assistants are: to call and ask why people are absent, to answer the telephone, to find students for the dean, to pick up absence slips, to run errands for the dean, and to be responsible for the deans' offices, serving as a receptionist.

The hall monitors' duties are, keeping order in the corridors at lunch, keeping all unauthorized persons off the upper halls, and helping office personnel by running errands.

The students receive no credit for helping in these offices. It is entirely voluntary and is truly a service activity.

Left to Right: Pat Snyder, Mary Adams, Stephanis Riley, Cheryl Morgan, Mike Riley, Lucinda Armstrong, Terry Hager, Ann Whiteside, Judy Day, Mrs. Linkenhoker.

## Trojan Library Club

The Trojan Library is one of the most vital service organizations in Portsmouth High School. Mrs. Elizabeth Linkenhoker, librarian, and her staff are some of the busiest people in the school. In addition to their regular assigned duties, the student librarians aid other students in finding various materials and books. They also help with business aspects of library work. The student librarians are given helpful instructions which may lead to a useful career in library work. Two P. H. S. students represented Portsmouth High in the Ohio State Libra-

rians Association. Terry Hager was the state treasurer and Judy Day, the publicity chairman.

The group's activities included a formal installation service, pirate party, Christmas party, and participation in the Scioto County Council for student librarians. The staff also assembled displays on the second floor bulletins to further student interest in the library.

The year's officers were: president, Ann Whiteside; vice-president, Cheryl Morgan; social chairman, Lucinda Armstrong; secretary, Pat Snyder; treasurer, Mike Riley; publicity chairman, Mary Adams.

## F. T. A.

In F. T. A. club, high school students get a chance to see if they can qualify as tomorrow's teachers. They receive expert counseling on the type of academic training they will need. And they receive practical classroom experience, too. Some are assigned to help teachers prepare tests and mark papers. Others are allowed to teach a class or coach slow pupils.

Through this training, F. T. A. members learn one

basic lesson: Teaching is hard work. But it's also one of the most rewarding jobs in the world.

Throughout the year club programs have emphasized the art of teaching both visually and verbally. Three such programs were: a discussion on solving classroom problems, a film concerning distributive education courses, and a talk by Mr. Gary, school principal, on the satisfactions gained in teaching as a career.

RALPH WALDO EMERSON

## The Voice of The American Dream . . .

Ralph Waldo Emerson said that the scholar was the servant of truth. He took people on voyages of self-discovery. He showed them new horizons. He moved and persuaded thousands.

He observed that an institution is the lengthened shadow of one man; that the only reward of virtue is virtue; that the way to have a friend is to be one, and that if a man builds a better mousetrap, the world will beat a path to his door.

Emerson saw America as a great effort to redeem a tired world with a fresh start. He gave dry Yankee sayings a twist and a polish.

Annual “Voice of Democracy” Contest sponsored by the Veterans of Foreign Wars—prize was a trip to Washington, D.C., for four days of sight-seeing and educational tours.

### WHAT FREEDOM MEANS TO ME

The dream that fired the hearts of slaves under the leadership of

Sparticus to challenge the might of the Roman Empire is not dead. It comes in every age to every people.

Silence is the voice of freedom behind the Iron Curtain and it will be beaten out on the tom-toms in Tanganyika. May America preserve and nurture freedom's fire. And I, an American, pledge my all to its cause.

## Clubs for a Better Tomorrow

The eleven Hi-Y and Tri-Hi-Y Clubs related to the Portsmouth YMCA and co-sponsored by the Portsmouth High School are affiliates of the National Hi-Y Fellowship which number 15,958 clubs.

The clubs have as their purpose, "To Create, Maintain and Extend throughout the home, school and community high standards of Christian character.

Groups are organized with their own officers with the thought of providing opportunities for participation in democratic action. Each club is small enough to allow for full expression of ideas and individual contribution to club life.

Not only does the member learn to fully participate in group action, but he is afforded opportunities for service to his school and community.

A highlight of the Hi-Y program is the annual Youth In Government Model Legislature, in which the members frame bills, debate issues, and serve as senators or representatives or other state officers as they take over the state capitol building for three days.

Membership in the Hi-Y and Tri-Hi-Y is open to all high school students who apply and, accordingly, subscribe to the Hi-Y purpose.

# How Much Is \$165,000,000? . . .

When the current expansion and modernization program is completed at its Portsmouth Division, Detroit Steel Corporation will have spent over \$165,000,000 in its determination to make this southern Ohio steel mill one of the finest, best equipped, most competitive such plants in the nation.

That's a lot of money.

For example, had a man who was living when Christ was born, continued to live until today, and had he spent \$225 every single day during all those long years, he would still not have spent that much money.

One hundred and sixty-five million dollars . . . the savings of thousands of ordinary people who, believing in the American Way, have become part owners in American Industry . . . plus the "plowed back" earnings of the company . . . all that money, within the next few years, will have been invested in the future of the Greater New Boston - Portsmouth Area to provide jobs and security for its citizens.

Connie,

To one horsewoman to another  
(not quite so refined) "How will we  
ever stand school!?"

It's been a real ball knowing  
you. And I plan not to let  
you forget.

Best of (horse show)  
luck.

Debbie

Good luck to a fine friend - Draw
