"From Beginning To End"

The Beginning Of A New Year

The beginning of school signals the beginning of many activities: students have to be up early, athletes begin practicing, clubs hold meetings, week-end ballgames dominate student social life, and for freshmen, there is the excitement of ordering class rings.

Ben Lauderback (front) and Lance Allen arrive at school before 7:30 a.m.

Back to front: Ryan McKenzie, Chris Davis, Shawn Sommer, J.D. McKenzie, Bob Blackburn, Wes Strickland, Jeff Glynn.

"When I look back on my memories of River Days, I can not keep from smiling. I am reminded of the new friends I made and the experiences I encountered. This past summer was one I could never forget, and I want to thank the student body for giving me the opportunity to represent our school. Your support was overwhelming and I am truly proud to have represented Minford High School."

"For Professional Service" —

The Right Choice

Minford, Ohio
820-2651

I dreamed I stood In a studio and watched two sculptors there; the clay they used was a child's mind and they fashioned it with care. One was a teacher; the tools she used were books and music and art. One was a parent with guiding hands and a gentle, loving heart. Day after day the teacher toiled with a touch that was deft and sure. While the parent labored by her side and polished and smoother it o'er. When at last their task was done they were proud of what they had wrought. For the things they had molded into the child could neither be sold nor bought. Each agreed they would have failed if they had worked alone. For behind the parent stood the school and behind the teacher, the home!

Best Wishes Minford Students
