*Administration*

*Edward R. McCowen*  
*County Superintendent of Schools*

Mr. McCowen said in a statement to us: "The rural schools of Scioto County shall continue meeting the demands of its youth. We are very proud of our students and their achievements. It is hoped this year, as in the past, that our seniors will enter their roadway of life with ideals and a very good educational foundation. In these trying times, perhaps more than ever before in our history, the United States of America needs strong members of its society--members who have firm and solid ideas as to the democratic way of life.

We shall keep providing strong curriculums and school facilities for our ever growing population. All of us are determined to constantly serve our purpose toward the progress of our society."

Mr. McCowen received his B. S. Degree at Ohio University; Master's Degree at Northwestern University, and has attended Otterbiew College and Harvard University.

## *Dedication*

THIS ATHLETIC SECTION OF THE 1963-'64 LAKOTA IS DEDICATED TO DON GREEN, THE BEST ALL-ROUND ATHLETE OF NORTHWEST HIGH SCHOOL.

## *"Most Valuable Player"*

Don played varsity basketball for two years and part of his senior year when he was sidelined because of a knee injury. Don was voted "Most Valuable Player" by his team mates, both his junior and senior year. He was also captain-elect for the Mohawk team in 1963-'64. During his junior year Don was on the SOC All-Star Team. He was named honorary captain on the Times' All-County League both his junior and senior year. It was stated that Don was the Most Underrated Player in the County because he did many things that didn't show up in the scorebook. In his senior year he was averaging 21 points a game when Mr. Doddridge announced that Don wouldn't be in uniform again.
