The Navigator

Berl G. Haney

Principal—McDermott High School

Executive Head—Northwest School District

To our Chief Navigator, Mr. Haney, we express our heartfelt gratitude for a course well chartered. It was he, who four years ago, mapped out our voyage and has kept us on that course. Although the sailing has sometimes been rough, we have reached our cherished destination as a result of his careful strategy. Due to his wise and superb navigating we have been able to reach port without once becoming grounded in the sandbars. We doff our caps to him and say "Thanks, for having kept us in line with the proper procedure."
