1906,
Sund. July 7,
A very beautiful day
Harris & I went
over to church
and then back
home where we
all stayed the
rest of the day
except to visit
C. H. D.
The air came
during the day.

Mon. July 2
A rainy day
The wind
The east wind
The rain
The wind
The rain
The wind
The rain

Tues. July 3
A rainy day
The wind
The rain

The wind
The rain

Wed July 5
A fine day
damp.
He got ready
and went down
to Detroit
where not all
went to the
forth. All of
the folks were
there and a
nice time we
had.
He being here
late but
forgot things
all right.

Thurs July 5 2
A fine day
Clear & hot.
Gave a full man
then he played
some
Mentard & I
dug coal all
day. He got out
a nice lot
Al. Shley came
and sat at the
coal.

Fri. July 6.

A fine day
George plowed
all day.
Thir tried it but
got sick &
had to quit
work & go
down a
lot of coal
to day.

Sat. July 7.

A fine day
I had
in the garden
I got more
milk and could
not work
Newland dig
coal.

Sun July 8
Apt. 10
Tham
I went to church
got back home
Henry was
here. At home this
except of the dog
Ella but feeling
very well

Monday 9
Apt. 10
Tham
Serge began
to work
Not feeling very
well
He worked at
the truck patch
and plowed some
corn
Newland dug
coal.
Henry & I in car
arrived get coal

Tues July 10
Another good
day
Peters took
the machine and
went to grease the
Mr. Webb. took
a good part of
day & stump got
loads of coal.

Wed July 11
A pretty good
day
Burger went
up to inspect
and broke the
my chains.
He then found
some of the
Newland ding era
that will be
gone and you
have for some

Thurs. Aug 12
A month ago I
found a light
shard in the
ground.
I thought it
was a piece of
the machine
I had
used. I placed
it in a box
and went
up and found
it was a piece
of the
machine
I had used
in the
ground
Newland dug
coal.

Fri Aug 13.
A month ago I
found a light
shard in the
ground.
I thought it
was a piece of
the machine
I had
used. I placed
it in a box
and went
up and found
it was a piece
of the
machine
I had used
in the
ground
Newland dug
coal.

Sat. July 14
A dull day
and in the evening
it rained a
little. I had
to go down
to the house and
find the weight
of the water
being placed
there and
found around
the teacher's
foot-hydrant
water supply and
stuck out
Newland dug
coal.

Sun. July 15
A nice day.
A good party by
Ben. Harkness there
He came here
with me
Ed. & Ella, Lami
& Effie came
John for dinner
The night back
to church.
Ella is not
feeling very
well.

Mon. July 16
A. m. 10.00
We got to Hanking
and finished
up by noon
1.45. By what
means looking
the got things
started and
then it began
to rain a little.

Tue. July 17.
A fair day
rained last night
but a piece of
the worked at
the cold bank
the all day
down the track.
I went to
church.

Wed. July 18.
A little rain.
He worked at
the coal bank
all day.
I went to church
this evening.

Thurs. July 19.
A nice day.
After working
George & I
loaded up
loads of wheat
and took them down
to the bridge.
When they pronounced
it wet, and then
we had to haul
it back.
A hard day's work
all to no good.
I went over to
church.
Bro. Harkins closed
his meeting and
went over to church.

Fri July 20

A nice breeze
but sawy of a
man.

George & I fixed
a place in
the barn for
the wheat and
spread it out
George then plows
even & then took
the team up
and helped his
father, the rest
rain came and
they did not get
done.

Q

Sat July 27

A robin had dug
the worm hole in
the coal bank.
George helped his
father finish
the work.
After dinner Call
Newland helped
run the wheat
through the fair-
well.

Sun. July 22
A few light
show.

Mami & I went
out to church.
Only a few there.
Ella not feeling
very well.

Mon July 23
A few. Harry
hit not quite
George. Flowed
in heat.
Mantel & I
worked in the
coal bank
all day.

Thurs. July 24
A cool morning
Warmer days
Gene pulled
sledging his gear
Kendall & I
have worked
all day in
coal bank

Frid. July 25
A hot day
George took
Lantern 15 by coal
and then found
open. The rest
of the day
Kendall & I
worked at the
coal bank.

Thurs. July 26

A fine day
George & I shov-
eled and
mowed all day
Newland worked
in the coal bank
All pulling
well as Vanman

Fri. July 27.

A very warm
day.

All day
I had the girls
mowing in
Glenview.
Newland on the
rick left in
Call had to
go up to Oak
Hill.

War all
day.

I had straw-
berrie. & mowed
beams.

Got done

Bees got back and
mowed a little

Sat July 28.

A nice day
A light shower
Call turned around
with the dog then
and the cut
excursions out of
camp with her
till now then
helped Maryland
in coal bank
I took Bill \$10
for coal and
then went up
honey and got
the hay fork,
rope & pulley
and the hay
loader.

Sun. July 25.

A rainy day
Several wharves
I went to China
and then back
home where we
enjoyed the rest
of the day
ella not parking
very well
jibbs both
well.

Mon. July 30

A night of a
Call cut a
little more
grass with
magnifying
Newland in the
coal bank
I went to
blacksmith
and got some
replacers done on
the hot head
& then fixed
up a hen
for the purchase
hard got ready
to handle in
by the small load
the way

57
Tues. July 31

A night of a
Call being
a road and
raked for
& helped
in the coal bank
till near
then call do
went after the
has
the
at along
mud

Geny. Ball.
