Administration

Our Supervising Principal, Mr. C. H. Duduit, is not only our administrator but our friend and adviser.

COUNTY SUPERINTENDENT EDWARD R. McCOWEN

County Superintendent Edward R. McCowen is a native of Wheelersburg and a graduate of the Wheelersburg High School. He received his Degree of Bachelor of Science in Education at Ohio University and his Master's Degree at Northwestern University.

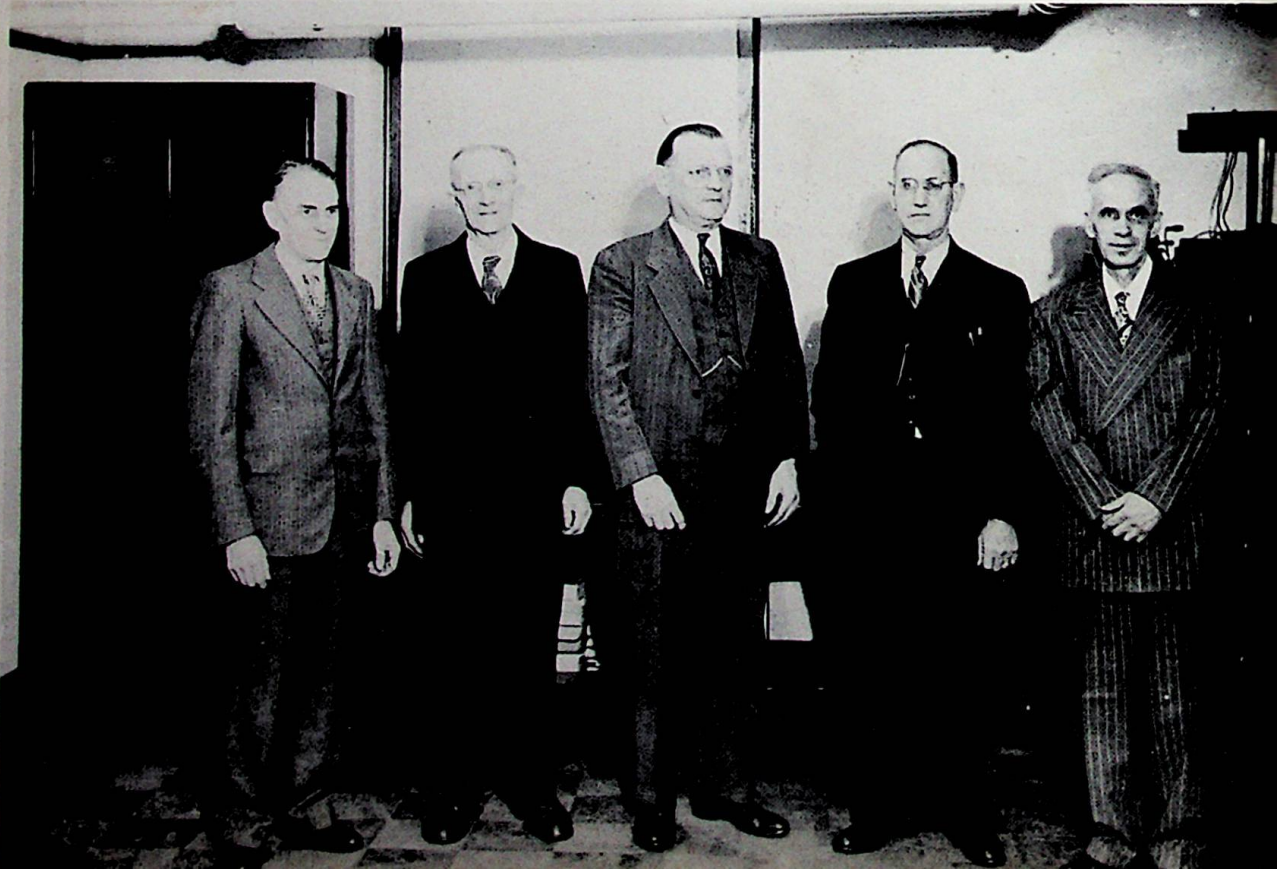

Mr. McCowen began his work as Assistant Superintendent and supervisor of music and English in 1940. In 1942, when his father, Mr. E. O. McCowen, entered Congress he became County Superintendent.

One of the many new things which the county administration is planning will be started in 1948. Movies will be made of each rural school in action. This feature is made possible by the County Board of Education and will be directed by County Superintendent McCowen. The films will be placed in the county library and made available to all schools free of charge.

Mr. McCowen's experiences in all phases of the educational programs in the elementary and secondary schools provide him with an excellent background and knowledge of the entire county school system.

BOARD OF EDUCATION

Fred Pollock, Vice-President; George Smith; R. L. May, President; Ben F. Whitt; Carl Herms, Clerk.

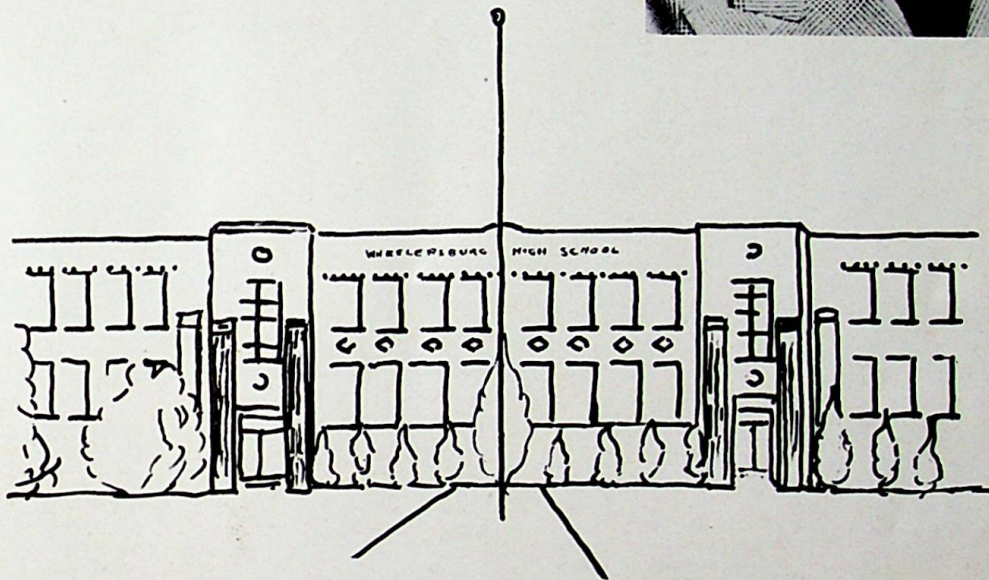

C. H. DUDUIT

Mr. Duduit has served another successful year as Principal of Wheelersburg Schools. He has held this position for six years. His kindness and understanding have won him the respect of everyone. Through his continued efforts he has done much to make ours a better and more enjoyable school.

He received his Bachelor of Science Degree in June, 1935, and his Master's Degree in 1939. He attended Miami University, Ohio University and Wilmington College in undergraduate work. During his graduate work he attended the University of Florida, Ohio University and Ohio State University. Additional graduate work, leading toward a Ph.D. Degree, has been completed at Ohio State University and Baliol College, Oxford, England. Mr. Duduit is a member of two honorary educational societies: Kappa Delta Pi and Phi Delta Kappa.

Before he was appointed to his present position, he was a teacher of history and government in the high school. Respected and admired by every student, Mr. Duduit has worked sincerely toward the advancement of our school.

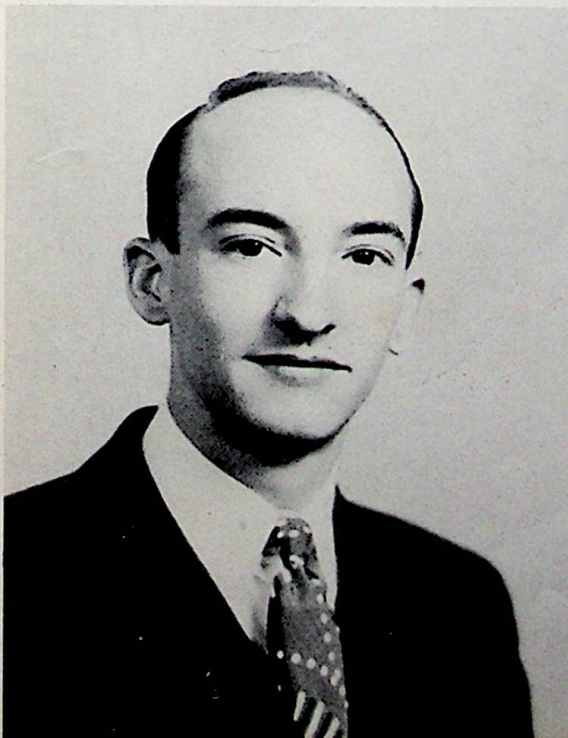

J. DONALD McCOWEN

Mr. McCowen has continued to serve as Assistant Supervising Principal since the return of Mr. Duduit. Before Mr. Duduit returned he served two years as assistant to Mr. Smith. His administrative and office duties have given Mr. Duduit more time for supervision. Mr. McCowen retained his full teaching schedule and has sponsored several extra-curricular activities.

Mr. McCowen graduated from Ohio University, Athens, Ohio. He has done graduate work at Ohio University and Ohio State University, majoring in administration and supervision.

Practical application of subject material has rated Mr. McCowen as an excellent teacher. His willingness to help with our problems has rated him as an understanding person.

Bob Scherer and Maxine Staggs were elected by the Senior Class to represent the Seniors in the sale of the High School Annual. They, with the co-operation of the other Seniors, did a splendid job of selling the yearbook. They sold fifty-four of them. If they had not done this splendid job as salesmen, we would have had a difficult time publishing the Annual. For this fine job we are honoring them as King and Queen of the Senior High School Annual Subscription Sales.

KINGS AND QUEENS OF ANNUAL SALES

Ouita Storey

Donald Stone

The King and Queen of the Junior High School this year were Donald Stone and Ouita Storey. They, as representatives of 7-A, did a most remarkable and outstanding job of selling annuals. Their home room sold fifty annuals and the other seventh grade home rooms gave them their votes, thus making them a total of eighty-nine. Everyone is proud of the fine job they did. Their industrious spirit and selling ability were gratefully appreciated by the annual staff. Congratulations to our Junior High King and Queen!

INTRODUCING THE SENIOR CLASS OF 1948

CLASS POEM

*The years have moved so swiftly by,
Our school days, now are o'er,
And some of our classmates, that are here,
We may see never more.*

*We'll miss our teachers and other friends
Whom we leave in grades below.
But we'll evermore remember them,
As memories through us flow.*

*And now the time is drawing nigh,
When our school life, we complete,
And someday in the future,
We hope again to meet.*

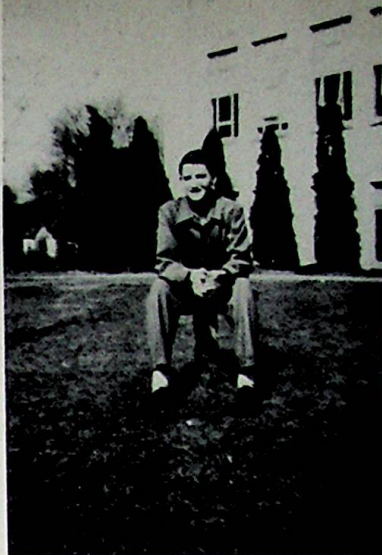

*We wish to thank our teachers dear,
From the first grade to the twelfth,
They've guided us through many years,
They have helped us gain much wealth.*

*We've had our fun and studied too,
We've put much effort forth,
And now we've reached the goal so high,
That we have studied for.*

CLASS PROPHECY

I am sitting in a chair before the fire place, slowly drifting off to sleep, and my mind begins to wander.

It is the year of 1960 and I am just arriving at my home town of Wheelersburg for a visit with an old classmate. As the train pulls into the station I am being met by my former classmate and her husband, none other than Helen LeMaster and Ralph Green. As we start to leave our bags are carried out to the taxi where the driver, Eldon Wilder, takes us to the Green Mansion. As you all know Ralph has prospered in the business of chicken farming. When we reach the house the door is opened by the butler, and we are taken to our suite by the maid. After dinner Ralph suggests going to the opera. As we arrive at the concert hall we see in bright lights the name Mae Cregger, formerly Mae O'Brien, as the star of the evening with the maestro, Bob Klingman. Mr. Welby J. Scherer, Jr., and his charming wife, Jeanne Bihl, are sitting in the left rear balcony eagerly watching Mr. Klingman. After the opera we go to the famous Bunny Rabbit Nite Club. The hat check girl takes the men's hats. We immediately recognize her to be Kathryn Hinds. We are greeted by the owner, Bob Flanagan, who informs us that Don Miller is now president of the Mobilgas Corporation. We ask him if he has heard about any of our old classmates and he says that Jane McLeod is teaching at Arizona State College, Juanita Weidner is happily married and living in Georgia, James Lawson is running a dairy, and Jim Glascock is doing well in the grocery business. The curtain goes up for the floor show and who is in the spotlight but Patty Smith, now a great dancer. Now come the chorus girls and among them we see many familiar faces: Sarah Johnson, Ruth Mucha, Thelma Hay, and Norma Yeley. We hear a familiar voice calling "Cigarettes, Cigarettes," and it is none other than Juanita Cole. Next on the show is a piano solo by the now famous Thelma Rockwell. As the evening draws to a close I find that I am back at the Green Mansion. Now it is morning, and Helen and I are getting ready to go shopping. We hardly get to the street when we hear loud wolf whistles. We turn around, of course, and find that we are face to face with several sailors who happen to be Don Justice and Charles Thompson. We are walking along and suddenly before our eyes is a sign reading Nick Felty, M. D. We decide to pay him a visit and are greeted by his charming nurse, Pat O'Brien. After leaving the doctor's office we stop at the drug store for a coke and there we find Russell Colegrove, proud owner. He tells us that Phyllis Bowen is school secretary and that Bill Simon and Jr. Knapp are co-owners of the Scioto Motors Co. He draws our attention to a sign in the window about which we should be interested. So off we go down the street to a fashion show. The famous model, Joanne Lallow, with her assistants, Anna Mae Burgess, Norma Johnson, Betty Moore, and Georgia Salley, show off the latest fashions designed by Mary Ann Moore. After leaving the show we pass a funeral home and it is managed by none other than David McCarty and his assistant, Erwin Blanton. We see someone coming down the street who looks familiar. Why yes, of course, it's Opal Maggard. She says that she is married. We ask her if she knows about any of our classmates of 1948. She tells us that R. T. Ellis is a Congressman, Frank Wicker is prospering in the farming business and Karl Willard is a General in the Army. We go into a large department store and ask the floorwalker, Bob Reese, where to find the ladies' department. He directs us to it, where we find the manager to be Phyllis Lang. Working with her is Maxine Staggs. As my visit draws to a close Helen and Ralph take me to the airport to catch my plane. Upon entering the plane I am greeted by the stewardess, Imogene Hull and the pilot, Earl Downs. The last I remember, I am zooming homeward. I awaken with a start to find that it was only a dream, but my, what a dream!

CLASS HISTORY

Twelve years ago, the Senior Class of '48, or most of it, walked through the doors of various school buildings for the first time, and was optimistically looking for an education. Of the fifty or fifty-five first-graders who started here in 1936 about thirty-five have completed their entire twelve years of school in the Wheelersburg system. The rest of the present Senior Class have joined them, either in the grades, or in high school.

We started our high school career with an enrollment of seventy-eight eager freshmen, brimming with that naive self-assurance that only freshmen possess. We had a lot less of it after initiation. However, we recovered in time to enjoy our parties. We were greatly assisted by our Sponsors, Miss Humphrey, Mrs. Kelso, and our officers, Don Justice, Russell Colegrove, Irene Blair and Patty Smith.

We entered our sophomore year with an enrollment of sixty-six. Our sponsors this year were Mr. Warren and Mrs. Howell, and our President was Bob Reese. We had several parties but we weren't extremely active in sports or other activities.

When we came to school as juniors, with an enrollment of fifty-four, we missed several of our classmates. Our sponsor was Mr. See, who was assisted by Donald Miller, Bob Flanagan, Phyllis Lang and Juanita Weidner, the class officers. Our junior year was a period of steady activity. Six of us were on the basketball team, our play, "Date Bait," was a great success, directed by Miss Mitchell and Mrs. Fannin, and our banquet, held at Hotel Governor Cabel, in Huntington, was the highlight of our junior year. We concluded the year with a picnic at Lake White.

Our senior year, which began with an enrollment of forty-seven has been a busy one. Four seniors lettered in basketball this year, contributing greatly to the winning of the Scioto County league. All of our activities were pursued with the help of our sponsor, Mr. Warren, and our class officers, Don Miller, Bob Klingman, Phyllis Lang, and Juanita Weidner. The annual has been published by the seniors with the help of four juniors and four sponsors. We enjoyed a trip through the Portsmouth Steel Mill and climaxed our Senior year by a picnic.

We will always be grateful to our parents for providing us with the opportunity to receive a high school education, and to our teachers for the patience and consideration they have shown throughout the years we were with them. Our faith in our homes and our school is the basis of the confidence with which we face the future.

STUDENT COUNCIL

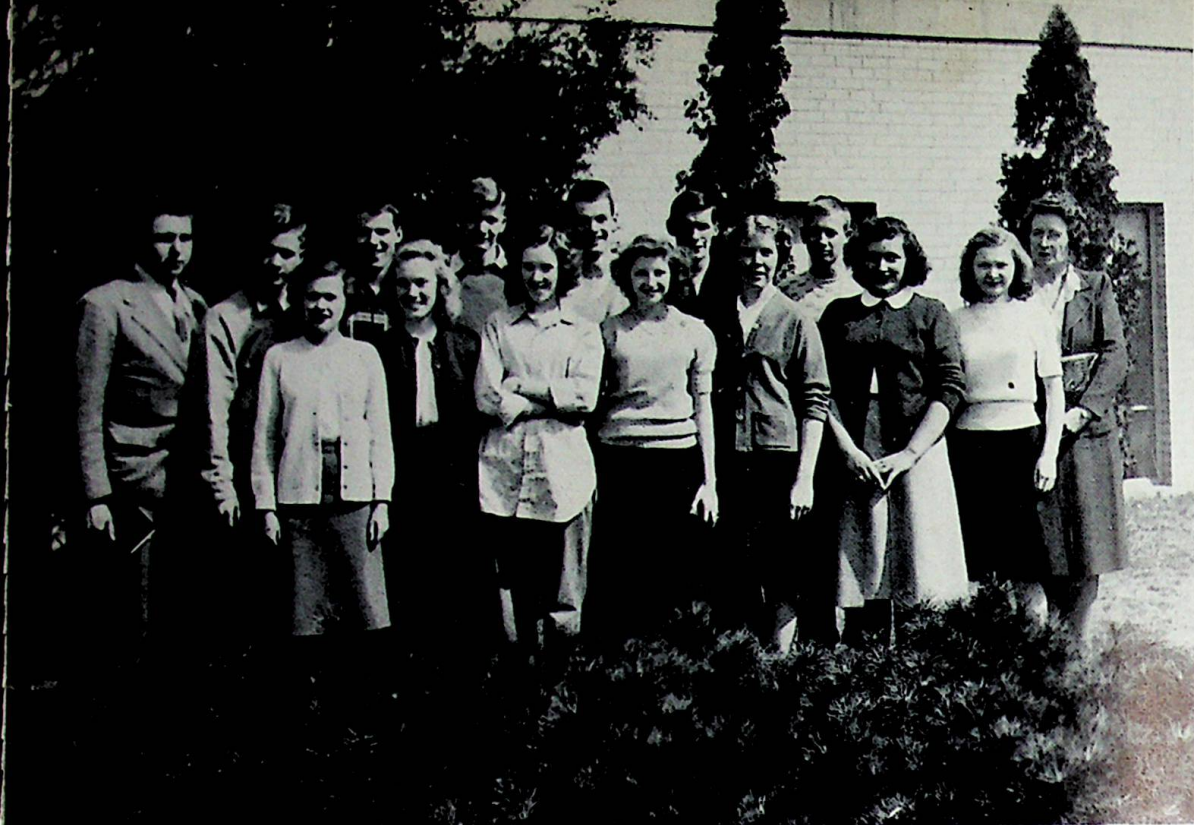

The Student Council is a very important high school organization. It was first formed in 1939 under the supervision of Mr. Duduit. Since then it has made much progress. Its prime purpose is to give the representatives of the classes of the high school a chance to have a voice in school affairs. The group is composed of the officers of the upper four years and the presidents of the seventh and eighth grades. This group helps greatly to promote understanding and co-operation in our school.

FUTURE TEACHERS OF AMERICA

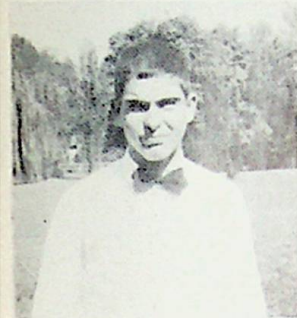

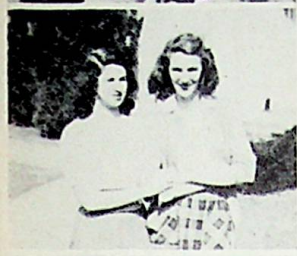

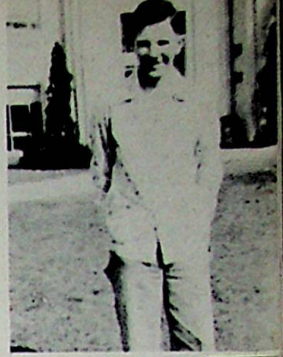

Again Wheelersburg was first—this time being the first school in Scioto County to promote a Future Teachers of America Club. The purpose of the club is to recruit suitable teacher candidates to supply anticipated needs due to an increased post-war birth rate. Another purpose is that teacher candidates may learn, prior to extensive training, some of the traits and abilities which they must possess to become satisfactory teachers.

The original charter members, which were chosen from the students who wrote essays on "Why I Want to Become a Teacher," are—President, Jane McLeod; Vice-President, David McCarty; Secretary, Patty Smith; Treasurer, Royal Fritz. A candlelight service was held to install the charter members and accepted candidates.

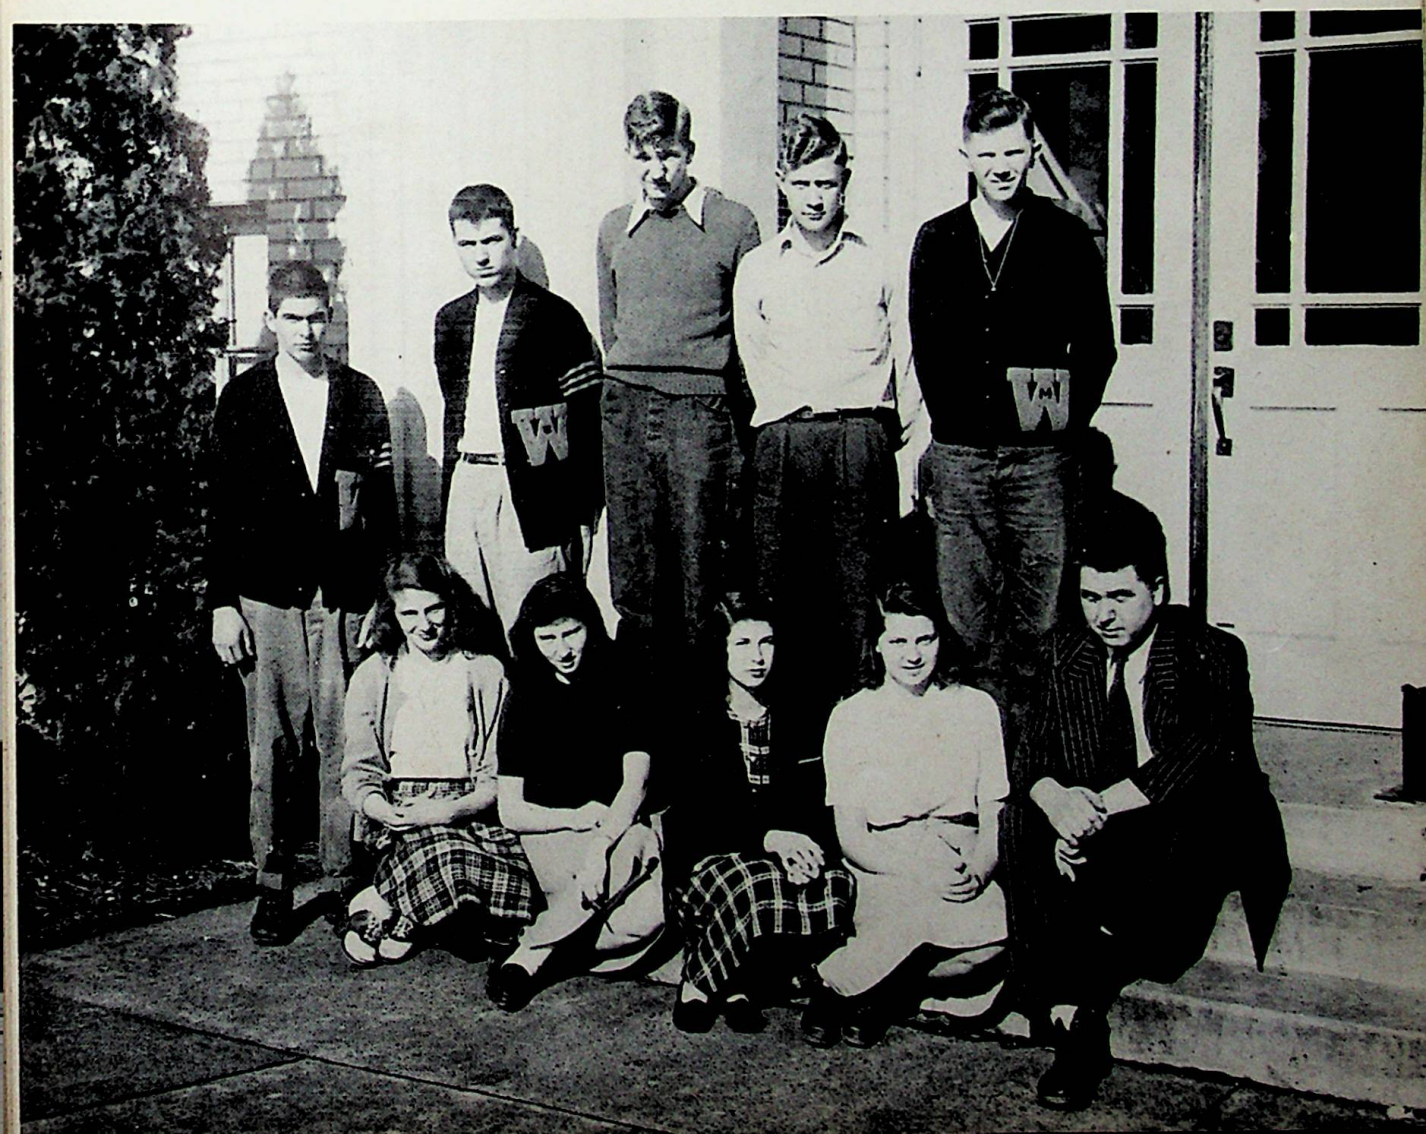

Lectures have been presented by faculty members concerning problems of personality, personal appearance, and professional loyalty. Part of each club meeting consisted of an open forum of the lectures presented.

Future Teachers of America is an activity of the National Education Association established by action of Representative Assembly of the N. E. A. The Ohio State Department of Education wholeheartedly indorses the movement of the F. T. A. Clubs.

Through the combined efforts of Mr. Dudit, our Principal, and Mr. See, the club's adviser, the F. T. A. has progressed greatly this year.

NEWSPAPER STAFF

If it's the latest in school news, the up-to-the-minute in facts about the old classmates, why then it's "Kampus Kapers," the best paper off the press.

The paper this year has really been good. The news has been written into very interesting columns by all members of the Sigma Tau Pi.

So remember, if you want to keep up on all the news, you'll be a regular subscriber to "Kampus Kapers."

SIGMA TAU PI

The Sigma Tau Pi is an invitational organization for Senior girls who have an average of B or above in commercial subjects. So all the girls in the Junior class who wish to belong next year to this club had better bring up their grades.

The club, under the capable direction of Miss Shepherd, has been very active this year in the publication of the school newspaper. The club also sponsored a booth at the carnival and took part in other activities.

Each month the club had a meeting at the home of one of the members. At these meetings the regular business of the club was conducted. A social hour followed the business meetings.

PRINCE OF PEACE DECLAMATION CONTEST

The Prince of Peace Declamation Contest, which is sponsored by the Ohio Council of Churches, was held again this year at the Wheelersburg Methodist Church.

This contest is open to boys and girls of fourteen to eighteen years of age who are not yet in college. Each student chooses a talk from a book of selections.

The first contest took place in the school gymnasium where all but Rosemary Cleary, David McCarty, June O'Brien, Emil McHenry, Ed Orlett and Patricia Fairchild were eliminated. These six participated in a second contest which was held at the Wheelersburg Methodist Church. David McCarty was the winner of this contest and went to Portsmouth to be in the next contest which was held in the Trinity Methodist Church.

AT THE CONTROLS

W. H. S. P.

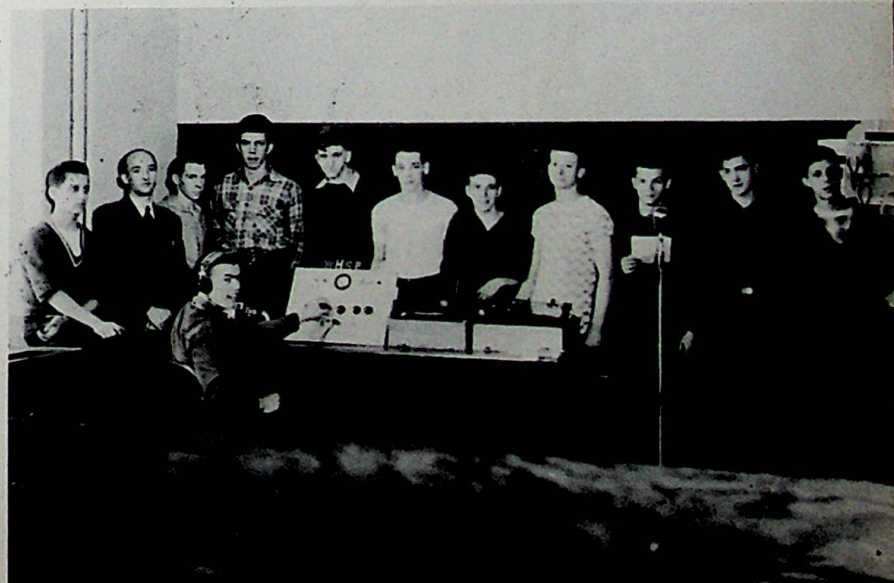

"This is your favorite radio station W H S P broadcasting from our studios, room 24, Wheelerburg High School." Have you heard this announcement? Yes, Wheelerburg High School is on the air! Once again, our school has scored an impressive first. We are the first of Scioto County's schools to build and operate our own radio station. This was accomplished by the radio class under the direction of Mr. McCowen.

The call letters were picked to represent our school and its progress, the letters meaning Wheelerburg High School Progresses.

Even though our power is so low that we do not broadcast outside the high school building, never-the-less we are picked up clearly in every room in the building.

Time on the station during school hours is reserved exclusively for use by the various classes. The operation of the station, as well as the building of it, gives the radio class boys valuable experience in this field.

THE HERODOTARIAN CLUB

A new club has been organized this year under the direction of Miss Mitchell. The purpose of the club is to increase our knowledge in the function of national democracy and to develop understanding with our fellow students. The club is composed of three departments. The executive department is composed of the president, vice-president, secretary and treasurer. The legislative department is composed of six members elected by popular vote. The constitution provides for a judicial department made up of four members. Membership to the club is open to any Junior or Senior enrolled in a social science subject and having at least a "C" average in that subject. All members of the club shall have equal rights and privileges.

G. A. A.

The G. A. A. planned and accomplished many things during the second semester of this year. An Activity Committee was appointed, composed of a Freshman, Sophomore, Junior and Senior, to plan the various activities for the year. A large party for the members, friends and faculty was sponsored by the club.

The G. A. A. girls are eagerly working for points to obtain a "G. A. A." award and a "W" award. Each girl must have 300 points to get a "G. A. A." award and 500 points to get the "W" award. Points may be received by participation in softball, volleyball, basketball, soccer, ping-pong, badminton, hiking, horse-back riding, teas, committees, officers, cheerleaders, and squadleaders. These activities may take place either indoors or outdoors.

This club is fortunate in having Mrs. Kelso for a leader. She has done much to promote friendship and good sportsmanship.

BOOSTER CLUB

In all the great events of history there are many unsung heroes. In all the hard fought battles through which our basketball squad has gone this year, there are also unsung heroes. These, in their own way of boosting and yelling for the team, have helped to bring home the victories. These faithful students who follow the team from game to game are members of the Booster Club. The Club stands, not only for boosting the team, but also for promotion of clean sportsmanship. During this year the Booster Club sponsored several all high school parties. It has taken booster buses to all games away from home. The pep meetings during this year were sponsored by the Booster Club.

The Booster Club was organized several years ago under the capable leadership of Miss Shepherd. The Club has been growing larger ever since it started and is one of the largest and most faithful organizations at W. H. S.

CHEERLEADERS

*"W-W-W-H-S, tis, tis, tis the best
Who, Who, Who are we?
Wheelersburg Cheerleaders — can't you see?"*

The cheerleaders under the sponsorship of Miss Lyda Belle Shepherd, and manager Patty Dold, have given a great deal of encouragement to the team.

The team gets all the credit for winning the games but we all know they could not win without the support of the cheerleaders. The cheerleading squad is composed of one Senior, Patty Smith; two Juniors, Juanita Wright and Joanne Purtee; one Sophomore, Helen Miller, and one Freshman, Audrey Craft. These girls have shown great spirit in backing the team. They have followed them through victory and defeat, never giving up.

Our last home basketball game this year was our Home Coming Game for all the graduates of W. H. S. Patty Dold, a Junior, was selected as Home Coming Queen. The basis of selection was loyalty to the team and school. During the events of the evening Captain Colegrove of the varsity squad led Patty to the center of the floor where she was formally crowned Queen of the 1948 Home Coming Game.

Other events of the evening included a foul shooting contest of the fathers of the varsity leaders. Mr. V. R. Smith, Sid's father, was the winner of the contest.

Mr. E. R. McCowen, County Superintendent of Schools, made moving pictures of all the activities.

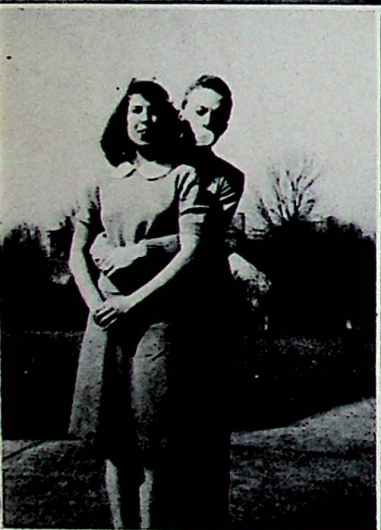

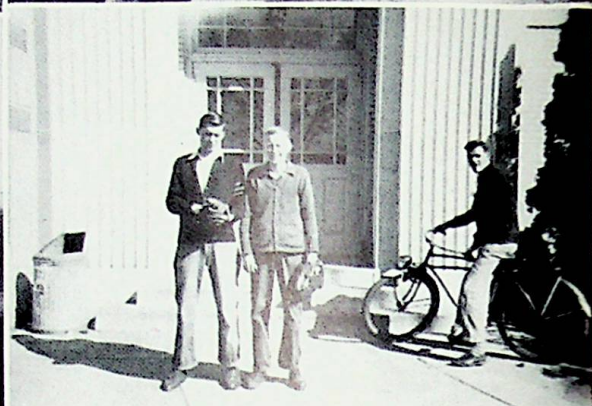

At the conclusion of the game an informal reception was given in honor of the parents of the varsity. Another season of W. H. S. basketball was officially concluded.
