Congratulations Graduates!

The establishment, growth and development of industry in
Lorain County is an example of the results of our American system of
free enterprise.

The expansion of Detroit Steel Corporation, which includes
the construction of a complete new steel mill right at your own doorstep,
is an example of the confidence of one company in the future of our
system of free enterprise.

Your career after graduation will develop in a nation whose
progress is a direct result of its freedoms so that you and the steel
industry will have an opportunity to grow and to develop in a land of opportunity.

Guard your freedoms well and may your future be crowned with
success.
