The Eighth Graders at Portsmouth East Middle School Say "FAREWELL"

"Through the years we've had our ups and downs, our arguments and our confusion, but we've stuck together through it all. We believe that through everything we are still the class of 2001 and we'll always be best friends forever!"

The 1997 Yearbook Staff

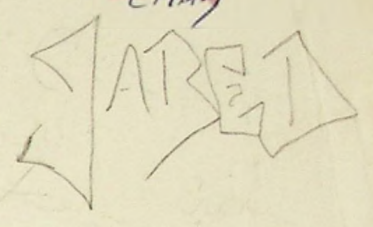

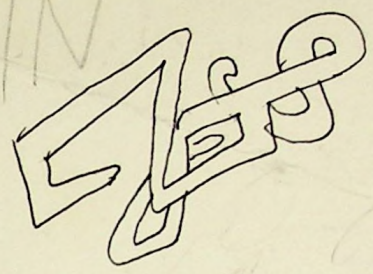

I love you

A week before the " Flood of 1997 ", the yearbook staff dedicated many long hours compiling information for this book for their classmates and the students at Harding. Thank you to them and the staffs at both schools. A special thanks to Amber Remy, Sommer Enz, Sarah Conley, and Kelli Schisler for their extra effort in completing this book. I hope you enjoy this book for many years to come! Dennis DeCamp, Yearbook Advisor
