TRATION

MR. EDWARD R. McCOWEN
County Superintendent

Many Educational Leaders in the State say that the Rural Schools of Scioto County are indeed outstanding. The Rural School Districts, with the excellent cooperation of Mr. McCowen, the parents, and the patrons of the schools, have, at present, one of the finest building programs in the entire state.

Mr. McCowen said in a statement to us, "We will continue in the future to serve our boys and girls in the best manner and continue to improve the Educational Set-Up in all Rural Schools. The best is none too good for our boys and girls".
