A STATEMENT

OF

ADVERTISING PRINCIPLES

1. **Good Advertising** — aims to inform the consumer and help him to buy more intelligently.
2. **Good Advertising** — tells the truth, avoiding misstatement of facts as well as possible deception through implication or omission. It makes no claims which cannot be met in full and without further qualification. It uses only testimonials of competent witnesses.
3. **Good Advertising** — conforms to the generally accepted standards of good taste. It seeks public acceptance on the basis of the merits of the product or service advertised rather than by the disparagement of competing goods. It tries to avoid practices that are offensive or annoying.
4. **Good Advertising** — recognizes both its economic responsibility to help reduce distribution costs and its social responsibility in serving the public interest.

Advertising Federation of America

(Your Directory publishers fully subscribe to the principles set forth in this statement)

THE CITY DIRECTORY

represents the City and its
institutions in every corner
of these United States

**ARE YOU PROPERLY
REPRESENTED IN IT?**

The Classified portion
catalogues the professions
and goods handled here

**ARE YOU LISTED UNDER YOUR PROPER HEADING
SO THE PROSPECTIVE BUYER CAN FIND YOU?**

“Think It Over”

When You Want to Know:

- where a person lives.
- what his occupation is.
- who lives at a certain number on a street.
- where a street is located.
- the correct spelling of a name.
- the officers of a corporation.
- the partners in a firm.
- the solution to any of scores of problems that pop up unexpectedly to annoy and baffle you.
- you can quickly find the answer in the City Directory.**

POLK'S PORTSMOUTH

STREET and AVENUE GUIDE
INCLUDING
TELEPHONE NUMBERS and HOME OWNER SYMBOLS

1964

Including New Boston, North
Moreland and Sciotoville

Copyright, 1964, by R. L. Polk & Co.

IN THE FOLLOWING LIST THE NUMBERED STREETS ARE ARRANGED IN NUMERICAL ORDER FOLLOWED BY THE NAMED STREETS IN ALPHABETICAL ORDER, THE INTERSECTING STREETS BEING SHOWN. THE NUMBER OF EACH BUILDING ON THE STREET IS GIVEN IN NUMERICAL ORDER, AND OPPOSITE THE NUMBER IS PLACED THE NAME OF THE OCCUPANTS OR HOUSEOWNER OR TENANT. IN THE BUSINESS BLOCKS CONTAINING OFFICES THE OCCUPANTS ARE SHOWN BY ROOM NUMBERS WHERE PRACTICABLE, IN APARTMENT HOMES THE NUMBER DENOTES THE NUMBER OF THE APARTMENT. IN ALL STREETS BOTH SIDES OF THE STREET ARE INCLUDED IN ONE LIST. THE PROFESSION OR BUSINESS OF INDIVIDUALS OR FIRMS IS GIVEN ONLY AT THEIR RESPECTIVE PLACE OF BUSINESS; TO FIND OCCUPATION OF OTHERS REFER TO ALPHABETICAL LIST OF NAMES.

FIGURES FOLLOWING NAMES DENOTE NUMBER OF PERSONS LIVING AT THAT NUMBER.

THE SYMBOL © FOLLOWING A HOUSEHOLDER'S NAME INDICATES THAT WE HAVE RECEIVED INFORMATION DURING THE CANVASS THAT THE HOUSE IS OWNED BY SOME MEMBER OF THE FAMILY, BUT AS THE PUBLISHER CANNOT AND DOES NOT GUARANTEE THE CORRECTNESS OF THE INFORMATION FURNISHED, NOR THE COMPLETE ABSENCE OF MISTAKES NO RESPONSIBILITY FOR ERRORS CAN BE OR IS ASSUMED, NOR CAN THE PUBLISHER FURNISH FURTHER INFORMATION THAN THAT SHOWN.

TELEPHONE NUMBERS, AS SUPPLIED TO US ON OUR CANVASS ARE SHOWN OPPOSITE NAMES.

FIGURES IN PARENTHESES DENOTE OLD NUMBERS.

THE NUMERALS THAT APPEAR AT RIGHT EDGE OF COLUMNS, AHEAD OF STREET DESCRIPTIONS AND SOME STREET INTERSECTIONS, ARE MERELY FOR THE GUIDANCE OF THE PUBLISHERS, AND HAVE NO OTHER SIGNIFICANCE.

THIS SECTION INCLUDES SOME LISTINGS READING "NO RETURN," IN EACH CASE THE PUBLISHERS TRIED DILIGENTLY, BY VARIOUS MEANS, TO OBTAIN THE INFORMATION FOR THE OCCUPANTS BUT WERE UNSUCCESSFUL. FIRST; TWO PERSONAL CALLS WERE MADE BY AN ENUMERATOR; NEXT, A DOUBLE POSTAL CARD WAS MAILED AND THE TELEPHONE USED WHEN POSSIBLE.

IN ADDITION to names and addresses, your City Directory contains much detailed information concerning the people of your community. In order to list this information certain symbols and designations have been developed which enable important statistics to be compressed into the smallest possible space. You will receive far greater benefits from your City Directory if you familiarize yourself with the symbols and what they stand for.

In checking credit applications, in conducting direct mail advertising programs, in planning sales campaigns, in building prospect lines, and in scores of other ways your City Directory will prove of invaluable assistance.

CAUTION

Pay no money in advance to itinerant Directory Canvassers. We are led to mention this from the fact that certain parties have been fraudulently using our publications as specimens, and by that means collecting money in advance. Before signing an order, see that it has the name of R. L. Polk & Co. printed thereon. We ask no payment until the work is delivered, and our solicitors have strict orders not to take payment for either advertising or subscriptions.

R. L. Polk & Co.

Take a Look---

MR. MANUFACTURER!

*Here's Why You Should Locate
That New Plant in the Portsmouth, Ohio, Area*

High Class Labor

—and plenty of it.
County population is 95% native white.

When the critic coughs, NEWSPAPER ADVERTISING is exposed to pneumonia

Newspaper advertising is purpose. Newspaper advertising is progress. Newspaper advertising is public. Newspaper advertising is always exposed. Nearly every cough of criticism about advertising spreads because the seed of infection is kept alive by the vitality of the public servant whose life it seeks to squelch.

Why then, hasn't newspaper advertising died?

Because newspaper advertising is healthy. Newspaper advertising is strength. Newspaper advertising swells the biceps of our economy. It helps us maintain a standard of living second to no nation in the world.

Newspaper advertising is the pulse of the business cycle. Newspaper advertising tells you about new products and services and spurs your desire to enjoy them. It stimulates sales. New sales accelerate production. Greater production creates more jobs. Newspaper advertising encourages more people to enjoy more, so that more people may produce more . . . so that everyone may live better for less.

In momentary veins, advertising absorbs costs of newspapers, magazines, literature. It pays for the news you receive through sight.

Without the lifeblood of newspaper advertising, how could we raise funds necessary for charity, research, education?

Yet, because newspaper advertising is public, it is exposed to hypercritical sniping. A cough of criticism about it often spreads to epidemic proportion. Good thing newspaper advertising is healthy. Healthy enough not only to build its own immunity, but to fortify the economy with the nutrients of progress.

What a shame the critic hasn't done something for his cough. And with so many advertised remedies on the market.
