EDWARD O. McCOWEN
Pioneer Educator, Lawmaker and Patriot of Scioto County

Senatorian 2

DEDICATION

We, the students of Washington High School, gratefully dedicate this 1954 edition of our Year Book, the Senatorian, to Mr. Edward O. McCowen, the late Superintendent of Scioto County Schools. This year marks the culmination of the plan which Mr. McCowen initiated in the consolidation of Nile and Washington Township Schools, making it possible for all students to receive twelve years of instruction in modern, well equipped buildings.

He was instrumental in redistricting and consolidating local school districts, thereby improving the facilities and raising the teaching standards in Scioto County. The Normal School which he inaugurated at Wheelersburg prepared many of the teachers who have made up the excellent teaching staffs of the County Schools.

Mr. McCowen was Superintendent of Scioto County Schools from 1914 to 1942, a trustee of Rio Grande College, and at the age of sixty-five when most men retire from business and professional activities, he was elected to serve in the 78th, 79th, and 80th Congresses of the United States.

Mr. McCowen was a man of strong character and great courage. As a lawmaker he cast his vote always for the greatest benefit to our country and to the people he represented. He was a patriotic individual, a man of great mental capacity and unusual ability. In a tribute paid him recently, a member of Congress said, "The life and achievements of Edward O. McCowen are a shining example of the opportunities our Country offers to the young men and women who are willing to work and who have the ambition to secure an education and better their position in life."

GROWTH AND DEVELOPMENT OF THE SCHOOLS IN WASHINGTON LOCAL DISTRICT

The present school year (1953-1954) marks the first time in the history of Washington District that all the students of Nile and Washington Townships are attending modern consolidated school buildings of brick construction containing adequate equipment and excellent facilities. With the completion of additions to Friendship, Dry Run and Washington Schools, the "one room schools" are now but a memory.

The oldest "school house" in Washington Township of which we have any record was at Friendship. This building was torn down and moved across the Old State Road and made into a residence (1878). A new one room school was then erected across Turkey Creek. Rabbit Run Building was sold in 1894 and another room was added to Friendship. Among the very early teachers in the township we find such names as William Jones, Captain Samuel Green, Andrew McClaren, Samuel Williamson, Traverse Reed, Joshua Nurse and Abraham Barnes.

Under the guidance and leadership of the late County Superintendent, Edward O. McCowen, consolidation of schools in the district began in December, 1923. Buildings at that time included Odle Creek (1885), Upper Turkey Creek (1884), Middle Turkey Creek (1899), Pond Run (1885), Leatherwood (1879), Dry Run (1839), Hygean Run (1869), Lower Carey's Run (1834), Sugar

Grove (1854), and Upper Carey's Run (1839). Throughout the years which have intervened, the many problems of redistricting, organization and consolidation of our schools in Nile and Washington Townships have been solved by County and Local Boards of Education with the support of the vote of the people.

In 1914 there were only seventy high school graduates in Scioto County; in 1953 there were four-hundred and thirty-four, eighty-one of which were from Washington Local District. In 1914 Washington Township had only seven frame school buildings and no high school; in 1954 it is possible for all boys and girls of Nile and Washington Townships to obtain twelve years of instruction in modern, well-built and well-equipped brick buildings including Washington High School, Class A.

Well-deserved appreciation goes to Mr. Edward Warren and Mr. James W. Thatcher (shown below) who have so graciously given of their time and memories to bring us the foregoing facts relating to the development of the schools in Washington Local District. These men taught in this school system for almost one-half century and are living witnesses to the transition from the one room "school house" to the modern structures of 1954.

FRANK B ROLF PRINCIPAL SUPERVISING

Mr. Frank B. Rolf, supervising principal of Washington Township schools, is completing his fourteenth year as principal of Washington High School. He previously served as grade school principal at Wheelersburg, Glendale, and Friendship schools.

He received his B.S. degree from Ohio University and has furthered his studies at Ohio Northern University.

Mr. Rolf has been untiring in his efforts to expand and improve our school. The fine new addition, as well as many other improvements, are lasting testimony of his devotion to Washington High School.

As a student body, we wish to extend our appreciation for the co-operation and guidance he has given us during our high school careers.

EDWARD R. McCOWEN
COUNTY SUPERINTENDENT

Superintendent McCowen received his B.S. degree in Education from Ohio University, the Master's degree from Northwestern University and has attended both Otterbein College and Harvard University.

Mr. McCowen said in a statement to us, "The rural schools of Scioto County are hard pressed to meet the demands brought about by a great increase of enrollment. We are meeting this challenge by advanced school construction planning and where possible by adding new teachers. This situation will remain for some time to come, but we will meet this challenge and continue to keep our Rural Schools at the TOP not only in building facilities but in curriculum planning and continued excellent faculties.

WASHINGTON LOCAL SCHOOL BOARD

The Annual Staff and student body wish to express their appreciation to the Washington Local School Board for its efforts in securing funds from the state, and to the voters of Washington Township for their kind reception of the bond issues which have provided the excellent facilities we now possess.

Through their efforts, all students are now housed in a fire-proof building containing an auditorium and a cafeteria which are equipped with all modern conveniences. For the first time in the history of this school district, each student now has an equal opportunity to make use of this modern building and its equipment.

Seated: Mr. Charles Prince, President; Mrs. Bessie Green, Clerk; Mrs. Margaret Parry. Standing: Mr. Farrell Vaughters, Mr. Elza Calendar, Mr. Lowell Strickland, Vice-President.

MRS. RUTH NOLDER
 Secretary to Mr. Rolf

BAND ON PARADE

Opposition finished! When players unassemble, Washington lead the ball

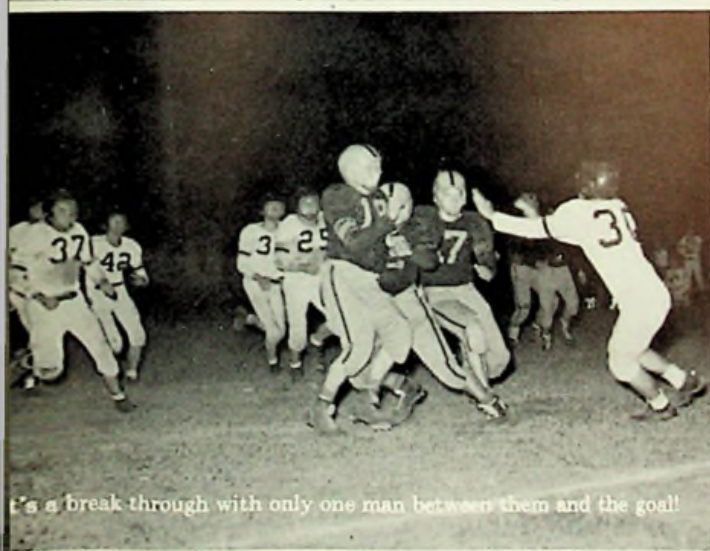

Harmer off on an end sweep!

Five yards from the goal line, and we have a ball!

Another opponent bites the dust!

It's a break through with only one man between them and the goal!

Jones throws a keyblock on the play!

Is it a first down? We just look on and hope!

A touch down, despite the stiff resistance of the foe!

WEST OPENS SEASON WITH 26-0 TRIUMPH OVER AN OUTCLASSED CINCINNATI DEER PARK ELEVEN

The West Hi Senators opened their 1953 season with a decisive 26-0 win over Deer Park of Cincinnati.

Performing on a rain-soaked gridiron at West Portsmouth, the Senators built up a 19-0 halftime lead, adding a final tally in the last quarter.

Dick Mowery, an all SOC halfback last season, paced the winners with two touchdowns, one coming on a 55 yard jaunt. Ken Hamer passed to end Charles Dickson for a tally and Herb Gardner added a TD on a 50 yard gallop in the fourth quarter.

PORTSMOUTH WEST TROUNCES

NOTRE DAME 35-6 FOR FIRST SOC WIN

West roared to its first SOC win over an outmanned Notre Dame eleven 35-6 on the West Side gridiron.

Dick Mowery was the big gun in the Senator attack, Mowery intercepted a Notre Dame pass, ran 85 yards for a TD, circled end for 30 yards and another TD and passed to Ron Damron for another tally. Hamer scored a touchdown on a plunge and Farley scored on a 50 yard run. Notre Dame's TD came late in the fourth quarter.

WEST LOSES AT XENIA 19-12

Portsmouth West traveled to Xenia, but came out loser in a hard-fought 19-12 decision.

Xenia, always a Central Ohio powerhouse, had too much for the Senators. Operating from a split-T formation, they built up a 19-0 lead going into the fourth quarter, but there the Senators tallied twice and were going strong when time ran out.

Dick Mowery raced 35 yards for a TD and Ken Hamer added the other TD on a 5 yard plunge.

WAVERLY NIPS WEST IN SOC THRILLER 7-6

Waverly High scored a first quarter touchdown, added the extra point on a pass then held on to edge West 7-6 on the West Portsmouth field in an SOC contest.

This loss evened the Senators' record at 2-2 and they were out of the SOC lead.

West's lone tally came in the second quarter when Bob Swords circled end for a 30 yard scoring play after Tom Payne had intercepted a Waverly pass. The try for the extra point failed and as it turned out that was the ball game.

WEST ROMPS AT OAK HILL 38-0

West High School snapped a two game losing streak by steamrolling to a 38-0 win over an outclassed Oak Hill eleven at Oak Hill.

Ken Hamer and Herb Gardner scored two touchdowns each in the first quarter and then added two more touchdowns in each the third and fourth periods to rack up their third victory of the year. Bill Sparks and Dick Mowery tallied once each also.

West's defensive platoon never let Oak Hill get inside the Senator 20 yard line.

SPARKS' BOOT GIVES SENATORS SOC TRIUMPH OVER WHEELERSBURG 7-6

West High School took an early lead and then held on to nip Wheelersburg 7-6 in a Homecoming game.

Ken Hamer smashed across from the Wheelersburg 3 yard line early in the second quarter to put West in front in the SOC battle. Bill Sparks kicked the extra point as the two rivals battled on even terms the rest of the game.

Wheelersburg scored their TD after recovering a Senator fumble behind West's goal line.

WEST UPSETS FAVORED NEW BOSTON 18-7 IN SOC CONTEST

West High School dumped the slightly-favored New Boston Tigers, 18-7, on the West gridiron before some 1200 nearly frozen fans.

The Senators scored two touchdowns in the first period and once in the second stanza in registering their fifth win of the 1953 football campaign. The Tigers scored their TD in the second quarter.

This was the fifth year in a row that West has bowled over the Glenwood Tigers. Not since '48 has a Tiger eleven won a game from a Harold (Monk) Everling coached Senator eleven.

Dick Mowery scored all three Senator tallies on runs of 85, 4, and 72 yards.

The Senator forward wall paced by Bill Sparks, Ron and Tom Payne, Ernest Kennard, and Walt Jarrells kept the Tiger offense bottled up all night.

EAST AND WEST BATTLES TO A 6-6 TIE

Portsmouth East snapped Portsmouth West's string of SOC championships at three straight and clinched the championship as they fought the Senators to a 6-6 standoff at Allard Park.

The tie, coming before a chilled crowd, gave East a 5-0-1 league record and the SOC title. West, which hasn't lost to an East team in the past four years, has a 3-1-1 SOC mark and is assured of the runnerup position.

Both teams scored in the third quarter. Herb Gardner sprinted 63 yards for West tally three plays deep in the second half. East got the tally right back on a sustained drive.

The West linemen stopped the vaunted East running attack and limited the Tartans to a 106 yards gained.

WEST ENDS SEASON WITH 26-13 VICTORY OVER WURLAND

West High School packed all its scoring in the first half and coasted to an easy 26-13 victory over an outclassed Wurtland, Ky. eleven.

Dick Mowery scored a TD in the opening stanza when he rambled 35 yards to pay dirt. Ken Hamer raced 50 yards for a tally and Herb Gardner galloped 45 yards for a score in the first quarter. Tom Tipton went over from 6 yards out in the second quarter to complete the West scoring.

The win enabled West to finish the season with a 6-2-1 record — another fine season under Coach Monk Everling.
