## That's What Friends Are For

I never thought I'd feel this way  
and as far as I can say,  
I'm glad I got the chance to say  
that I do believe I love you.

And if I should ever go away  
well then close your eyes and try  
to feel the way we feel today.  
And if you can remember . . .

Keep smilin', keep shinin'  
Knowing you can always count on me, for  
sure  
That's what friends are for

For good times and bad times,  
I'll be on your side for ever more.  
That's what friends are for.

Well you came and opened me and  
there's so much more I see.  
And so by the way I thank you.

And for times when we're apart  
Well then close your eyes and know  
the words are coming from my heart.

And if you can remember . . .

— Burt Bacharach and Carol Bayer Sager

# SENIORS

The senior class left the high school on the morning of October 10 for Columbus with Mr. Robinson, the government teacher. Upon arriving we toured the State House, stopping in both the House and Senate chambers, and the rotunda. After talking with Mary Ellen Withrow, our state treasurer, we went to the 40th floor of the State Office Building to get a bird's eye view of our capital city.

We had lunch at McDonald's and got to see an impromptu television taping of a Columbus bank. On our way back to take a few pictures and meet the bus, we stopped to buy a red carnation from a street vendor to remember our trip — as if we needed it!

# EDITORS KRISTI AND ANDREA

It all began in the fall of 1981. Andrea and Kristi were the newest additions to the yearbook world.

After spending their share of time on jr. high pages and candid, the girls were named co-assistant editors during their sophomore year. They attended a workshop that summer to learn new techniques. It proved to be very valuable to their yearbook careers as they came away with top honors.

Andrea and Kristi were the first co-editors of the *Tiger* in over five years, and two of the very few to be the chief twice.

They have been a terrific team since those first years. Always working well together and turning out their best work with the others help and support. Of course, it didn't hurt that they were best friends.

The seniors want to wish the best of luck to all the young "yearbookies". You will do it without us.

Just starting out ... "Rookies" spring 1982.

Kristi puts the finishing touches on her last *Tiger*.

After all this time, Andrea can still find something to smile about.

**Office Staff helps out.**

Mrs. Bender received valuable help this year in the principal's office.

The students learned how to use the copy machine and file student records. They also had several opportunities to practice their telephone voices.

**Students give the gift of life.**

The students at Glenwood were consistant supporters of the Tri-County Chapter of the American Red Cross. Our blood donors were recipients of 2 awards for the most participation based on the percentage of the student body that donated blood. Congratulations!

Jim, Kristi, and Joey show off their band-aids.

Teresa enjoys a snack to help rebuild her energy.

### F.H.A. gets started at G.H.S.

The Home Economics students completed the first steps to becoming affiliated with the state division of Future Homemakers of America this year.

They hope to build a successful organization here at Glenwood.

### Media Staff keeps library running smoothly.

Miss Curry was assisted this year by 12 students. She found their help to be indispensable as 5 of the Seniors each have 4 years experience with the equipment.

Marci volunteers at the hospital for F.H.A.

F.H.A. puts on a Christmas program.

F Bowling receives his certificate from our sponsor, Mrs. Cablish.

Sherry, Missy, and Jodi make spider webs for the Halloween Dance.

The Student Council works very hard all through the school year. We sponsor the BACK-TO-SCHOOL dance and the HALLOWEEN dance to raise money.

Our big event is the annual basketball homecoming. This year was another success.

Under the direction of Mrs. Cablish, we participated in the Save-a-Sweetheart non-smoking campaign. The American Red Cross awarded us with a plaque for largest percentage of participation in the county.

Everyone helps with taping up decorations.

# BUSINESS CLUB

In its first year as an organized group, the G.H.S. Business Club gained 25 members. Highlights of the year's activities included a tour of the Nationwide Insurance Company in Columbus by the entire club and an outing to Bank One by the Senior members.

The Quiz Bowl Team is an organization that competes with the other county schools in academic contests. Members are chosen on the basis of scholarship and specific knowledge of special areas. This year's team, under the sponsorship of Mrs. Smittle, compiled an excellent 7-2 record. The team consisted of 22 members, 7 of which were Seniors.

# TIGER PEP CLUB

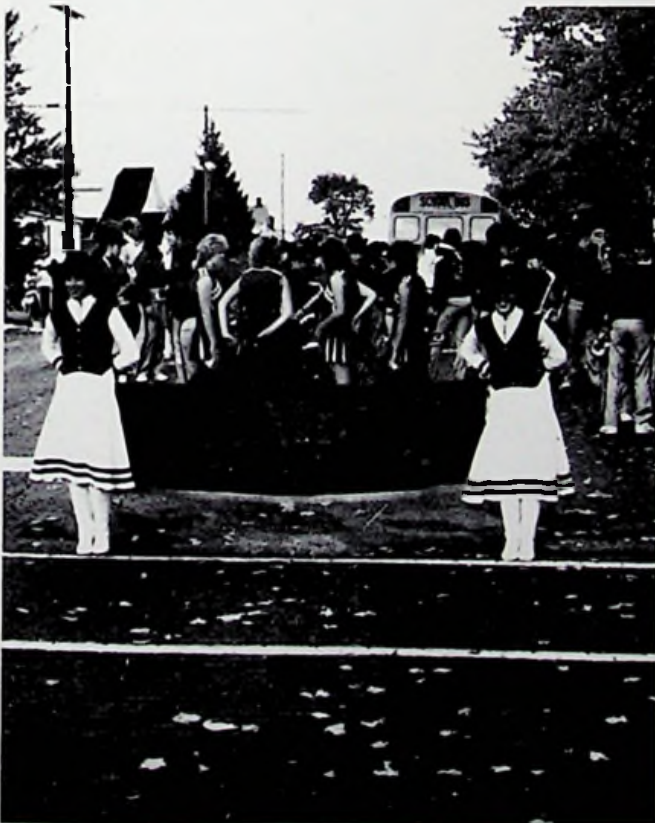

The band was very busy this past year, from band camp last summer to parades, and playing at concerts, games, and competitions. It wasn't all work and no play. Just lately, we spent the weekend in Cincinnati. While there we went to King's Island and a Cincinnati Reds baseball game. There's a lot more work in the future but all the time, effort, and determination will pay off as the band increases its accomplishments in the future.

**BAND OFFICERS:** Angel Hale, rep.; Laura Killian, rep.; Dorlese Dicks, rep.; Becky Clark, treasurer; Karen Bentley, rep.; Missy Newman, rep.; Traci Parlin, president; Regina Holbrook, vice-president; Bobbi Crabtree, secretary; and Debbie Reed, rep.

This year, for the first time, the band took an overnight trip. The band participated in the Musical Carousel competition held at Waynesville High School north of Cincinnati. At the competition the band received a rating of excellent.

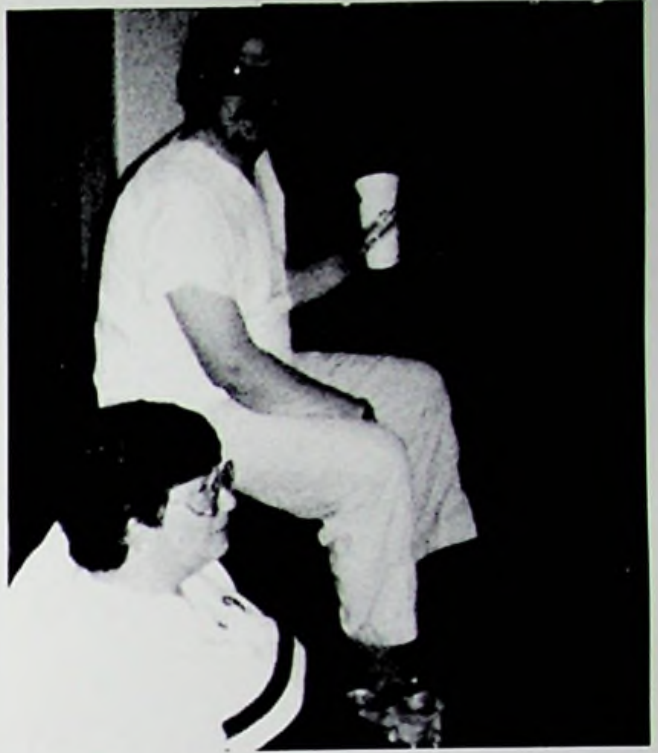

Following the competition we left for King's Island. As we boarded, we thought we would be in for a miserable afternoon. It was raining! However, in spite of the rain we thoroughly enjoyed ourselves.

Exhausted (and soaked) we boarded the bus around 9:00 p.m. for the trip to the hotel. After a couple of hours of visiting, card games and endless telephone calls, we all crashed until 8 the next morning.

The morning found it raining again, but we bravely set forth for River Front Stadium for the Reds game with the Astros. Luckily the rain stopped and we got to watch the entire game.

We arrived back in New Boston late Sunday evening and tiredly made our way home to rest up for school on Monday. We are eagerly awaiting next year's trip.

*Magic Is The Night*

Smile for the camera!

The Junior Class, along with Ms. Harness's help worked very hard to sponsor the prom this year. The Elk's Country Club was transformed into an elegant ball room with one hard day of work and many months of preparation.

The class selected pink and pale blue as their class colors, and the pink rose as their flower. Pink was carried throughout the prom theme.

Upon entering the Country Club, the couples were presented with arm bands and garters. Couples

danced around a pink carousel to the music of Phil Malone. Table settings included memory books and pink carnations. As the prom concluded at 10:00 p.m., many seniors could be seen plucking their class flower, the pink carnation from each table arrangement.

The juniors and seniors hurried home to change and try their hand at bowling. The Sunset Lanes after-prom concluded at 1:00 a.m.

Thank you, juniors for a magical night.

Marci and Charlie dance away the evening.

Those returning players moving along with Reserve players moving up to the Varsity should provide us with some exciting action next season.

# 1986 VARSITY CHEERLEADERS

Hard work began in the spring of 1985 for the cheerleaders. They attended a camp at Marshall University in mid-July and won ribbons for spirit and execution of cheers. The girls did a fine job representing our school and supporting Missy in the River Days parade. The cheerleaders also participated in competition at Rio Grande College. They showed lots of pride, pep, and personality throughout the school year.

### School Song

Scarlet stands for bravery.  
Grey stands for might.  
For Alma Mater dear,  
go right in and fight.  
Rah! Rah! Rah!

Ever we will play the game.  
Win the victory,  
and in our hearts we'll gain,  
strength and poise from thee.

Let us be ever true to Glenwood dear.  
Let scarlet and the grey,  
fill our hearts with cheer.  
Rah! Rah! Rah!

Though distance we will roam.  
Thoughts will linger still,  
of school days spent within,  
Glenwood by the hill.

The Junior High Boys finished their season with a 13-1 record. With a lot of practice and hard work they came out on top by becoming the Scioto County Champions for the first time since 1973. We are very proud of their accomplishments and are eagerly awaiting the years to come.

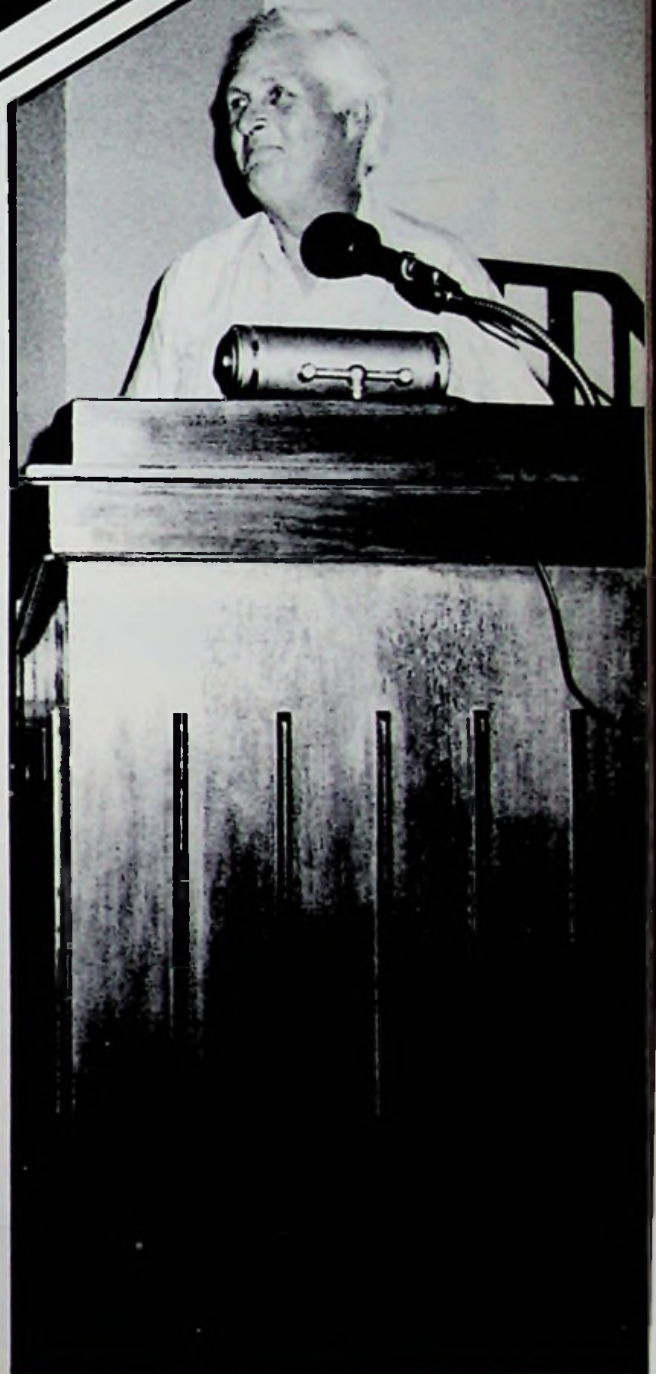

Participants in this year's spelling bee were Kelly Sorrell, Missy Newman, Steve Carter, David Montgomery, Angel Hale, Lynda Roberts, Paul Foit, and Annette Lewis. Missy Newman came in first with Paul Foit the runner-up. Missy then represented Glenwood High in the county-wide spelling bee.
