

# SCHOOL MEMORIES

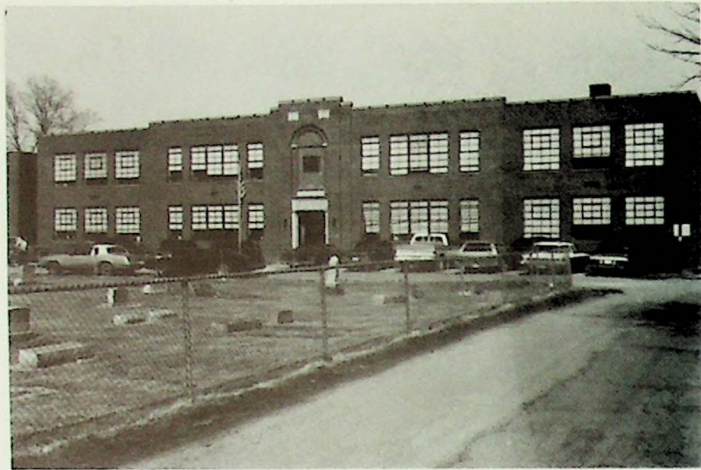

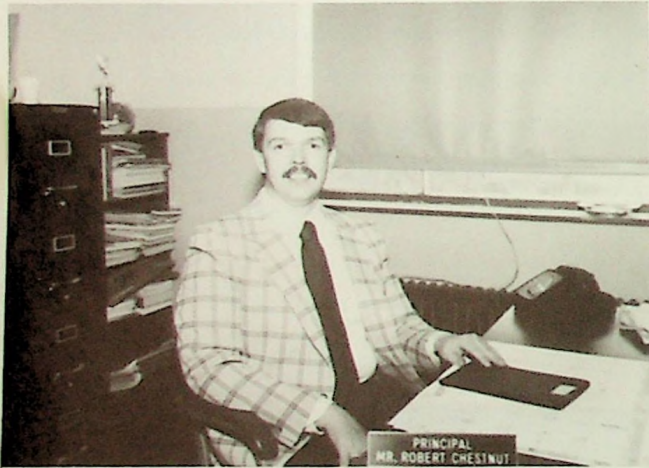

Harry (Jack) Boss has been an employee of the Valley Local School District for more than 30 years service. He has served in each building in the school district. At the present time, he is serving as fireman-custodian at Valley Elementary. Jack is an inspiration to faculty and students alike. His dedicated service in keeping the building warm and in good repair is a difficult job. We salute Jack and dedicate this year's annual to him. His expertise in tapping sugar maple trees has made our maple syrup collection a big success.
