Looking back over the past school year, we can see the accomplishments we have made both as a school and as individuals. With over 600 students and a 28-member faculty, Wheelersburg High School has become one of the largest schools in southern Ohio. With the new football stadium as the center of attention, school spirit reached an all-time high in enthusiasm. Having a capacity of approximately 1,700, the stadium also houses player dressing rooms and a refreshment stand.

Parade which added to the long list of achievements made at WHS. The casual look dominated the student body's fashions as the guys' hair grew longer and the girls wore blue jeans. Several traveling groups like "Life" and the "Life Action Singers" visited us, giving a welcome break from the everyday routine. All the happenings of this year will soon be fading memories, but this book will help us all look back and see . . .

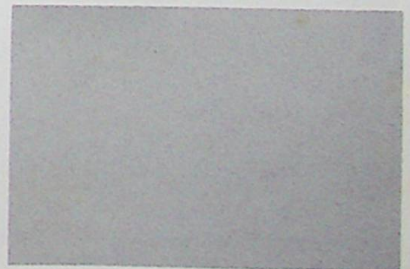

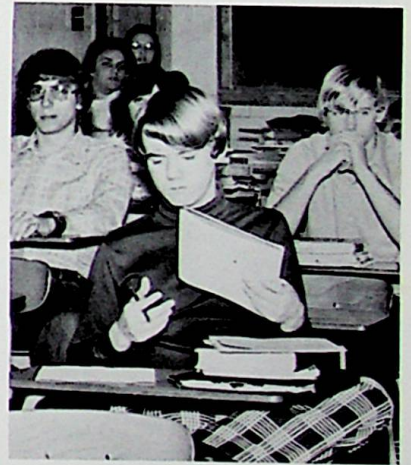

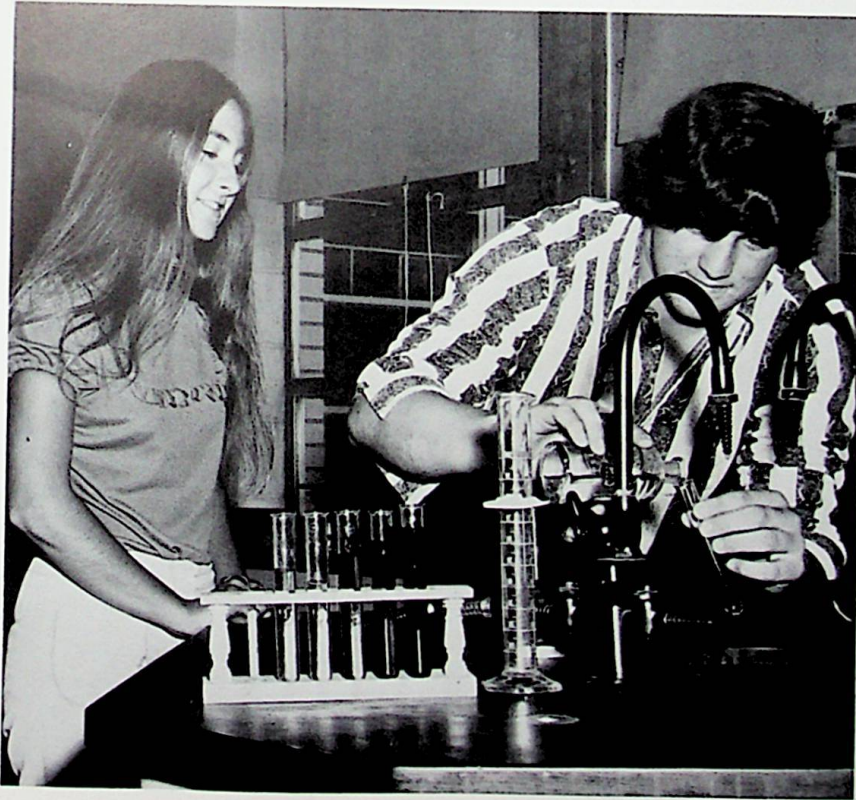

# Learning Is Only One Side Of WHS . . .

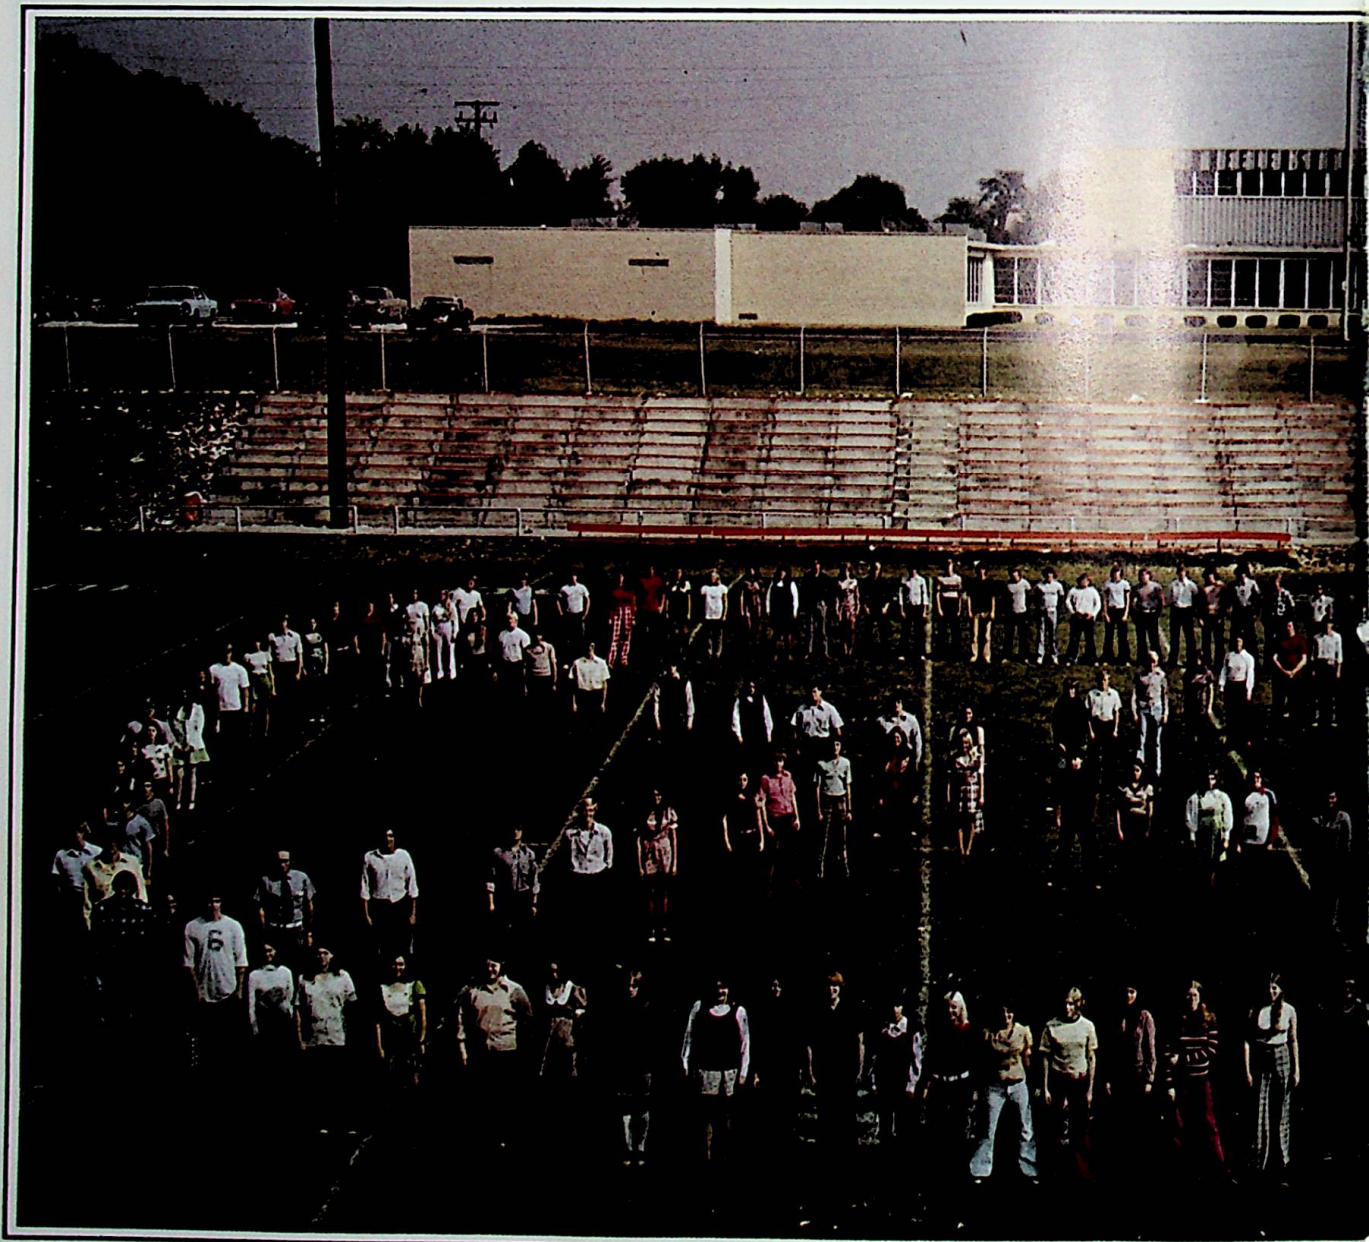

When the morning tardy bell rings, everyone at WHS settles down for the beginning of another day of learning. As the halls become quiet, typewriters begin clicking, power tools start buzzing and teachers start lecturing. During the day, sounds of music pour from the band room and hot chemicals gurgle in the science room. During the breaks between classes, everyone breathes a sigh of relief knowing that seventh period is getting closer. When the final bell does ring at the end of the day, everyone can say, "I learned something today."

# The Senior Class Of 1974

As members of the Senior Class of Wheelersburg High School, we must say good-bye to school days and board the wheel of fortune to our future lives. We will be scattered throughout all walks of life, possibly never to see one another again, but we can always think back from our new lives to our fond memories of Wheelersburg. Though we were seniors one year, we are friends forever - the Class of 1974!

*Class Flower: White Rose*

*Class Motto: 'To Be Oneself  
Is The Hardest Battle That  
A Man Can Fight.'*

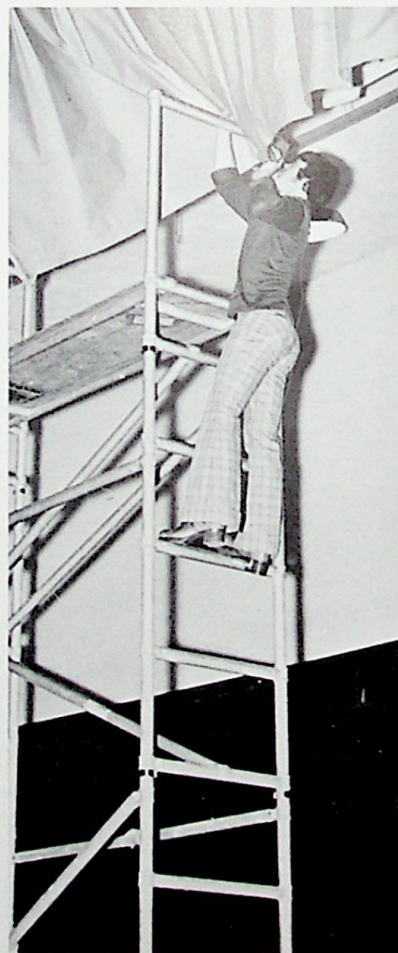

*Class Colors: Lilac And Silver*

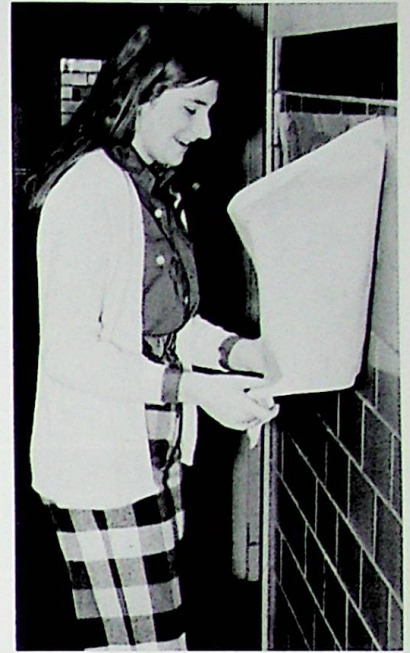

# The Other Side Is Fun!

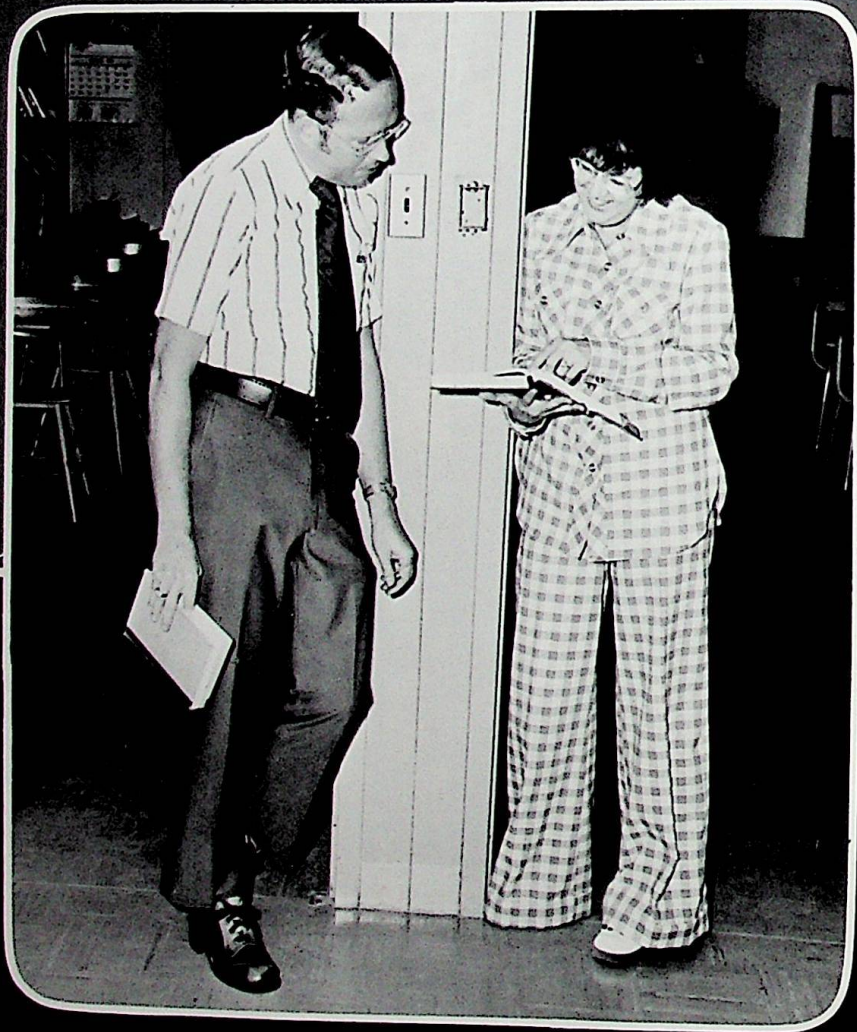

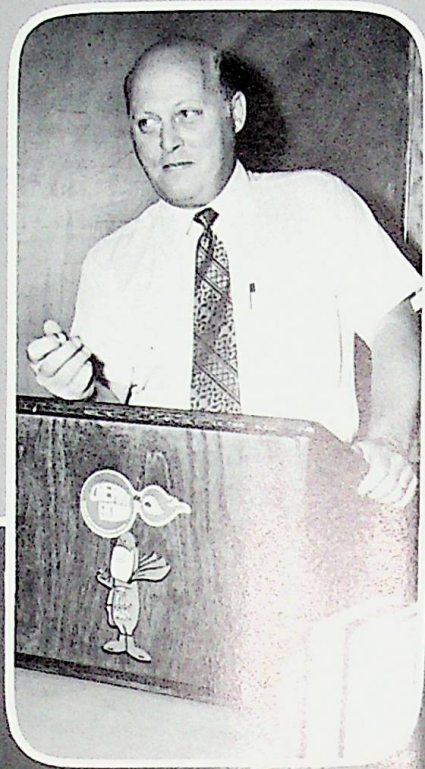

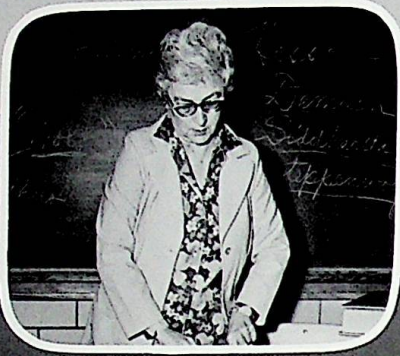

After school hours, WHS students are always busy with some activity: sporting events, social events, and organizational activities. The spirit shown by the students when it is time for making homecoming decorations, hanging signs for the team, or practicing for the big parade make it clearly evident that Wheelersburg is loaded with fun for those who participate. Wheelersburg spirit is alive and will live as long as student involvement continues.

COUNTY SUPERINTENDENT: Dale Gillette

## Supervisors

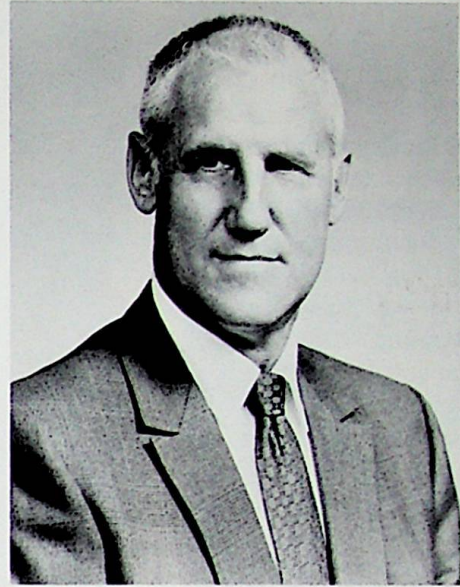

The county superintendent, board of education, local superintendent, and principals are continually working for the betterment of the Wheelersburg School District. They have reconditioned former elementary classrooms so they might accomplish their tasks more efficiently. One of the new ideas being initiated by our "Supervisors" has been the conversion to the level system of grading which equalizes all classes in academic standing.

Can't you see I'm busy?

## Faculty Learns To Change Classes Too

With 28 faculty members and only 23 classrooms, several of our instructors teach out of brief cases. Eleven of these instructors are in their first year at W.H.S. and have brought many new concepts in teaching with them. In addition to new faces, there are new classes like Study of the Constitution and Sports Literature Which offer new challenges to the students, as well as pleasure. This is a faculty that does not wish for yesterday once more; they are looking ahead and planning for a well-rounded education for the students of the Wheelersburg School District.

The National Honor Society is an organization of students who show excellence in character, scholarship, leadership, and service. This year, the thirteen two-year members inducted three seniors and nine juniors at the annual ceremony in March.

The group, under the direction of Mrs. Sylvia, helped the campaign for the Happy Hearts Levy and Mr. Coriell with his annual Junior College Night. They also donated to an orphanage, sold candy bars, and ended the year with a picnic at Greenup Dam.

## Always Improving WHS Library

The Library Club, with its advisor Mrs. Moyer, works to help students find needed materials in their classroom work. They assist Mrs. Moyer in the maintenance of the library and must learn library procedures since this club is really a class, and the members are tested on occasion to make sure they are properly trained. However, this club is not only concerned with work; they enjoyed an annual Christmas party.

Buckley, Buchwald, or Burnett?

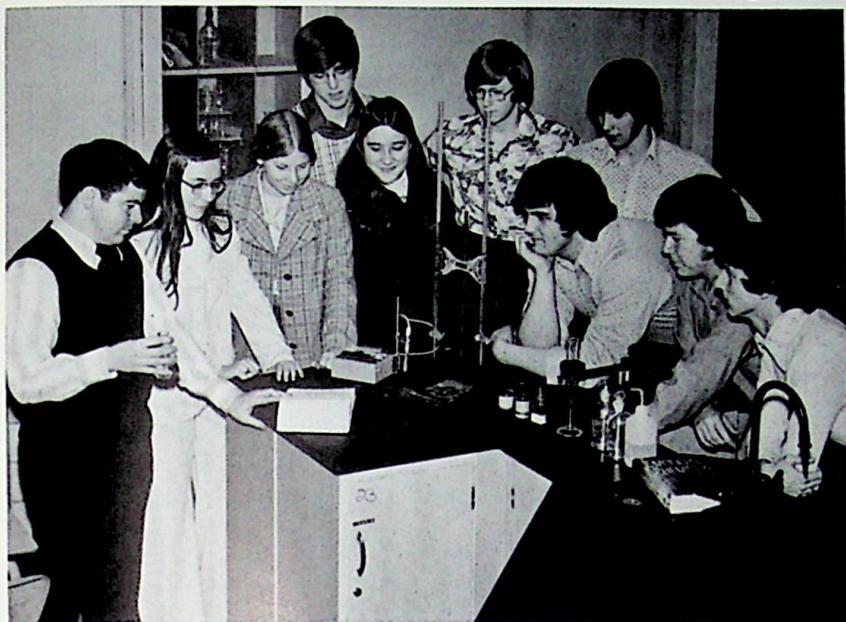

The PIRATE PRESS rolled off the presses again this year to keep the student body informed on all school activities. The paper was headed by Mrs. Burnett who kept the staff of juniors and seniors on their toes. The paper included reports on student activities, gossip and much pleasurable reading. During the second semester, PIRATE PRESS headquarters were moved to the former storage room by Room 116. The paper was a big success, and with the new facilities, it should be better than ever next year.

# Science Club Is More Than Just A Science Fair

Don't breathe anyone.

The science club reorganized this year. Under direction of Mr. Keller, the new chemistry and physics teacher, the club approved a new constitution and set out for a year of learning. Usually, the science club is mainly concerned with sponsoring the annual high school science fair, but this year the goal was changed to learning more of the world around us. Guest speakers from the F.B.I. and area industry representatives added interest to our meetings.

## Student Council, Back In Action

The Student Council of 1973-74 elected the following officers:

President: Mark Noble

V. President: Karen Miller

Secretary: Teri Mootz

Treasurer: Cindy Miller

After lying idle for a year, the Student Council became active once again this year. Although they changed nothing at the high school, they worked for two area charitable organizations. In November, they worked with the National Honor Society passing leaflets for the Happy Hearts Issue and helped the Ohio University Portsmouth Student Senate with the "Shamrocks For Dystrophy" campaign in March.

Der Fuhrer

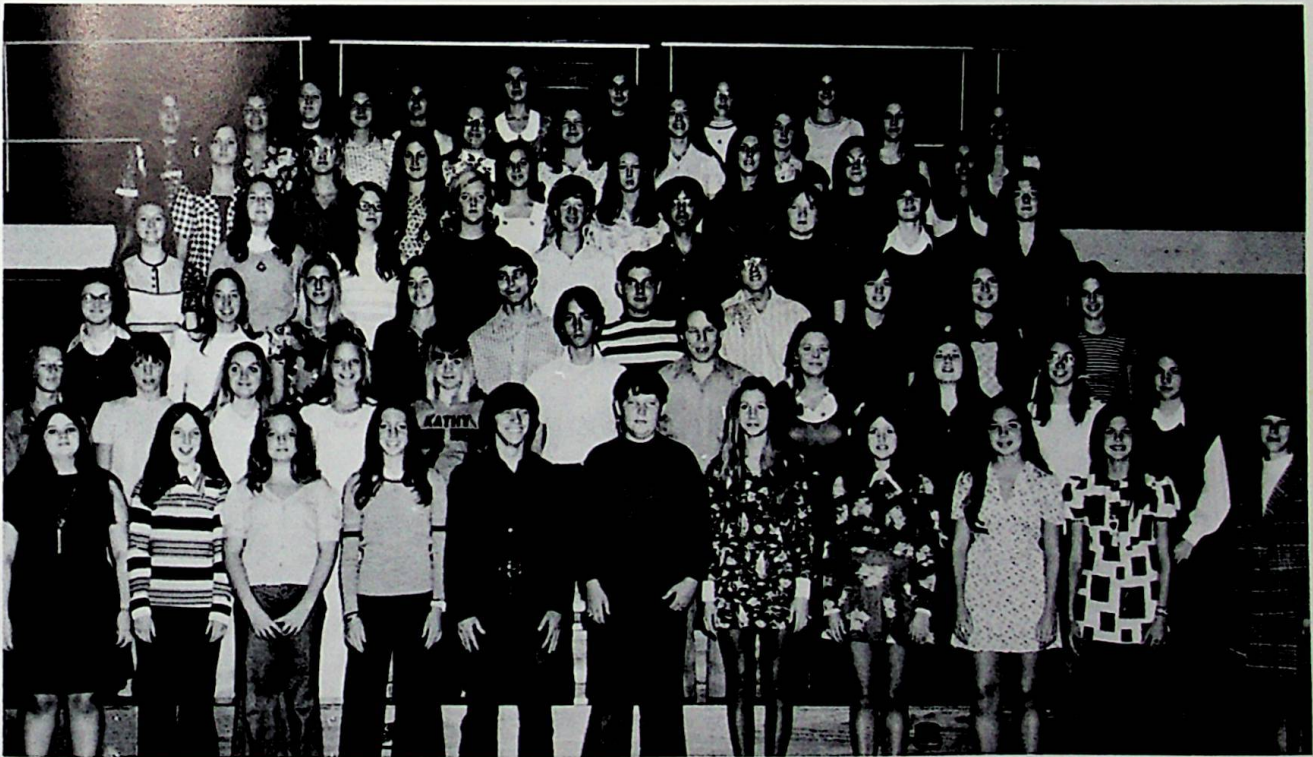

The mixed chorus was on top of the world this year with their new director, Mrs. Climer. Many new songs brought the chorus into perfect harmony as they performed in several concerts throughout the year. They performed on WPAY-Radio at Christmas and with the band in seasonal concerts.

## Schrader's Demonstrators

Students in the audio visual aid department devote free study time to assist faculty members in the classroom. Under the supervision of Mr. Schrader, the students show films and slides and play tapes and records to help the instructors illustrate difficult material. This staff is an invaluable help to the faculty and helps provide variety in classroom work.

# Pirates Kickoff Biggest Winning Season Ever!!

Our football team scored a banner year in 1973. The Pirates, under the direction of second-year coach Ed Miller, won the S.O.C. Championship with a perfect 7-0 league slate and an overall mark of 10-0. The great season was highlighted by big victories over Notre Dame and Portsmouth and two "firsts": Wheelersburg finished 7th in the state in the Class AA rankings and 5th in Region 7 of the computer ratings. As a team, the Burg led all area teams in scoring offense and in total defense. Many long, hard hours of practice truly paid off for the team with a well-deserved S.O.C. Championship.

# Three Place In Top 12 In Sectional Tournament

Our Cross-Country Team, under the coaching of Mr. Hughes, turned in a fine season. As a team, they finished 4th in the Rock Hill Invitational, 5th in the Rio Grande Invitational, and 5th in the Sectional Tournament. Randy Tilley led the group with two first-place and four second-place finishes. Tilley, Jeff Fitch, and Dave Parlin all finished in the top 12 in the Sectional Tournament. Hats off to a group of boys who worked long and hard to bring home a good record.

# Ohio Conference Action

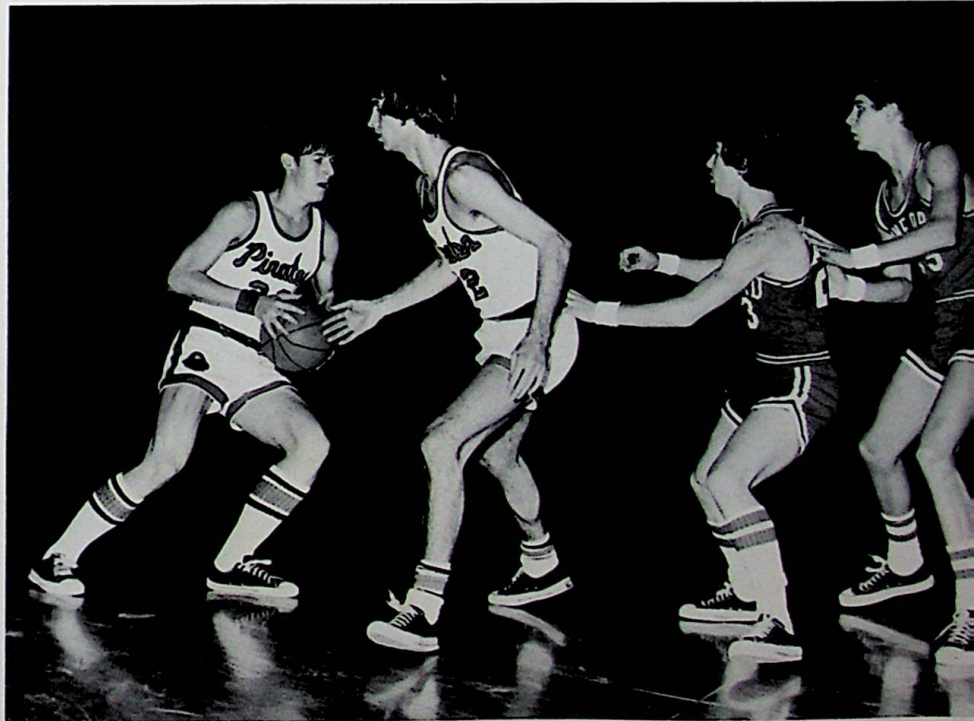

The Pirates varsity basketball team enjoyed a winning year, capturing the S.O.C. championship and ending the season with a 15-6 record. Under first-year head coach Mike Hughes, the Pirates played every game with pride, determination, and poise. The season included big wins over Gallipolis and Greenup County. Pat Thomas, co-captain and the team's leading scorer, was a first team selection to the All District, S.O.C. All-Star, and S.C.L. All-Star teams, in addition to receiving special mention on the Class AA All-Star team. Coach Hughes was awarded All-District and S.O.C. Coach of the Year honors.

What do I do now, Coach?

You look pooped, Bill!

The reserve team, coached by Gary Heimbach, displayed fine sportsmanship and school spirit in every game. Despite an unsuccessful season, the team played each contest with determination and pride.

Our freshman team enjoyed an outstanding season ending with a 15-2 record. Coach Mike Schomburg's club took third place in the Wheelersburg Freshman Invitational Tournament. They will be a great asset to the varsity teams in future years.

Overall Record 15-2

## Girls Take SOC-SCL Track

The girls' track team enjoyed and also captured victories in both the S.C.L. and the S.O.C. meets. The women set new varsity records in the 60-yard hurdles, the 220-yard dash, the 440-yard run, the 880-yard run, the 880-yard relay, the shotput, and the discus. Miss Janet Stone and Miss Janie Richards, who coached the team, certainly had good reason to be proud of the girls.

Today the S.O.C., tomorrow the Olympics.

## Moon Represents Pirates In State Meet

Our boys' track team completed one of their most successful seasons ever, coasting to a 8-0 record. The team romped to easy victories in the SCL and SOC meets, placed 2nd in the Russell Relays and 9th in the Sectional Track Meet at Rio Grande. New varsity records were set in the 880 relay, the discus, the sprint medley, relay, the 440 relay, the triple jump, and the shot put. John Mullins placed 9th in Class AA at the State Track Meet in Columbus. Coach Herschel Burke's thinclads really came through for the Burg in '74.

Dick Bocoock, Dean Hoover, Marty Jones, Dave Vest, John Bennington, John Kantz, Brian Noble. (NOT PICTURED: Mark Smith and Terry Cantwell).

John Bennington and Dave Vest led the golf team to the team's first SOC and SCL Championship. Under the coaching of Mike Schomburg, the team went to finish 11th in tournament play.

On base - right fast!

The baseball team, under the management of first-year coach Mike Hughes, had a grand slam season as they captured both SOC-SCL league titles. The team boasted great pitching strength as well as hitting power with five men batting with averages of over .400. The Pirates were District Champs in Class AA and went on to the Regional Finals where they fell to Riverview 1-0.

## Bobby's Band Is . . . . . . Incrediburgable

The W.H.S. Band performed outstandingly for the public this year. Under the direction of Robert McCoy, the band had the largest number in the history of W.H.S. They performed in the Jackson Apple Festival, the River Days Parade, and in competition at Marshall University where they received a "Superior" rating. Adding to the attractiveness of the band were the colorful uniforms of orange and black. The band's enthusiasm, as well as its performance, helped in building spirit throughout the community.

Here are the people that set the pace for the mighty orange and black bands. The banner bearers led every parade while Mark and the majorettes brought the band onto the field at football games. The majorettes gave many performances all year and received excellent and superior ratings at camp and in competition. The band will miss its 1973-74 head majorette and drum major who have given four years of dedication and hard work to WHS.

This year's Pep Band practiced hard to obtain a perfection of sound that brought basketball fans to their feet. The band that played at games and pep rallies was made up of powerful senior, junior, and sophomore players with a reserve supply of entertainers from this year's newly formed freshman Pep Band. The talent of both the freshmen and the upperclassmen was displayed as the best sounding Pep Band WHS has heard yet!

QUEEN: Debi Parker

The theme of the 1973 Football Homecoming was "The Spirit of W.H.S." Debi Parker reigned as queen in a long gown of white velvet. Her attendants wore gowns of red, blue, green, and purple velvet.

The football team honored the queen and her court with a 44-0 victory over Portsmouth West. An after-game dance sponsored by the cheerleaders featured "Space Park South."

## They Run In Our Family

Combining their talents, the Juniors presented a three-act comedy about a coach's family in an upheaval over the "big football game," their first victory in twenty-five games. Directed by Mrs. Burnett and Mrs. Green, the cast and stage hands produced a real winner.

To be new or different is always a challenge which requires determination to meet. This year's seniors faced just such a challenge with the production of Wheelersburg's first dramatic class play.

THE DEATH AND LIFE OF LARRY BENSON is a story about a young soldier, orphaned during childhood, who becomes close to another soldier, Larry Benson. After Benson's death, the soldier assumes the identity of his lost friend and meets the confused Benson family.

The cast went on stage with fingers crossed and came off with a success. The sponsor, Kathy Delawder, did a fine job of directing.

"Precious and few" were the moments we shared at the 1974 Junior Senior Prom. The American Legion Hall in Portsmouth rocked as the handsomely dressed couples danced to the sounds of Black Water. The Juniors provided the Seniors with a wonderful prom. Everyone enjoyed themselves until the midnight hour; but the night was still young . . .

After Dancing their feet off at the prom, the Juniors and Seniors met at the Rainbow Bowling Lanes for an evening of bowling and pool. The alleys and cue sticks were still hot at 6 a. m. when the fun came to an end. It was a great evening, and the Seniors would like to extend their thanks and hope the Juniors enjoy themselves as much next year.

An important part of any student's life is his freshman year. Thrust into unfamiliar surroundings, lost among new faces, and confronted with the responsibility of a high school career, he gradually becomes accustomed to his new way of life and discovers that the rewards of his high school years will depend solely upon what he puts into them. This begins a new era for the class of '77 at Wheelersburg High School.

# Spirit Of '76

In the fall of '73, sophomores' minds were filled with thoughts of class rings. As the year progressed and changed to '74, the sophomores saw those thoughts materialize and become a reality.

The next big step will be to enter WHS as upperclassmen. All sophomores look forward to their junior year, but few classes face the event with the same spirit as the class of '76.

# FINALLY UPPERCLASSMEN

## CLASS OFFICERS

Lou Mitchell, Vice President; Terri Mootz, Treasurer; Renee Jarvis, Secretary; Nancy Haney, President.

"Finally Upperclassmen!" was the phrase of this year's Junior Class. Having just started their last two years of high school, they found their first problem was to raise money for the Junior-Senior Prom. Selling magazines and collecting Nancy Rae slips were two of their fundraising projects. Once the prom was over, they began looking forward to next fall when they will begin their final year of high school.

## Seniors Say Good-Bye To WHS

The class of '74 entered their senior year with mixed emotions. They were excited about being seniors, but they soon realized that their school days at WHS were rapidly coming to an all-too-abrupt halt. While day-dreaming about football and basketball games, proms, plays, and school activities, the seniors realized that they would soon have to face some of the most trying challenges of their lives: the challenge of meeting the new faces on a campus, the pressures of a new job, or the responsibility of managing a household. Each was a little hesitant, yet determined to make the best of whatever lay ahead.

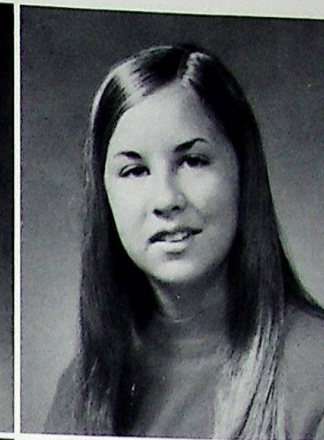

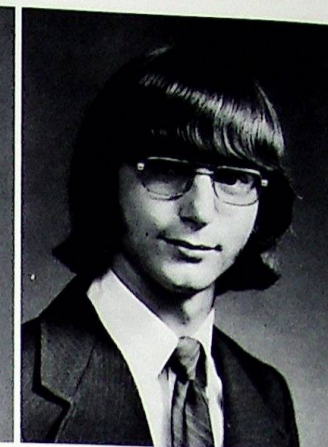

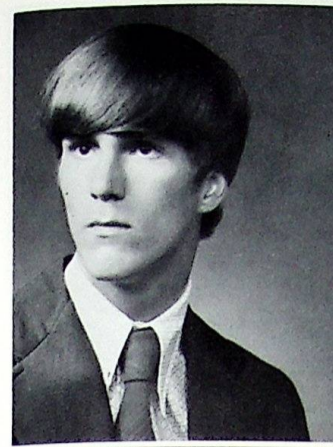

I pledge allegiance . . .

"The girls around here are already too tall."

"When will it ever start?" We asked ourselves . . . "Why did it have to start so soon?"

What can I say?

I can't believe I'm here.

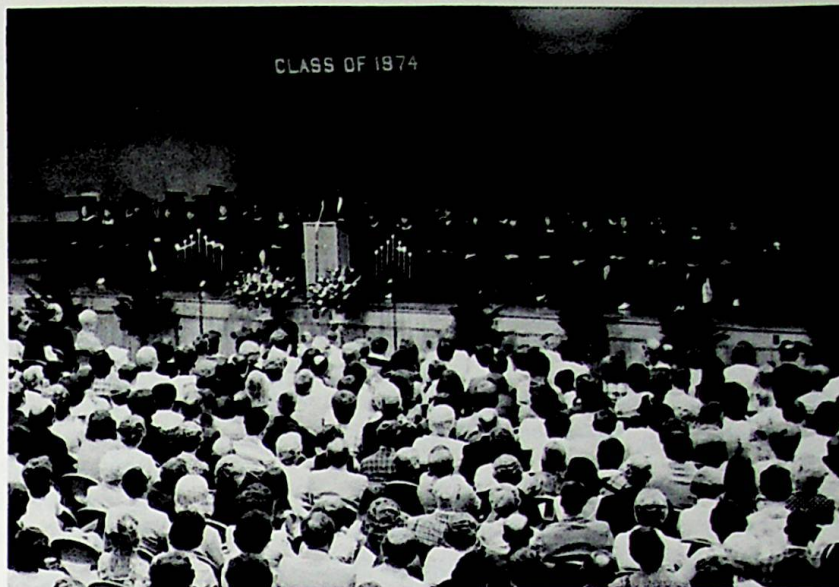

On June 2 at 2:00 p.m., the Seniors assembled for the last time as a class, for it was their graduation day. Rev. Speckien offered the invocation and benediction, and Rev. Sumner delivered the baccalaureate address. After the salutatory and valedictory addresses, Mr. Miller's announcement of special awards, and Mr. Maple's comments, Mr. Dan Pace awarded the first Doris Pace Memorial Scholarship to Pat Kiser. Mr. Miller then presented the class to Mr. Lewis, president of the school board, who turned the awarding of diplomas over to Mr. Richard Flanery.

Seniors had mixed emotions as they were presented with their diplomas. They felt a strange sense of loss as the filed off the stage, but they were proud they could say, "We are the 1974 Graduates of Wheelersburg High School."

# In Memoriam

MRS. DORIS PACE

Mrs. Doris Pace taught only one short year at WHS, but she influenced the lives of many students around her. She was more than a girls' physical education teacher and more than a sponsor of GAA and girls' intramurals - she was a friend. We are saddened with her passing but cherish her memory.

A youthful teacher touches many students, imparts many things: exuberance, vitality and - with God's grace - a calming hand.

This was Doris.

Faced with adversity, a teacher exhibits great strength: a tenacious courage and endurance.

This was Doris.

Only by leaving those who are learning can a teacher illustrate the ultimate lesson: memory retains all that was vital in a person.

This was Doris.
