CROSS-COUNTRY

After a slow start, the Cross Country Team, led by All-Stater Steve Alexander, swept to the Scioto County Title and repeated as Sectional Champs by swamping the opposition. A third place finish in the District meet kept the team from a trip to the State meet. A key injury to Dave Bell just prior to the Sectional Meet severely damaged the Tartans' chances of a second consecutive trip to Columbus. The young Tartans are looking forward to 1979, as Alexander was the only Senior on the team. Steve finished 8th in the state to cap off a fine career.

Mr Fields was ably assisted by Mr. Ray Boyd, who volunteered his services.

Senior Steve Alexander is an excellent example of what can be accomplished by hard work and sacrifice.

STATS
FRONT ROW: Tammy McGraw, Lori Brumfield, BACK ROW: Jennifer Lewis, Tammy Raike.

East Girls Varsity finished its season with 16 wins and 3 losses. Winning the S.O.C. for the 3rd year in a row with an undefeated record in the S.O.C. The Girls also won the South Webster Holiday Tournament again this year, having no losses in that tournament, also.

The Girls lost in the Sectional Finals with a fine showing. Through the course of the year, some records were set. Francis Montgomery had the most points scored in one game with 39. Liz Deemer had the most assists in one game in the same game with 10. Liz also scored the most career points with 1,312.

The Girls Reserve team finished this year with only one loss to a tough Ironton "AA" team.

Special Honors

Steve Alexander placed in the State Track Meet

Liz Deemer scored 1484 points for her career. This is a new school record held by a girl or boy.

Virgil Howard placed in the State Track Meet.

Sam Toppins is the first boy from East High School to become a member of the Ohio State Youth Choir.

EAST HIGH SCHOOL SCHOLARSHIP WINNERS

Burke Fullfills His Goal

Portsmouth East's Keith Burke has been afforded a rare honor for high school boys with his avocation. He has been chosen from over 300 applicants to be an athletic trainer in the Ohio State University Athletic Department. The selection process has been a very long and tough procedure, but Keith was chosen in a group of five from the over 300 applicants.

Keith is well trained and prepared to accept his new assignment with the University. He began his preparation as a manager with the eighth grade athletic teams while an eighth grader himself at East. At the suggestion and urging of one of his coaches, Keith began to lean toward a career in Athletic Training.

That very summer, some five years ago, he began to attend workshops and seminars in athletic training. That summer he also attended the "Cramer Clinic for Student Trainers" at O.S.U. to get his first real taste of Athletic Training. At the time, the only person with Training experience at East High School was the then football coach, Jim Smith. But Keith's training and experience soon brought him a level of competence that was ever increasing.

As a ninth grade student, he served as athletic trainer to the entire football program grades 7-12 and at all levels. During the winter months, he served basketball at all levels, and just as he did in football, sometimes as many as two different games played at two different sites. Many days his duties did not conclude until the last practice or game, sometimes as late as 10 p.m.

The spring season saw him serve both baseball and track. That summer his training continued as he attended O.S.U.'s own "Buckeye Sports Camp for Athletic Trainers" at O.S.U. He also began his studies for an E.M.T. (Emergency Medical Technician) rating and completed both the Red Cross Basic First Aid and Advanced

Courses.

In the 10th grade year, he again served all the same teams, and began his limited experiences as trainer to the girls programs in basketball and track. He returned again to the O.S.U. Buckeye Sports Camp for Athletic Trainers for continued study. As an 11th grade student, Keith had completed basic lifesaving courses at the Red Cross, the advanced course in swimming and was studying for the instructor's certificate in water safety. He again served all athletic teams at East High School and continued to be an honor roll student.

For the third consecutive year, he returned to Columbus to attend the O.S.U. Buckeye sports camp.

Then as a senior, his training duties at their highest level ever. Keith began the campaign necessary to achieve one of the coveted student trainer positions at Ohio State. Many local coaches, business men, physicians, teachers and many others wrote the necessary letters to the Ohio State Athletic Department and Head Trainer Billy Hill in particular, to recommend Keith for the position. The necessary trips to Columbus for interviews and testing were also included. Then came the proud announcement that Keith indeed had secured the position.

East High School is indeed proud of Keith Burke and his accomplishments and contributions to the East High Athletic Program. He has put in countless hours and accompanied many athletic teams to many contests and his four years as the high school's Athletic Trainer.

Coach Jim Smith, with whom Keith has worked all his years in the program says about

Keith, "The young man is simply amazing. In spite of his handicap, he lets very little get in his way. He is a tireless worker, and does an excellent job. He gets up and down the hill to the practice field with difficulty, but is always there. He has a thorough knowledge of his subject and takes each case as it comes. I am very proud of him and his accomplishments. He has much of which to be proud. We wish him much luck in his new assignment.

Keith begins his new assignment this week when he reports to the University to begin studies for the summer quarter. He will begin his new duties in August.

Thanks Doc

EDITORS: John Dials, Deanna Bussey, Tammy McGraw, Liz Deemer

We the Editors of this '79' Yearbook just want to leave you with a few last words. We hope you enjoy this yearbook as much as we enjoyed putting it together, and hope you appreciate the work and dedication it takes to put together a book which so many different people are to like. We tried and hopefully succeeded in giving everyone equal space in the book. If we have left anything or anyone out we are sorry but we did our best with what we had. To all the Seniors, Congratulations and Best Wishes and to all underclassmen, Good luck and hope you have an equally great yearbook as we think ours is.

Thank you,
THE EDITORS
