RULES FOR PLAYING THE GAME OF OEA

EQUIPMENT: Green and Gold Game Board with 32 green squares representing OEA activities and 32 gold squares representing the skills and personality traits of a good secretary.

PLAYERS: 15 to 32 players - all enrolled in Intensive Office Education. One gold checker is to represent each junior member, and one green checker is to represent each senior member.

PURPOSE: Each player moves his checker from one square to the next as he attains the necessary classroom skills and as he participates in each OEA activity during the two-year period he is enrolled in the Intensive Office Education program.

WINNER: Each member of OEA is a winner when he graduates from the program and becomes a successful office worker in the business world.

Varsity Track Team

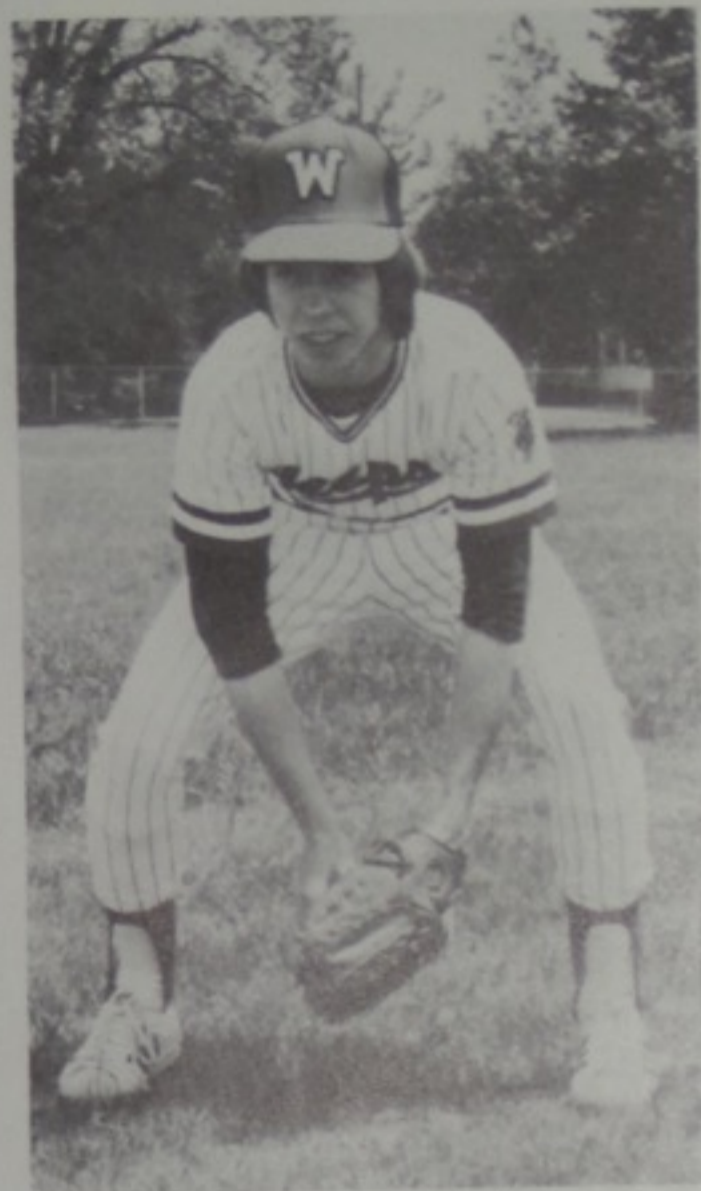

"I am very proud of the 1975 South Webster High School baseball team and of our team's record. Any team must make many personal sacrifices to devote all the time and effort required for a successful season. This team has willingly gone beyond what is normally required of a team and I don't believe they have any regrets. I look forward to next season with all the returning players and welcome any new players that may become members of the team. We wish our four graduating teammates success in all future endeavors."

— A QUOTE FROM "BUTCH"

Ron Smith and Friends

Mike Rice

1974-75 Baseball Team

Can't even "rest in peace" around here.

"Not all aspirins are alike."

"Not now, someone's coming."

"My girdle's killing me."

Jr. High Boy's Track Team

Varsity Girl's Track Team

Carl Chasteen, scorekeeper for South Webster's track team, and Mr. John Grimm, the team's coach, both got together and came up with a few items as a kind of "flash-back" over this year's track season.

Mark Harner was the high-point man of the team with 104.5 points. The 880 relay school record was broken by a team of four boys: Jim Fenton, Jeff Weaver, Glenn Queen, and Mark Harner, with the record time of 1 minute and 43 seconds.

HOMECOMING

Homecoming was January 17, and proved to be quite a success. The celebration was even more festive since the Jeeps defeated the Green Bobcats that evening. The dance (using the theme "Have a Fiesta at Homecoming") was enjoyed by all the students.

SCIENCE FAIR

Nearly twenty Junior High students participated in the Science Fair. The Science Fair exhibits were displayed in the hallway so that all the students in the building, while going to class, could see them. Mr. Hayward was very pleased with the exhibits this year and expressed the hope that next year's Science Fair could be as good.

. . TO THE EXCITEMENT OF GRADUATION

We've only just begun to live,
So much of life ahead
We'll find a place where there's room to grow.

Before the rising sun we fly,
So many roads to choose
We start out walking and learn to run.
And yes, we've just begun!

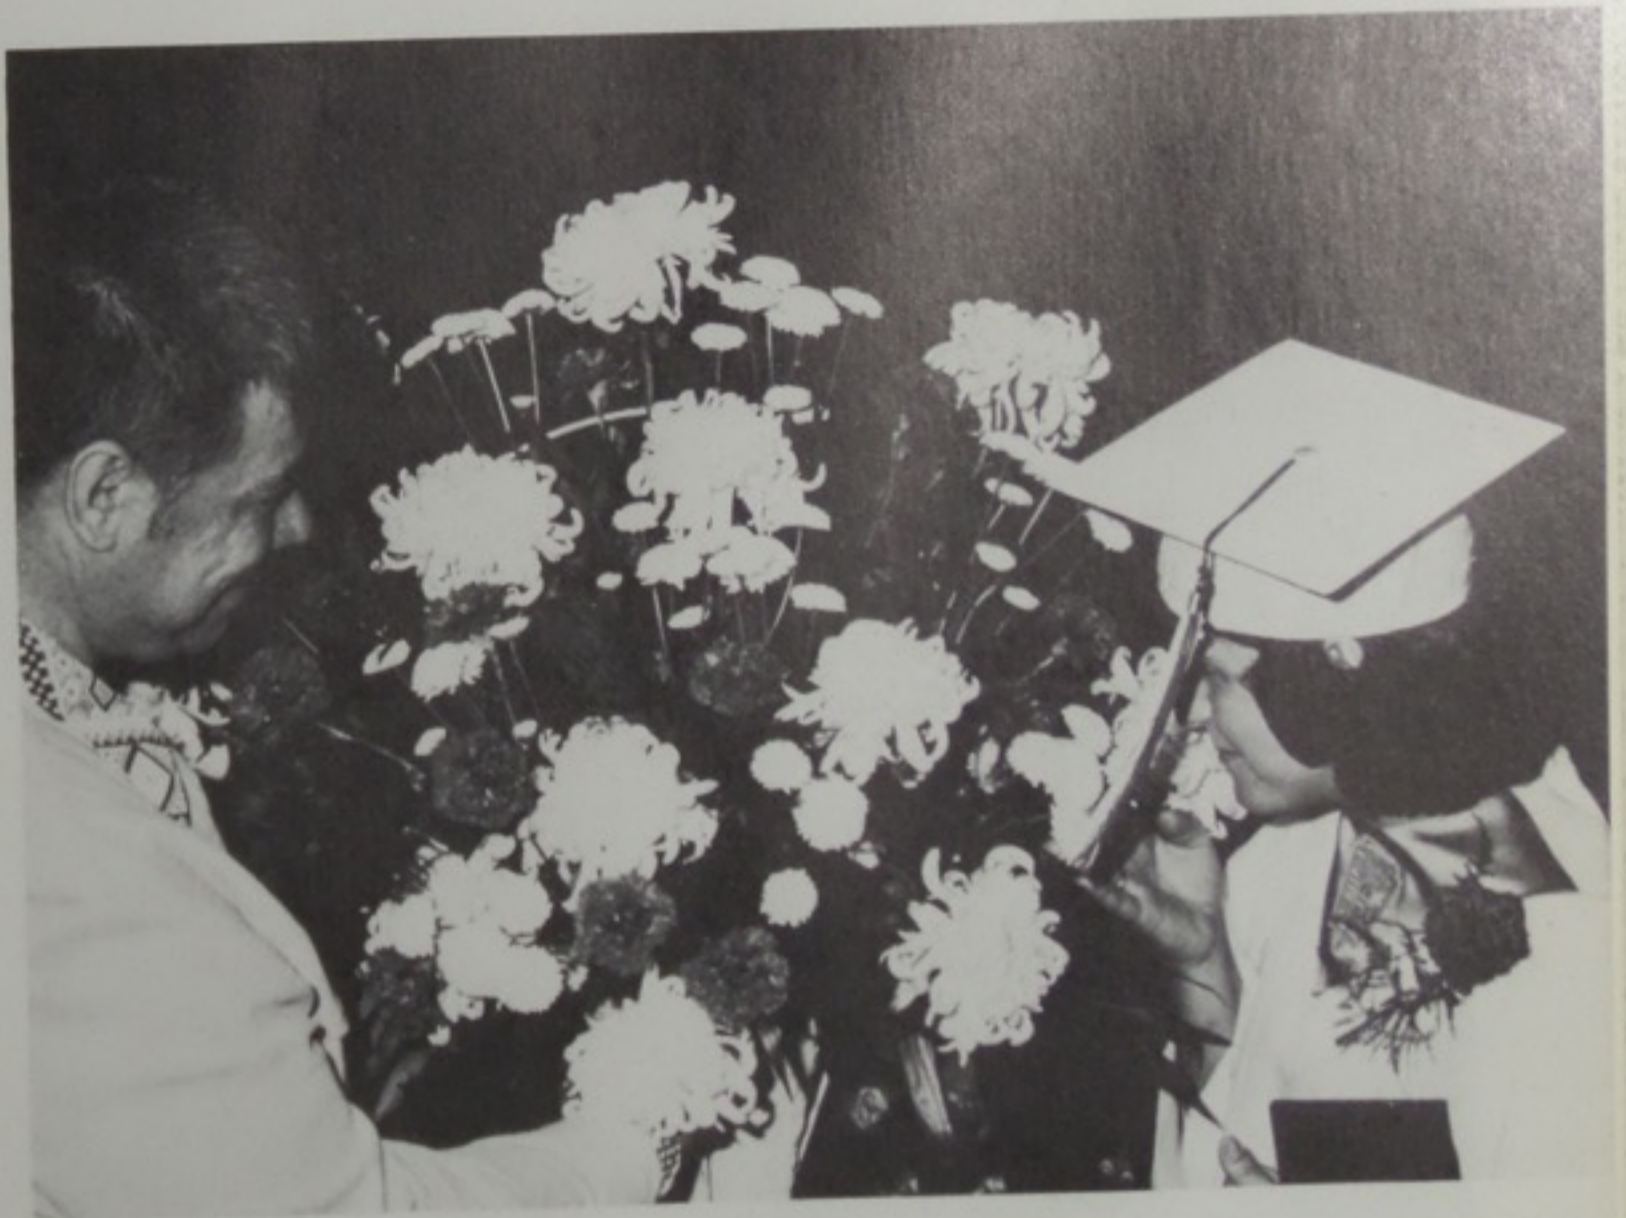

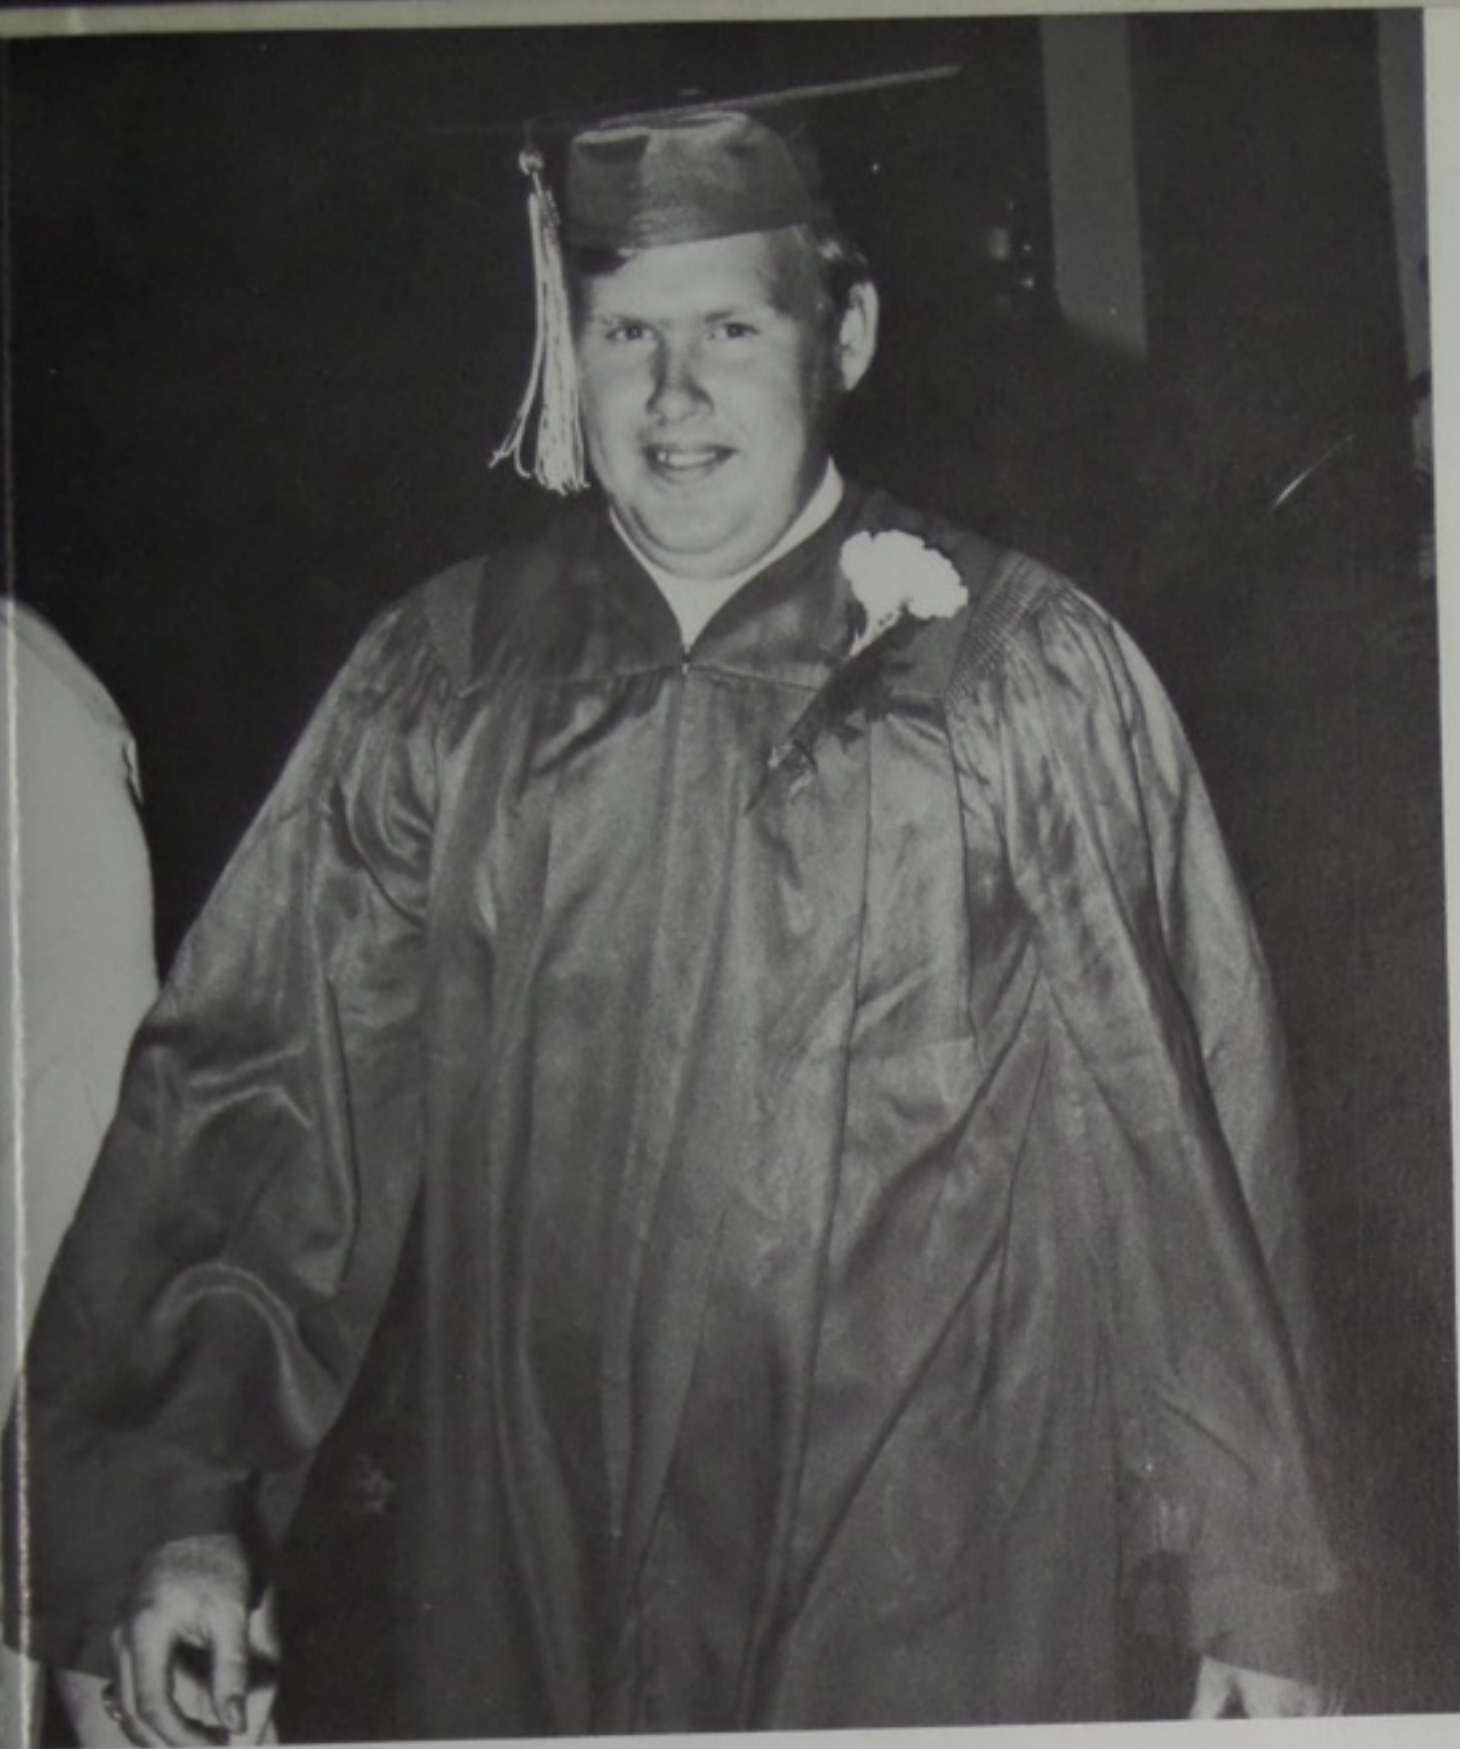

- Paul Williams
