

May June 1 - 90

A nice day a
little warm.

We took a look at
the wheat.

The girls & us went
up on the hill
after wintergreen
& did not enjoy

the going and coming
from the wintergreen
as much as I

thought I would
Lem's young folks
came over in the evening

We all went to
Sunday school
Lem's & I came
back as far as
they came our road
we got back about 9.

June 2.

A very warm day
I hoveled awhile in

the nursery and
found around all the

Pa brought
a new horse back
with him last Sat

Pa and I worked him
this afternoon.

He plowed out the
nursery with him

I hoveled the potatoes
that was in the
nursery.

Lem was here
this evening to let
Pa know he
had paid Abel
Elias the note.

June 3.

A very warm day.
He worked at our
corn - Benji went
to the mill.

I sowed in the
nursery till noon.
After dinner I strai-
ned up corn.

Smith & Jones cut
weeds out of the
grass.

June 4.

A warm day.
I have been
looking over
over, and having
in the nursery.

After dinner
I sowed corn
till night.

He gave the
pully a lesson
in reading the
Smith code

for why for
the pulld. being
the first time
she ever was
sode.

June 5.

It looked like rain, but did not. The rains past around.

Spencer & I worked all the am.

We rode the full day from the field and back.

We rode them up to Uncle

Yaker in the evening after our first day.

John D. Cutler was here and took the census.

I wrote Miss Hattie a letter.

June 6.

It rained a little this morning.

We started for town this morning at 9 o'clock.

We took three men down.

Smith & I got a suit of clothes.

I got some pictures taken.

We got back at half past 9 o'clock.

June 7

A nice day.
I went and
ratted the sheep
Smith & I cut
weeds out of the
meadow till
noon. I hauled
away the rest
of the day.
We got back
early. We got
back a little
after dinner.

June 8

A nice day.
Mattie & I got
ready and went
over to Mr. Bevell
in the cart.
He had lots
of fun. Both
of us and some
and while we
were there.
Dinner came
after dinner.
We all went
Sunday school.
Mattie & I packed
back before
dinner. The cows
over to Mr. Jumbo
and a lot of and
eat a few berries

June 8

A nice rain this evening. It has been warm and still today. The finished plowing our corn over with the present time. After dinner we went to the rain.

June 10

I went morning. The were put a good fixing. Squirted at the hay rack, the at garden work.

Our hay press man came at noon to let us know about the hay press. He went up and brought it down.

Squirted Jim's got stalled and I had to leave part of it. Smith got sweet potato plants.

June 11.

The ground is
wet under
the gott the
press down
afternoon
help. Got
Dunkle & Clark
team

We got two
bales out of
the press.
Set out
several potato
tuber plants.

The press man
stayed all night
with us.

He missed the
train.

June 12.

A nice day. It
look like rain
but did not.
The pressed hay
all day.

Mr. Bruder
went home this
afternoon.
He & Billie
went with us
the hill after
noon green.

Oscar is here
He came here
yesterday.

June 13.

A nice day
It rained last
night.

We have been
ed hay all day
The organ mdr
came to June
last night and
tayed all night
He took the
organ.

We finished
preparing the hay
that was in
the barn and
then passed
the press.

June 14.

It is wet. The
mornng. Rains
several I herd
perhaps and
then clear up.
Some of the hay
around in the
barn up at
Squire and then
moved the hay
up there with
the cattle.
He at last got
the press set
passed out about
a hour and then
quit. Pa came
home in the eve.

June 15.

A very warm forenoon. Chas. & Jap. Ben. stayed all night with us last night. So we all went down to Children's day. Mr. & Mrs. Sutz and their children had handkerchiefs and came up and stayed till evening. It rained hard this afternoon. Chas. & Jap. went home also.

A memorable day.

June 16.

It has rained a little. We passed all day. Sam. Pity eat dinner with us.

I wrote a letter to Mr. Brunel.

While sitting at the breakfast table this morning I heard Pa and Ma have the bestest fun I ever heard them have. But I trust

"It is only a cloud passing over the way."

June 17.

A warm day.
It rained a little
during the day
and cleared after
dark.

We passed all
day. Charles D.
tagged all night
with my list
was hit. He and
Gene took a load
of hay up to the
kewitch. Chae did
not come back.

He got down with
the geese and had
to remove it down
here and pass
the stack. He stalled
but got it here at last.

June 18.

A warm day.
We found the
stack and got the
boys ready to take
a load to the kewitch
in the afternoon.
Gene & I worked
the geese over.
Gene plowed
the nursery over.

June 19.

A nice day.
The men were up very
early. Ben Bennett
stayed all night
with us. He got
them started early
so they could make
two loads ahead.
They made their
first load all
right, but in the
afternoon they
had a bad time
and did not
get their load
to the switch.
They were terribly
discouraged. I hove
potatoes and Squam
plowed corn.

June 20.

A nice day.
The boys took our
team and gathered
up their loads
got them to the
switch. Squam
plowed even
I finished hove
the murex.
Pa got home at
dinner time.
I took the culti-
vator and plowed
corn the rest of
the day.

June 17.

A nice day. Charles
Quibel stayed all
night last night
Sam and Genie
took a load of
to the boat
They got back
about 10 o'clock.
The second day
all day.
Charles & Genie
got their loads
loaded up ready
for the morning.
It rained hard
in the evening.

June 22

A nice day.
It is terrible
warm. At 10
I got ready and
went down to
Jack Brown's
He was blown up
by a keg of powder.
I eat dinner at
Mr. Bathie's.
I took sick in
the afternoon
and was sick all
night. I started
home but met Smith
I would on him.
While waiting Mr. Ida
& Janie came along. I
went with them over
to the Hamner to get a

June 23.

A very warm day
I am sick, not
able to work.

Pa & the boys took
a load of fire to
the switch this
forenoon. The boys
can go with this
last load this
after noon.

Squire is plowing
and

Pa is trying the
machine on the
wheat. Our wheat
is ripe. Today
in the field we
have tried to harrow

June 24.

A very warm day
I feel a little
better. Howed corn
till noon. Then
shocked wheat
till supper time
After supper I
bound.

Mr. Russell & Mr.
Tompson was here
and stayed till
after dinner.

Fannie Ball
brought our mail
up for me.
I received a letter
from Mrs. Patton
I have started
to answer it.

June 25.

A very warm day.
The bound wheat
till noon which
finished up
the wheat on
the bottom.

I shock till
supper time.

After supper
we moved the
press. Got
fast in the
crick and had
to piece up.

A son gawled
under the arm
bad.

June 26.

A nice day. It
was a little cooler.
We had a bad time
setting our press.
We pressed all
day. Squire cart
a little what
The boys took
up a road of
hay to the ~~swine~~

At Trugs was here
to trade a horse
for cattle.

We hitched the
horse up and
it balked.

June 27,

A nice day. Very warm during the day but cool at night. The farmer cutting wheat remaining by running a night's worth of piled-up hay.

E. May Bennett

Blow Switch

Scissors Co

June 30th 90

took my valise and
went to the
store
June 28

A very warm day. They took the two teams and took hay to the switch.

Spencer & I bought wheat to be sown the 31st and also bought some here with the wagon. A tractor, pig and a bull were bought.

Miss Bennett took the press up to their place. It rained hard tonight some of our wheat down in the bundles.

June 30th 90

A very warm day.
It rained in the
afternoon.
The men all at
home all day.
Cajons - 6 happen
came over in
the afternoon.
The bound
up and packed
the rest of our
wheat on the
account of
rain. Got
down first before
the rain.
The boys talking
with John
Ball.

June 31

A very warm
day. Got to
wet to floor.
I came up to
Cajons to
with Jim to
the house
all day.
Pa D Smith in
chauling has
to the Smith
It looks like
rain in the
evening.
