Here stands our dear Portsmouth High—From September to June, our school is a lively place, full of wonderful people and wonderful times . . .

Where the stately birch and pink dogwood
Shade inspiring halls,
There stands our dear Alma Mater.
From September to June,
Our school is a lively place, full of
Wonderful people and wonderful times:
Clubs and exams, parties and projects—
But most of all the students
Who to us recall

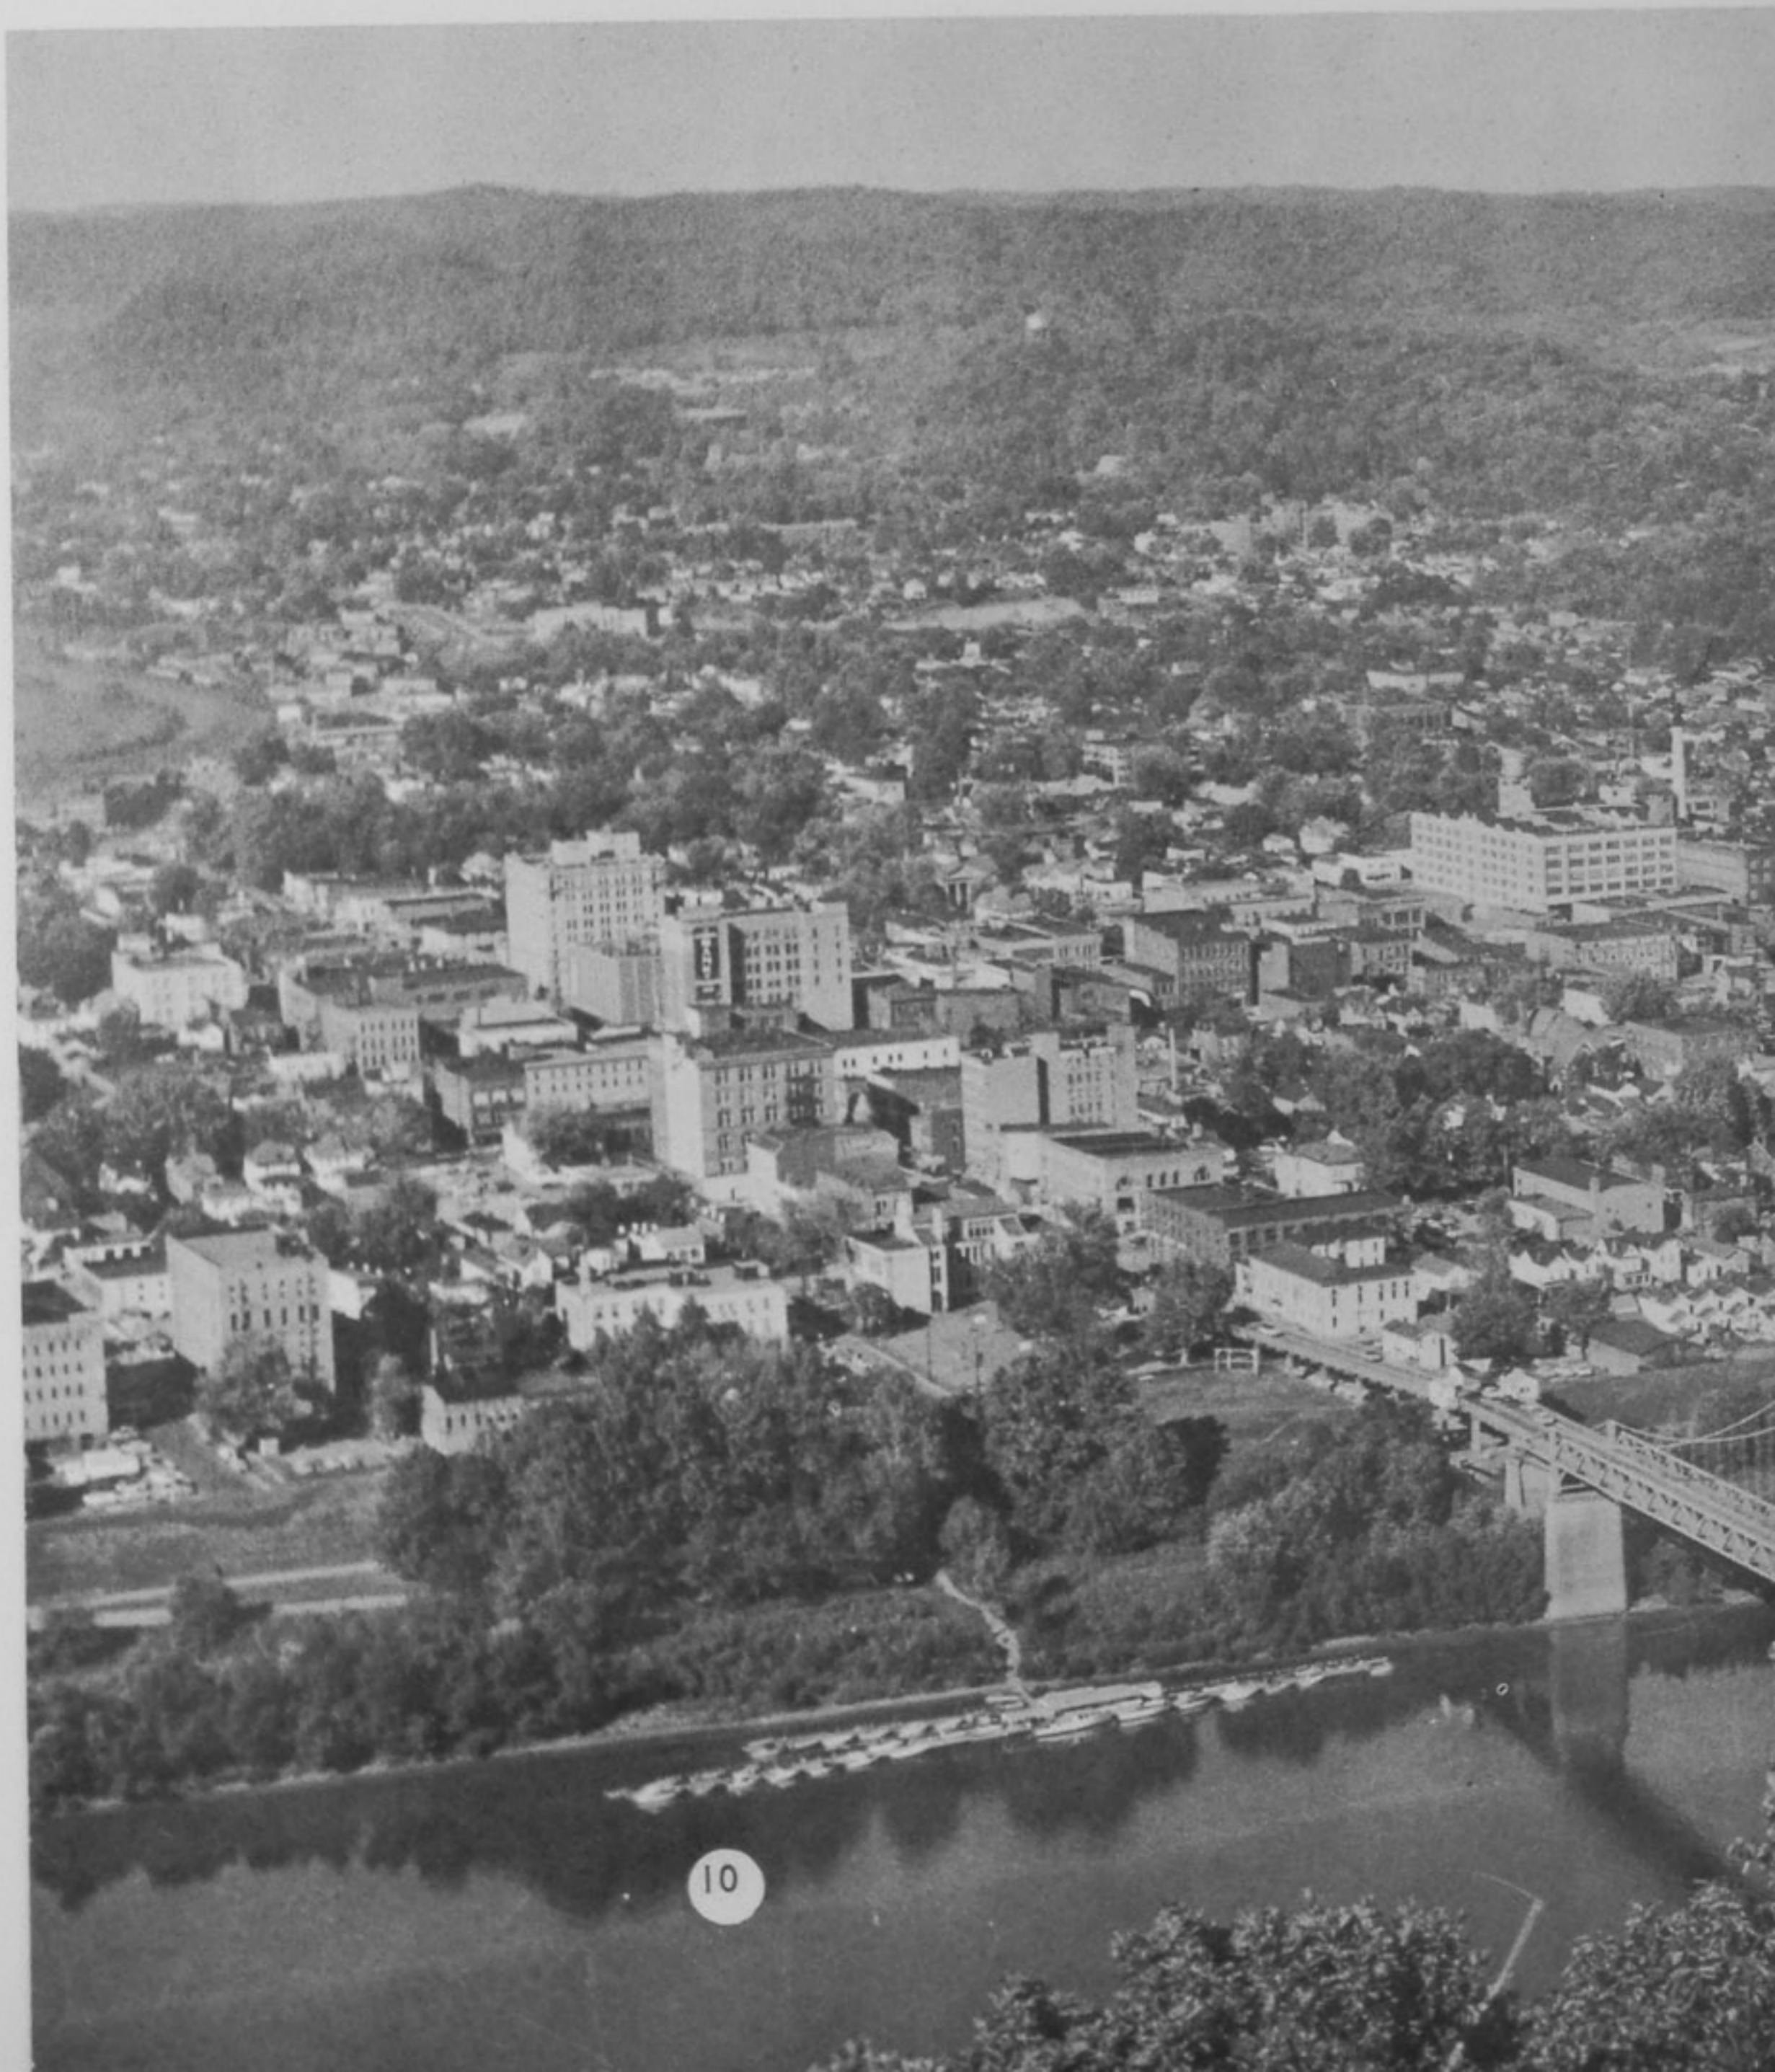

Our Hearts with pride and glory fill

Portsmouth's history goes back to within fifty years after the discovery of the Ohio River Valley by the French. In 1749, Celeron and Bonnecamps, two French explorers, from LaChine, Quebec (near Montreal) made a voyage down the Scioto River in canoes. They landed at its mouth on August 22 of that year and took possession of the land in the name of the King of France. They found there, however, five English traders and a settlement of Shawnee Indians. A mural painting in our Scioto County Courthouse, at Portsmouth, depicts the meeting of the French, English, and Indians on that memorable day.

Today, that small settlement has grown to be one of the nation's newest atomic energy centers. So, we know that for OUR FRIENDLY CITY OF PORTSMOUTH, the greatest period of growth and expansion is immediately ahead.

"I'VE GOT A DATE WITH AN ANGEL
AND I'M ON MY WAY TO HEAVEN"

EARLY IN WORLD WAR II, when every day seemed to bring the black news of defeat, there were men looking ahead to the time of peace. How, they wondered, could another such war be prevented? What agreement among nations of the world could ease the problems which brought war?

Out of their wondering, working, and planning, came the United Nations. A meeting of spokesmen of fifty nations drew up the United Nations Charter in San Francisco, and signed it in June, 1945. The war was still on. In the minds of all these men were grim facts: In another war, the weapons would reach every part of the earth. Another war could solve no problems of boundaries.

The nations must agree to solve their conflicts in a family gathering of nations, the United Nations.

In this United Nations Charter was the hope of peace for the world.

NO ONE QUESTIONS YOUR RIGHT to attend your own church, to worship God and ask His guidance in your own way. But it wasn't always so. In America's early history a man could be jailed for asserting that right. Yet men persisted in speaking out, and their courage helped make freedom of worship a part of our nation's basic laws . . .

COMMERCIAL CO-OP CLUB

The Commercial Co-op Club is for students enrolled in the Co-op class. Since these students are in school a half day and on the job a half day, the purpose of the club is to give

them an opportunity for social and other activities that are generally provided for extracurricular groups. Miss Alberta Wittenburg is the sponsor.

MISS ALBERTA WITTENBURG, CO-ORDINATOR

The Commercial Co-op class and Miss Wittenburg are shown being greeted by Mr. Tom O'Neil as they are about to enter the General Telephone Co. of Portsmouth.

BUSINESS EDUCATION— COMMERCIAL CO-OP PROGRAM

Class dictation is routine as a class drill exercise. Pictured are: Miss Wittenburg, class instructor; J. Saddler, J. Martin, J. Pack, J. Willis, K. Freeland, L. Cameron, and P. Williams.

Careful grooming, appropriate clothes, and a beautiful smile are marks of a superior business woman. Preparing a display for good grooming are: L. McConnell and F. Stamper.

The person who pictures himself as achieving a goal is likely to succeed. Shown using the mimeoscope is K. Freeland.

The number and kinds of jobs have increased the need for keeping records. Showing the importance of correct filing are: J. Pack and Y. Literal.

Portsmouth High's Commercial Co-op class specializes in education for senior girls and boys who are preparing themselves for employment in the city's many business offices. To obtain this type of education, pupils must meet qualifications set up by businesses pertaining to personality, integrity, intelligence, physical fitness, health, appearance, and skills. Miss Alberta Wittenburg is the class instructor.

FUNDAMENTAL

Today, most clerical work involves the operation of a machine of some kind. Using the mimeograph machine are R. Toleman, A. Irvin, and J. Willis.

SKILLS . . .

These are essential as a help not only in securing a job but in keeping one after it has been secured.

Operating calculators, important instruments in office calculations, are: L. Cameron, M. Dixon, R. Mussetter, P. Waddell, K. Freeland, and R. Fugitt.

Many office machines are electrically powered. M. Stone and J. Young practice for skill on the electric typewriter.

DISTRIBUTIVE EDUCATION

MR. CHARLES McCLURE, *Co-Ordinator*

Distributive Education training course is organized and operated by the high school in co-operation with the employers in order to prepare young people for specific jobs in distributive and service fields.

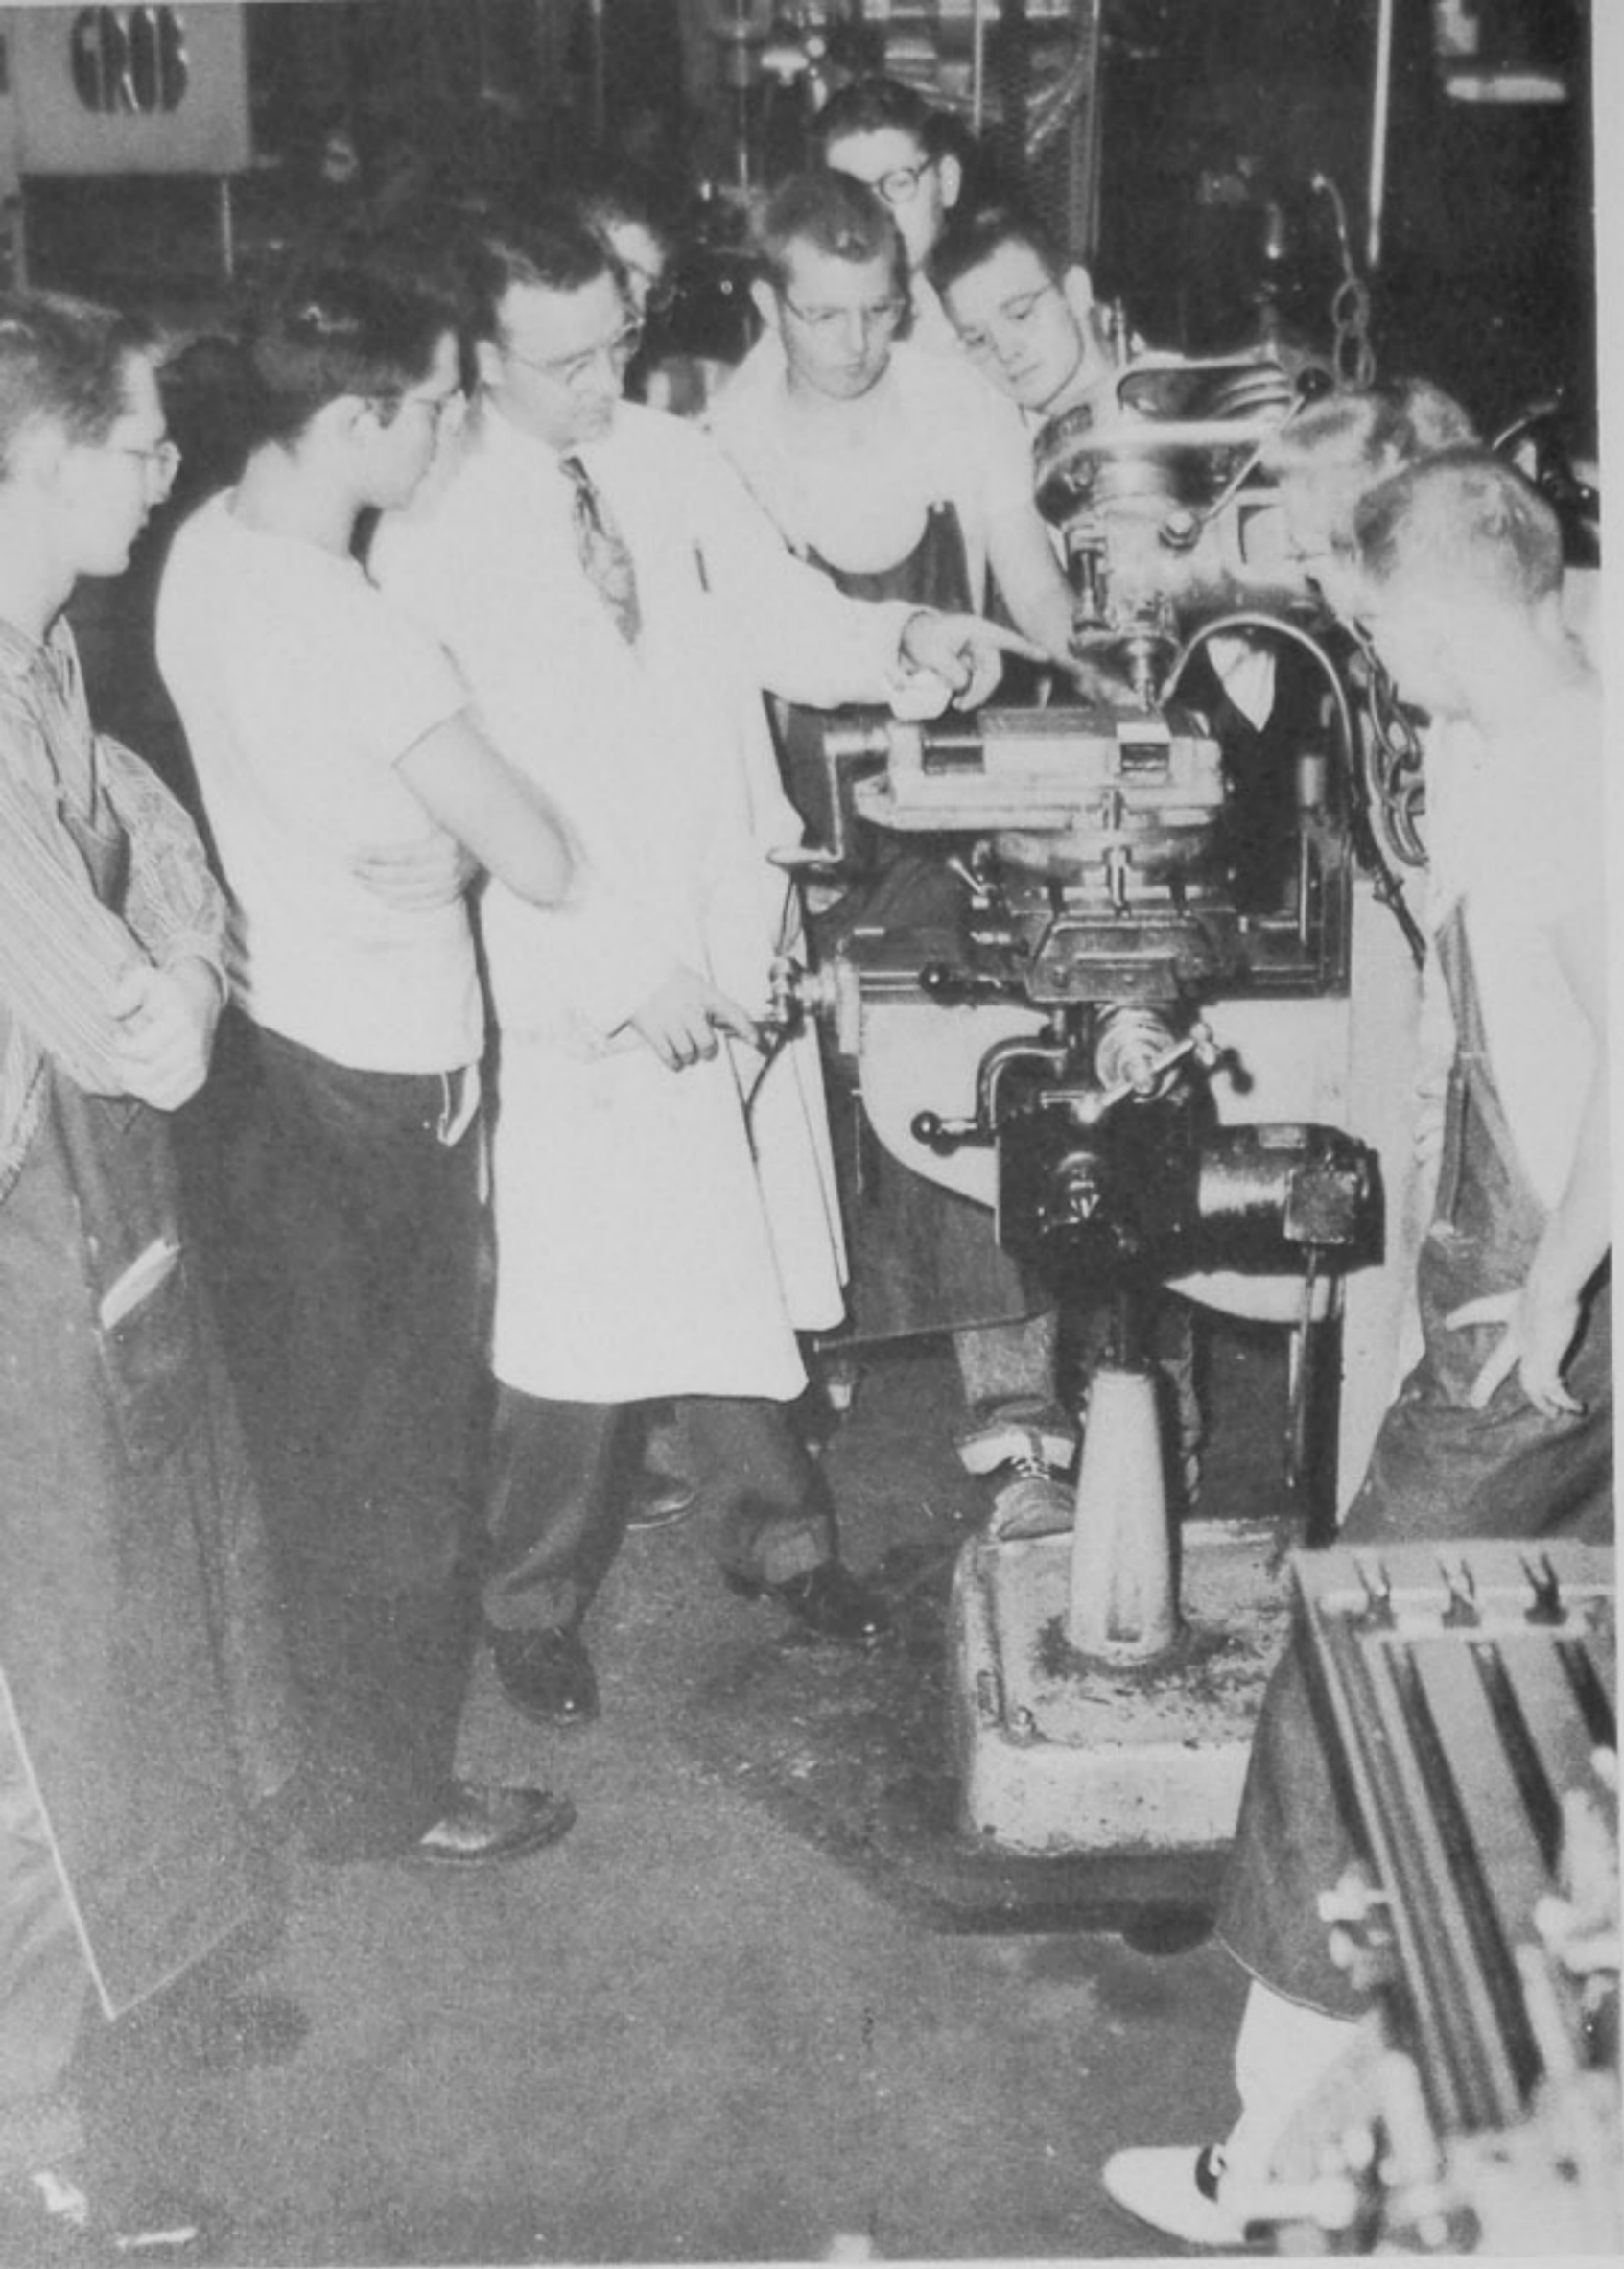

"He profits most who serves best," is a sound motto for business. When practiced it has paid handsome dividends. Cooperation, team-work, and ability to get along with associates have been found to be conducive to success in business as well as in other endeavors.

TRADES AND INDUSTRIES

VOCATIONAL SCHOOL

Trade and Industrial Education is that phase of modern educational program which has for one of its direct objectives the preparing of high school students for entrance into specific trades or occupations to be found within the area serviced by the educational system.

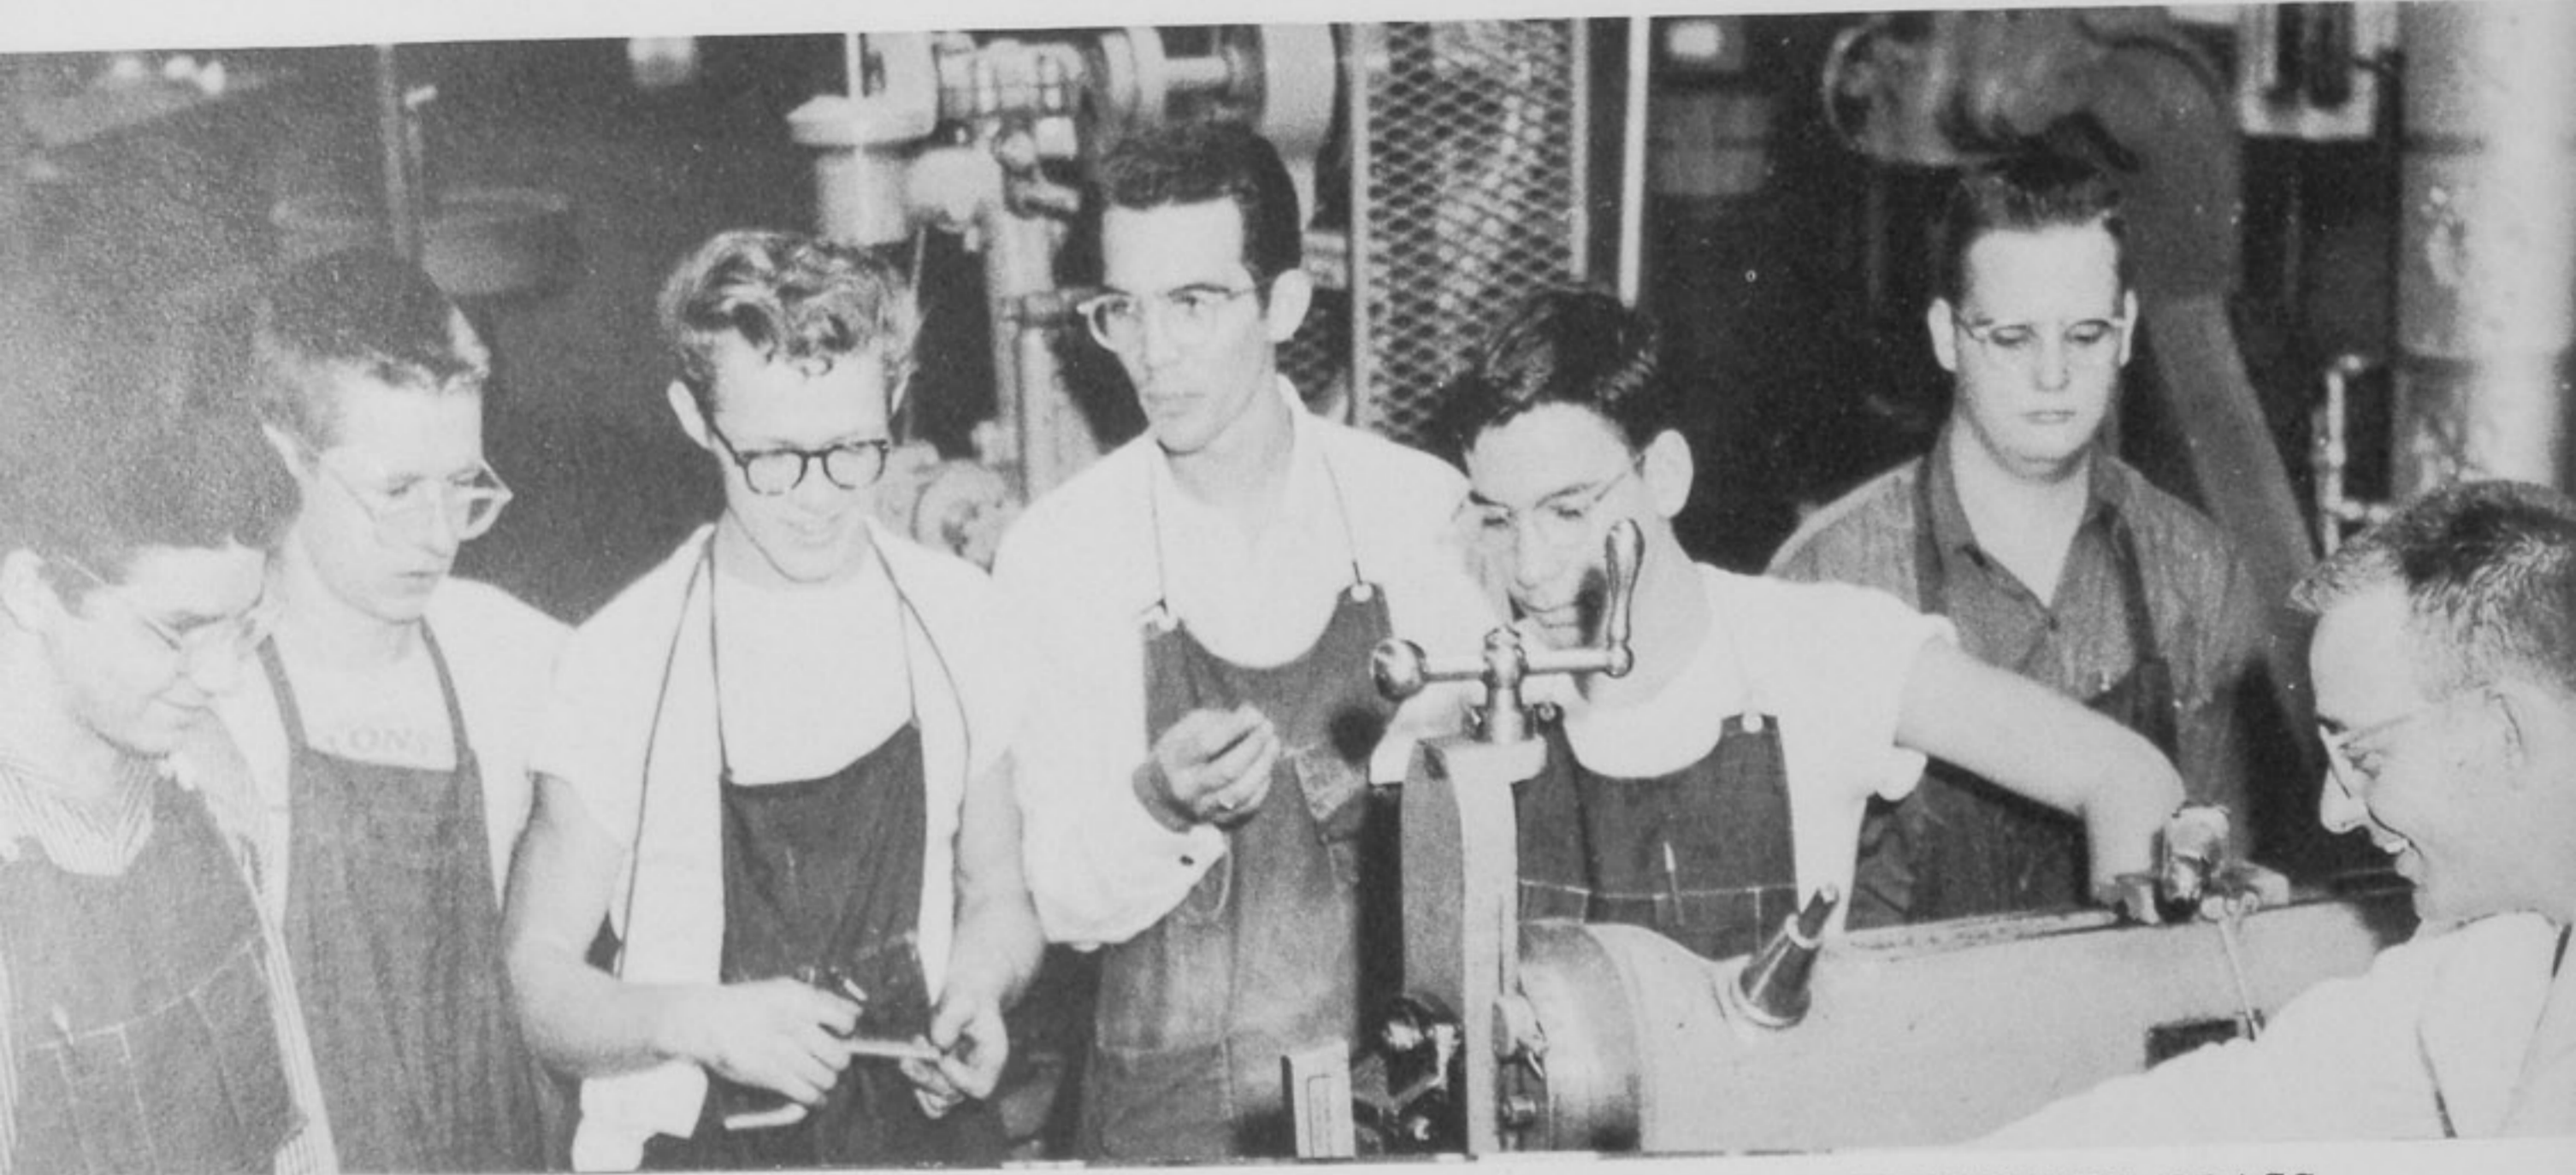

Three clock hours each day are spent in the "shop" of the student's choice where the correct use of hand and machine tools are taught. The work performed in the shop must be on a useful or productive basis under actual job conditions so far as is possible. Students are given individual attention rather than group instruction in their shop training.

TRADES AND INDUSTRIES VOCATIONAL SCHOOL

Approximately thirty percent of the student's time in school each day is devoted to the study of trade technology which includes shop mathematics, science, blueprint reading, sketching and trade information. These subjects differ from general subjects in that they are designed to apply directly to the chosen trade.

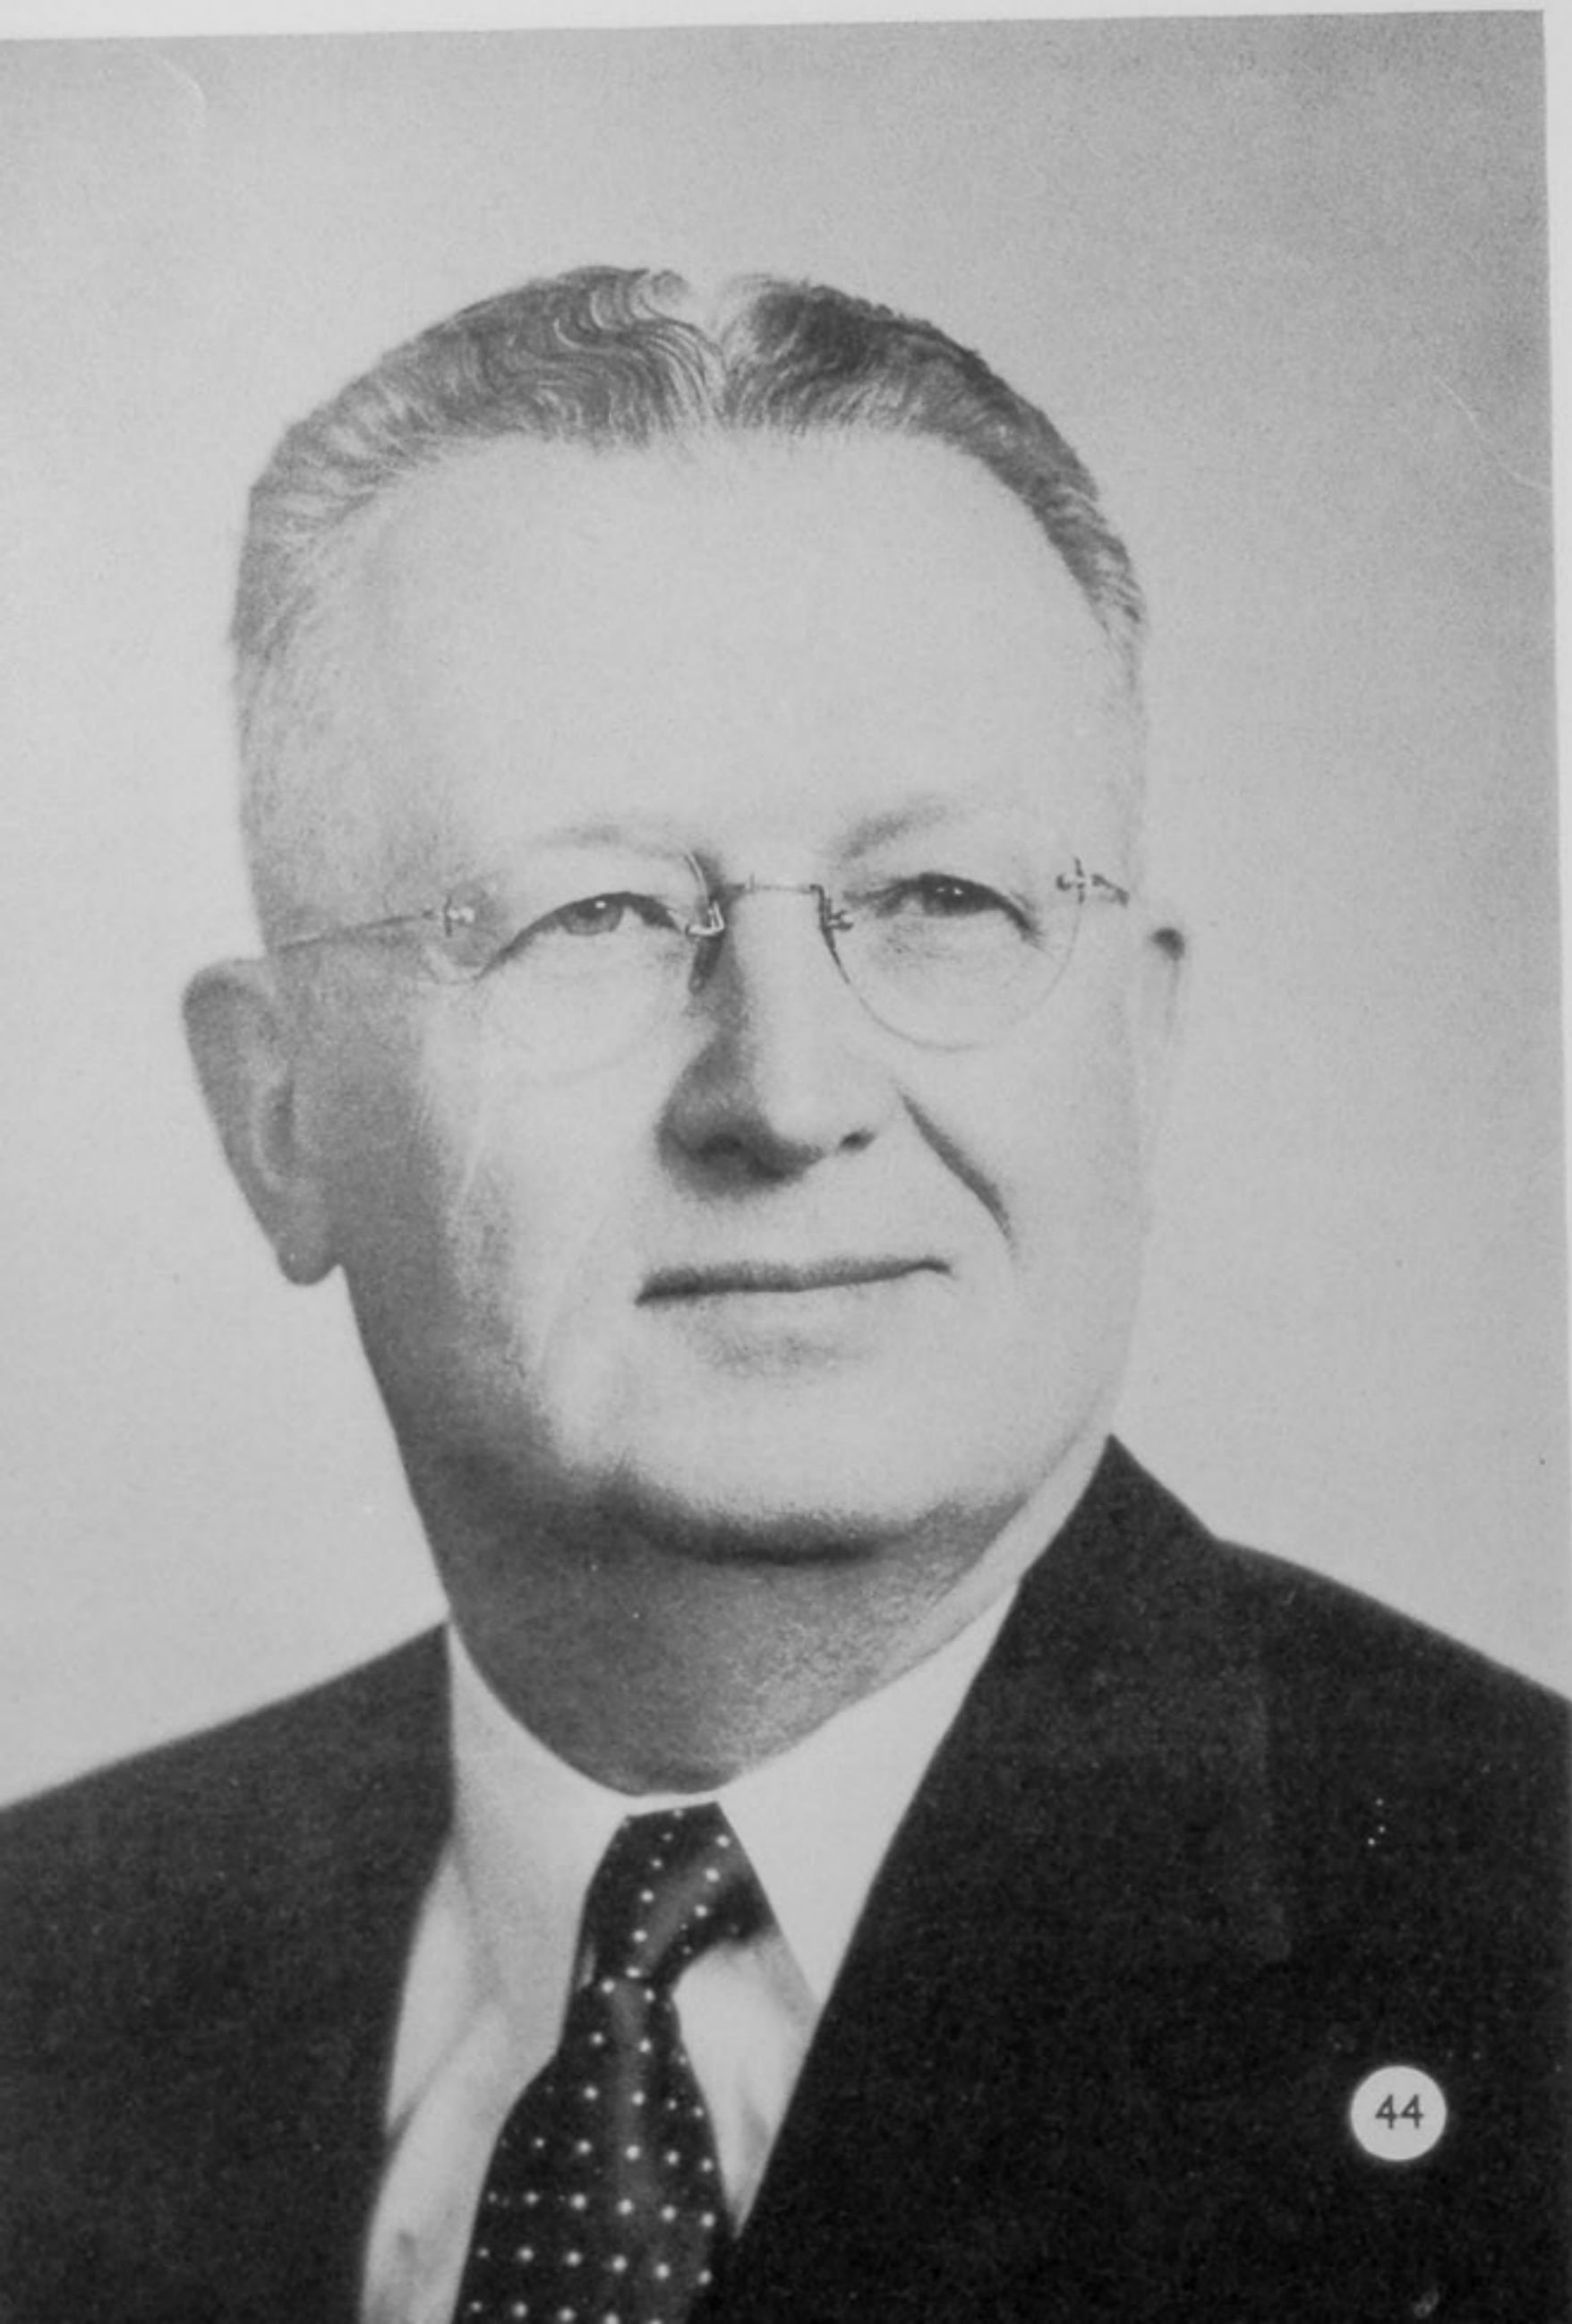

Senior Machine Shop students observe a group demonstration.

PROGRESSIVE ADMINISTRATOR

Mr. H. W. McKelvey, our superintendent of schools, is naturally the first person we think of when our thoughts turn to leadership. He is a wise and considerate man who gives each of us encouragement to be our best whether as leaders or followers.

"Mr. Mac" is a capable administrator and has directed great improvements in educational facilities and techniques for the youth of Portsmouth. He received his B.A. degree from Ohio University. His graduate work was done in School Administration at Ohio State University where he received his M.A. degree. He served in the Air Corps during World War I.

THE SCHOOL A LEARNING CENTER

WE BELIEVE IN THE WISDOM OF OUR LEADERS

Great strides of progress have been made under the leadership of our progressive school executives. They are responsible for an expansion program of our city schools. New gyms, up-to-date libraries, cafeterias and the adoption of a 6-3-3 public education program are the results of their effort to improve Portsmouth's educator standards and educational techniques.

The schools of today will determine the citizens of tomorrow, and the responsibility of efficient administration in the local school system rests with the Board of Education.

MRS. MARY COE BROWN

Mrs. Brown's varied duties include checking the absence list, care of the sick room, sponsorship of the Girls' League and Senior Honor, and the direction of the social program for P. H. S. highlighted by the Fall Formal. She also supervises after-game dances and monthly parties for Girls' League.

Mrs. Brown received her Bachelor of Science Degree from Ohio State University.

RALPH ELLIOTT

Dean of Boys

Mr. Ralph Elliott has completed his thirteenth year as Dean of Boys at Portsmouth High School. He received his Bachelor of Arts degree from Ohio University and has done extensive graduate work at Ohio State University. He taught school for twenty-two years before assuming the position of Dean of Boys. He also serves as the Assistant Branch Director of Ohio University.

His duties include the checking of attendance for boys and the operation of employment service for male students. He also assists in all the social activities of the high school and aids in the selection of courses of study.

Dean Elliott's cheerful disposition, sympathetic understanding, and cooperation have been of great value to the boys of Portsmouth High School.

JACOB H. FROWINE

Guidance Director

Our understanding counselor, Mr. Frowine, helps us solve many of our complex problems. He is serving his third year at P. H. S. He received his B.S. from Wilmington College and his M.A. from Marshall College.

Guidance is a dynamic process; it must be active and continuous because growth is continuous. The goal of guidance is progress toward maturity. Counseling is to help the immature individual recognize his needs. Students who know their abilities and weaknesses can make wise educational and vocational plans.

less duties awaiting the start of each school day. As principal, he finds himself continually besieged by students, teachers, and parents seeking his wise advice and willing assistance in matters ranging from classroom problems to extra-curricular activities.

Mr. Fournier is well qualified for his job as a school administrator. He received his B.S. and M.S. degrees from Ohio State University.

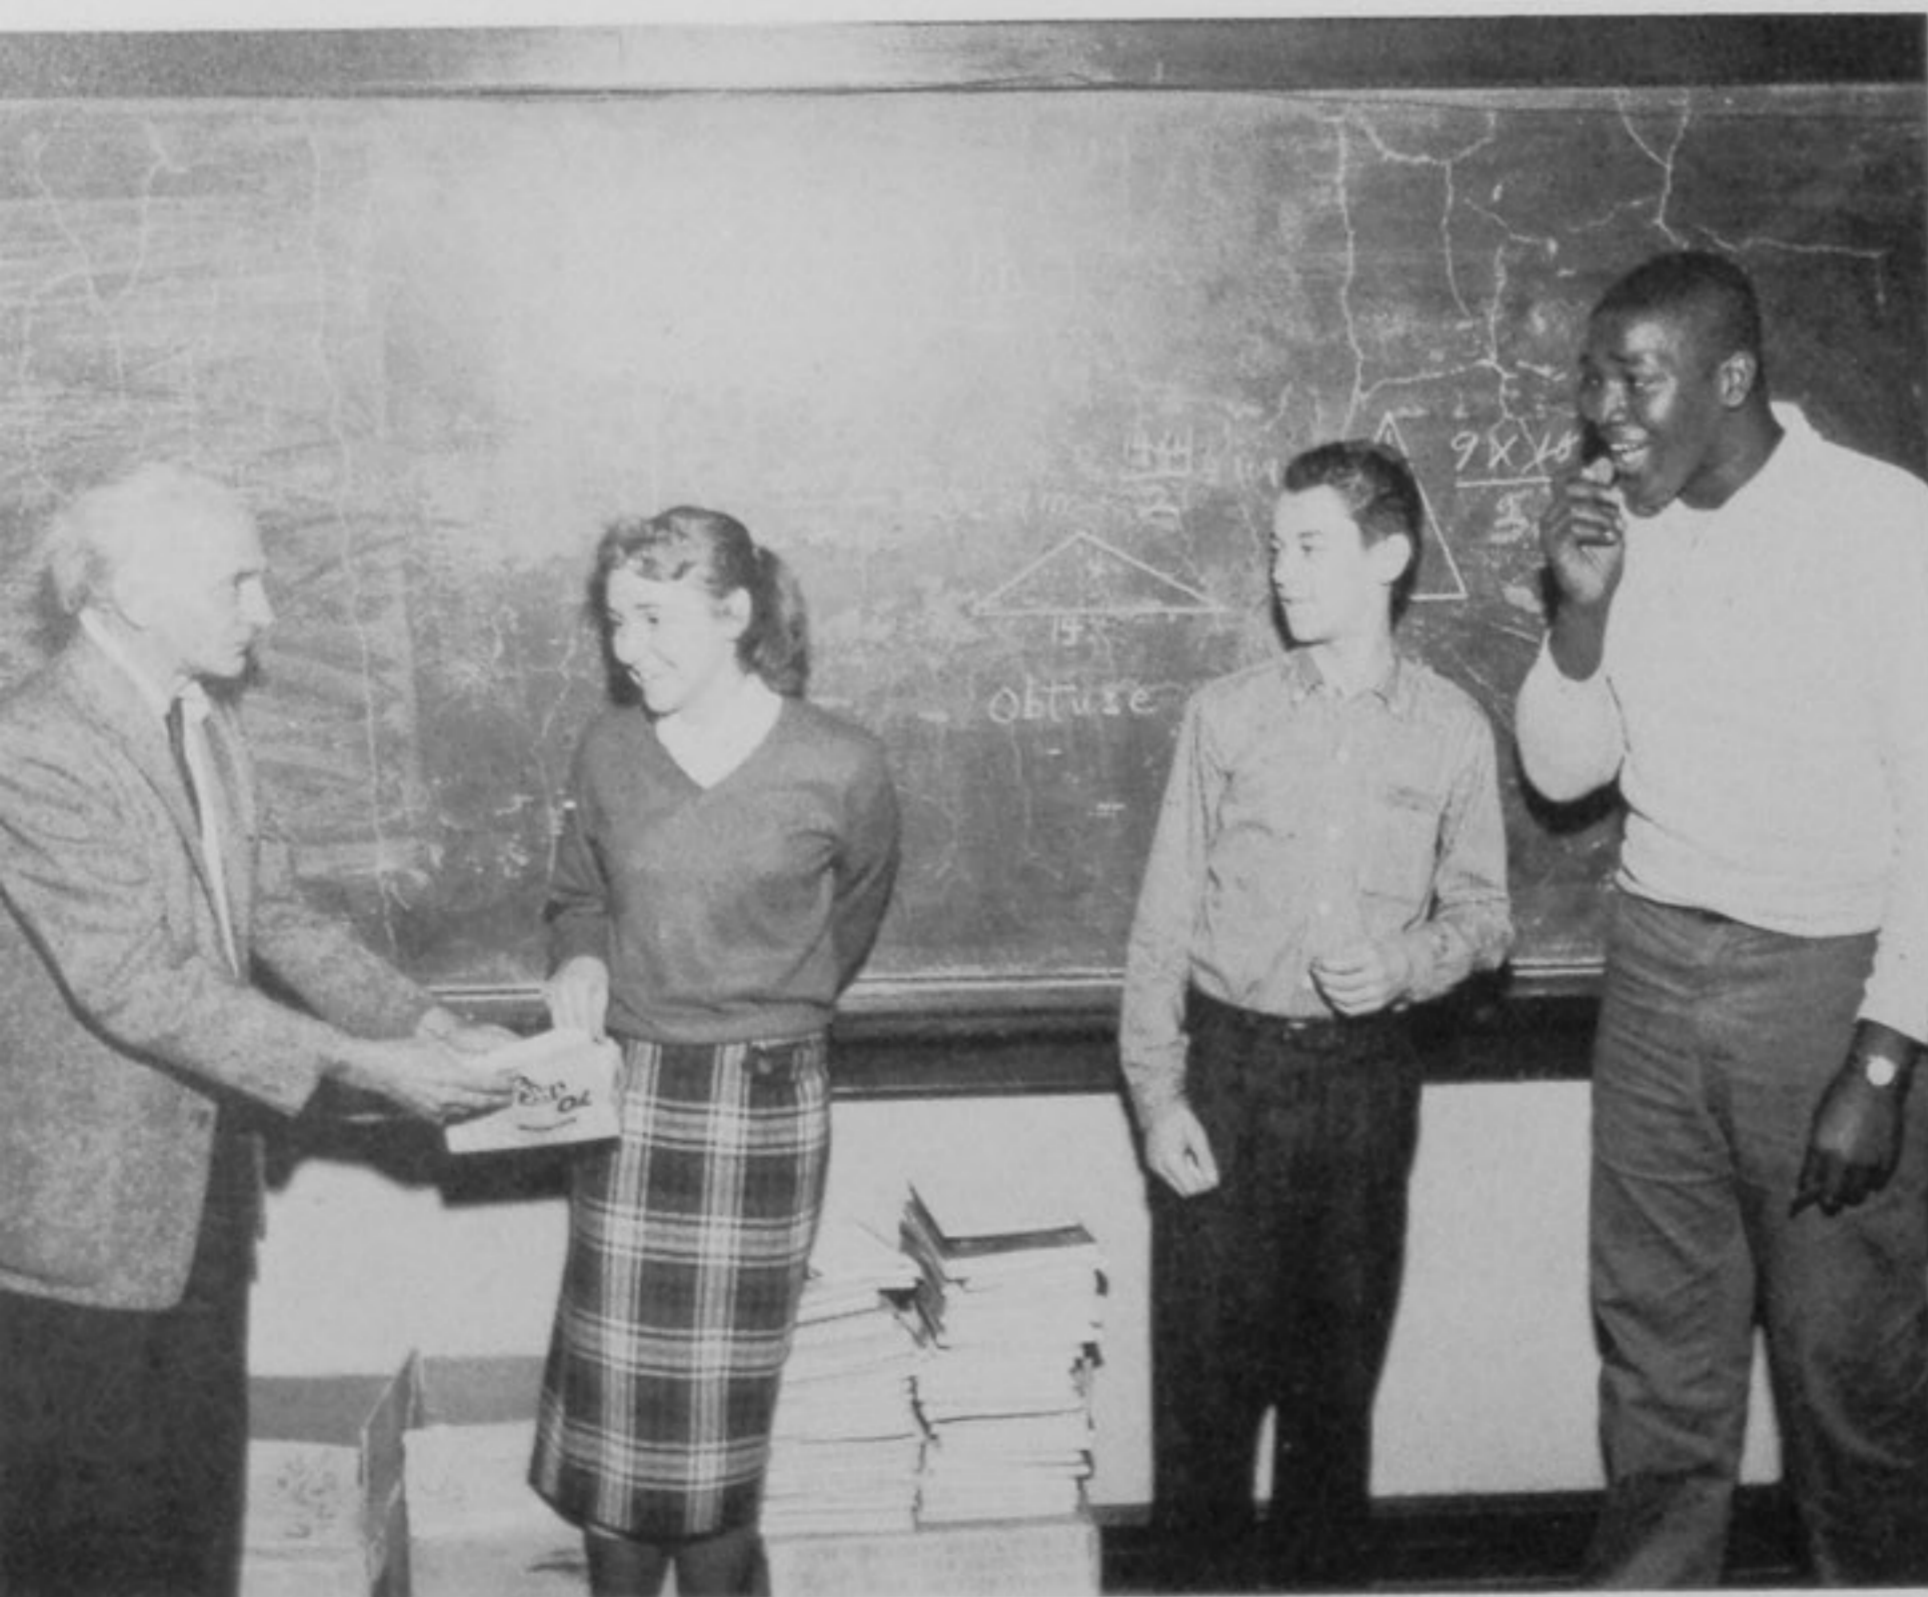

IT IS BETTER TO LIGHT ONE SMALL CANDLE THAN TO CURSE THE DARKNESS

BERT LEACH

Teacher of Business Training, General Mathematics.

It is every teacher's destiny that he is a lighter of candles. These candles are small candles; the lives of the pupils who pass through his hands and classes year after year. Many of the candles are never more than small candles, but now and then a teacher looks back and sees that because of him alone, a "small candle" becomes a beacon light which leads humanity aright.

That Carter is smarter,

And that's why Mr. Leach

GAME RECORD

P.H.S. Trojans Top Fighting West Team 45-0

Municipal Stadium, September 13

The P.H.S. 1957 football season opened with a 45-0 victory over Portsmouth West. The game was played before a rain-drenched crowd of 5000 at Municipal Stadium.

The Trojans tight defense stopped West dead in their tracks every time the Senators gained possession of the ball. Bob Copley, the two way end and captain, was a pillar of defense. Roger Merb showed his capabilities by calling an excellent game. Harlan Frazier played a splendid game on offense and converted the three extra points.

Coach Baughman couldn't single out any one for special praise. He said, "It was a team game with all players looking great."

Harlan Frazier scored two touchdowns and Wally Mershon followed with a touchdown and the three extra points. The Trojans showed a sparkling display of defensive power by holding the Tommies to 60 yards.

Portsmouth Overpowers Springfield 26-7

Municipal Stadium, September 27

The Trojans rose to new heights of gridiron glory when they crushed the very potent Springfield Wildcats 26-7. It was one of the best games the P.H.S. football warriors had played in years. This game received com-

mendation from the Greater Ohio League and turned the eyes of the state toward Portsmouth. Under the capable direction of Roger Merb, the Trojans overpowered the favored Wildcats.

Harlan Frazier ran his seasons scoring to 29 by a marker in the final period and the two extra points.

After the game 200 excited students formed a snake dance and carried the coach from the field. Mr. Baughman called it one of the finest wins of all his years of coaching.

P.H.S. Trojans Top Fighting Lima Team 32-0

Municipal Stadium, October 4

The men of Troy sent the Spartans' of Lima down to defeat in a "must" game for the Trojans. The Trojans were superb in their ball handling, and the defensive team "throttled" the visitor's attack with a tremendous display of power on the line.

Harlan Frazier led the team in scoring with two touchdowns. Wally Mershon scored a touchdown and two extra points. The victory gave the Trojans 2-0 record in G.O.L. action and the league lead.

Middies Upset Trojans 14-13

Barnitz Stadium, October 11

The Middletown Middies surprised a highly favored Trojan team to capture the G.O.L. lead. The score changed hands four times with the Middies coming up on top. The Trojans outplayed Middletown statistically, but the Middies got all the breaks. It was not until the last quarter that the Middies went ahead to stay, but the Trojans kept up a do-or-die effort until the end.

An outstanding play was made by Mershon, Hisle, Frazier, and Compton when they ground out the yardage to the three-yard line, and Frazier dived over the right side for a touchdown. Mershon's kick was good, and P.H.S. led 13-7.

Cincinnati Elder Defeats P.H.S. 20-6

Elder Stadium, October 18

The spark that propelled the Trojans to four straight victories this year was missing as Cincinnati Elder handed the Trojans their second straight defeat by a 20-6 margin in Elder Stadium.

The Trojan ground game was able to pick up only 94 yards while aeriels netted 14, a far cry from the figures of the five previous tilts.

The game ended, literally, in a fight that saw both benches in the center of the field. P.H.S. began to move the ball in the initial period after Joe Grant intercepted an Elder pass.

Wally Mershon, one of the bright spots in the dark evening, hit on the trap to the 35 and then went to the

27 on a dash around right end. Portsmouth started a drive midway in the third period when Mershon picked up four yards on the draw to the 20 of P.H.S.

The Trojan effort represented a complete reversal from that displayed in the first four games at Municipal Stadium. Mershon, Sturgill, and Hisle received congratulations from Coach Baughman for their fine performances against Elder.

Hamilton Defeats P.H.S. 25-6

Hamilton Stadium, November 1

Hamilton's Big Blue exploded for a quick pair of touchdowns in the early minutes of the second quarter and then rolled for two more in the third period to rip Portsmouth's Trojans 25-6 in a Greater Ohio League contest. It was the third consecutive loss for the Trojans.

For the Big Blue, the victory over the influenza and injury-ridden Trojans, put them a big step nearer the League title.

A surprise starter for the Trojans was Wally Mershon. He played his usual fine game, picking up most of his yardage on the trap and draw. Minus healthy players on both offensive and defensive units, Portsmouth was never really in the game after the first quarter.

Quarterback Dave Lewis found end Bob Copley in the end zone with a pass in the final two minutes of the game for the lone marker. Lewis played a fine game going through the line to the 24 and then firing to Copley for the score.

Portsmouth	0	0	0	6-6
Hamilton	0	13	12	0-25

Touchdowns—Portsmouth: Copley. Hamilton: Lacy, Bradbury, Baker, Johnson.

P.H.S. Ends Losing Streak Beats Ironton 13-6

Ironton Stadium, November 8

Portsmouth's Trojans pushed across a touchdown with slightly more than four minutes to go in the final period to defeat the tough Ironton squad by a 13-6 margin.

The victory was a sweet one for the Trojans. It not only ended their losing streak, but it also marked the 20th win over the Tigers in thirty rivalry-loaded meetings.

The big break came in the last quarter when guard John Sturgill recovered a Trojan fumble on the 49 yard line. Six plays later, Roger Merb went over from the two for the tally.

Neither club could make much yardage on the muddied field until P.H.S. started its drive for the game-winning TD. Orville Ferguson's interception of an Ironton desperation aerial on the P.H.S. 45 in the following series ended any hopes for a Tiger victory.

Portsmouth	0	6	0	7-13
Ironton	0	0	6	0-6

Touchdowns—Portsmouth: Johnson, Merb. Ironton: Harvey.

Points after touchdown—P.H.S.: Mershon.

P.H.S. Hangs 31-7 Defeat Over Lancaster Municipal Stadium, November 15

Sophomore Halfback John Hisle galloped for three touchdowns as the Trojans of Portsmouth crushed the highly-touted Lancaster by a margin of 31-7 before a

homecoming crowd of 4,000 persons at Municipal Stadium.

For the nine P.H.S. seniors playing their final scholastic football contest, the victory was a sweet one over the ninth-ranked Lancaster. Each senior turned in a splendid night's work for his final grid outing.

Senior Joe Grant electrified the crowd in the third quarter when he intercepted a pass on the Trojan 45 yard line, eluded a host of tacklers, hurled the Lancaster safety on the enemy 27 and used a saving block from Orville Ferguson to scamper for the final P.H.S. tally.

Wally Mershon, P.H.S. fullback, picked his holes perfectly when called on and tallied a TD from a Lancaster fumble for the initial score of the game.

The Homecoming ceremonies produced Alice Dever as this year's queen.

Portsmouth	6	12	13	0—31
Lancaster	0	7	0	0—7

Touchdowns—Portsmouth: Hisle (3), Mershon, Grant. Lancaster: Baughman.

THE MIGHTY TROJAN WARRIORS

A winning coach must have varied elements contributing to his success. First, he must be lucky enough to have natural ability available. Second, he must inspire these players to practice countless hours in order to develop routine skill into trained perfection. Third, he must mold individuals with

a human desire for personal glory into unselfish co-operating team players. If he succeeds as has Coach Heller, for many seasons, he not only wins championships; but has the satisfaction of knowing he has helped to build the type of manhood this nation needs.

PORTSMOUTH vs. COLUMBUS SOUTH

First Game

The Trojans dropped the opener to a well-balanced South team by a 43-40 score. The Trojans made a valiant comeback in the second half, but fell short of a victory. Dave Skaggs was high with 13 points in the losing cause.

PORTSMOUTH vs. COLUMBUS CENTRAL

Second Game

The timekeeper's gun ended the fine comeback effort of the Trojans as they dropped a close one to Columbus Central, 41-39. The game was even until the third quarter when the Central club took a four point lead. Dave Skaggs paced the Trojans with 13 points. Buddy Bundy had 9, Roger Merb, 5, and Bill Ison, 6.

PORTSMOUTH vs. SPRINGFIELD

Third Game

Having a bit of bad luck, the Trojans lost to the Springfield Wildcats, 64-41. The Wildcats had the height and used it all through the game to chalk up a victory. The Trojans took the lead only once when Bundy hit on a set shot with forty seconds gone in the first quarter. It was all Springfield the rest of the way. Dave Skaggs and Buddy Bundy both led the way in scoring with 13 points.

PORTSMOUTH vs. IRONTON

Fourth Game

The Ironton sharpshooters had to go all the way before making the Hellermen bow out, 63-48. The Trojans came through with their best offensive effort of the young season with a dandy 37 percent shooting average. In losing, the Trojans showed a definite improvement. Bill Ison paced the Trojan attack with 17, while Dave Skaggs collected 10. Merb and Bundy recorded 9 each.

PORTSMOUTH vs. LIMA

Fifth Game

The Trojans continued to show improvement as they dropped a thriller to Lima, 61-58. Down 10 points as the final period started, the Trojans roared back at the Spartans with a rally that kept the fans on their feet. Toward the end of the hectic game, some of the players and the fans lost their tempers; however, the officials kept the game under control. Skaggs led the Trojans with 17 points. Bill Ison had 15, and Dave Lewis had 10.

PORTSMOUTH vs. COLUMBUS EAST

Sixth Game

Columbus East, one of the top teams in the state, gave the Trojans their sixth setback, 75-44. However, Gary Getz and Bill Ison gave the Portsmouth fans something to cheer about with their fine play throughout the game. Ison led the pack with 20 points. Roger Merb had 9, and Gary Getz had 8.

PORTSMOUTH vs. CHILLICOTHE

Seventh Game

The Trojans had a slightly belated Christmas present as they dumped the Chillicothe quintet, 57-53. The Chillicotheians had won six in a row before they lost to Zanesville and to Portsmouth. It was a tight game all the way, but the Trojans' never-say-die spirit could not be stifled. Roger Merb led the victorious Trojans with 15 points. Buddy Bundy had 12 with Bill Ison and Dave Lewis dropping in 11 apiece.

PORTSMOUTH vs. HAMILTON

Eighth Game

The Big Blue came to town with a powerful team to defeat the Trojans 83-56. Again lack of height proved a great disadvantage to the Trojans. Roger Merb came through with his best performance of the year. He led both the Big Blue and the Trojan scoring with 25.

PORTSMOUTH vs. CINCINNATI WESTERN HILLS

Ninth Game

The Trojans came through with a good shooting percentage to record a 72-61 victory. Western Hills was the first team the Trojans met who had a comparable height average. In the course of the game, the officials called 59 fouls. Bill Ison used his height well to snag rebounds and register tipins. Buddy Bundy dropped in 16 points to lead both clubs in the scoring department. Ison and Merb had 13 apiece.

PORTSMOUTH vs. LANCASTER

Tenth Game

The Golden Gales blew into town to dump the Trojans, 74-58. The Trojans had trouble hitting the basket. However, Buddy Bundy was a thorn in the side of the Lancaster quintet as he played what was easily the best game of his high school career. John Adams, a sophomore, also showed definite improvement. Bundy had 18 points with Skaggs, Lewis, and Adams dumping in 10 apiece.

PORTSMOUTH vs. GREENFIELD

Eleventh Game

Sophomores in the Trojan lineup helped the Trojans notch a 62-53 victory over the Greenfield Tigers. While Coach Heller was not elated over the team's effort, he was pleased with team improvement. He was especially pleased with the play of sophomores Ken Nagle, Harry Ruark, and John Adams. Skaggs and Merb led the Trojan's scoring with 13 apiece. Bundy and Nagle had 10 apiece.

PORTSMOUTH vs. SPRINGFIELD
Twelfth Game

The Trojans fell behind in a great fourth-quarter Wild-cat rally to lose, 65-52. Senior Mike Schuler was injured in the second-quarter when an unidentified Springfield player rode him into the wall at Tiffany Gym. Mike's arm was broken, and the Trojans lost his services for the rest of the season. High scorers for the Trojans were Bundy and Skaggs with 13 apiece. Dave Lewis and John Adams had 7 apiece.

PORTSMOUTH vs. MIDDLETON
Thirteenth Game

Jerry Lucas and Company subjected the Trojans to rather rough treatment as they defeated the Hellermen, 78-50. Again height proved a great advantage for the Middies and a great disadvantage to the Trojans. The Trojans played a creditable game in the first half, but the superior height slowed them down in the second half. Buddy Bundy played an alert game to lead the Portsmouth scoring with 11. Merb had 10 and Skaggs 7.

PORTSMOUTH vs. LIMA
Fourteenth Game

The Trojans managed only one point in the initial period to lose to the Lima Spartans, 68-52. For the rest of the game, the Trojans played commendable ball but the first quarter proved their ruin. Bundy got the only point in the period on a foul shot with just 24 seconds left. Dave Skaggs turned in another good game for the Trojans as he led the scoring with 13. Lewis had 11, Bundy had 9, and Ruark had 8.

PORTSMOUTH vs. LANCASTER
Fifteenth Game

The Golden Gales turned out not to be the storms they thought they were as the Trojans defeated them 63-57. Again the sophomores played an important part in the game as they sparked the Trojans to victory. Coach Heller said that the second Lancaster game was the best game the Trojans had played this year. Roger Merb paced the victorious Trojans with 16. John Adams had 13, Bundy had 9, and Dave Lewis had 8.

PORTSMOUTH vs. IRONTON
Sixteenth Game

Ironton came to town with the best team in many years to defeat the Trojans, 69-57. In the course of the game, 47 personal fouls were called with the Hellermen getting tapped for 28 of them. Toward the end of the game, Bundy and Ironton's fine guard, Ralph Snead, were on the verge of fisticuffs; however, the boys reconsidered and the game progressed. Roger Merb again led the Trojan attack with 20. Buddy Bundy had 12 and Dave Lewis had 7.

PORTSMOUTH vs. HAMILTON
Seventeenth Game

The Trojans came close to upsetting the Big Blue, but they fell behind in the third quarter and never caught up to lose the game 59-48. The Trojans went to the locker room with a 24-21 lead at halftime, but couldn't hang on to the lead. Buddy Bundy was high for the Trojans with 18. John Adams had 8, and "Alt" Ison had 7.

PORTSMOUTH vs. MIDDLETOWN
Eighteenth Game

The Trojans forced Jerry Lucas and Company to go all out before they subdued the Hellermen, 79-47. The game was fairly even in the first half, but Lucas got hot to

sink 37 points, also sinking the Trojans. In scoring 37, Lucas passed Wilt, "the Stilt," Chamberlain's high school scoring record. Skaggs was high for the Trojans with 10. Bill Ison and Buddy Bundy were right behind him with 9 apiece.

TOURNAMENT PLAY

PORTSMOUTH vs. COAL GROVE

The Trojans came through with a fine victory over Coal Grove in their first tournament encounter, 66-46. After the first period, the Trojans were on the short end of a 9-8 score; however, Coach Heller put in the shock troops who pulled the game out of the fire. Roger Merb again played a good game in his forward position as he scored 24. Bundy dumped in 12.

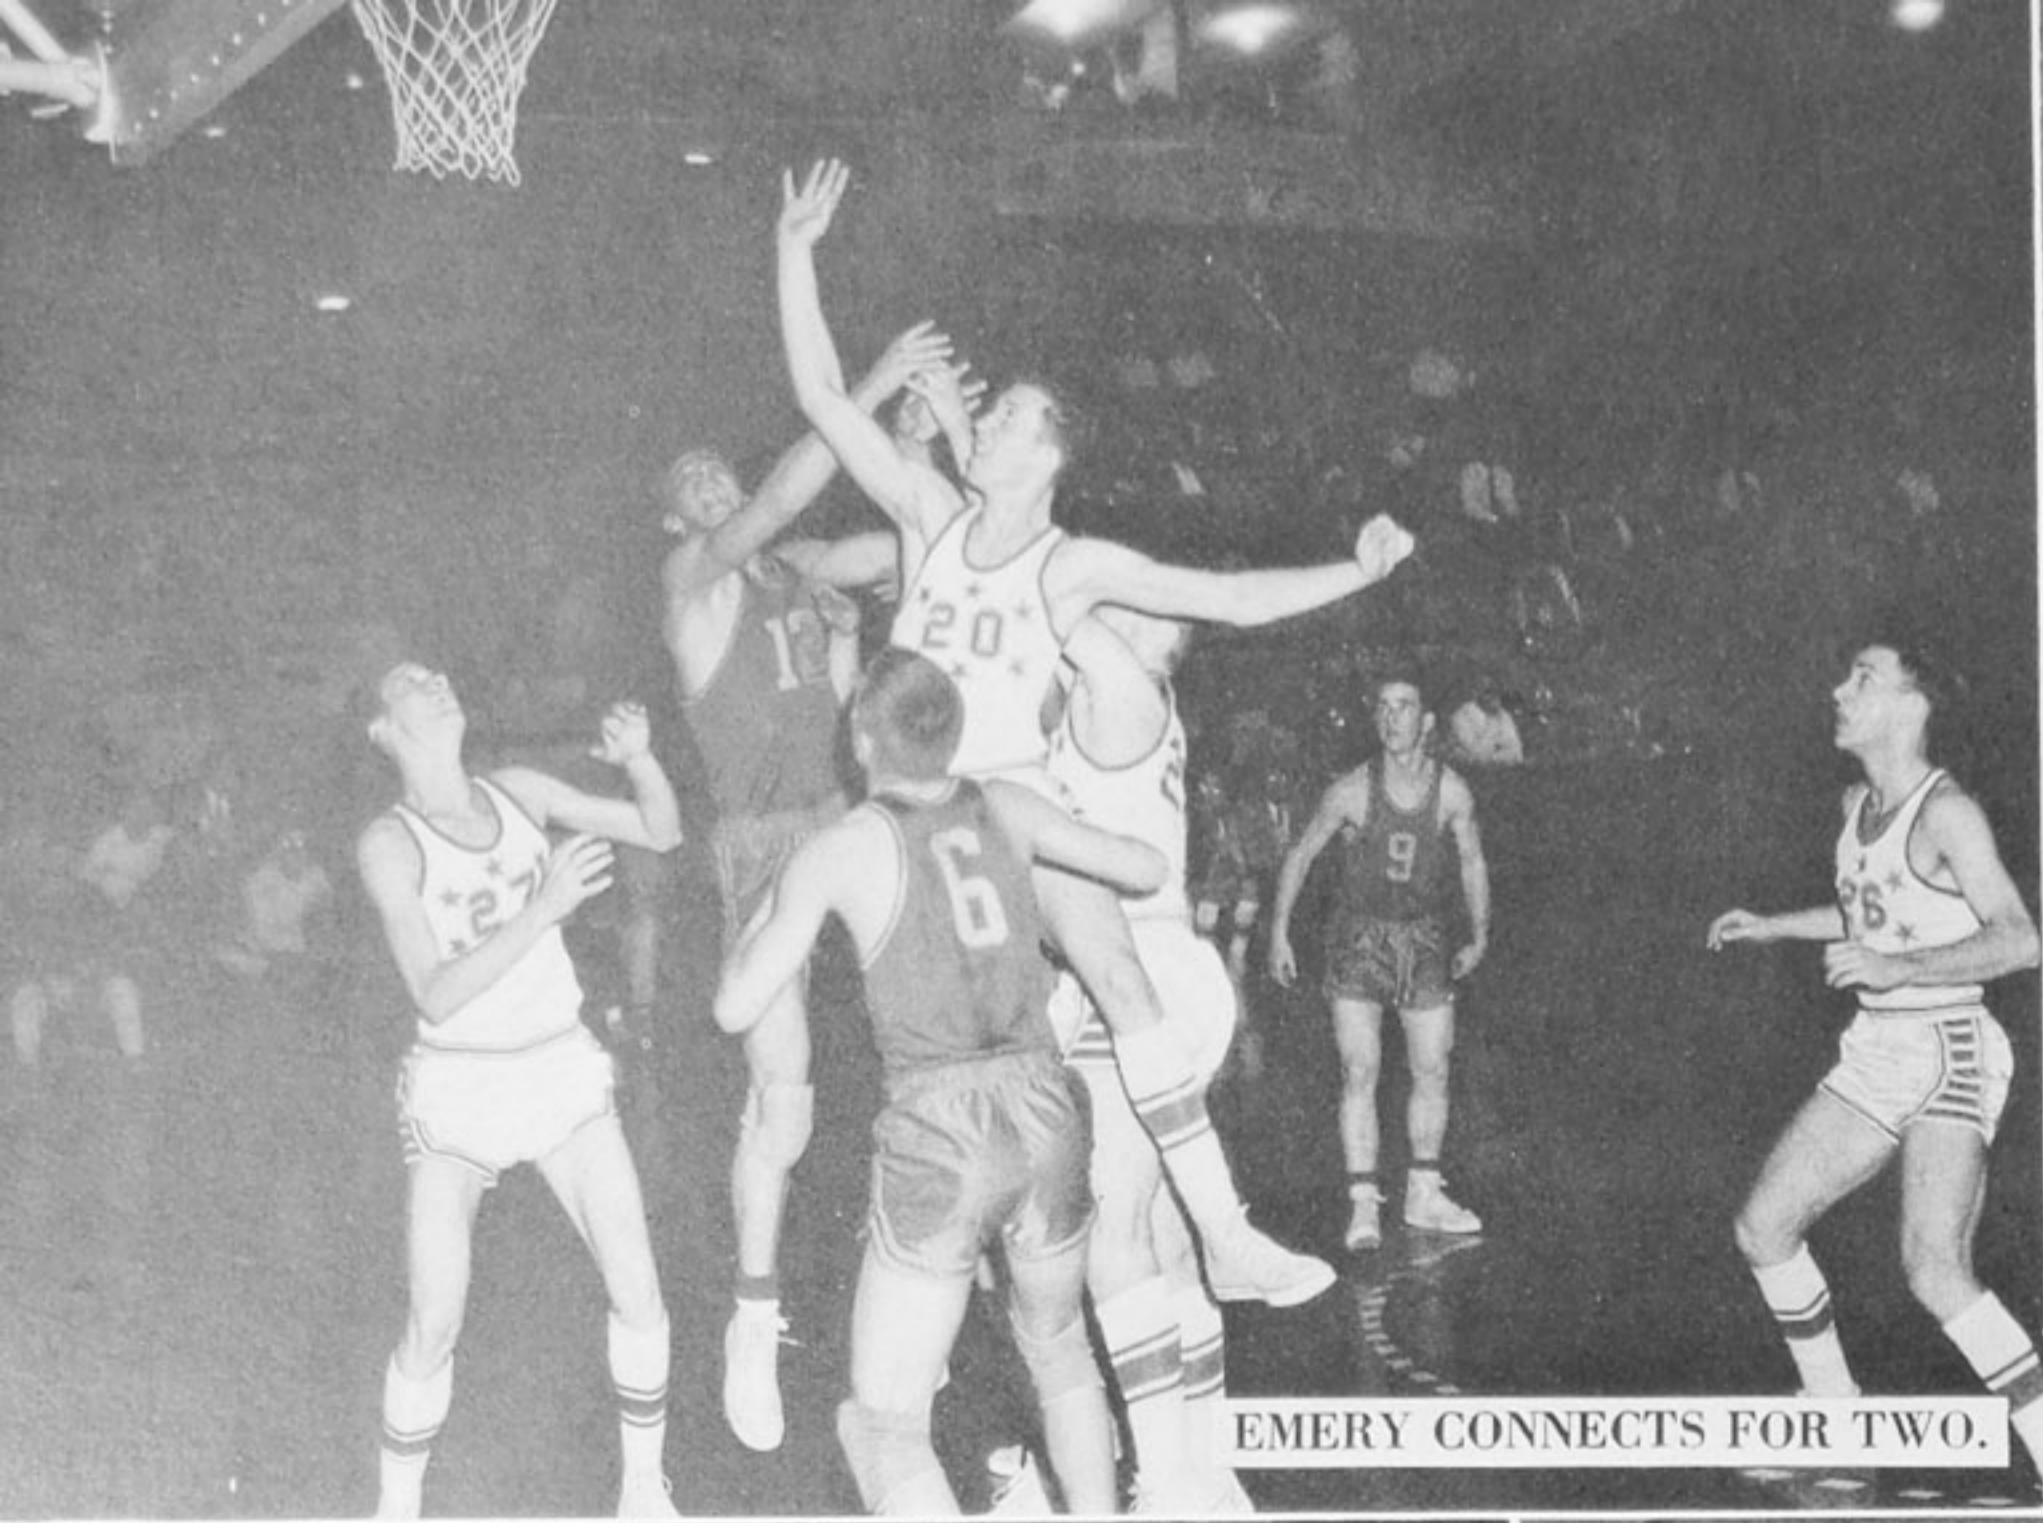

PORTSMOUTH vs. VALLEY

The Trojans scalped the Valley Indians, 78-60. The Portsmouth players used their height to great advantage as they grabbed the rebounds when they counted most. Valley was ahead at the end of the first half, 35-31, but whatever Coach Heller told the team at halftime had the desired effect as the Trojans went on to play red hot ball in the 3rd and 4th quarters. Buddy Bundy was high for the victorious Trojans with 27. Dave Skaggs and Bill Ison had 15 apiece.

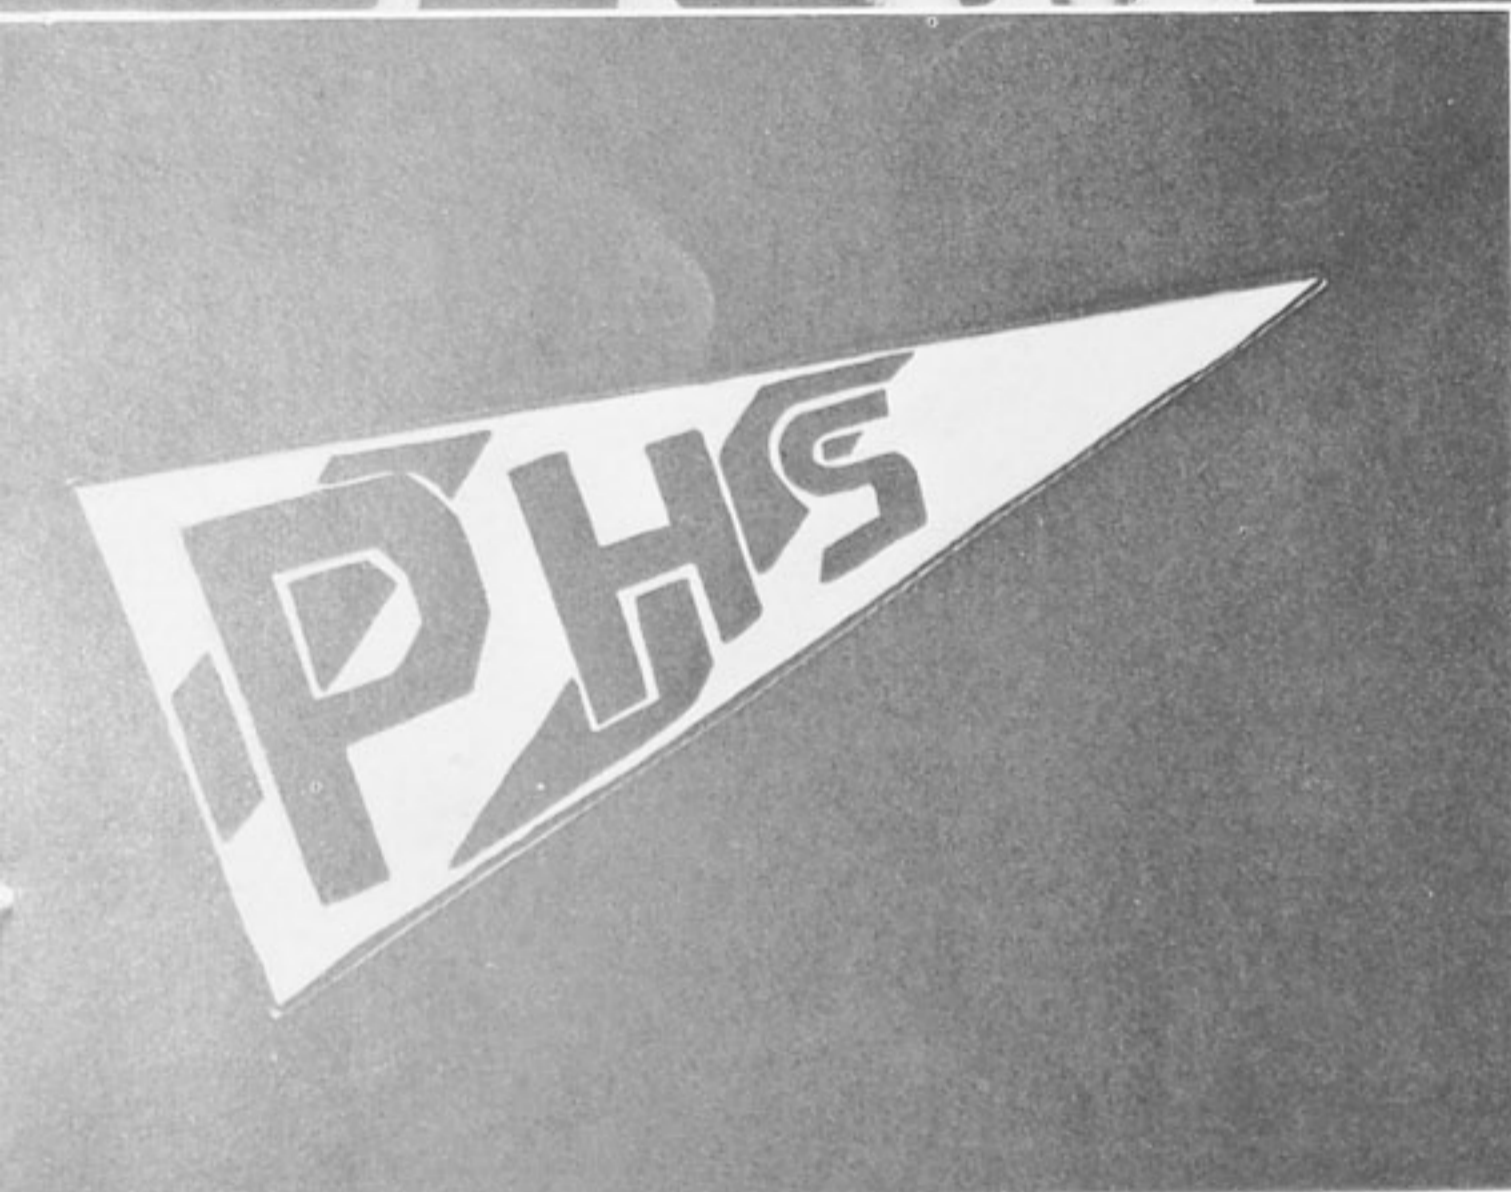

PORTSMOUTH vs. IRONTON

The Ironton Tigers ended the Trojans tournament hopes by defeating the hard-fighting Portsmouth club, 70-68. The contest was tension-packed all the way. In the last second of play, Dave Skaggs let fly with a desperate, length-of-the-floor heave. It hit the board a foot above the basket and six inches to the left and bounded away. Roger Merb had 21 for the Trojans. Skaggs had 16, Bundy, 13, and "Alton" Ison had 9.

Both tennis and golf are absorbing sports which are enjoyed by all participating in them. Not only do these sports fill leisure time but also offer as a reward, perfect coordination for all enthusiasts. Exercise is

not all "stress and strain" it provides relaxation as well.

TRACK TEAM

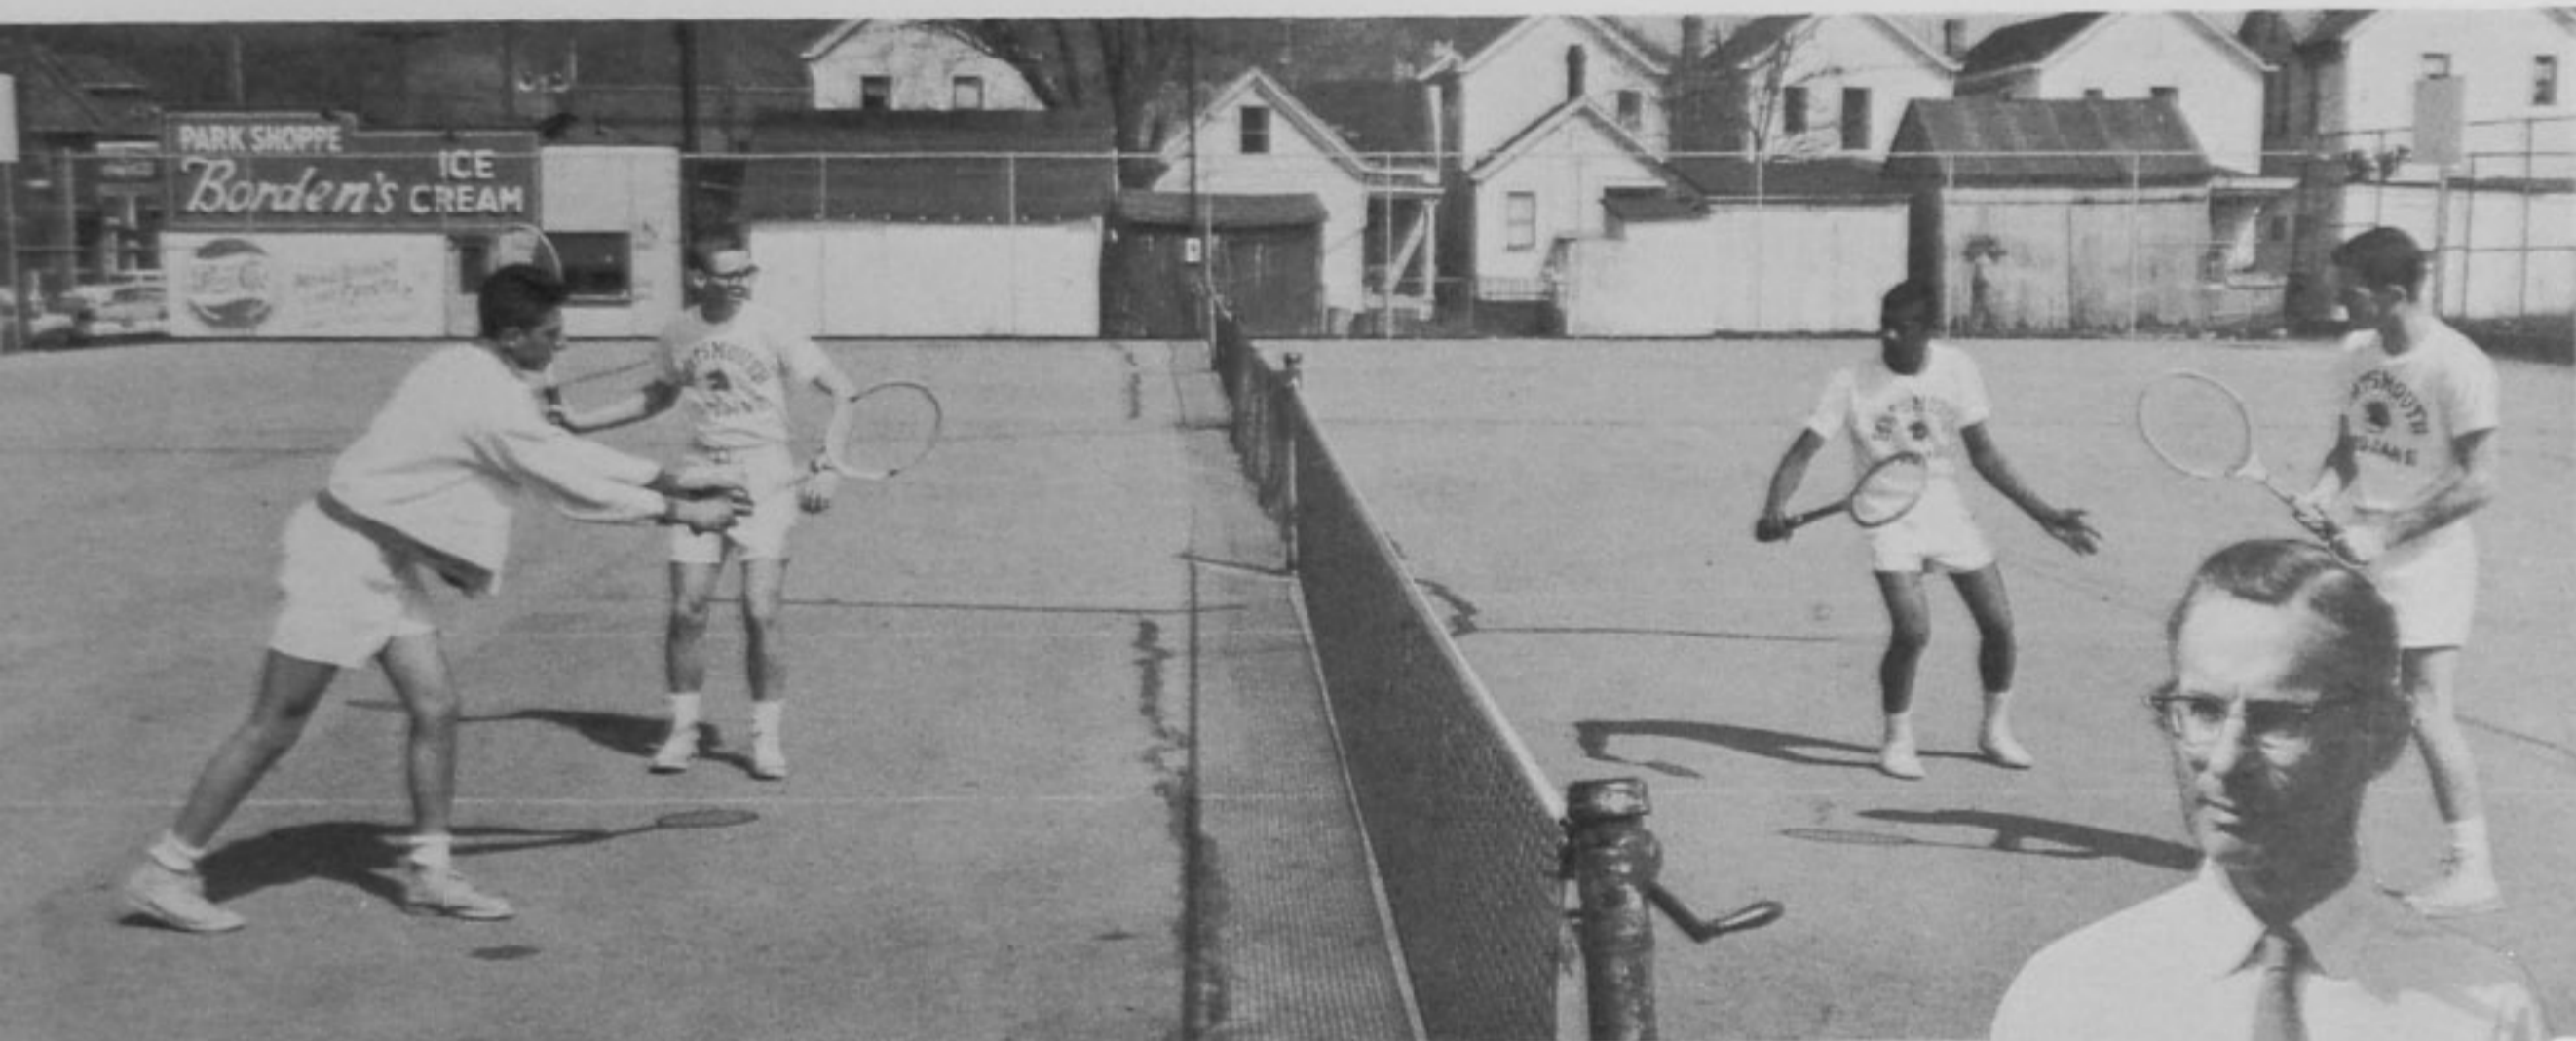

The word out on the cinder track is "optimism". The 1958 team members: Bob Potts, Bennie Johnson, and Joe Grand were the big guns. The Trojan trackmen showed strength in the relays and disc throwing.

FUTURE TENNIS CHAMPIONS PARTICIPATE

The happy Trojans always leave for the courts in anticipation of victory. Hours of practice to perfect a firm grip, correctly timed back stroke, and quick foot-work, produce champions. A bull's eye and you're in, into a season of good tennis with Coach Charles (Chuck) Lorentz calling the plays.

In a world of labor saving machinery, physical health is becoming more and more a concern of organized games and calisthenics. At PHS the physical education program is designed to develop sound bodies and instill in each student an appreciation of good exercise and sportsmanship. Girls of Portsmouth High School are offered a varied athletic program. Some of the sports enjoyed by the girls are: softball, basketball, bowling, badminton, volleyball, paddle tennis and ping pong.

Organized play is a development of the last fifty years, although competitive sports and games as a means of displaying valor dates back to ancient Greece. Before the nineteenth century very little attention was given to organized play for either children or adults.

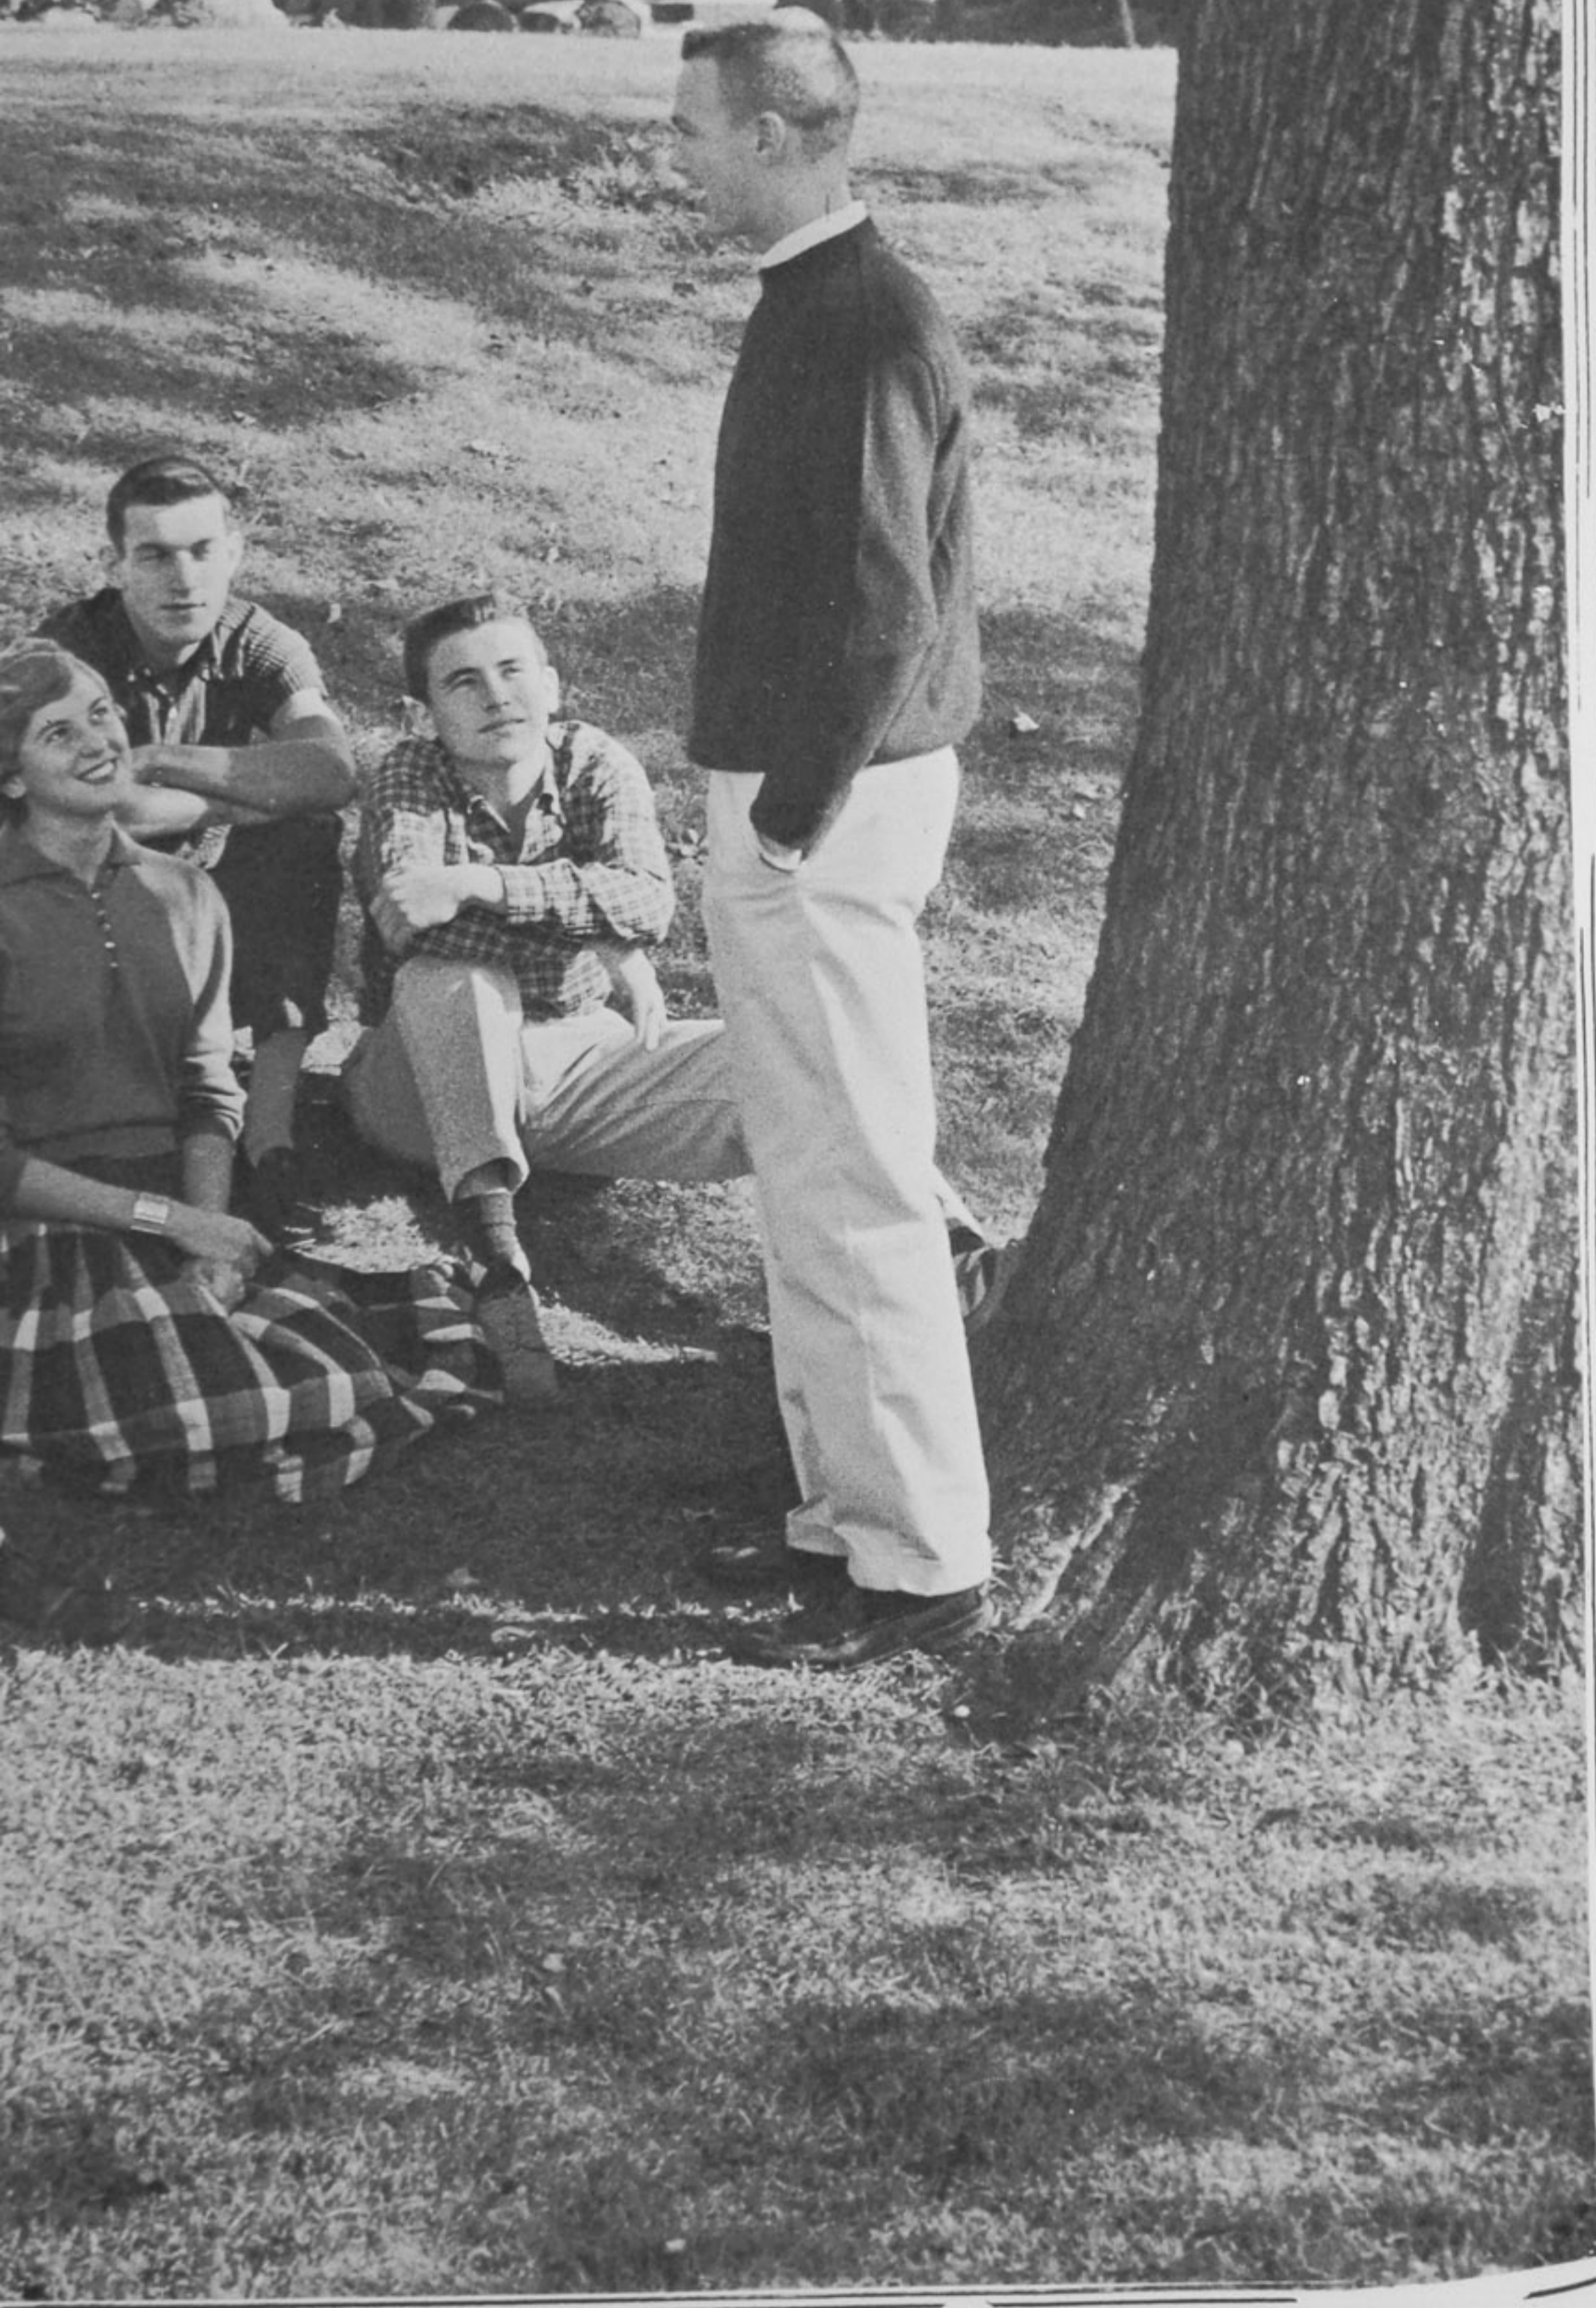

In the nineteenth century, educators began to observe the wholesome and re-creative nature of many types of play. Scientific studies supported these observations, and as a result an emphasis on certain types of play activities developed.

ACTIVITIES . . . *in this our life at
Portsmouth High*

Preparing students to become good citizens through participation in varied activities gives us a better school and a better community.

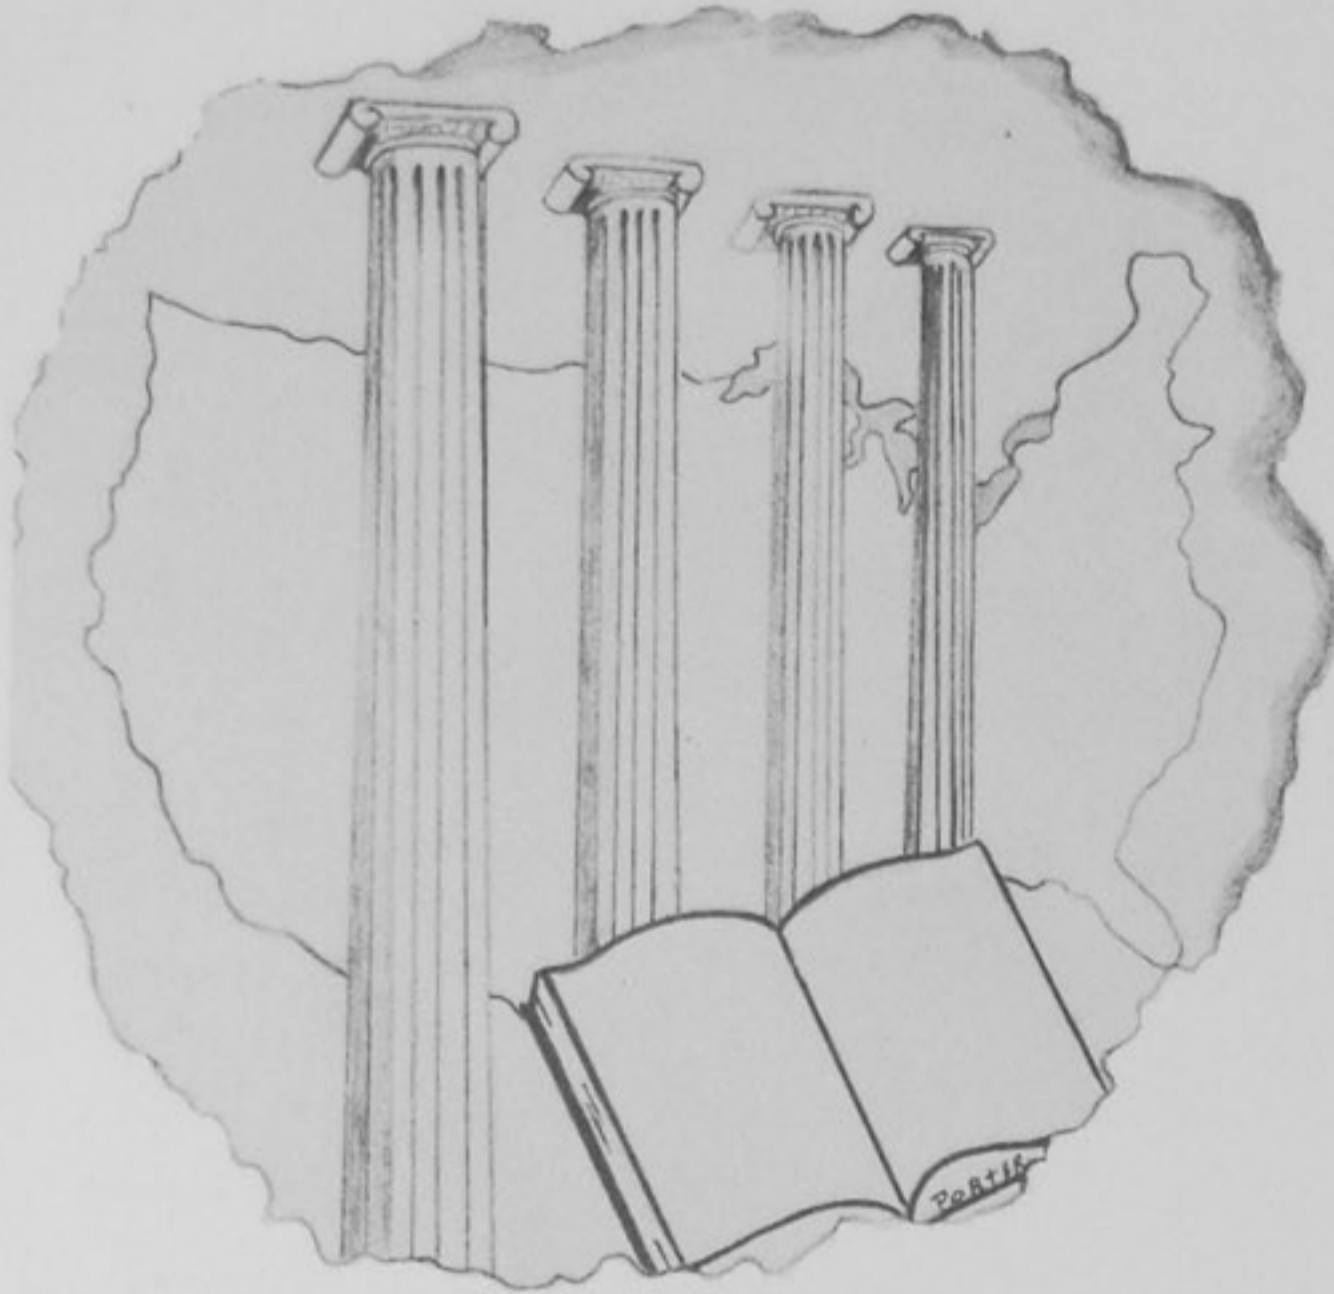

GUIDANCE

We know each other better through service activities. The deans' assistants and Mr. Frowine's assistants symbolize this to the highest degree.

The services that these people do are numerable. Among the duties of the deans' assistants are: to call and see why people are absent, to answer the telephone, to find people for the dean, to pick up absence slips and to run errands, and to be responsible for the deans' office, serving as a receptionist.

The duties of Mr. Frowine's assistants are: to keep the guidance library, to keep the vocational and educational files complete, to file record materials of the students for guidance purposes and interviews (except test data), to bring students for guidance consultation, to answer the telephone, take messages and make appointments, and to type and file all correspondence.

The student receives no credit for helping in these offices. It is entirely voluntary and is truly a service of activity.

NATIONAL HONOR SOCIETY

Responsible and outstanding in all fields, National Honor members typify tentative leaders of tomorrow. This year 12 seniors or 5% of the class who were outstanding in scholarship, character, leadership, and service comprised the Emily Ball Memorial Chapter of National Honor.

Members are chosen by a vote of the faculty on the basis of character, leadership, and service from students who are high in scholarship.

National Honor Society meets the first Tuesday of each calendar month. New members are initiated at the first regular assembly in May. Membership consisted of: Linda Brown, Mary Alyce Staten, Joan Stearnes, George Johnson,

The Student Council, the student governing body, made great strides this year toward its ultimate goal—a better school and community. The chief work of this group is to uphold the high standards and fine traditions of Portsmouth High by making and giving suggestions, rules, and social plans for the students, all of which help to encourage good citizenship.

This council endeavors to create a friendly feeling among the students by exemplary attitudes and actions. All homeroom presidents and class presidents are members of Student Council. As soon as homeroom elections have been held, the council meets to organize and take up its responsibilities as a representative of the student body. The council meets at 8:10 a.m. on Wednesday every week during the school year. Concluding the year's activities, elections, and installation of the new officers are completed and plans for the next year are made.

This highly respected group of students selected as their officers for the 1957-1958 school year Tom Norman, president; Jeff Manley, vice-president; Dave Wood, treasurer; Alice Dever, recording secretary; and Flossie Lehman, corresponding secretary. Miss Anna Blazer was the capable advisor of Student Council.

Library Staff Installation Service

Through membership on the Trojan Library Staff one can develop character, further his education and spend many pleasant hours. In addition to assisting students find various materials and books, they help the librarian, Mrs. Hartley, with the business aspects of library work. In October they gave a coffee hour before

school to acquaint the teachers with all the new books which had been purchased during the summer months. Other activities this year included a pirate party, an installation service and reception for the parents, a Christmas party, a spring picnic, an assembly, and sponsorship of an after-game dance.

This year's officers were: Gerry Hager, recording secretary; Anita Craycraft, president; Patty Davis, assistant librarian; Hazel Riggs, corresponding secretary; Patty Baker, treasurer; Margie Blood, social chairman; Jack Perkins, vice-president; and Jack Young, historian.

Portsmouth High School News Class is continuing its 17th year reporting school news for *The Portsmouth Times*.

In addition to writing for *The Times*, the class puts out *The Student Prints*, PHS offset-printed paper published every two weeks. The paper is in its fourth year.

The class does all the writing, "typesetting" and photography work for its own paper.

The 13 seniors and 11 juniors in the group model their news study after *The Times*. Photographers take their own pictures and a member of the class does the developing and enlarging. Student artists on the staff draw the cartoons for PHS paper.

Miss Mary Elizabeth Schwartz, who teaches college English and creative writing at PHS, was the first to form the news class and still is its teacher. She formerly was a writer for *The Times*.

The class gets practice in feature writing, straight news coverage and news planning for articles from its work for *The Times* and *The Student Prints*.

A yearly field trip to *The Times* building is a highlight of the class experience. At *The Times* the class studies production methods and learns newspaper principles first hand.

This year there were three periods to handle the coverage of news.

Three divisions, namely, the literary, art, and business staffs, became a closely co-ordinated group all working for the final goal—this 1958 Trojan. Patience and co-operation, combined with hours of toil, mixed with humor and fun, all go into this big yearbook.

This Trojan is our dedication to you, the student, for the school year 1957-58, so that you may pleasantly reminisce of this exciting and memorable year—THIS IS YOUR LIFE 1958.

MUSIC ACTIVITIES

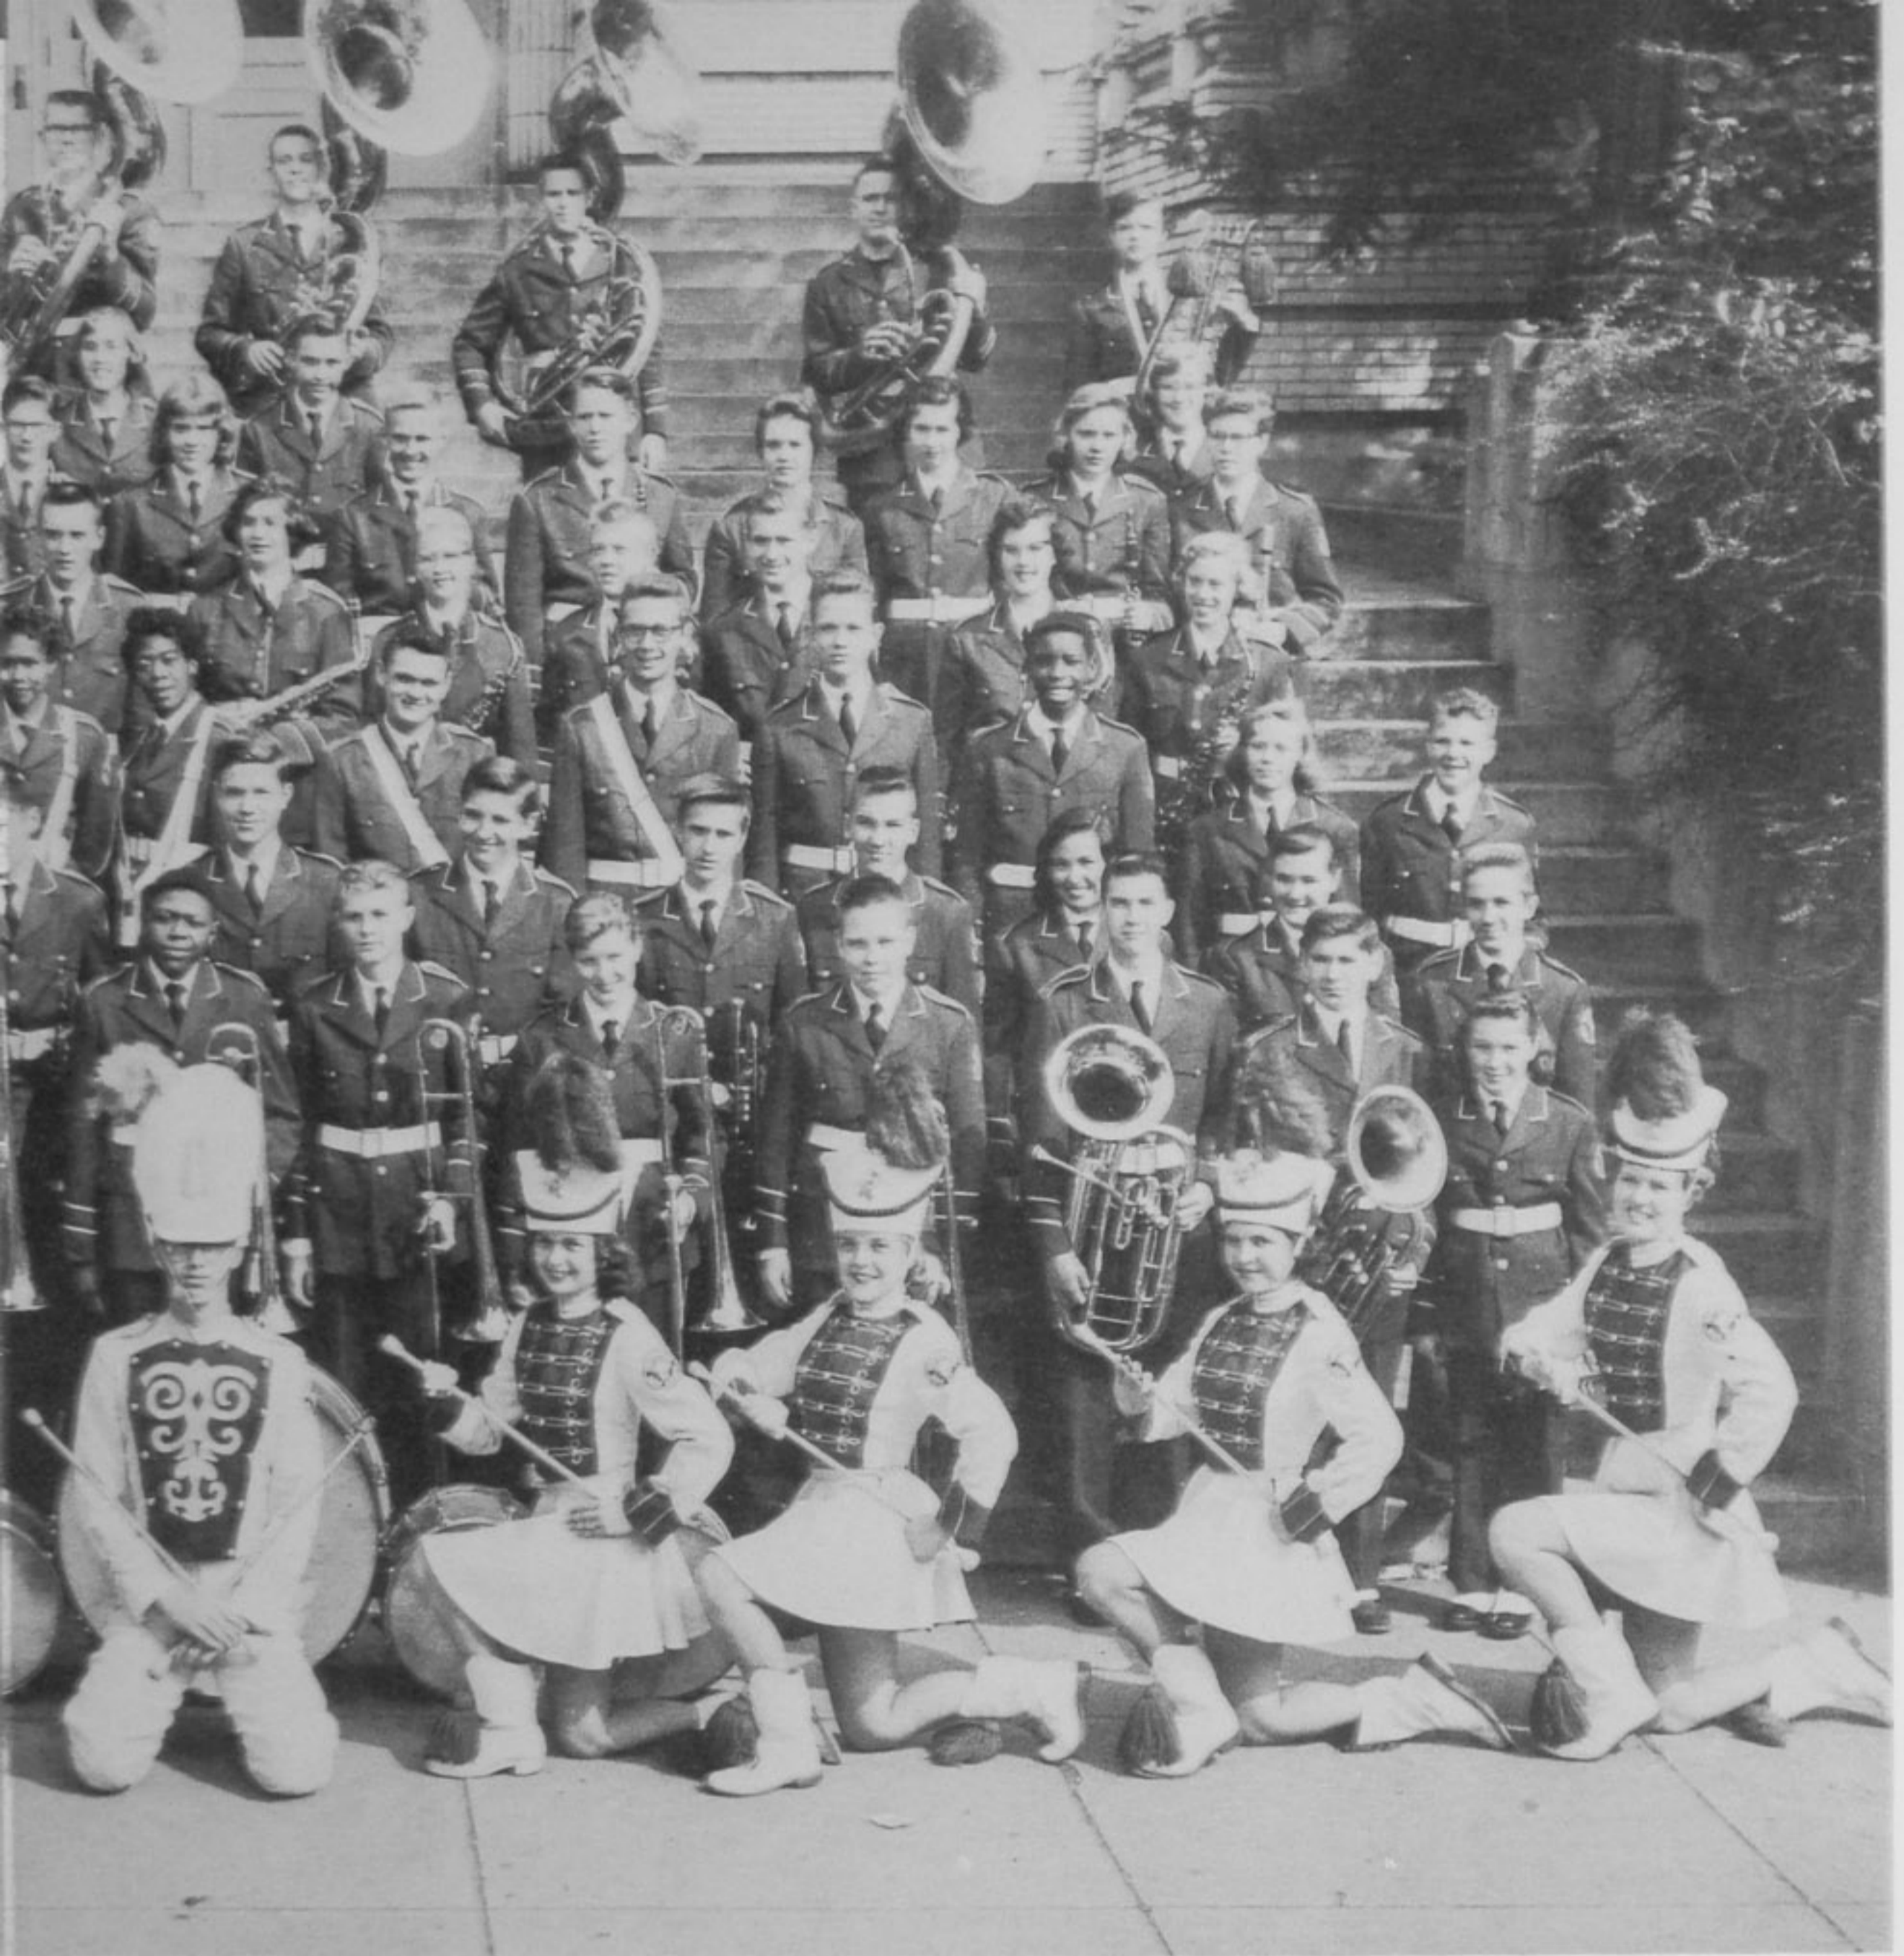

MUSIC is a living part of man and of his culture. Of all the arts, music can provide for the best possible cultural growth as well as provide the knowledge and skill to earn a living.

P. H. S. BAND

Our students can be proud of the fact that they can boast about such a fine organization as our Portsmouth High School Band under the capable direction of Mr. Richard Sunderland.

The spectacular Trojan Marching Band always adds color and spice to our thrilling sports games. This snappy group always scores a hit with the football fans with their smooth maneuvers. Their regular activities include the football band, concert performances, assemblies, parades, and civic programs.

For the pre-game ceremonies the PHS Marching Band forms at the north end of the field and plays "Reveille."

A roll off signals the entrance of the band to the tune of the "Red, White, and Blue March." A change of tempo heralds the playing of the familiar "America the Beautiful" as the band marches in a slow cadence down the field. A change of pace is again evident as the band reverts to a fast march tempo and then assumes the position of attention for the playing of "The Star Spangled Banner."

The playing of "Ain't She Sweet" brings forth the homecoming queen and her court as the band forms a large arch for the PHS royalty to enter the field for the traditional crowning ceremony. The drum major, escorts the queen through the arch.

At the halftime, the tune "Down by the O-hi-o" is heard as the band forms a large state of Ohio. The next formation is an outline map of the city of Portsmouth

and placed on this map are the names of the public school buildings in Portsmouth and the year in which they were constructed. The picture is a very revealing one for it shows that the average age of our school buildings is 38 years.

Next formation is a schoolhouse. The tune "School Days" brings forth many students on their way to school. The overcrowded condition of many of our schools is stressed as the walls of the school bulge with too many students as the band plays "No, No, A Thousand Times No." The (school house) does collapse; however, and the word V-O-T-E appears on the field as a reminder to all citizens to vote on Nov. 3.

The PHS Band closes the halftime program with the playing of the "PHS Alma Mater" in the traditional letter P.

MUSIC EXPRESSES THE SPIRIT OF MAN

In the ancient world it was said: The starry heavens are wheels of fire . . . that move by the principle of harmony . . . and in the moving become musical. And the gods and the immortals of the earth assemble round the gleaming throne of Zeus, and hearken to the music of the heavenly spheres.—From time immemorial, music has woven its golden thread through the glorious history of man. In every age music expresses his hopes, his dreams.

PORTSMOUTH HIGH SCHOOL CHOIR

One of the largest groups in our high school is the choir. The members have a great pride in their traditions and musical ability. During the year this group gives many performances for school assemblies and civic organizations. The most popular

programs are the Christmas and Easter festivals.

The Portsmouth High Choir is an elective study for those who qualify with a good voice and a co-operative group spirit. The director is Mr. Richard Sunderland.

P. H. S. ALMA MATER

Hail to thee, our Alma Mater, faithful guide of youth,
Holding high amid the darkness—duty, light, and truth!
Portsmouth High Portsmouth High.
It resounds above the sky.
When thy sons and daughters sing thee praise,
We love thee, Portsmouth High!
Hail to thee, our Alma Mater, proudly may we cheer,
Red and blue and Trojan Warriors mighty, brave, and dear,
Portsmouth High Portsmouth High.
Growing cheers roar through the sky,
Then we pledge our loyal hearts to thee,
We love thee, Portsmouth High!
When, beloved Alma Mater, memory recalls
Bygone days of youth and friendship in thy stately halls
Portsmouth High Portsmouth High.
Still it rings above the sky,
Faithful sons and daughters sing thy praise
We love thee, Portsmouth High!

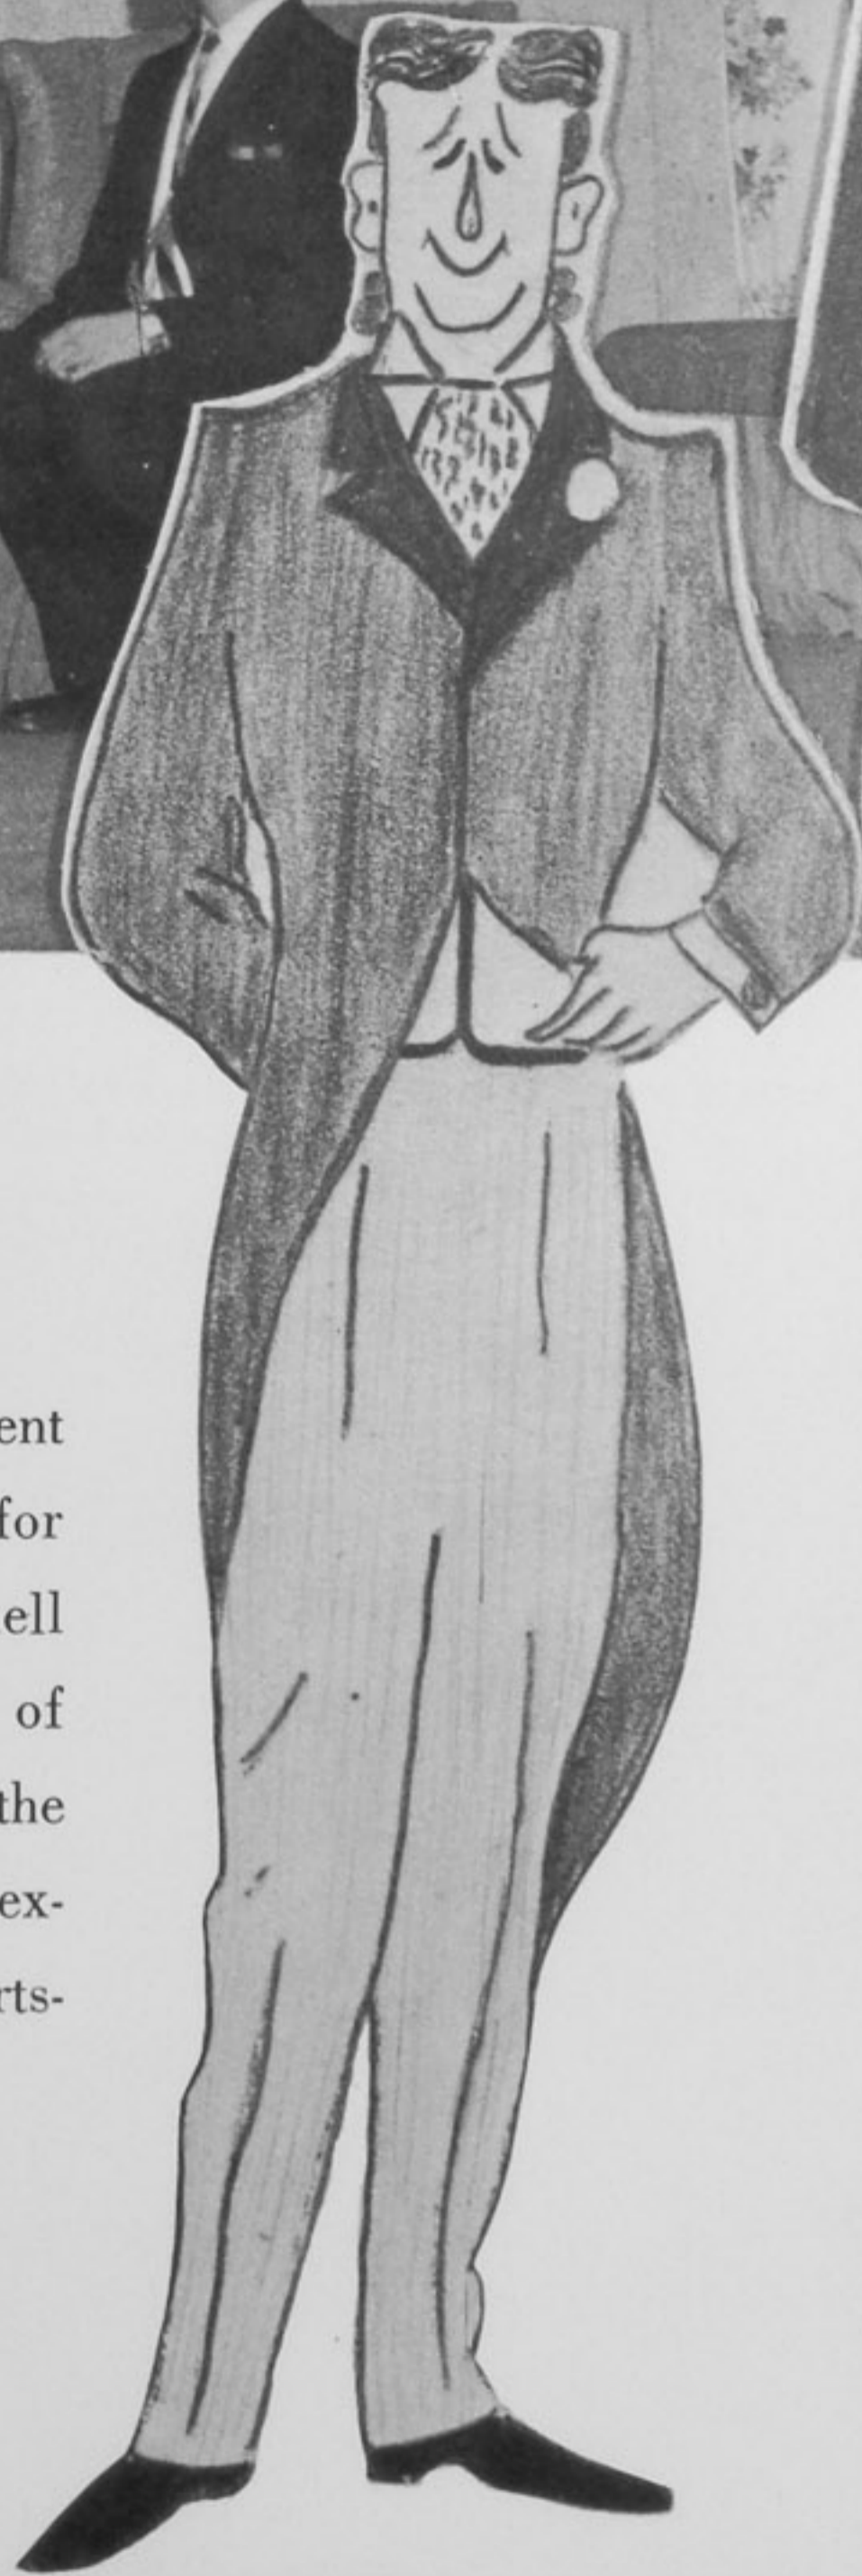

SEVENTEENTH SUMMER

Directed By John Glass

The Junior Class presentation of the teenage love story "Seventeenth Summer" was a delightful and charming play that made the audience laugh and maybe cry a little. John Glass, class sponsor, did a tremendous job, of directing the cast of thirteen players.

Nina Sedgwick was cast as the female lead, and Bob Rau, male lead. Others in the cast were Phyllis Cranmer, Paula Hartley, Sandy Schisler, Carole Newman, Moose Canter, Jon Miller, Bob Bierley, Janie Browne, John Knudson, Flossy Lehman, and Jim Hickman.

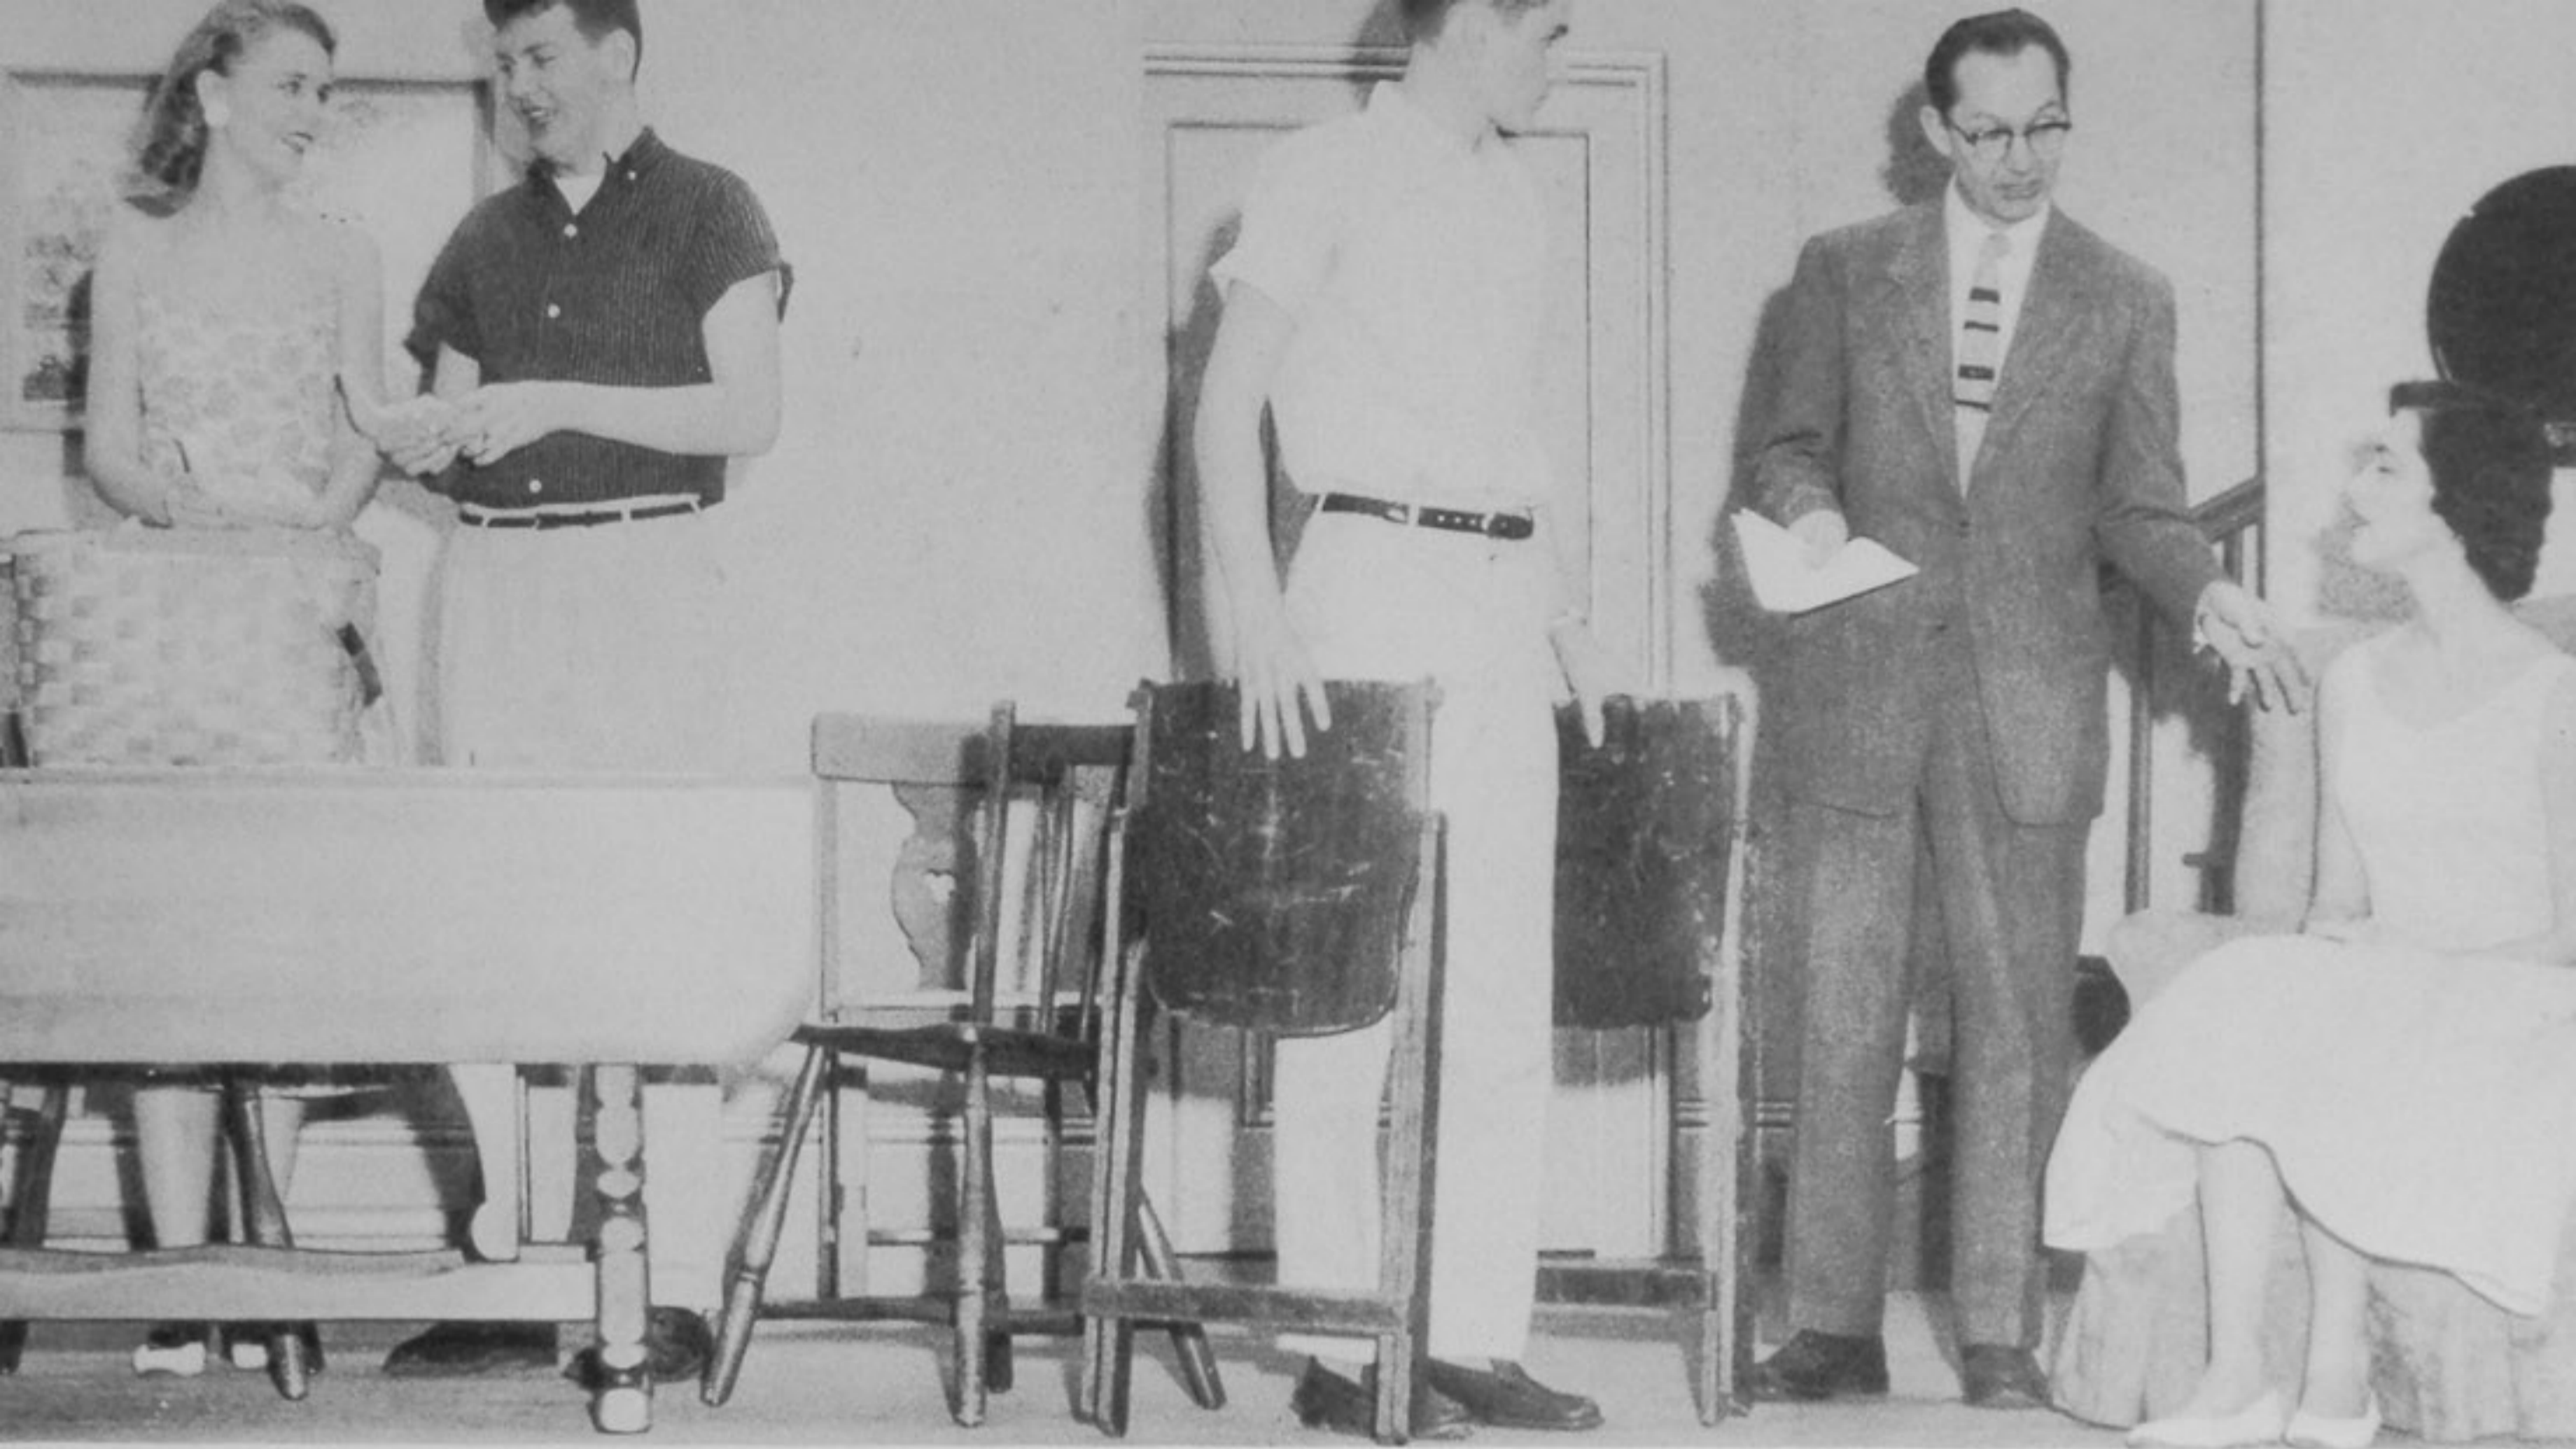

. . . Drama at Portsmouth High! The excellent English and speech classes provide material for our outstanding student performances. The smell of grease-paint and dusty props, the glitter of footlights and the faint queasiness around the stomach region all blend to make back-stage excitement prevalent at each production. At Portsmouth High, the plays the thing!

"Watch out! Bring it over here." Left to Right: Chad Lozier; Larry Burkholder; Jim Phelps; Jeff Manley.

"Be sure to do a good job." Left to Right: Wava Smith; Sandy Davis; Janet Everett; Ann Egbert; Sara Mauntel; and Sandy Crosley.

"WHAT A LIFE"

Directed By

MR. JACK OVERMAN

"What A Life" is a rollicking comedy in which the life of a lanky high school junior, Henry Aldrich, is depicted. Everything Henry does is wrong in the view-point of others; he is even accused of stealing. The portrayal of Henry's harried life by Jeff Manley kept the audience in stitches and provided for a never-to-be forgotten evening of entertainment. The play was ably directed by Mr. Jack Overman who replaced Mr. John Glass, sponsor of Revelers for a temporary time following Mr. Glass's automobile accident.

FRESHMAN CLASS • 1961

Reception was good as our freshman class started transmitting THIS IS YOUR LIFE on channel P. H. S. in September, 1957. We selected as class officers: Bob Newman, president; Carolyn Lawrence, vice-president; Janie Appleton, secretary; Sue Schaffer, treasurer. Linda Kennedy was our homecoming attendant.

We wrote the early pages of this great adventure with zeal and eager participation. Our social calendar was well filled. In Sep-

tember, we were entertained by Senior Honor and later in the fall we enjoyed two freshman mixers.

Our outstanding scholars were Janie Appleton, Sam Adams, Joan Bercik, Steve Herbold, Robert McDowell, Polly Mauk, Bob Newman, Jerome Shepherd, Susan Stillwell, and John Yeary.

Miss Marie Trowbridge was our class adviser.

JUNIOR CLASS • 1959

As we come to the end of the third year of our life at P. H. S. and look back, we see many things which will remain as pleasant memories for many years.

When we entered our new life in 1955 we were frightened, wide-eyed frosh, but we soon learned our way around. Under the capable leadership of Miss Marie Trowbridge, our sponsor, we planned our first class party. Another big step in our life was the selection of class officers—Moose Canter, president; Flossie Lehman, vice-president; Betty Baughman, secretary; and Jeff Manley, treasurer.

In the second year of our high school life, we again chose Moose Canter as class president. Other officers were Sue Queen, vice-president; Sandy Schisler, secretary, and Nina Sedgwick, treasurer. Mrs. Olive Wood, class sponsor, helped us make the year an excellent one!

Now, we look back on one of the busiest and greatest years of our life! We elected our class officers: Moose Canter, president; Sandy Schisler, vice-president; Ann Egbert, secretary, and Phyllis Cranmer, treasurer. We began the year with the project of selling magazines under the capable leadership of Miss Mary Elizabeth Schwartz and Mr. John Glass.

Our class play, "Seventeenth Summer," was a colossal success! The cast of 13 players, under the experienced direction of John Glass, packed the house.

Then came the highlight of the year—our Junior-Senior Prom! Our co-chairmen, Flossie Lehman and Jeff Manley, led us in planning the gala and wonderful evening of dancing. What a marvelous time we had, and what a reward for our efforts to make it a success!

SENIOR CLASS • 1958

*in this our life, one chapter ends, and a
new one begins . . .*

Left to Right: Tim Thoroughman, vice-president; Carolyn Estep, secretary; Mike Schuler, president; and Sam Polo, treasurer.

SENIOR CLASS • 1958

This is your life, Seniors. The complete and wonderful record of your four years at Portsmouth High.

As Freshmen, we were eager to learn. Our capable sponsors, Miss Marie Trowbridge and Miss Margaret Anderson, helped solve our adjustment problems. We selected as our class officers: John Rowson, president; Frosty Williams, vice-president; Sonya Jone, secretary; and Carolyn Estep, treasurer.

Returning as Sophomores, we were a more experienced group. The best of our life at P. H. S. remained before us. Our class officers were: Jack Allen, president; Carolyn Estep, vice-president; Mary Alyce Staten, secretary; and Connie Radinski, treasurer. In the spring, under the guiding influence of our sponsor, Mrs. Olive Wood, we selected our class rings.

As Juniors our high school life became more exciting and the wonderful days soon flew by us. We assumed the responsibility of becoming a big

brother and sister to the lower classmen. Our class officers were Mike Schuler, president; Alice Dever, vice-president; Carolyn Estep, secretary; and Sam Polo, treasurer. Our magazine drive came under the direction of Miss Charlotte Schaefer and Mr. Charles McClure. Our Junior Class Play, "The Remarkable Incident at Carson Corners," broke all records. This colossal success was directed by Miss Mary Krausz. Last, but not least, came our Junior-Senior Prom, "My Blue Heaven." Its success will remain in our memories for many years to come.

Now, at last, Senior days! Our life at P. H. S. is finished. Our class sponsors, Miss Charlotte Schaefer and Mr. Charles McClure, helped us to make our senior year the greatest. Our class officers were: Mike Schuler, president; Tim Thoroughman, vice-president; Carolyn Estep, secretary; and Sam Polo, treasurer. As exuberant Seniors, we engaged in many activities: a Halloween party, senior picnic, senior class play, a senior banquet and the senior dance.

SCHOLARSHIP

“It must be remembered . . . that scholarship is something more than an instrument of abstract investigation merely. It is also an instrument and means of life. Nations, as well as individuals, must seek wisdom: the truth that will make them free. There is a learning of purpose as well as a learning of science; for there is a truth of spirit as well as a truth of fact.”

"YOUR HIGH CALLING"

CAREER DAY 1958

The Career Day program was high-lighted by the dynamic talk given by Dr. Floyd Faust, Minister of Broad Street Christian Church in Columbus.

Dr. Faust's topic, "Your High Calling" urged students to print four important points on their memories. "Believe in work," he listed first and added, "Nobody will be happy if he's in debt."

The speaker put "choose your work" as second in importance. "Choosing your own work is the privilege of a well-educated person," he said. "Don't fall into a vocation. You may not be suited for it."

As his third point Dr. Faust said, "prepare for your work," and pointed out the special values of Career Day. His fourth point was "put your heart into your work. Keep your head up and work and live with enthusiasm."

Dr. Faust was sponsored by the Portsmouth Business and Professional Women's Club.

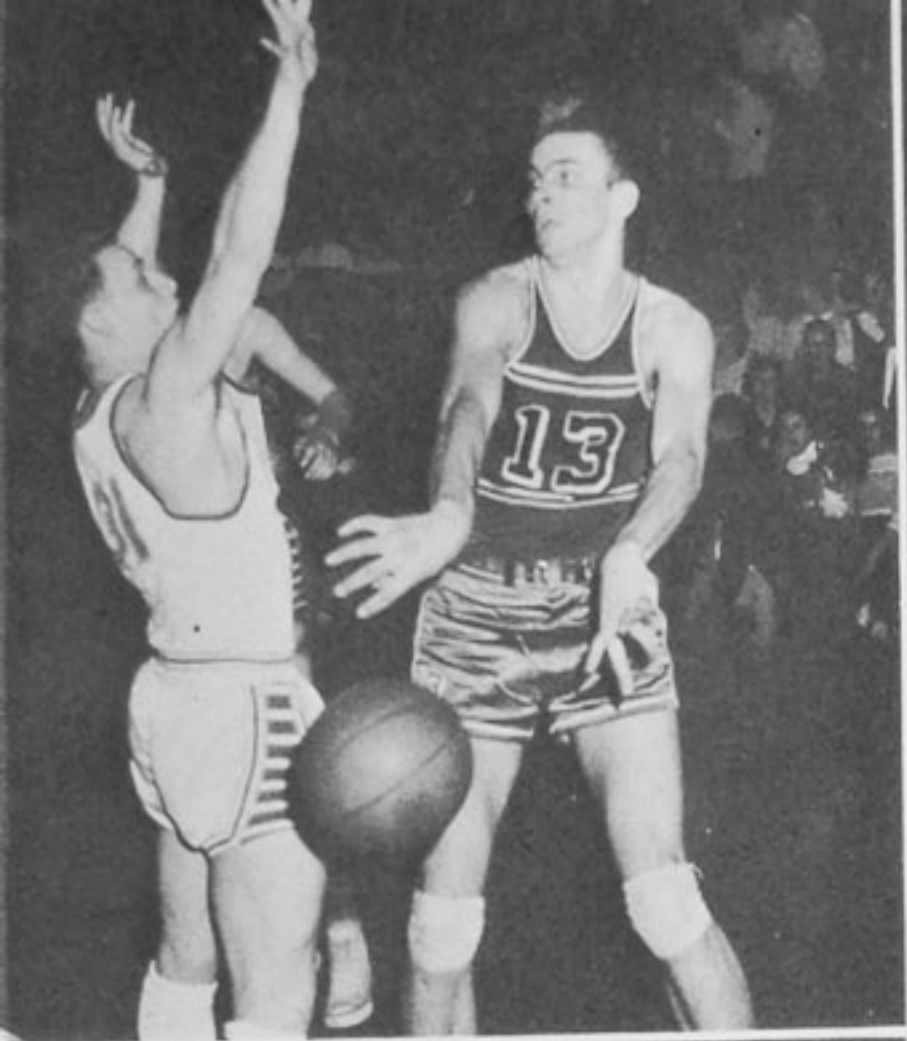

Lloyd Stettler was honored at a special assembly by Alpha Beta chapter of Delta Kappa Gamma Society. The fifty dollar award he received is given each year in recognition of high scholarship to the senior who ranks highest in the senior state scholarship test. Lloyd had the highest score ever recorded at P.H.S.

Left to Right—Mrs. Howard Jenkins, president of Delta Kappa Gamma, Lloyd Stettler, Edward H. Fournier, and Charles P. Chapman, vice-president of Williams Mfg. Co., guest speaker at the assembly.
