DEDICATION

This twentieth century is the age of science, and so the annual staff dedicates the 1962 Tartan to our two senior-science teachers, Mr. Hansgen and Mrs. Bradshaw.

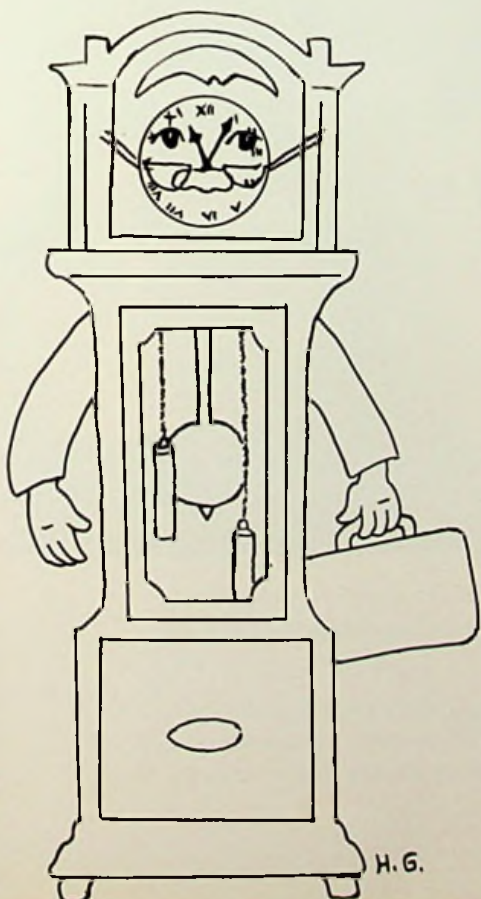

The ability, the academic excellence, and the service of these two dedicated teachers will never be forgotten by the generation now at East High.

IN MEMORIAM

1925 - 1962

Teacher at West, North Moreland, and East

WILLIAM J. HANSGEN

He is made one with Nature; there is heard
His voice in all her music, from the moan
Of thunder, to the song of night's sweet bird;
He is a presence to be felt and known
In darkness and in light, from herb and stone,
Spreading itself where 'er that Power may move
Which has withdrawn his being to its own;
Which wields the world with never-wearied love,
Sustains it from beneath, and kindles it above
He is a portion of the loveliness
Which once he made more lovely.

From "Adonais" by Shelley

TIME FOR CLASS

SENIOR CLASS HISTORY

This is only a partial record of the Class of 1962, which is the 49th class to graduate from East High School.

We wish to thank our teachers, parents, and friends for helping to make this one of the most enjoyable periods of our lives.

In the fall of 1959, we entered East with an enrollment of 103. Our freshmen class officers were Marilyn Brown, president; Naomi Shaver, vice-president; Donna Newell, treasurer; and Ester White, secretary. We held a dance as a money-making project. Patty Schomburg was homecoming attendant. Donna Tussey and John Ruley were Tartan King and Queen.

Throughout our four years at East, our class advisers have been Mr. Carson, Miss Heer, Mr. McCoy, and Mr. Pogue.

Our sophomore class officers were Marilyn Brown, president; Marilou Goddard, vice-president; Sue Swick, secretary, and Sharon May, treasurer. Sue Swick served as homecoming attendant. Brenda Storey and Dave Brewer were Tartan king and queen candidates. Sharon May, Marilou Goddard, and Sue Swick were chosen as reserve cheerleaders.

The officers elected for our junior year were Jean Binkley, president; Les Phillips, vice-president; Sharon Abbott, secretary; and Rosemary Swavel, treasurer. Our main money-raising project that year was the concession stand at football games. We also published the Tartan Newspaper. The final highspot of our year was the junior-senior prom with the theme, Moonlight-and-Roses. Jannie Williams served in the homecoming court. Marilyn Goddard and Jim Falls were Tartan king and queen. Jim Falls received the Junior Cup.

Our senior officers were Dave Brewer, president; Les Phillips, vice-president; Sharon May, secretary; and Sue Swick, treasurer. Our main project this year was printing and raising money for our annual. Marilyn Brown and Esther White were our class valedictorians, and Jim Falls won the Sandy Pence Memorial Award. Jim was also football captain. John Ruley and Forrest Everhart were the basketball co-captains along with being named the best athletes of our class. Patty Schomburg reigned as homecoming queen, with Donna Tussey as her senior attendant. Dearie Slack and Gary Ward were Tartan king and queen.

Throughout our four years of high school, the Class of "62" has been well represented in sports and on the scholarship team. Our class will always remember the many good things which East High School offers its people.

How Much Is \$165,000,000?

When the current expansion and modernization program is completed at its Portsmouth Division, Detroit Steel Corporation will have spent over \$165,000,000 in its determination to make this southern Ohio steel mill one of the finest, best equipped, most competitive such plants in the nation.

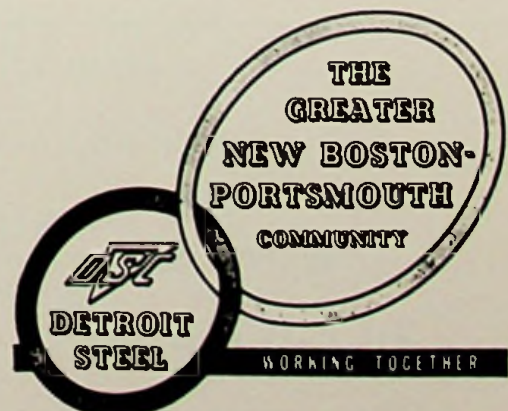

That's a lot of money.

For example, had a man who was living when Christ was born, continued to live until today, and had he spent \$225 every single day during all those long years, he would still not have spent that much money.

One hundred and sixty-five million dollars . . . the savings of thousands of ordinary people who, believing in the American Way, have become part owners in American Industry . . . plus the "plowed back" earnings of the company . . . all that money, within the next few years, will have been invested in the future of the Greater New Boston - Portsmouth Area to provide jobs and security for its citizens.
