1994

Derek waits to be bought and bargained for at the JOGS bachelor auction.

Mark and crew crowd together for a quick look at the prom. Nice threads, Mark!

Class president, Mark Watkins, is thoroughly dumbfounded!

Derek, what are you putting on your head?

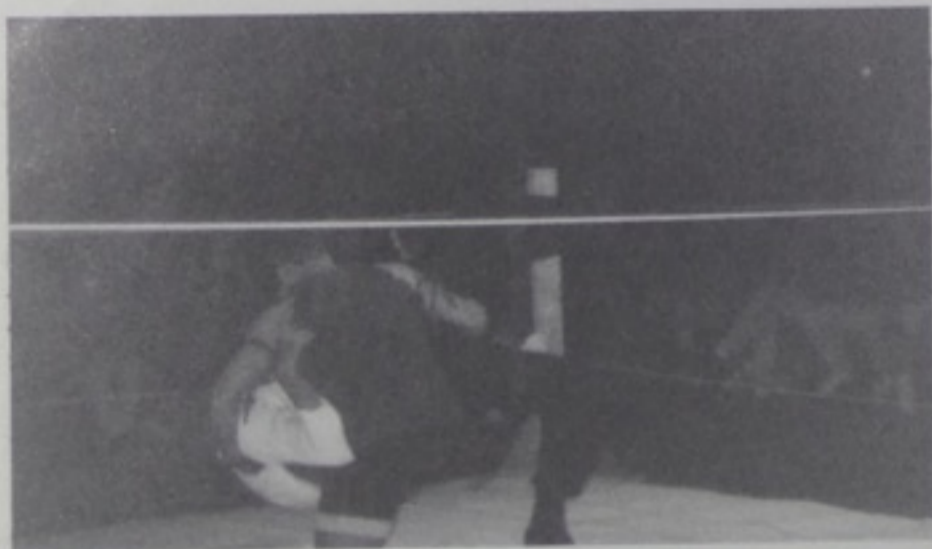

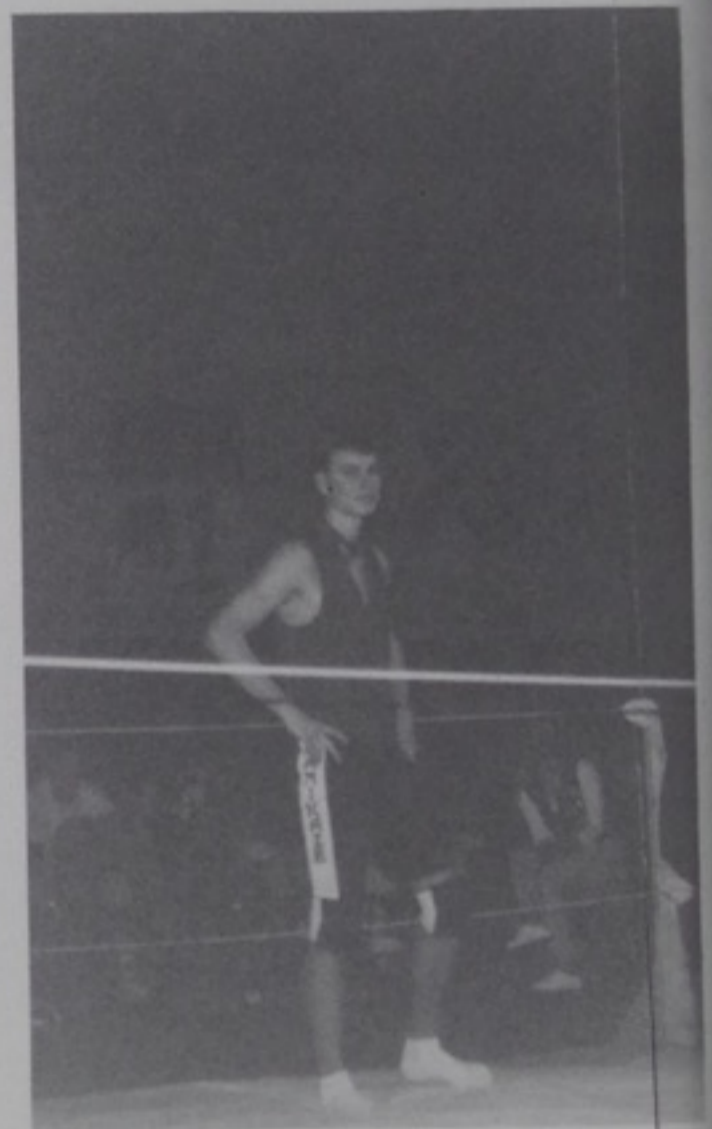

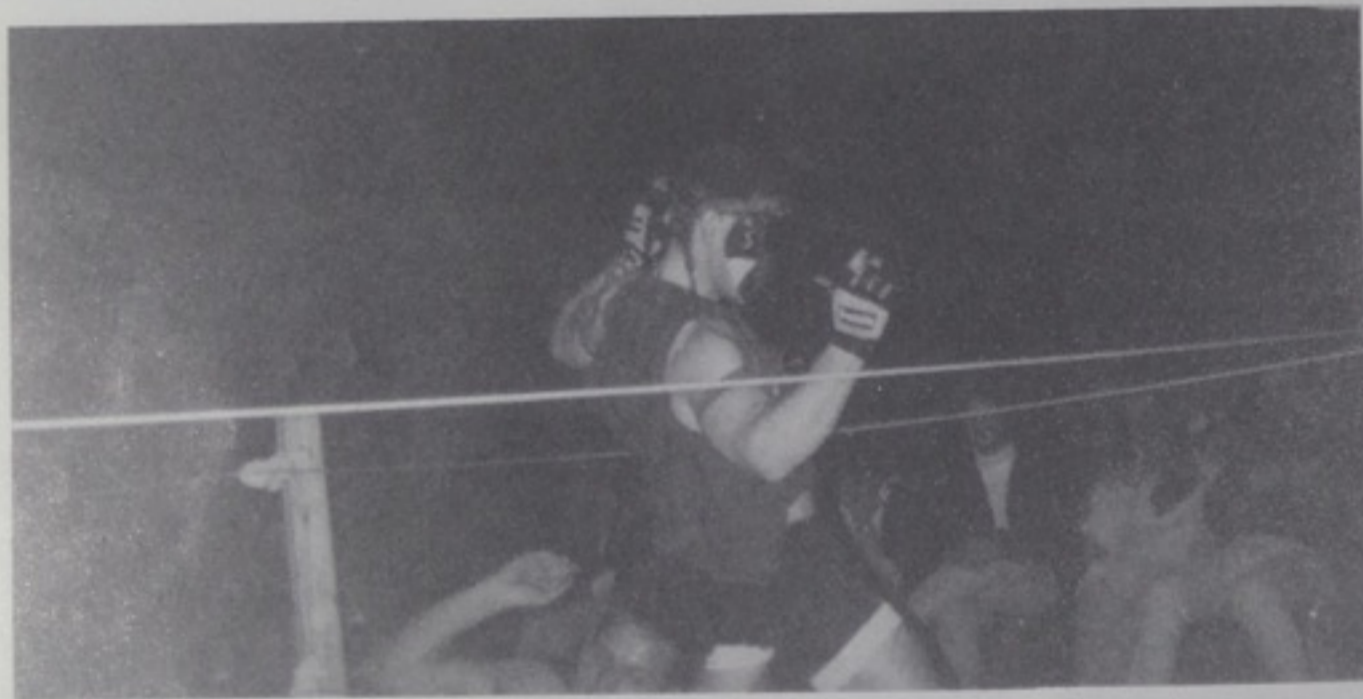

Jenny and Angie cozy up together to keep warm.

Scott, you look so nice! What's the occasion?

South Webster Wrestling Federation

It grew from the dark corners of a garage. It spread onto video tape and reached out into the community. Fans came to the garage just to get a glimpse of the action. Before long it grew

into a mania. People paid big bucks for a ringside seat. Of course, we are talking about the SWWF. These courageous few spent their evenings jamming and slamming each other all over the place. They wrestled LIVE at both high school and Bloom. Thanks go out to them for making our year exciting!

Forever TOGETHER

During 1994 we've shared many laughs, along with a few tears, accepting the good as well as the bad and living each day as it comes. Throughout the year some students moved into the spotlight while others set back and watch, expressing how very proud they are of those few who had the opportunity to represent South Webster High School.

Congratulations to Jennifer Hamilton who was our River Days Candidate. She had a lot of responsibility and gave up a lot of free time to get everything done. Jennifer did a great job and I'm sure she'll never forget the fun she had.

Congratulations to Sara Shupert for being chosen as our Homecoming Queen. She did a very good job and she looked very beautiful that night. Her theme was "Moonlight Magic" and it proved to be a very magical night indeed.

Even though few are chosen as individuals to give their all. All of us can pitch in a little to make a difference.

The class play was definitely a hit with the crowd. It brought many laughs to the audience. We couldn't have performed it as well if everyone hadn't did their best.

Congratulations to the Juniors for winning the Spirit relays. They participated in everything and worked well as a class. They proved that "class" work was the key to winning.

As you take a stroll through the life of the students of South Webster, just remember it's not about trying to out do everyone and pleasing others, it's about being your own person and pleasing yourself. Because **YOU** are the only person that matters!!!

Getting It All Together River Days

Being named Miss South Webster is an honor in a girl's high school career. Jennifer's beautiful personality and face made her a perfect winner. Though from the outside it seems being a River Days' contestant is all run and fame, there are many hours of work involved. There are several routines that must be rehearsed. A speech must be prepared and memorized. The theme and float also have to be

developed. Though there's a lot of time involved in the process, and sacrifices to be made, the fun times and new friends are worth it all.

Jennifer got it all together, and she did a great job.

All through the competition she did her best and represented us proudly to the entire area.

Jennifer filled the stage with her wonderful radiance.

As Miss South Webster, Jennifer represented us in many parades throughout the area.

Move over Mayor Gerlach, here comes Jennifer!

Pump Up

The Spirit Together

Though the unexpected snow put Spirit Week a bit behind schedule, once it started it was in full swing.

The week was filled with decorating and preparation for Friday's events. The Spirit Relay Races, as always, produced lots of fun and excitement. Perhaps the funniest event was the Beauty Contest. Miss Spirit, Sebastian Merz, brought the title to the senior class. However, the final tally of the scores in all event put the JUNIORS on top.

Though the SENIORS gave them a tough race, the class of '95 won the spirit competition.

The hallway competition is a major part of Spirit Week festivities. The whole school is transformed into a different world — with the help of Karne Ramey.

With Jennifer to show him the way, senior Sebastian Merz is undergoing the long process of becoming a beauty contestant.

Jeremy Rawlins is most ready — but he still needs to shave those legs!

"Miss Norna Prior" and her fabulous "sextette" earned 1st place in the Talent Show. These junior MEN did a great job on their rendition of "Silber Dollar."

Homecoming is the grand finale of Spirit Week — the perfect ending to a perfect week.

What's the deal, Jen? Put that tongue where it belongs.

Scott and Corey take a time out from their tireless hallway work to pose for a picture.

Ducktails And Bobbysox

Alice & Wheels aren't shy! They want the world to know they're proud to be yellow jackets! (Alice, is that a cigarette?)

Homecoming is a special event in Victor. Even Mr. & Mrs. Hawkins are back in town for the big game. They can't wait to celebrate the big win.

Look, Mr. & Mrs. Grimes are in town too! Over all the years, it's sure their love, nor their spirit, has died!

Alice anxiously watches as Alex, all-state football player, puts Wheels, all-state scum, in his place.

Shy, cherry-phosphate type, Bertha finally finds her star love, Wilbur. She sings about their made-in-the-stars relationship.

Putting on a musical is a lot of fun, but it also requires much work and time. There are lines to learn, sets to design, and songs to rehearse. Through out rehearsals, the cast worked hard, but found it difficult to find times to practice. It seemed impossible to get everyone there at once. Sports, doctors, and dates made it difficult. But, with opening night approaching, we had a couple all-day practices.

Finally, everything seemed to find its place. It was time now, to show friends and families our performance. We had a few more problems, squealling

sound systems and sickness. (Thank you Stacey Clifford for filling in for Kelly), but the show went on. It was a hit with the crowd and Curtis Jackson Superstar can't walk down the hall without being mobbed!

The Malt Shop just isn't big enough for both of these rival groups. The Ducktails' day is made when Bobbysoxers are away, and vice versa!

Sandra, Superstar Curtis Jackson's manager, can't understand why he'd want to come to a little, boring town like Victor.

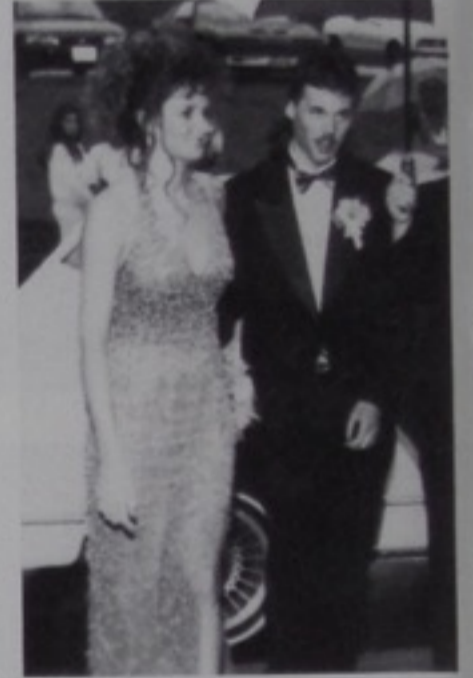

Wilbur sings about his starlove. If you think he looks funny, you should have heard him.

The Victor Malt Shop is the place to be. It's where all the cool kids hang out, right Bobbysoxers?!

Matt Brockett and Jeremy King strike a pose. Model those tux!!!

Alison Moore escorted by Shawn Campbell arrive for the Grand March!!!

Sara Shupert escorted by Derrick Purrington arrive at Prom ready to boogie down.

April Dingus and Wes Chamberlin take their time down the steps at the grandmarch.

Wonderful Tonight

Prom night came and went so quickly, it was really hard to believe it was all over.

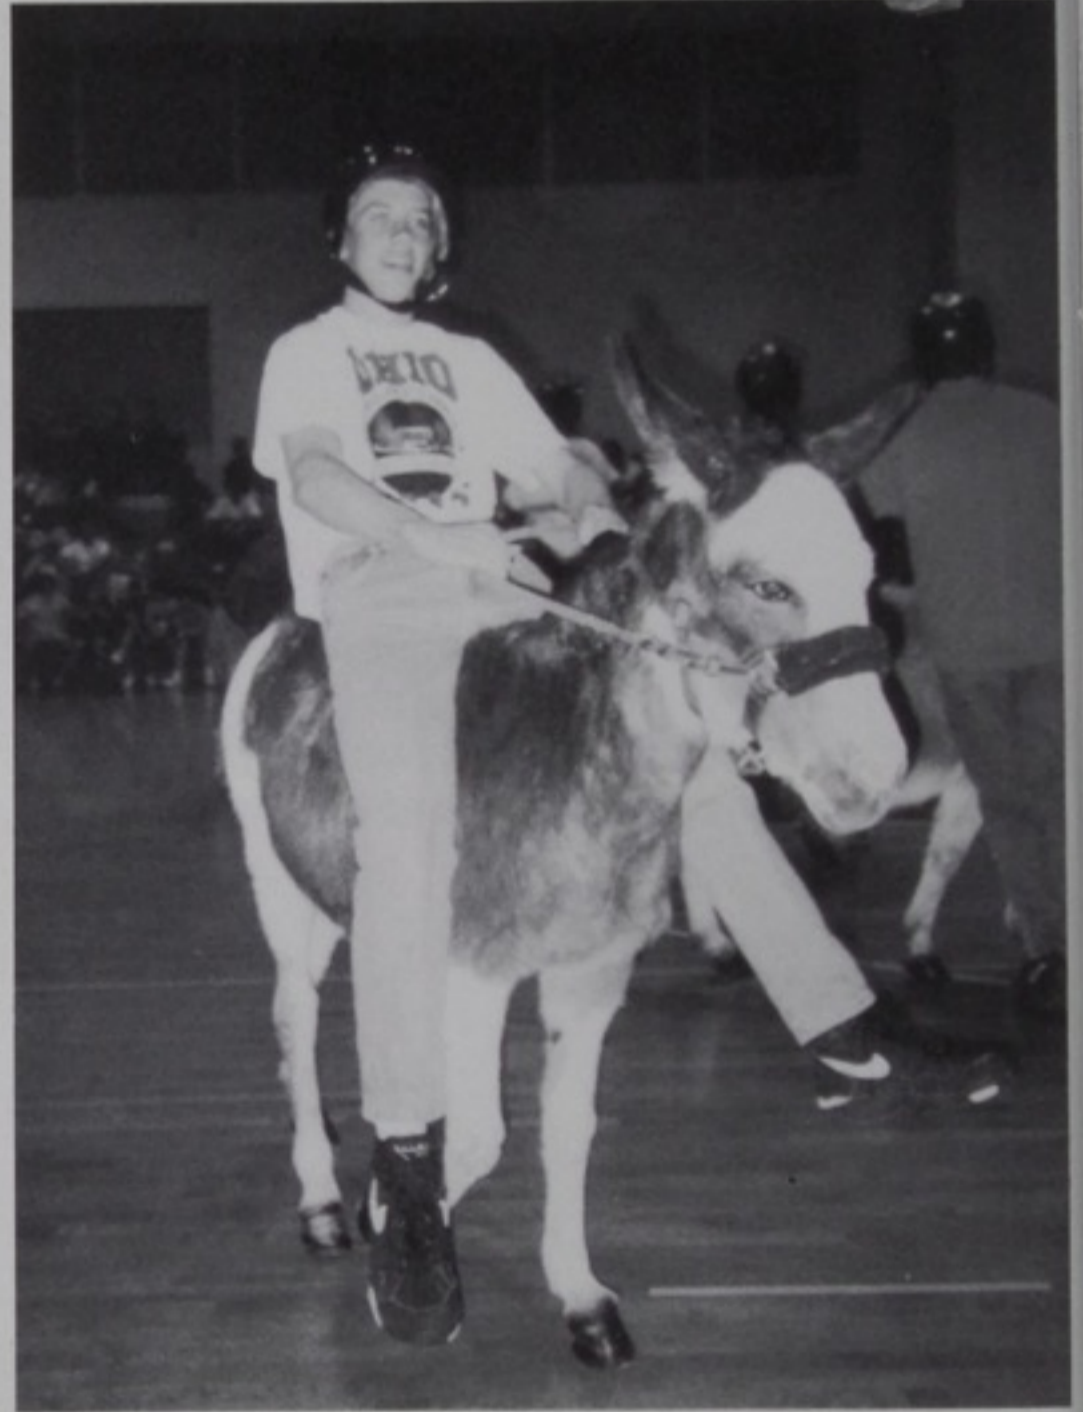

The junior class began working the week prior to the prom. They worked very hard and the gym magically became a place of fantasy. As the time for prom arrived, juniors and seniors filled the gym dressed in their beautiful gowns and handsome tuxedos. The grand-march was quickly moved to the gym due to the rainy weather, but everyone still had a great time. The juniors dedicate the prom to the graduating class of 94 and we hope that you always remember what a wonderful night it really was!!!

Jeremy King and Matt Brockett decided to drive their CUB-CADET lawn mowers to the Prom!!!

POSING TOGETHER

In 1994 the students of South Webster High School start a new year by making new friends and having fun. The freshman started their first year of high school unsure of what to expect. The sophomores return to school and realize they can't make excuses anymore because they're not freshman! As juniors, they're glad that they're finally upper classmen. Being juniors, they're looking forward to going to the prom. At last, they've finally made it. The graduating class of 94 is almost ready to end one part of their lives and begin new ones. As their senior year has past, they've had many major decisions that will affect their future. As you begin to look at the people section you will be taken back in time to when they were just babies. But, before you realize they'll be gone, but their memory will always linger on!

Striving High TOGETHER

Academics is very important to the faculty of SWHS. They try to give credit to those who have excelled. Everyone who is academically gifted receives privileges such as Renaissance cards, Academic banquets, and many other high honors.

Academics is not only about getting a 4.0 or even a 3.0, but about learning all you can. In the 90's, being accepted to a college is not that easy. Scoring well on your ACT Test may affect what college you attend. As Juniors and Seniors academics are taken very seriously because it may have an affect on their future. Many honors such as National Honor Society, Junior Honors, Quiz Bowl, and many scholarships may better your chances of a promising future!

The Best Of *Ninety Four*

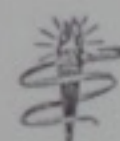

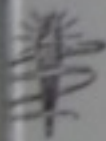

Throughout 1994, South Webster High school inducted seventeen members into the National Honor Society. Members were chosen according to their positive qualities of Character, Service, Leadership, and Scholarship. Only a percentage of the Junior-Seniors Class were eligible to be inducted. Being chosen as a member of the National Honor Society is quite an honor. These accomplishments have made them *THE BEST OF 1994!!!*

Winning

TOGETHER

Sports can be a big part of many students lives. Whether you like watching it on television, being a fan, or even being on the team, it's all about having fun, not winning or losing. At South Webster High School we have many opportunities for those who are involved. Our Athletic Department offers volleyball, Soccer, and Cross-Country during the fall months. As winter rolls around schedules become very hectic with girls Basketball, J.V. Basketball, Varsity Basketball and the Cheerleaders. Unexpected snow storms may slow things down a bit, but eventually things get back on track. Anxiously, waiting for warm weather to blow in, you may even see several out running, condition for the track season. Softball and Baseball can add a lot of fun to the spring sports and may even let you end the year right!

As you take a sneak peak of our sports for 1994, just remember that no matter how involved you are, have fun and stay spirited. GO JEEPS!!!

Way to get in the game Seth! Nice Job!

All Right Evan! Let's Go!

SOC Title Up For Grabs SOC Title

Jeeps Gain Share Of Crown After Burg Blunder

It all begins in early August. The days are hot and muggy and the field is dry. The sun beats down relentlessly and the players, despite the weather conditions, grass burns, scarred knees, and elbows in the ribs, never give up. The players experience all of this and more at practice.

Soccer just isn't encouraging fans, or scoring points, or even being defeated by another team, its giving your all even when it hurts.

Even though the Jeeps lost seven seniors, they returned with a team ready to earn the SOC Title once again.

The Jeeps worked hard because they knew area schools would be very competitive, waiting for the Jeeps to be upset. The Jeeps were going to make sure that they held on to the title. Towards the middle of the season the title for SOC was up for grabs. The Jeeps ran through SOC traffic with each game narrowing down the chance for the title. The Jeeps had to keep winning in hopes of sharing an SOC Title with the Northwest Mohawks. The Jeeps gained share of the crown after Wheelersburg's blunder.

The Jeeps went into Tour-

naments ready to play and win! They defeated Valley and New Boston, but they knew that a victory over Wheelersburg would be a little more difficult. The Jeeps lost to the Pirates 2-3.

Even though the Jeeps were upset by Wheelersburg, they were still proud to have earned the Southern Ohio Conference for the second time! Way to go guys!!!!

Heading the ball was a big part of SW's strategy, ask anyone, especially Gavin.

Our players can play under any conditions. They can even play backwards, right Bart??

Brenton takes to flight as he aggressively goes for the ball.

The J.V. Jeep's season was a little rocky to say the least. They started out by losing their first game, but bounced back to win the second. The majority of the season continued in the

same fashion. All in all, it could have been better, but the Junior Jeeps really had nothing to complain about.

Cheer

Leaders

The South Webster varsity cheerleaders had a great season. Dedication and hard work made them the best they could be. During the summer the squad attended camp at Miami University. They received the Spirit stick daily and all members received superior ribbons. On the final day of camp the squad was awarded the Spirit trophy for their performance. During the basketball season, they had a lot of fun and they even had the opportunity to travel to Athens and cheer at the convocation center during tournaments.

Jeeps say "Hello" as they greet the visitors. Nice job!

Bring out the enthusiasm in the crowd on Homecoming Night.

Jeremy Jeep brings smiles and laughs to every little Jeep fan with his magical powers and overwhelming charm! We love our Jeep!

Go! Fight! Win! ... Cheerleaders use their creative moves and unique styles to entertain the crowd!

All-St★r Cheerleader

★ Cheer ★

Alison Moore was invited by the Lord Mayor of Westminster to perform with U.C.A.'s All-Star Cheerleaders in the New Year's Day Parade in London, England. The tour was scheduled for December 26 thru January 2. She received this high honor while competing at Miami University's Summer Cheerleading Camp in July. Alison was selected by Universal Cheerleaders Association judges as an All-Star Cheerleader while representing her squad from South Webster High School.

Ending An Era

The South Webster softball team had a rather unusual season. Due to several snowed, or rained out games, the rarely knew when there next game would be. The team ended its season with a league record of 6-6. The Lady Jeeps will say goodbye to a very familiar face. Coach Ed Keslar will not return as coach next year due to his retirement. Next year will bring many changes and a new era of SWHS softball.

Performing TOGETHER

At South Webster many students are involved in the activities that are offered throughout the year. Students work year-round preparing for their performances.

A large number of the student body is involved in the Band. They practice everyday and you've seen their performances throughout this year at the Apple Festival, Christmas Parade and Memorial Day Parade. The Band will also be attending the Sun Fun Festival Parade in Myrtle Beach in June. Good Luck Marching Jeeps!!

The Show Choir prepared for their Christmas performances and visited many places trying to get everyone in the Christmas spirit. They also performed at the Spring Concert adding some excitement with their performance "As the Beat Goes on".

Mixed Ensemble has also performed a lot this year. They have proudly sang the Star Spangled Banner at most of the home basketball games. They did a great job and even had the opportunity to sing at Shawnee's South Webster Night.

Many other activities, such as sextette, ensemble, and pep band, performed numerous times and entertained many crowds.

As you begin to look at the Activities section try to realize the effort in which these students put forth and all the achievements they have made.

Kristi & Jennifer having fun at the hospital!

Senior Mentorship has given us the opportunity to explore many occupations. Not all of Mentorship is good, though. I was working in the Physical Therapy department of Mercy Hospital one day. I followed my mentor around.

While we were helping patients, and old man died. When I first started Mentorship I never dreamed I would have had to see a death, but unfortunately I did. Overall Mentorship is a great experience and I recommend it to anyone who wants to see what your future occupation is like. Richard Biggers.

THIS IS MIAMI UNIVERSITY

Sara Shupert had a super time at Miami this summer!

What would you think if someone asked you to spend six weeks of your summer vacation taking colleges classes? The idea doesn't sound very appealing at first. However, in the short time I was at Miami University I learned more about myself and college life than I ever could have in South Webster. Some of the most exceptional people I've ever met are fellow Miami Junior Scholars and friends for a life time.

It is impossible to describe how much fun and how many valuable lessons one can have in just a fraction of a year. My experiences changed my entire perspective on life. For all the future students who will have a chance to go, PLEASE don't pass it up. It is truly a chance of a lifetime.

If It Wasn't For

Regardless of the work, producing the yearbook is lots of fun. Working together so closely makes us feel like family. The darkroom is not just a place to work, but a place to share secrets and sob stories.

Few people know how the yearbook is produced. They take for granted that it will magically appear each fall. But there are a few students who work throughout the year. Each page requires finding the pictures and information required to marblize our school and everything that happens here into history forever!!!

HOB Y is a workshop held at Dennison University in Granville, Ohio.

It is intended to increase participants' self-esteem and leadership abilities.

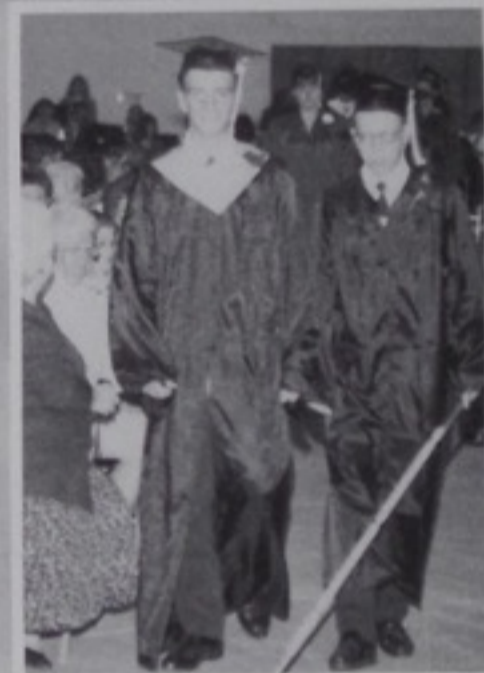

LEAVING TOGETHER

Graduation was a day that the Class of 1994 will always remember. Most of the students had been together since Kindergarten. They have laughed, cried, and shared many memories that they will cherish forever. As May 29, 1994 arrived, it was time to say good-bye. The seniors sang the popular song "A Bad Good-bye" and sad faces appeared. It was the last time the seniors involved in band and mixed chorus would have the opportunity to perform. When the Valedictorian and Salutatorian and President gave their speeches that expressed sadness, laughter, and the fond memories that they remembered most.

As you look through the Graduation section, take a look at the seniors now. Understand that this is a turning point in their lives and that it is time for them to move on and make a new beginning, whether it be college, a job, or enlisting in the army, hopefully no matter where they are they will be happy!!!

Growing Up TOGETHER

Vernon Primary School under the restructuring became a K-3 building the 1993-94 school year. Mr. Gary Heimbach, a veteran principal of eighteen years, became a new principal for Vernon Primary.

We saw many positive changes take place which was for the benefit of the students. The new Write To Read Lab was introduced to our students during this school year.

We had approximately 370 students enrolled with a staff of 30.

The 1993-94 year was a successful and enjoyable year at Vernon Primary. Students and staff each will have fond memories of the past year.

Learning TOGETHER

Restructuring the district this year created Bloom Middle School — same building, new concept. Middle school philosophy gives a new way to look at students who are “stuck in the middle” between elementary and high school. It recognizes that they are in a period of transition and seeks to capitalize on the best of both worlds. A walk through the halls this year revealed many projects and rooms full of students who are involved in the learning process, led by teachers who are just as enthusiastic as their students. We feel certain Bloom Middle School is sending a better prepared and more focused student to high school next year. It’s been a district-wide effort and we’ll all benefit from it for many years to come.

Smile, Mrs. McClintic or you might get more tricks than treats! The Jeep is going dressed as . . . A Jeep!

Mrs. Robbins class is all ready for Halloween. Look out, guys, there's a skeleton behind you.

Working TOGETHER

During the fall students are chosen to sell ads to all the area businesses. Students travel from South Webster to Portsmouth, Wheelersburg, New Boston, Jackson, Minford, and Lucasville trying to sell ads. The ads help advertise the local businesses in our area. The money we receive helps make our yearbook possible. We truly appreciate your help. Thanks!! The Yearbook Staff.

Now is the only thing that's real. Heath Blevins

We're very proud of you! Love, Mom, Dad, Jessica, and Annie.

The recipient of the Debbie Willis award was Jennifer Hamilton.

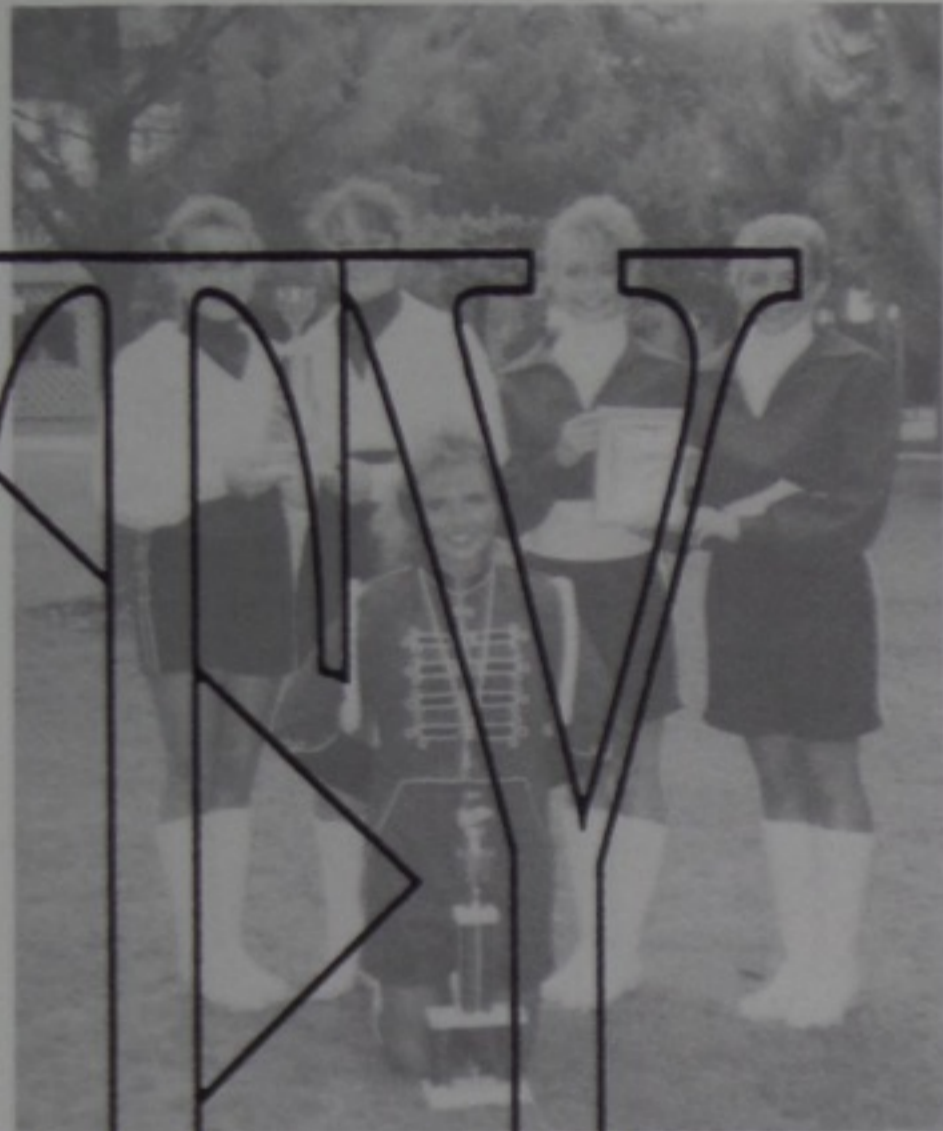

The recipient of the Janice Hagen was Sara Shupert.

The recipient of the Shane Phipps award was Eric Johnson.

A Last

Look At . . .

As the 1994 school year concluded, everyone was ready for warm weather, hot sun, and a break from hectic schedules.

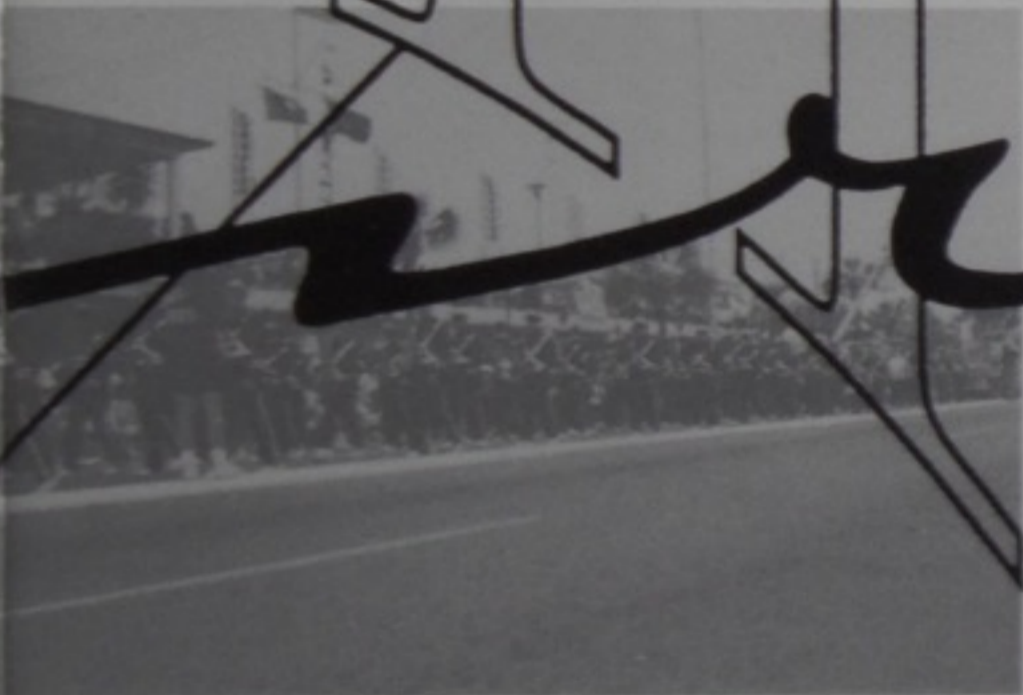

Classes began to wind down. Students finished finals and were more than ready to hand in their books.

A long, hard year had passed and it was time to take it easy. Many students played softball while some were working extremely hard to finish the yearbook.

The band dedicated a lot of time to marching around the high school trying to perfect their performance for the competition in Myrtle Beach. Their hard work paid off. They received first place. The trip was a long one, but everyone had a great time.

When students began to count down the days, everyone couldn't wait. Students were anxious for school to be out. They were excited about summer vacation, but they still wanted to remember all the fun they had so the last two pages recapture fun filled moments of '94. Now that you finished the book remember why we call it the ECHO!!!

THE ECHO ALWAYS FADES
UNTIL IT SEEMS SO FAR AWAY
BUT THE MEMORIES THAT WE'VE MADE
WILL NEVER BE REPLAYED.

In Memory Of . . .
