East High forever,
we will sing to you.
We'll defend your standards
in what ere we do.
Hail, hail, the gangs all here,
cheering you tonight.
We'll stick together
for the Blue and the White.

Foreword

The year of 1957 has proved a year of change for the students and faculty of East High School. A twenty-year old dream has become reality with the completion of our new addition. Individual lockers, new classrooms, modern laboratories and preparation rooms, cafeteria, a new gymnasium-auditorium plus the most modern music room in all southern Ohio were in use for the first time. We welcomed two new teachers into our midst, Miss Phyllis Madeira formerly of West Virginia and Mr. William Hansgen from the Portsmouth area. Miss Elizabeth Whitehouse left East for Shaker Heights, Cleveland and Mr. A.K. Wheeler retired after 40 years of teaching. We leave this school not regretfully but proud of the changes and deeds which have been accomplished.

The entrance to our new addition.

Mr. and Mrs. Bishop at our prom, May 18, 1956.

Dedication

We, the class of "57", dedicate our yearbook to Chuck and Betty Bishop, who have unselfishly devoted their time and effort to make our four years of high school enjoyable as well as educational. Mr. and Mrs. Bishop share many activities and they are especially fond of ice skating. They have aroused interest in this sport among many of the students. They have acted in the capacity of our class advisors and organized activities for other classes as well. Because of their interest in the school and students and their help and cooperation we will remember them always.

Mr. McKelvey and School Board

Mr. H. W. McKelvey is completing his eighth year as Superintendent of the Portsmouth City School System. For five years previous to his appointment as superintendent, Mr. McKelvey served as Principal at Portsmouth schools have continued to improve. Mr. McKelvey received his B.A. degree at Ohio University, and his M.A. and certificate of graduate work at Ohio State. The superintendent and school board are working together to create a finer school system in Portsmouth.

Cheerleaders

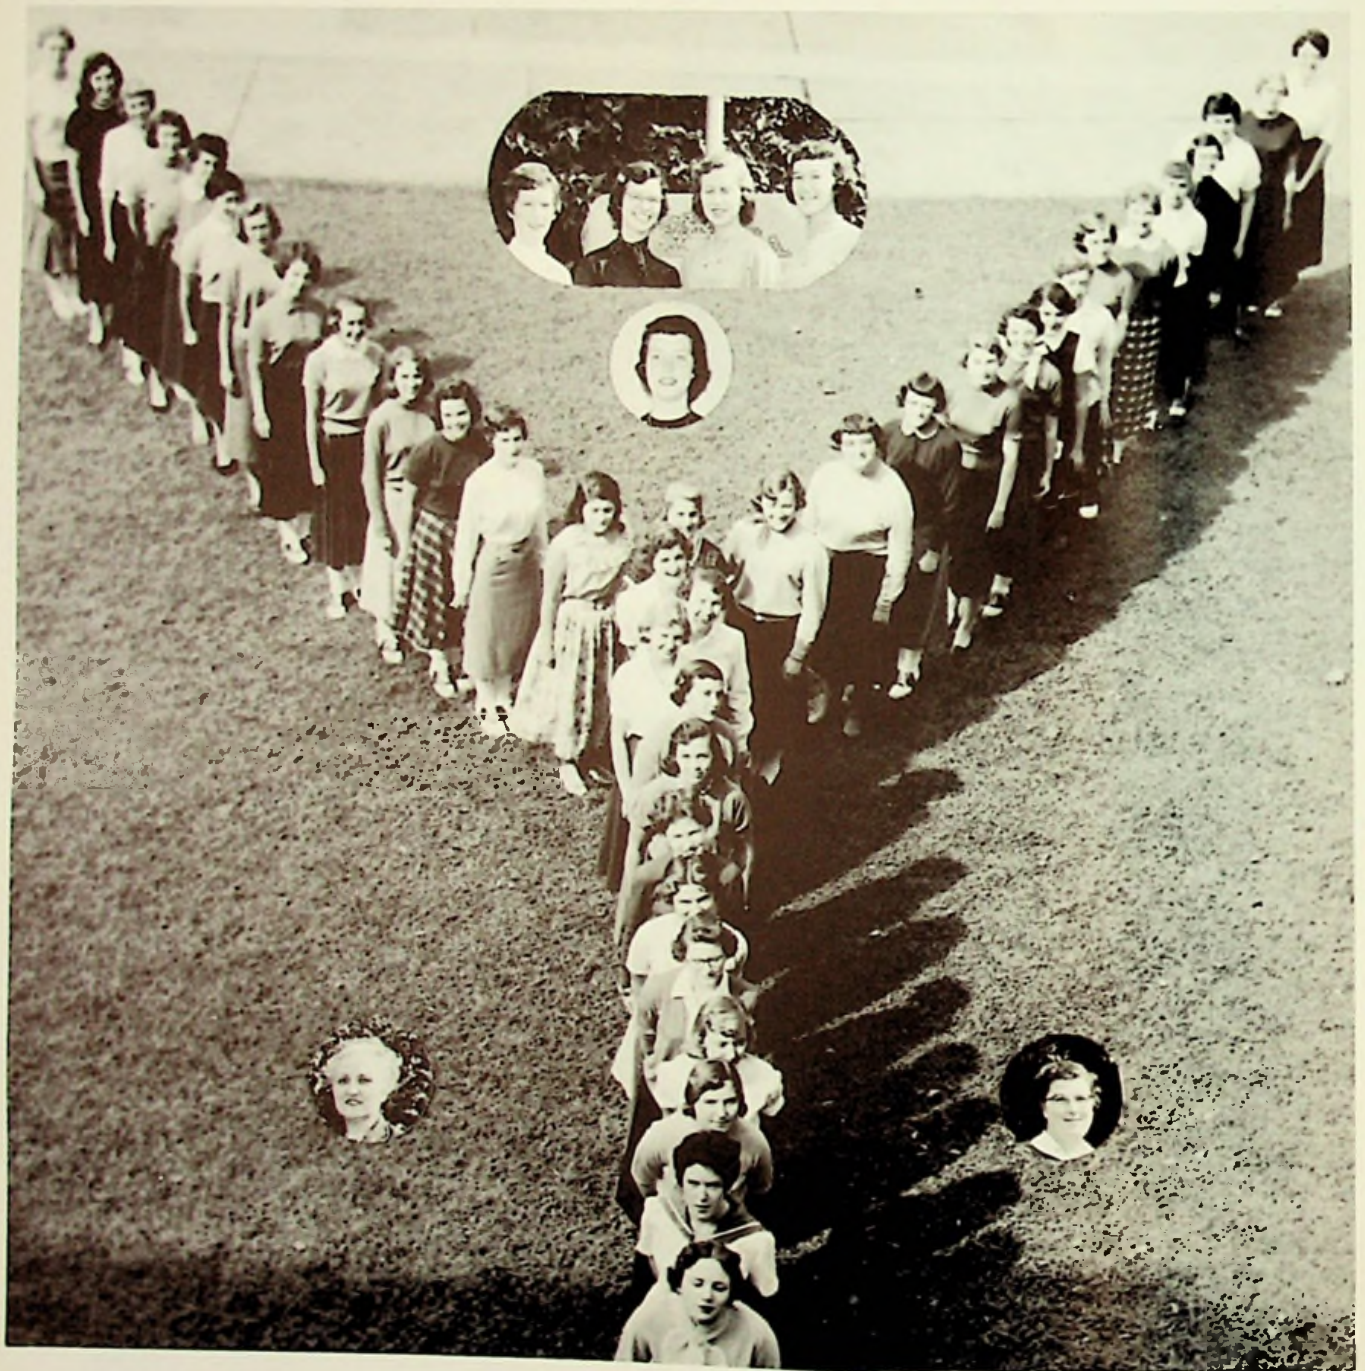

Junior Varsity cheerleaders, Gail Roney and Janet Veach. The J.V. Cheerleaders were attired this year in white skirts, collars, and "E's", with royal blue crew-neck sweaters.

The sophomore cheerleaders are chosen each year by a student body vote, judged by their performances in an assembly. In their junior year they automatically become varsity cheerleaders if they maintain a B- average. When they reach their senior year they become co-captains of the cheer-leading squad.

A Message to This Year's Graduates

Detroit Steel Corporation heartily congratulates you. You have moved another step forward on your way to becoming useful citizens in the community.

Many rewarding opportunities await you after graduation in this nation of ours whose progress is rooted in its freedoms. American industry is an outgrowth of these freedoms.

A good example is the Steel industry. During the past one-hundred years Steel has played a major part in lifting the standard of living in our country. The industry has expanded continuously. It is now on the threshold of further expansion on a gigantic scale.

This means new jobs. . . more and better jobs with a future. America and Steel are growing together. Have you considered Steel as a career?

We urge you to pursue all opportunities for continued study and self-improvement. Only by increasing the breadth of your knowledge can you hope to keep abreast of our ever expanding technology in a technical world. More than ever it can be said for the future that "knowledge is power."
