HALLOWEEN  
PARADE

HALLOWEEN  
PARADE

MR. RUARK supervising the lunch line!

Bus fleet faithfully  
provides daily transportation.

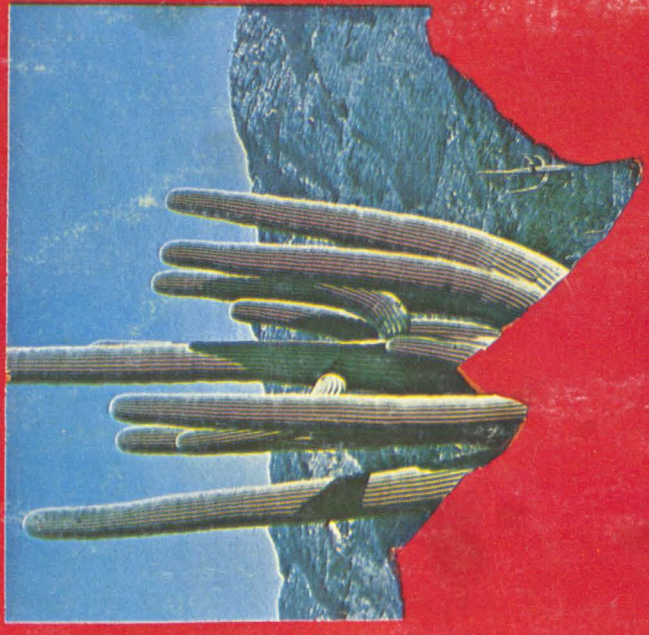

FROM THE PEN OF MR. RUARK . . .

The idea of expansion and development is one of the more pleasurable subjects we enjoy discussing—whether it be our child's maturity in size and mental development, a new addition to our house, or the growth of our school and community.

Growth is certainly one of the outstanding factors of this school year. We have sixty-five additional students in the Primary (Kindergarten through third year).

The thrill of seeing community grow and its people prosper has certainly brought forth new vigor and enthusiasm for the prospects of increased educational possibilities and achievements by our children.

Let us go forth hand in hand expecting nothing less than excellence in our educational program.

*Jodi*
