SIMPLY Sensational

The 1989-90 school year was ushered in with lively students walking into a fresh building. The halls were jammed with everything from football players, physically drained from another unbelievable practice the previous day, to freshmen struggling to find their next class, to those bronzed students who had not really realized school had begun.

The fall sports teams were marvelous in their own way. The football team began long, hard practices, while the golf team walked the course trying for bogies and eagles. The Band of Tomorrow marched their show over and over to learn the formations and music.

Academics were spectacular as the students studied and crammed all night for tests. The Quiz Bowl Team sold light bulbs to light their way to a successful year as they defeated area teams and earned a spot on television.

Michael Tyler, Todd Skaggs, and Darryl Lisath relax during lunch.

"Chess anyone?" asks Jeremy Strayer.
Jennifer M., Luke C., Stephanie B., Lorey C., Toby S., Maggi S., and Aaron D. cheer the football team to victory.

Missy McKenzie puts finishing touches on her art project.

Angie Hughes, Stephanie Craft, Michael Hughes and Gary Thornton stop for a picture.

Aleea Wright and Susan Osborne weigh the elements.

Teri Verity completes her OWE assignment.

Chris Poore, Tony Rodriquez, Taylor Wisniewski, Buddy Boggs, and Mike Eberhart kick back and relax during study hall.

Scott Horr, Jennifer Fucci and Michele Moore congregate by their lockers.

GO TROJANS!!!

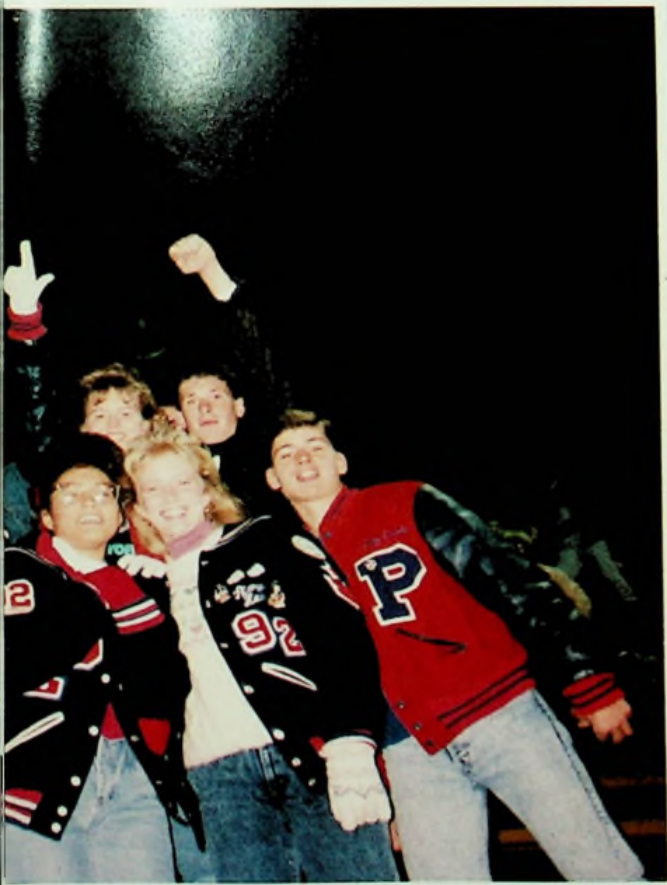

SIMPLY *Sensational*

Before the fall sports season could end, the ball was bouncing on the court as basketball season began. The TROJANS earned a spot in the State Tournament where the mighty Men of Troy ended the season as the Division II state runner-up team.

As the weather warmed up, the activities around school became plentiful. Play and musical practices commenced, getting students ready for their spring performances. Spring sports took up time for many athletes. The prom became an everyday word in April as girls discussed their dresses and guys discussed their dates. As the exciting school year drew to a close, the all mighty seniors looked forward to the upcoming graduation and the underclassmen uncovered those dirty old books and began studying for those mind-boggling finals.

School was finally over . . . and the year that started out being hectic had turned out to be SIMPLY SENSATIONAL!

Miss River Days 1989

The 1989 River Days Festival was held during the last week in August. The Grande Parade was held in the afternoon and not even the hot weather could keep eager spectators from showing their support to PHS representative, Stephanie Lynn Battle. Stephanie, followed by the roar of the Band of Tomorrow and the chants of the cheerleaders, was radiant as she

rode on her float entitled "World Unity."

Following the parade, the Miss River Days pageant was held at Shawnee State University. Contestants competed in evening gown, swimsuit, and interview categories. Stephanie was chosen as Miss River Days 1989 for her poise, appearance, speaking ability, and overall personality.

Homecoming Queen

Stephanie Battle was crowned 1989-90 Football Homecoming Queen during halftime ceremonies of the Portsmouth-Ashland football game. Although the TROJANS were defeated by the Tomcats, the Homecoming events were a big success.

Stephanie chose Dwight Lewis as her escort. Her court included: senior attendant, Shelley Wright, escorted by Pat Rigsby; junior attendant, Luann Griffith, escorted by Danny Speas; sopho-

more attendant, Amy Haas, escorted by Aaron Duncan; and freshman attendant, Carrie Herrmann, escorted by J.J. Pennington.

Bobby Varacalli was crowned Football Homecoming King Trojan. Each homecoming the student council elects four candidates from each class and the winner is determined from the amount of money that is collected for each candidate.

Trojan Spirit

TROJAN spirit reached sensational heights throughout the year. Anxiety mounted as students prepared for the ball-games. Cheerleaders and pep club members busily decorated the lockers of the basketball and football teams. The halls were pepped up with streamers and signs while hyped up students sported their red and

blue TROJAN attire. Pep assemblies gave students a chance to show their enthusiasm as they cheered for the mighty TROJAN teams. Finally the time arrived for the big game. Spirited students could be seen everywhere cheering madly, urging the TROJANS on to another victory.

Andi Herrmann

Reigns As Queen

Andi Herrmann, escorted by Jeremy Strayer, was crowned 1989-90 Basketball Homecoming Queen during halftime ceremonies of the January 27th PHS-Gallipolis game. The TROJANS were victorious as they defeated the Blue Devils by a score of 70-37.

Queen Andi's court consisted of: Jennifer McGraw, senior attendant, escorted by Ben Meeker; Kelly Birkhimer, junior

attendant, escorted by Chad Hammond; Julie Bouyack, sophomore attendant, escorted by Steve Bohem and Erin Smith, freshman attendant, escorted by Jon Logan.

Jeremy Strayer was crowned 1989-90 Basketball Homecoming King Trojan.

We're Off To See

The Wizard of Oz

Nineteen eighty-nine marked the 50th anniversary of the musical production, "The Wizard of Oz." To honor this anniversary, PHS students presented this musical to the public on April 5-7.

The cast and crew consisted of nearly 70 students with auditions being held in early December. In January the cast and crew began learning lines and painting sets so that this production would be a success. And that it was! Every night the auditorium filled as children and adults watched Dorothy and her friends Follow the Yellow Brick Road to the Land of

Oz. When the production was over, many people left the auditorium humming and whistling tunes such as, "Somewhere Over the Rainbow" and "Ding Dong the Witch is Dead." The time and dedication of director, Mark Williams, student director, Erin Scott, and the cast and crew made the musical a huge success.

The day of the prom, May 18th, finally arrived and the nervousness of the juniors and seniors filled the air as they thought of preparing for the special events that lay ahead of them.

"Almost Paradise" was on the horizon as the blue, white and silver balloons drifted gracefully in the midst of the elaborate scenery.

The time finally came for the elegant couples to appear on the walkway in what was sure to be the start of an evening that would be SIMPLY SENSATIONAL.

Class of 1990

The day that everyone had been waiting for had finally arrived. The Class of 1990 was graduated on June 3rd at 3:30 in the afternoon in the PHS gymnasium.

Graduation evokes many memories and emotions for seniors. Most seniors are overjoyed that this is the last of their school years and they realize that they will soon be moving on to bigger and better things. But for many seniors, it is a day

of sadness because they will think about things that they have done at home and with friends in the last 17 or 18 years and as time draws near, they know that graduation will separate friendships and bring about new ones. Although the time had come for friends to part, the Class of 1990 will always have the memories of their school days together for years to come.

Almost Paradise, Almost Broke

While the prom is a beautiful and wondrous occasion, it is also a very expensive night for both the boy and the girl. The average cost for each girl was \$835.00; which included: \$600.00 for a dress; \$100.00 for jewelry; \$35.00 for shoes; \$20.00 for a hair appointment; \$35.00 for a hairpiece; and \$45.00 for tanning appointments. The average cost for

each guy was a lot cheaper, \$215.00. Approximately seventy dollars was needed for a tuxedo, while \$50.00 was spent on flowers, \$50.00 for dinner, \$50.00 for car expenses, and \$10.00 for a haircut. Although this evening was expensive, the joyous time spent with friends and the beauty of the evening was certainly Almost Paradise.

The Drug Awareness Resistance Education Program, started by the Portsmouth Police Department, taught elementary and middle school students about the effects of drug and alcohol abuse. Police officers visited different schools once each week. One particular week, a "role model" session was performed. Several PHS students, such as sports figures and aca-

demic achievers, were selected to travel to different schools, giving personal opinions and experiences about alcohol and drugs. Students selected to participate in the DARE program were: Bobby Varacalli, Jeremy Strayer, Chris Duncan, Mike Estep, Matt Apel, Stephanie Battle, Amy Driedger, Stephanie Craft, Toby Schisler, Amy Wise, and Sarah Rau.

For The Record

Music can be a way for students to relax after a hectic day of school. Almost everyone owns a radio, jam box, or stereo of some type. Look around the school and most students will be trading cassettes or listening to headphones. Music can also be heard flowing from car windows as students cruise Chillicothe Street. Students save their money to buy T-shirts; posters; concert tickets; or various CD's; cassettes

or records. Just exactly what did they listen to? According to a survey of 200 representative students, the top choice of music most listened to was house music chosen by 40% of the respondents, followed by 25% who listened to rap, 11% of those surveyed favored hard rock, while 10% chose Top 40, 7% jazz and 7% listened to country music.

Freshman Fears

On the opening day of school, freshmen are greeted just as they have been for many years. They are booed and hollered at and made fun of just like the upperclassmen who are ridiculing them once were. While most everyone has fears, freshman fears are intensified the first few weeks of school as they try to adjust to high school life. They wander helplessly around the halls trying to find their

classrooms while the upperclassmen look at them and laugh (forgetting that they were just like that a few years ago). Even though the freshmen are treated roughly early in the year, by the end of the year they are accepted as part of the school. As summer approaches, these new sophomores await the arrival of the new incoming freshmen to watch the process of events happen to someone else.

Monday Mornings

The alarm went off at exactly 6:30 A.M. It was shut off immediately by a heavy and clumsy hand. Monday morning had begun. With slow, monotonous movement, the student arose from a warm, comfortable bed to face the beginning of a new week.

The smell of brewing coffee and the sound of running bath water were the first signs of life on Monday morning. As the clock read 7:15, the student could be seen

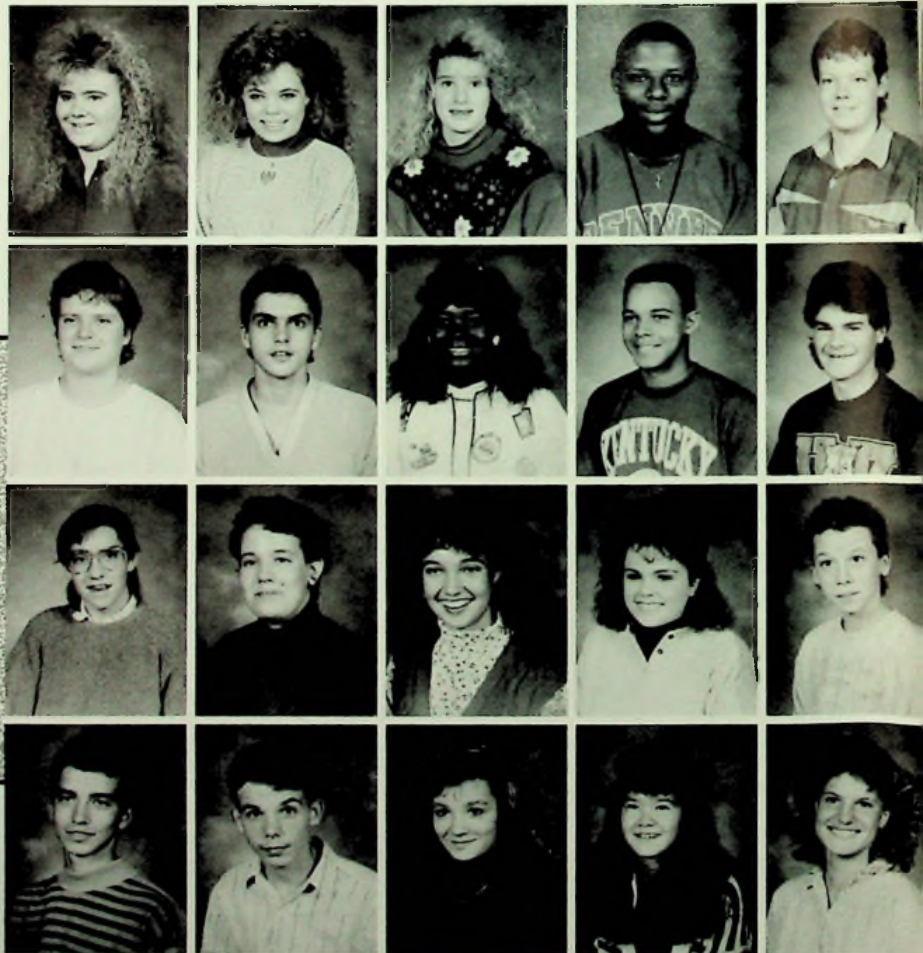

swallowing the remains of breakfast before heading out the door for school. After arriving at school, the student, along with every other student and teachers alike, wore tired faces, with dark, baggy eyes highlighting their faces. The day started off slow, but by the end of the day, bright-eyed, hyper students filled the halls. And why shouldn't they be hyper, there are only four more days of school left ... this week.

The Teacher's Pet

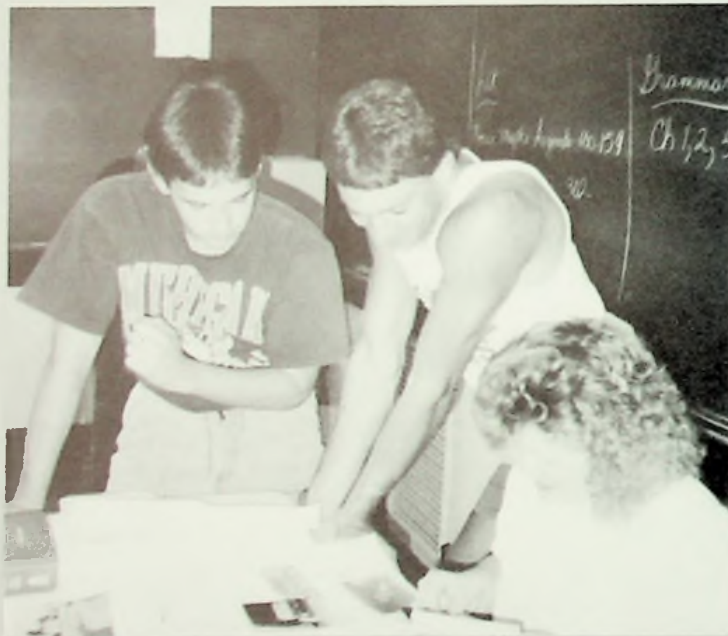

Many teachers at PHS have pets. No, we're not talking about favorite students, we're talking about animals. Many teachers have animals of all sizes, shapes, and colors to ease their nerves when nothing goes right. The most popular pets for teachers at PHS seem to be the cat and dog; but many teachers have or have had unusual pets. For example, Mrs. Brown once had a skunk, a raccoon, and a fox; Mr. Denham, an opossum; Mr. Stephenson, two squirrels and a snake; and Mr. Clifford said that his son was his unusual pet. As unusual as some of the pets are, they also seem to have strange habits. Like Mr. Doll's parrot rapping or Mr. Brown's cat, Whiskers, urinating in the heating register, or Mrs. Criner's dog, Smoky Bo, eating dirt out of plants.

Although they are expensive and time consuming and at times a little strange, pets are a way for teachers to relax and unwind at the end of a stressful day of school.

Home Economics

The home economics classes, under the direction of Mrs. Sue Harrison and Mrs. Ann Sommers, prepare students for the multi-role society — family member, parent, and community member.

Students have an opportunity to select different courses. The family living course deals with individual growth concepts which lead to dating, engagement, marriage, and concerns of the married couple. This year the class engaged in two simulated wedding ceremonies.

In the child development course, students learn about pregnancy and the

growth and guidance of young children. The class had a session involving pre-school children.

Other classes offered include the basic Home Economics I and II, advanced foods, which includes cooking foreign foods and using specialized equipment, and clothing management. Seniors may take the Singles Living I and II course which will provide them with the knowledge of living on their own and dealing with individual problems.

These classes help teach students to prepare for the future so they can become useful members of society.

Foreign Languages

Parlez-vous francais? This sentence became familiar to many students studying the French language. French, Spanish, and Latin are the three languages taught at PHS.

Although foreign languages may be difficult with all of the verb conjugations and definite determiners, studying a language can be fun and rewarding.

One example of an exciting project was the French III class who competed for the "malliot jeune" in their own Tour de France. Also, the students in French III tried their hand at cooking by preparing French cuisine.

A unique project was conducted by

the Spanish III class. This class produced their version of "The Arsenio Hall Show." These students chose a person they wanted to portray, wrote the scripts in Spanish, and then acted out the part for the video camera.

The Latin classes also showed creativity as the Latin I students did projects about Roman daily life and the Latin II class performed the "Roman Saturday Night Live." Both classes made "Saturnalia" (Christmas) and Valentine cards.

These languages provide a cultural background of the countries of the languages studied, as well as give students a greater knowledge of foreign countries.

Goes For The Goals

The second year for soccer at PHS saw another new coach. Coach Larry Newman guided the TROJANS to a record of three wins, two ties and 13 losses. Playing much more experienced teams, the TROJANS themselves became more experienced and thus one step closer to a winning season next year. Chris Bihl was named team MVP and the most improved player award went to Chris Williams.

Dynamic Enthusiasm

This past summer the cheerleaders attended Universal Cheerleaders Association cheerleading camp at Marshall University. All three squads received superior ratings and won the spirit stick several times during the week.

The JV squad was overall camp winner in the Junior Varsity division. The varsity squad received the coveted 'Master Key to Spirit Award,' which is voted on by all the cheerleaders who attended the camp. It is based on cheerleading, sportsmanship, and willingness to help others.

The varsity squad competed in Columbus in the Ohio Cheerleading Championships. The squad was judged first runner-up in the state of Ohio. They received a trophy, a certificate toward cheerleading supplies

and were featured in a Kroger advertisement for television.

Kristy McGraw, a junior member of the varsity squad, competed in individual competition at camp. Kristy was named to the U.C.A. All-Star squad. As a result, Kristy got the opportunity to tour London with the U.C.A. All-Star Cheer and Dance squads over Christmas vacation. There were 749 girls and boys from across the United States on the squad. They were invited to perform in the Lord Mayor of Westminster's New Years Day Parade. While in London, the All-Star squad visited Trafalgar Square, palaces, dungeons, Tower of London, Windsor Castle, Hard Rock Cafe and many other London tourist attractions. Congratulations Kristy.

The TROJANS made it 2-0 by beating Wash. C.H. 22 to 16. Shane Simpson tackled a Lions player two yards short of a 1st down to lock up the win. Poore scored from six yards out and Estep threw TD passes to Scott Barnes and Apel.

The TROJANS were 3-0 after shutting out Greenup Co. 14-0. The defense held Greenup to 132 total yards

The TROJANS suffered their first loss to Miami Trace. The TROJANS couldn't generate any offense with the loss of quarterback, Estep, who broke his thumb in practice. Backup QB, Shane Simpson, hit Scott Barnes for 24 yards for the lone score.

The next game saw the TROJANS trounced by Russell in the first half, but the TROJANS finished strong, losing 39-24. Lou Barnes scored three TD's on short runs and Darryl Lisath scored from 10 yards out.

yard TD pass for the lone score.

The TROJANS lost their fourth straight to a better Ironton team. The Tigers went on to win the state. The TROJANS lone score was a 35 yard bomb from Estep to Duncan.

The TROJANS came back on the winning path by downing Boyd Co. 33-16. Robert Hearn returned a kickoff 75 yards for a score. Chris Poore scored on a one yard plunge and a 53 yard screen pass from Estep. Estep also hit Apel for a 38 yard TD.

Next, the Men of Troy thrashed Day. Jefferson 54-0 by scoring their most points since 1981. Poore had 202 yards rushing and one TD. Freshman Michael Parker had 107 yards

rushing and two TD's. Estep hit Duncan for a 33 yard TD and Apel for a 26 yard TD. Freshman Ryan Harris scored on a six yard run to finish the scoring.

The TROJANS finished the season at 6-4 by crushing Toledo Libbey 40-7. Estep hit both Duncan and Apel for TD's in the first quarter. He then scored for TD's of one and 13 yards. Apel scored on a five yard pass and Poore scored on a three yard run. Chris Duncan broke the school record for catches and yards in a season with 28 for 560 yards, and team MVP Mike Estep, threw for 1000 yards and threw the most TD passes thrown in a season with 14 and threw only one interception.

The Lady TROJAN tennis team sported a 6-12 record for the 1989-90 season. Although the girls played well, no one advanced out of the sectional tournament. With only two seniors on the team, the young players are looking forward to a strong 1990-91 season. Stephanie Craft was awarded the team MVP.

Going For Green

This year's golf team was SIMPLY SENSATIONAL. The team started out slow with two losses in their first two matches, but as the season progressed, the TROJANS finished with 26 wins, ending their regular season at 27-3. The team broke many records, including their own. Their lowest team score was a 145 with Jed Johnson and Billy Esham shooting their lowest rounds with 35 and 37 respectively. This year's team saw four out of the top five players break par as Scot Crace shot 34 and Johnson, Kris Walker, and Taylor Wisniewski all had 35's.

As spectral hues of autumn began

to show, the team's true colors began to show also as they dazzled the scoreboards in the fall tournaments. The team finished 6th in the Hadley Fall Classic in Middletown while competing against 30 other schools around the tri-state. During the sectional tournaments, the team mastered cold and windy conditions to take a 10-stroke victory and the sectional title. At the districts in Oslander, the team was not so lucky as they could not overcome a long and narrow track; but they did finish a respectable 7th and just six long-shots shy of advancing to the state tournament.

Rulers Of The Court

The 1989-90 season got off to a shaky start as the TROJANS lost two of their first eight games. But the Men of Troy were determined to be the best.

The first game saw the TROJANS post a win against Chillicothe and from there they found themselves playing at St. John's Arena in the state playoffs.

Before the TROJANS could get to St. John's, they had to regroup and get past their two losses. From the ninth game on, the TROJANS were legit as they pumped up the fans by advancing 12 straight wins in the regular season action. They were crowned the OKAC champs and

were the sectional, district and regional champions. From the regionals that were held in Athens, it was on to St. John's Arena where the TROJANS entered into the state playoffs and became the Div. II state-runner up team. Winning awards for the TROJANS were: Philip Whitehead — MVP and leading scorer; Damond Mannon — most assists; Darryl Lisath — best defensive player; Todd Skaggs — best free throw shooter; and Brian Kelly — leading rebounder and best free throw shooter.

Real Team Effort

The Lady TROJANS opened the season against Ironton and fell to the Tigers by a score of 17-4. They went on to lose their next three games. Being a very young and inexperienced team meant lots of hard work. As a result of the team effort, their season improved. Five games after losing to Ironton, the TROJANS downed the Tigers 22-17 and went on to record a

4-7 season. Kristy McGraw was the lead off hitter with a batting average of .308, followed by Amy Haas, with a .256 at bat average. Jennifer McGraw batted third with an average of .425 and the cleanup hitter was Michelle Wisener with an average of .346. These top four hitters also scored 55 total runs and stole 20 bases. Jennifer McGraw was the team MVP.

Sophomore Kristin Young set the long jump record with a leap of 17 feet 1 inch and set the high jump record with a jump of 5 feet 1 inch. Paula Edelenbos broke the 1600m run record with a time of 5:49. Finishing first in the OKAC was Marsha Gannon in the 400m dash and the 800m relay team consisting of Leslie Frowine, Stacy Porter, Young and Gannon also finished first. Several members of the

team faired well in district action. Edelenbos finished 5th in the 800m and 1600m runs; Gannon placed 5th in the 400m dash; Jo McGlone placed 8th in the 800m run; the 400m relay team of Frowine, Porter, Young and Cristal Thomas finished 7th and the 800m relay team of Frowine, Porter, Young and Edelenbos placed 7th. Kristin Young finished 2nd in the long jump at districts and was the only player to place in the regionals where she finished in 6th place. Junior Marsha Gannon was named team MVP.

Headed For Home

The 1990 campaign was one of rebuilding for the Men of Troy. While returning only five seniors, the TROJANS dropped their first five decisions, then finished strong winning 11 out of their last 16 games to end at 11-11. Highlights of the season included playing Dublin at Cooper Stadium, home of the Columbus Clippers, and the 3rd annual Cocoa Beach spring break trip. The TRO-

JANS posted a 3-1 record on the trip. Their only loss came at the hands of the top ranked team in New York, Xavarian. After the season, the players participated in a 100 inning game to raise money for next years trip to Florida. Individual honors this year went to Scott Horr, All Southeastern District; Aaron Duncan, Phil Rodgers Award; and Mike Estep, All-OKAC and team MVP.

SIMPLY Sensational

As the 1989-90 school year drew to a close, restless students could be seen wandering the halls with a longing to be in the warm sun. As finals were completed and books turned in, the summer sun became even more inviting.

This school year, like many others, was full of memories. Memories of the basketball team's second place finish in the state and Stephanie Battle's reign as Miss River Days will never be forgotten. The good times that students shared at PHS will stand out in their minds forever.

As the last day of school finally came to an end, students cheerfully paraded out of the school building to begin the lazy days of summer. The days of the 1989-90 school year will always be remembered as being SIMPLY SENSATIONAL.

Charlotte King strikes a pose while passing out tardy sheets.

Luann Griffith and Marsha Gannon decorate lockers for the football players.

Mr. Mercer's senior class is psyched up for quiz bowl match.
