THE WHEEL

Right: Mr. Gampp and Kelly Leha Maja Jenkins take time between classes to discuss important political issues.

Below: Upperclassmen and teddy bear: an unbeatable combination!

It's often been said that time flies when you're having fun. This phrase never seemed more appropriate than when summer came to an end and it was once again time to return to school. Not that we became any less active, of course, for there was always something to be done after school and on the weekends. During the first few months of school, Wheelersburg students were able to participate in sports such as volleyball, cross country, soccer and golf.

Above: Freshman Heather Parsons is no doubt concentrating hard on her studies.

Above: Fine representatives of the Junior class: what more can you say?!

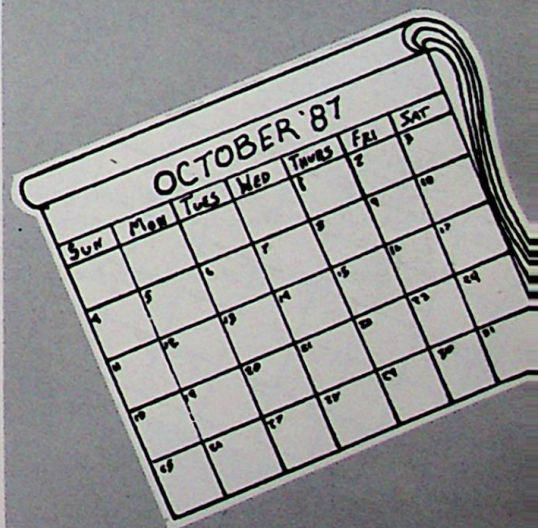

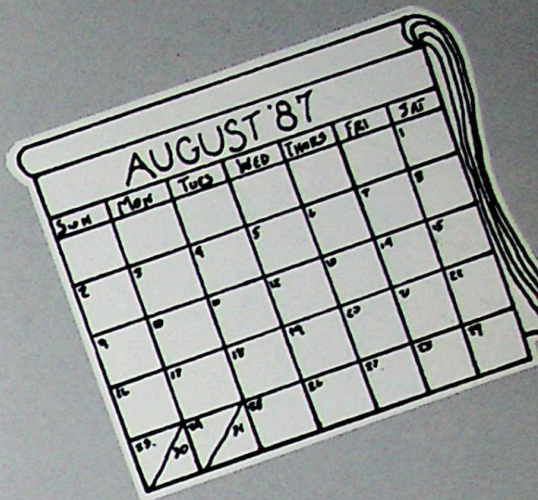

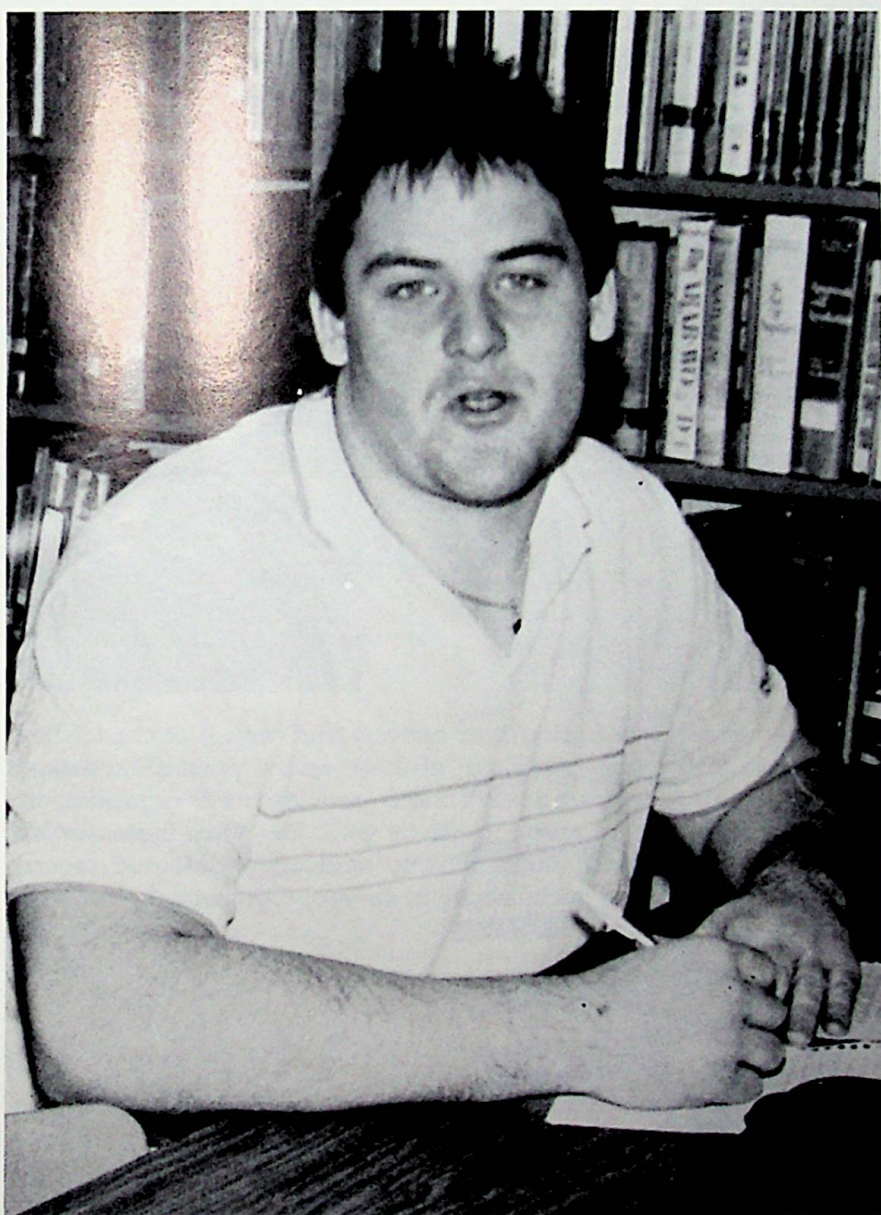

Right: Dave Newsome: a gentleman and a scholar.

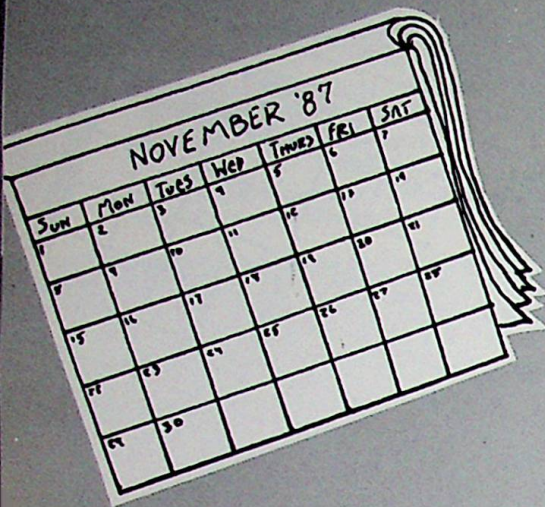

Naturally these teams all fared well in their leagues. In fact, the golf team was able to secure the SOC championship once again.

Fall approached, and with it came football season, an active time of year for the team, band, and spectators alike. In an exciting home-field game, the football team defeated West High

School to take Burg's second consecutive S.O.C. football title.

Although football was a tough act to follow, the basketball team also came through with a brilliant reserve and varsity 20-0 record season. Post-season play took the Pirates to the Regional Final competition.

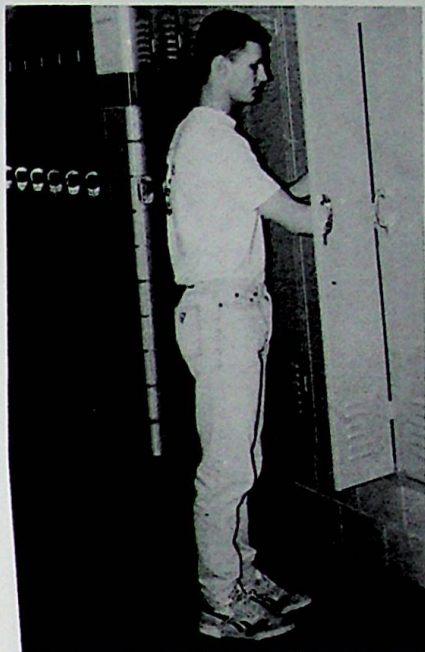

Before we knew it, Spring had arrived and with it came softball, baseball, track and tennis. Each of these sports posted impressive seasons. During the spring the various activities and organizations kept busy by pursuing many goals as well. The Quiz-team, for example, won the county championship with an undefeated record. They also participated successfully in several tournaments involving teams from all across Ohio.

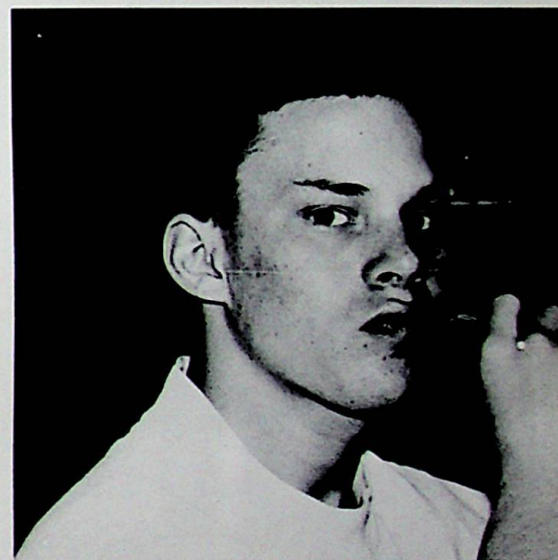

Left: Kelly Jo is always ready to ham it up for a crowd.

Below: Junior Sarah White is surrounded by admirers.

Below: Eager to get back to class, Matt Freeman rummages around in his locker for a book.

Other activities and organizations that kept busy all throughout the year were Spanish Club, Junior Classical League, year-book staff, photography staff, student council, National Honor Society, prom committee, cheerleading, Select chorus, Future Homemakers of America, band, and jazz band. It was indeed a busy year as the time passed us by so quickly.

ADMINISTRATION BRINGING THE BURG THROUGH ANOTHER YEAR

The Administration at Wheelersburg High School consists of the School Board, Principal, Vice-Principal, School Board Treasurer, and Guidance Counselors. These people work very hard to make each year a success. Much time and effort is given to help the faculty and students. Successfully, the Administration has brought the burg through another year.

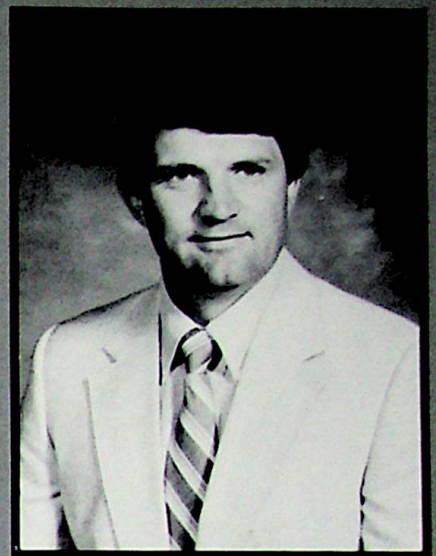

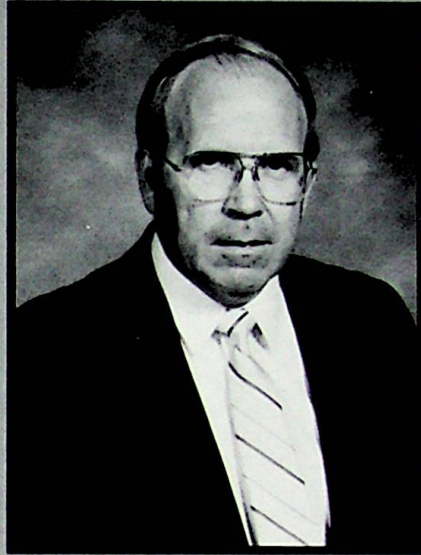

Sitting: Mrs. Christine Eaton, Mr. W. E. McFarland, Mrs. June Stroth. Standing: Dr. David Hanzel, Dr. Keith Gaspich.

Randy Parker has worked in the Wheelersburg School System for 16 years. Before becoming principal, he taught English and coached football and track. Also, he coached girls' basketball for one year.

Frank Miller has worked in the Wheelersburg School System for 27 years. Before becoming Superintendent, he served as principal and taught math at W.H.S.

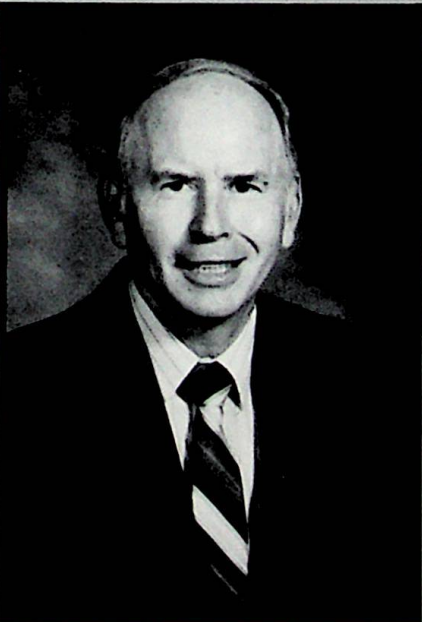

Jim Gill has worked in the Wheelersburg School System for 9 years. Before becoming vice-principal, he taught history and coached football. Mr. Gill is still coaching.

Dan Gilbert has worked in the Wheelersburg School System for a total of 23 years. Before becoming the guidance counselor, he taught business classes and coached basketball and baseball.

Jean Ann Franke has worked in the Wheelersburg School System for 13 years as a guidance counselor.

Larry James has worked in the Wheelersburg School System for 6 years as the School Board Treasurer.

FACULTY

MAKING ANOTHER

YEAR GREAT

The faculty has successfully made another year great. Through hard work and determination, they have brought this year to a close with little bloodshed. Though there have been some changes in the faculty

throughout the year, the quality of instruction has not changed. Our faculty is one of the best around and they deserve our praise.

SUPPORTING STAFF HOLDING THE YEAR TOGETHER

The Supporting Staff at Wheelersburg High School consists of the school nurse, kitchen staff, secretary, office personnel. These important people are the back bone of Wheelersburg High School.

They work hard to help the faculty and administration do the best job they can do. The supporting staff really has the responsibility of holding the year together.

BAND

By devoting much of their time, the marching band was able to perform exciting shows during the football season. Also, the

band participated in several competitions throughout the year. The band received third place in the Jackson County

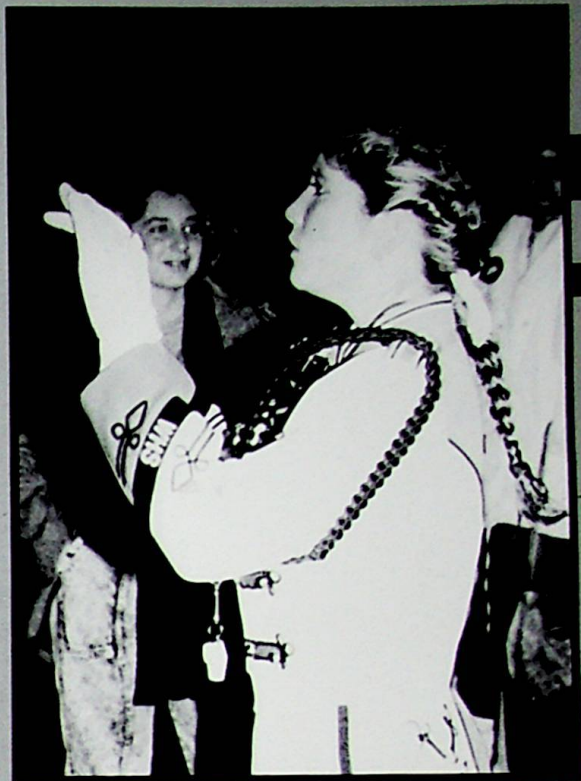

Apple Festival and also competed in Portsmouth.

MIXED CHORUS

Another important group at Wheelersburg High School is the Mixed Chorus. This group is made up of over half the students at the school. This group per-

forms twice in the school year, once at Christmas and later in the spring. This year's spring concert was a big success. The main theme was "50's and 60's"

music. The students as well as the audience had a great time at this concert.

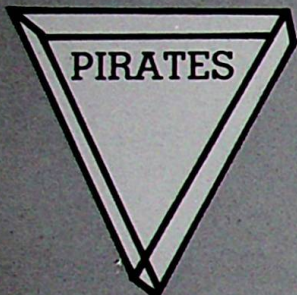

SELECT CHORUS

Under the direction of Mrs. Becky Climer, the Select Chorus is the show choir of Wheelersburg High School. By devoting much time and effort, they are able to perform a fabulous show. Performances for the 1987-1988 year includ-

ed the Christmas show for both the grade school and high school, performances for local organizations, and the annual Spring Concert. The Select Chorus also made a special trip to Piketon, Ohio for the production of "Seven

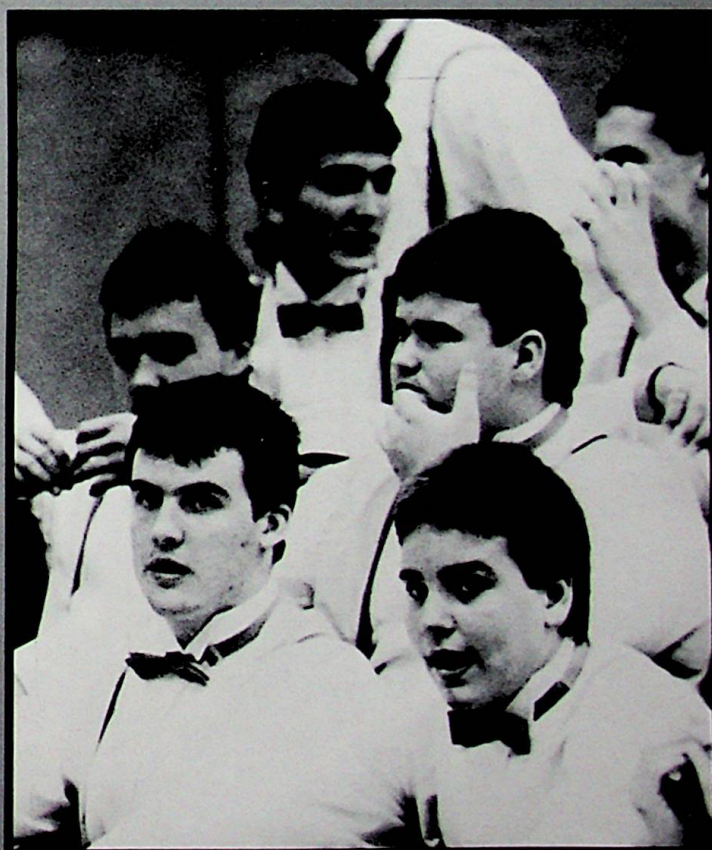

Brides for Seven Brothers. By performing Rodgers and Hammerstein's "Broadway," the Select Chorus enjoyed singing for their school and community.

"Select Chorus has been a confident lifter. After a performance I feel really good about myself." Allyson Waller

QUIZ BOWL

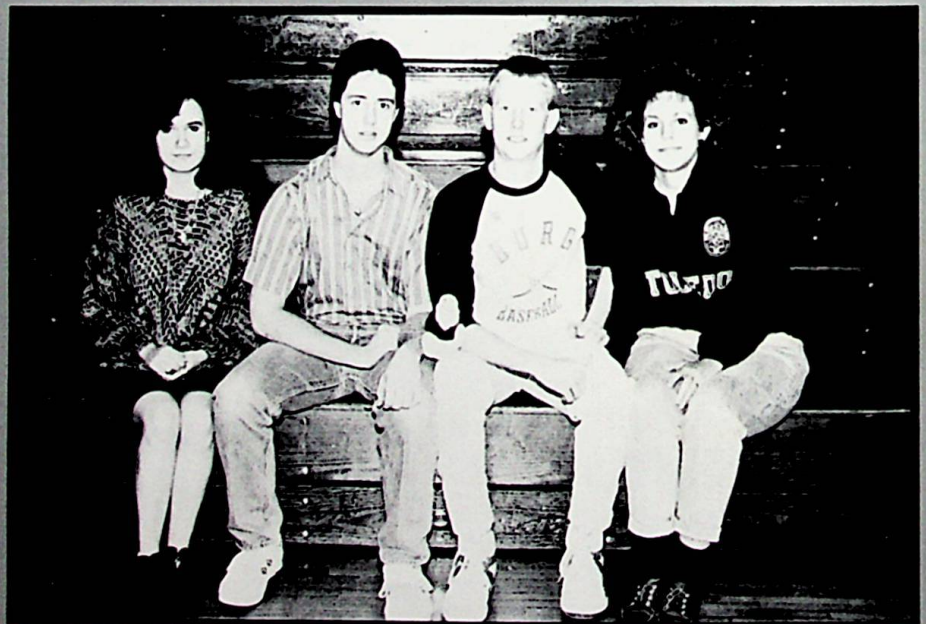

Advised by Melody Williams, the Quiz Bowl team had a very successful year. The team competed in various contests throughout the school year. Results of the

matches included second place in the Bobcat Buzz — In at Ohio University, second place in the Waverly tournament and first place in the Southern Ohio Academic Compe-

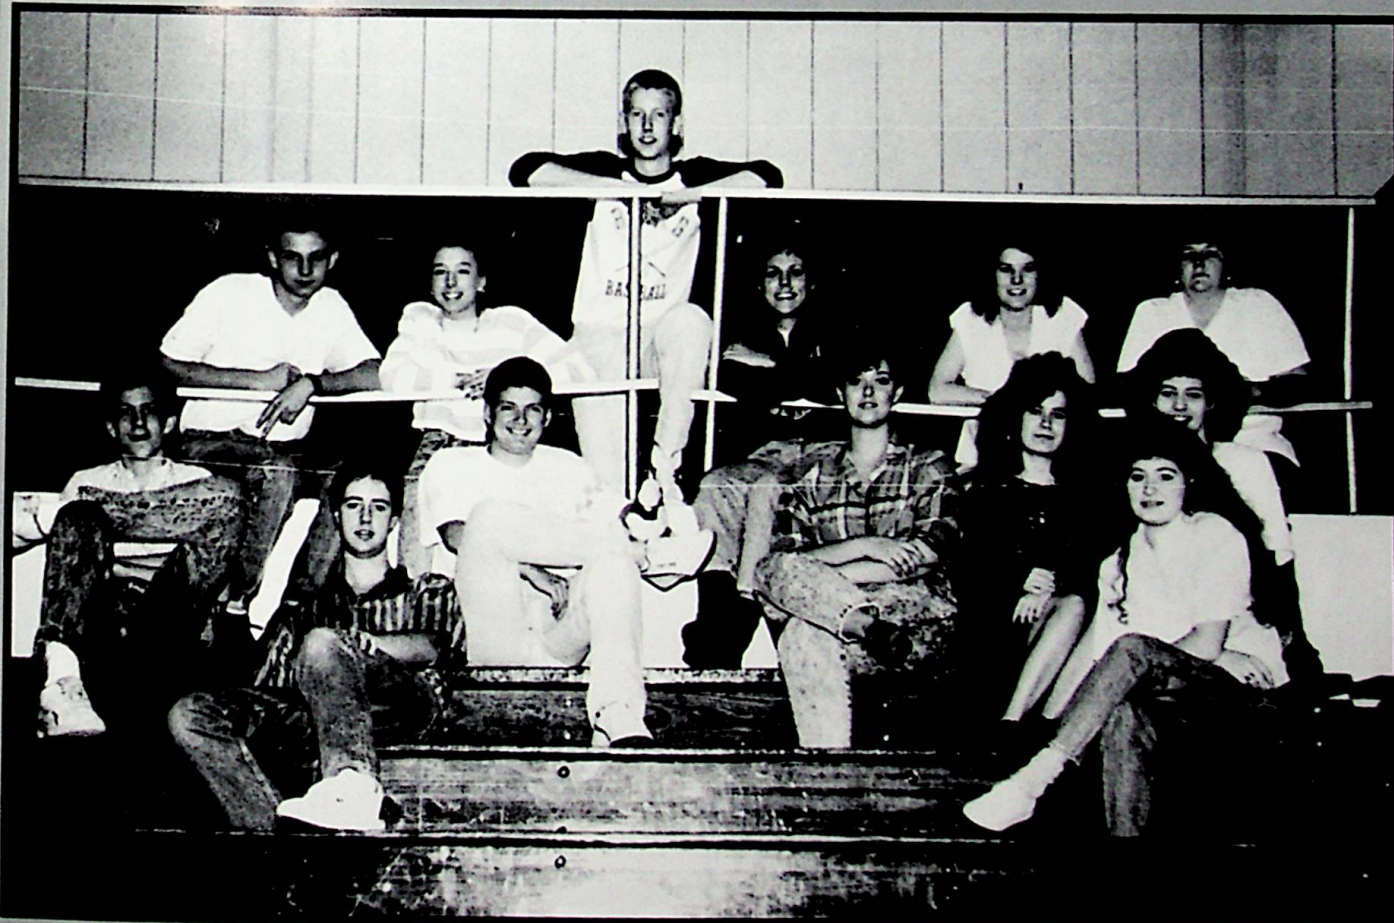

tion held at Shawnee State University. They also won the S.O.C. and were Regional Runners up. Congratulations to the team for a fine year!

THE WHEEL

The Yearbook production and photography staff are two very important clubs of Wheelersburg High School. By designing layouts and producing photographs, the staffs are able to produce our memorable yearbook, The Wheel. This yearbook represents all aspects of high school life for the students.

"Working on the yearbook has given me a lot of good memories. I'll always remember the people on the staff and being a part of it."

FHA

A newly formed group at Wheelersburg this year was Future Homemakers of America. Many students participated in this group to make it a big success. Some of FHA's activities included the "Hot Legs" contest, teachers' luncheon, and Mexican Fiesta. They also sold cookies and posters. The members of this group worked hard, but they enjoyed their activities.

"FHA is a lot of fun as long as you don't mind being around crazy people."

These FHA representatives went to the Regional Rally and placed first in team demonstration. The theme of their project was "House Cleaning Made Easy." These members also placed third in the State Rally. Congratulations for their fine achievements!

STUDENT COUNCIL

The 1987-1988 Student Council once again sponsored the student anti-smoking campaign. This event was held on Valentine's Day to discourage students from smoking. Another beneficial event was the selling of candy bars which bought trees to surround the track. The school appreciated their help with improving the school's appearance.

"How are ye?"

LIBRARY STAFF

Thanks to the terrific job of the Library Staff, the students had access to valuable sources of information. By providing a quiet, studious environment, students could work on homework, research, and computers.

"Library was a new experience for me this year. I really enjoyed it."

FOREIGN LANGUAGES

The Spanish Club sponsored many fundraisers throughout the year. Some of these activities included candy cane sales and Valentine computer matches. This group also made a spe-

cial overnight trip to Hamilton, Ohio to see the production of Don Quixote de la Mancha.

The JCL devoted a lot of their time especially during Christmas. They made cards and sang

carols for the residents of Best Care Nursing Home. Additional activities of the combined language groups included the annual trip to Kings Island and experimenting with cultural cooking.

Upon seeing the production of Don Quixote, the Spanish Club decided to perform their version of this famous novel. Top and bottom left: This spring the Spanish and French clubs decided to give cultural cooking a try. Both clubs carefully planned a menu each consisting of several courses. Then each group prepared their dishes, tasting and retasting as they went. As they ate the results of their hard work, the students decided if they liked or disliked the taste of the foreign dishes.

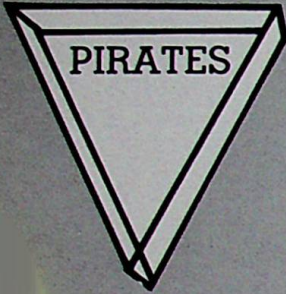

NATIONAL HONOR SOCIETY

The National Honor Society is a prestigious group within Wheelerburg High School. The foundation of this group is leadership, scholarship, character, and service.

New members, who are inducted in the spring, are given a special ceremony and reception sponsored by the present members. In the 1987-1988 inductions, nine juniors and nine seniors

joined the group. Due to rigid academic competition, these exceptional students felt honored to become members of the National Honor Society.

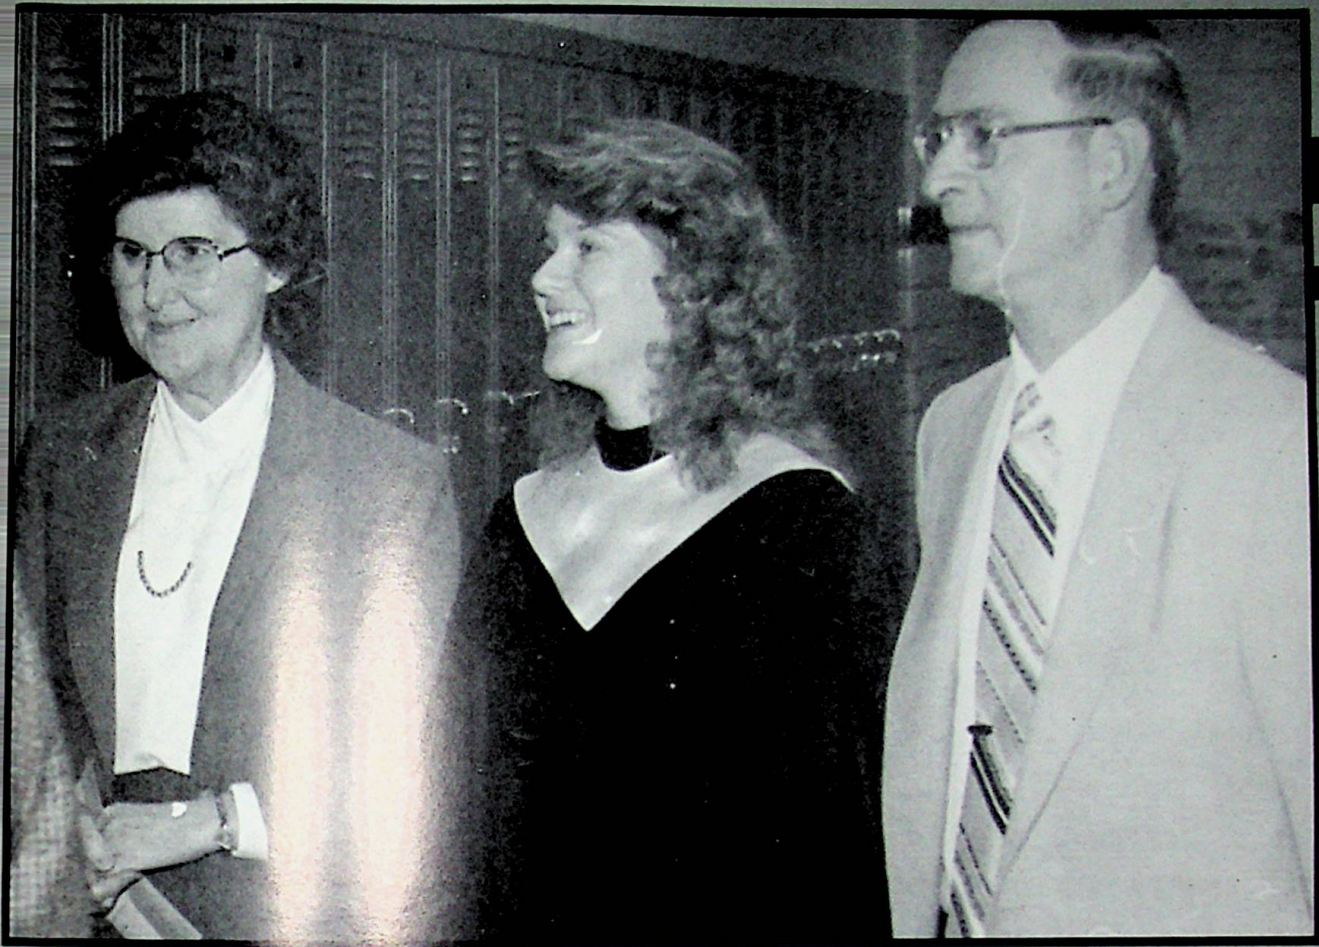

"I still don't believe they are having the stupid abductions today!"

RUNNING TO VICTORY

Cross Country team gains S.O.C. title.

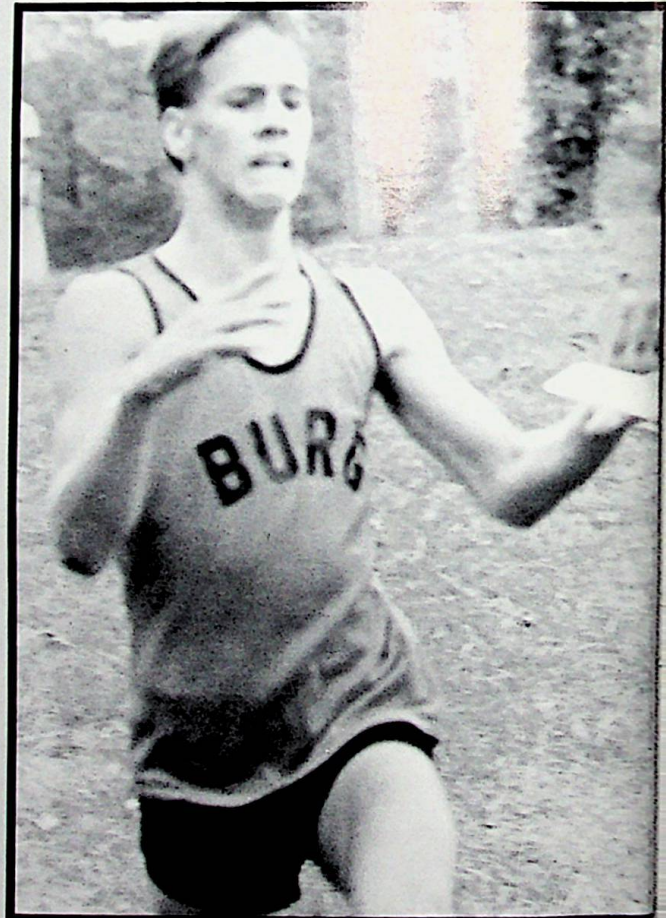

Led by Sophomore Ryan Parker, the Wheelersburg High School Cross Country Team put together a string of solid performances in establishing itself as one of the most consistent teams in Southern Ohio. Highlights of the 1987 season included a Third Place finish out of fourteen teams at the Boyd County Invitational and a Seventh Place finish out of seventeen teams in the strong Rio Grande Invitational. Parker won his second consecutive Southern Ohio Conference Individual

Championship, while Jeff Hacker, Chuck Daily, Chris Hacker, and Tim Holton rounded out an excellent first five. Strong support was provided by other team members Jim Davison, Tom Mullins, Matt Hoover, and Steve Cooper. Daily, Hoover, and Jeff Hacker provided outstanding Senior leadership. 1987 also saw Wheelersburg's first meet on our newly designed home course. On October 6, the Pirate Harriers ran to an inaugural victory over Rock Hill and Coal Grove.

Ryan Parker gives it all he's got.

S.O.C. CHAMPS

The League title is back at the Burg.

The 1987 season for the Wheelersburg Golf Team was one of its best seasons ever. The team showed a well balanced attack using Freshman, Juniors, and Seniors that gave the team the most consistent golf in the area. The five starters included Seniors, Mark Scroczyński and Mike Powell, Juniors, Tony King and John Wesley, and Freshman, Chris Spradlin. The height of the Pirates' season was the victory in the S.O.C. matches that gave Wheelersburg its second

The team's individual awards were as follows Chris Spradlin — Player of the Year in the S.O.C., first team all-S.O.C., and M.V.P. of the golf team. Mike Powell — Most Improved Player on the golf team. And Wayne Hickman — Coach of the Year in the Southern Ohio Conference. 1987 was truly a great year for the golf team, but they still have the youth and experience to possibly give Coach Wayne Hickman his second S.O.C. Championship in 1988.

Sectional Runner-Up

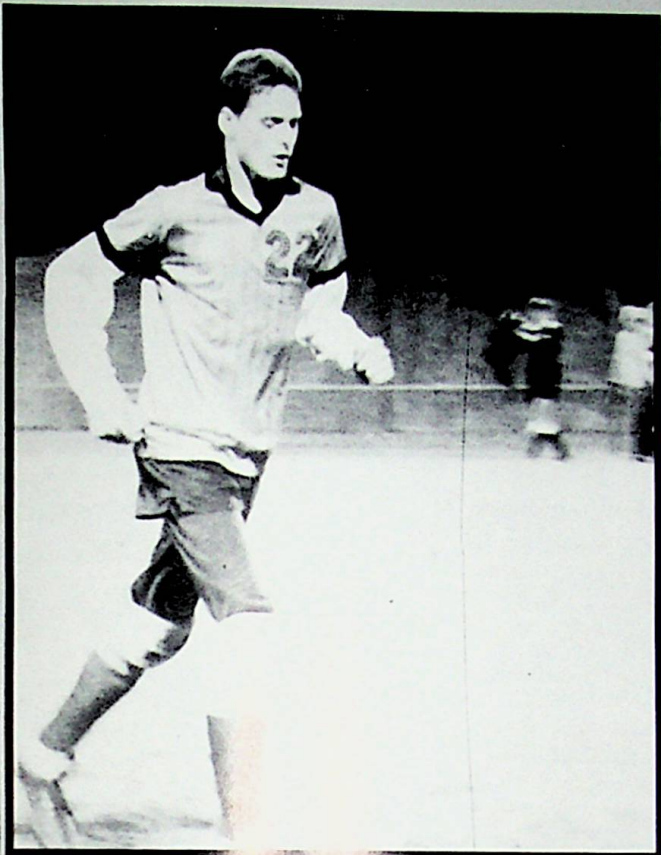

"... victorious against all but two teams ..."

The Burg's second year of soccer was an impressive one. Under the direction of Coaches Paul Boll and Don Davis, the Pirates finished their season with a conference record of 11-2-1. They made it to the finals of the sectional tournament, only to be defeated by New Boston. The Burg chalked up victories against

South Webster, Minford, Clay, Northwest, Unioto, Eastern, Valley, and Lynchburg. The team lost to New Boston and Paul Blazer H.S. Overall, the Burg's soccer season was a great success. The team was led by Seniors Scott Logan, Todd Duncan, P.J. Jameson, Richard Tolbert, Richard Nelson, and Brian Atwood.

A 500-SEASON

Last Season for Coach Moore

The volleyball team compiled a record of 9 wins and 9 losses during the course of the season. The team is still young though and should have even better records in the seasons to come. The team was led by junior Michelle Wells who was named second team Southern Ohio Conference and

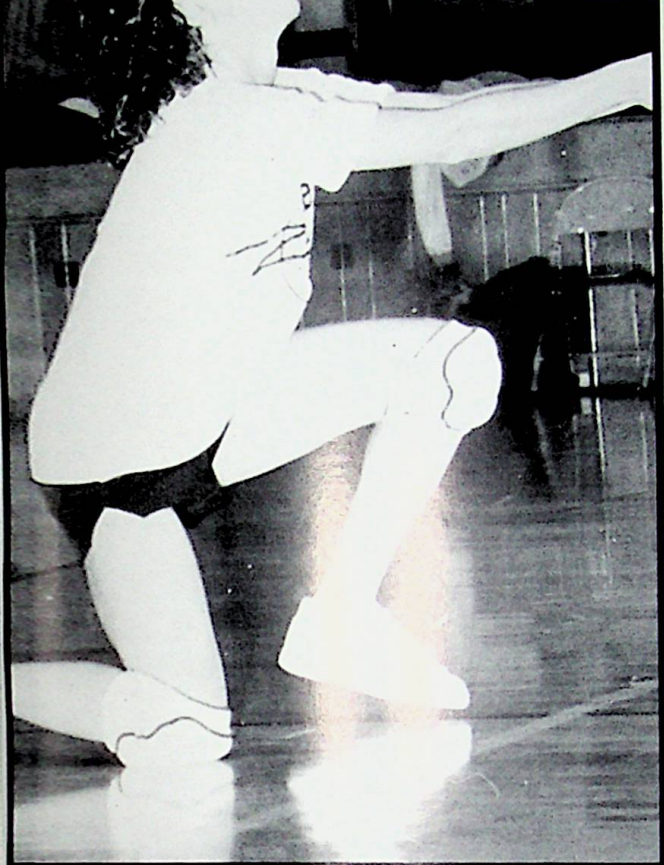

senior Kathy Bell who was named first team Southern Ohio Conference. Michelle also won the team's offensive award and Kathy won the defensive award. They were backed up by such talent as Krystyn Bussa, Kerri Cremeans and Dana Stepp, so the team should be strong in the up coming season.

A 500-SEASON

Last Season for Coach Moore

Pirate football was impressive to say the least. The varsity team compiled a record of 9-1 in the regular season and 10-2 over all. The team suffered no losses in the league and outscored the opposition by a score of 113 to 6. The pirates also had one of the top defenses in the area allowing only 36 points in 10 regular season games. The defensive squad was led by such senior talent as defensive end David Newsome, corner back David Martin and safety Matt Freeman. The season was also a milestone for Coach Ed Miller because he picked up his 200th career win as high school football coach. The pirates advanced to the regional finals

after first defeating Springfield Central Catholic by a score of 20-12; they then lost a tough game to

Versailles by a score of 22-8. The junior varsity had a season record of 6-1 and was led by such talent as Matt Miller, Rich Gill, and Mark Miller. The freshman team was led by speedster Pete Ruby, Eric Kelly, and Jeff Osborne; this team had a record of 3-3.

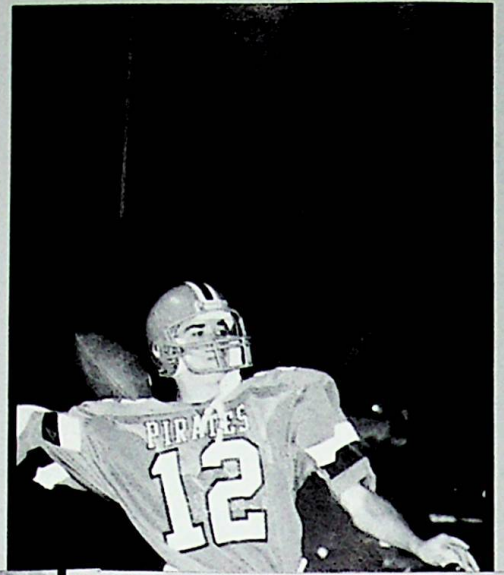

A talented pirate defense moves in for the kill.

The cheerleaders stay at after school to decorate the halls and gym with signs and to practice their cheers for basketball games. They also sponsored hall decorating competitions in order to show support for the teams. Enthusiastic at all

knew how to get and on their feet, a great amount of Pirate student body. They may not realize all the work that goes into it but it starts early in with fund-raisers, cheerleader camp. It is obvious that all of that work pays off when anyone sees how well our varsity cheerleaders perform their job of cheering on our Pirate teams to victory.

Pirate Basketball at its Peak

Burg Dominates Round-Ball

The talent on the basketball team was abundant and it was put together to make an outstanding team. Compiling a record of 24 wins and only 1 loss was no easy task. They beat such basketball powers as Chesapeake and Gallopolis, and advanced through tournament play to the regional finals where they suffered their only loss to Tuscarawas Valley. In tournament play the Pirates first faced Fairland; they defeated them 67-53 without the aid of Mark Eaton who was out with an injury. Then they went to the Convacation Center at Athens where they beat Minford and Chesapeake to win the district

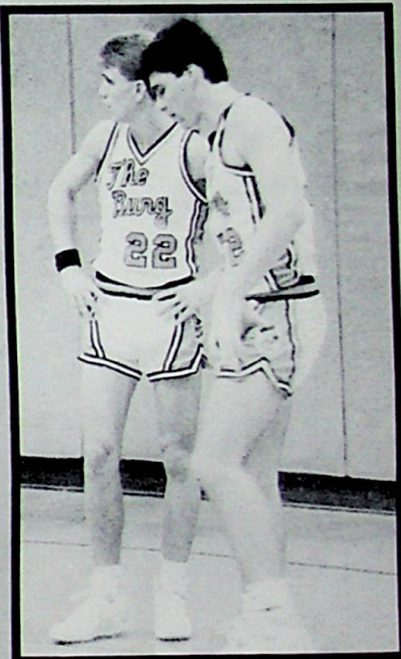

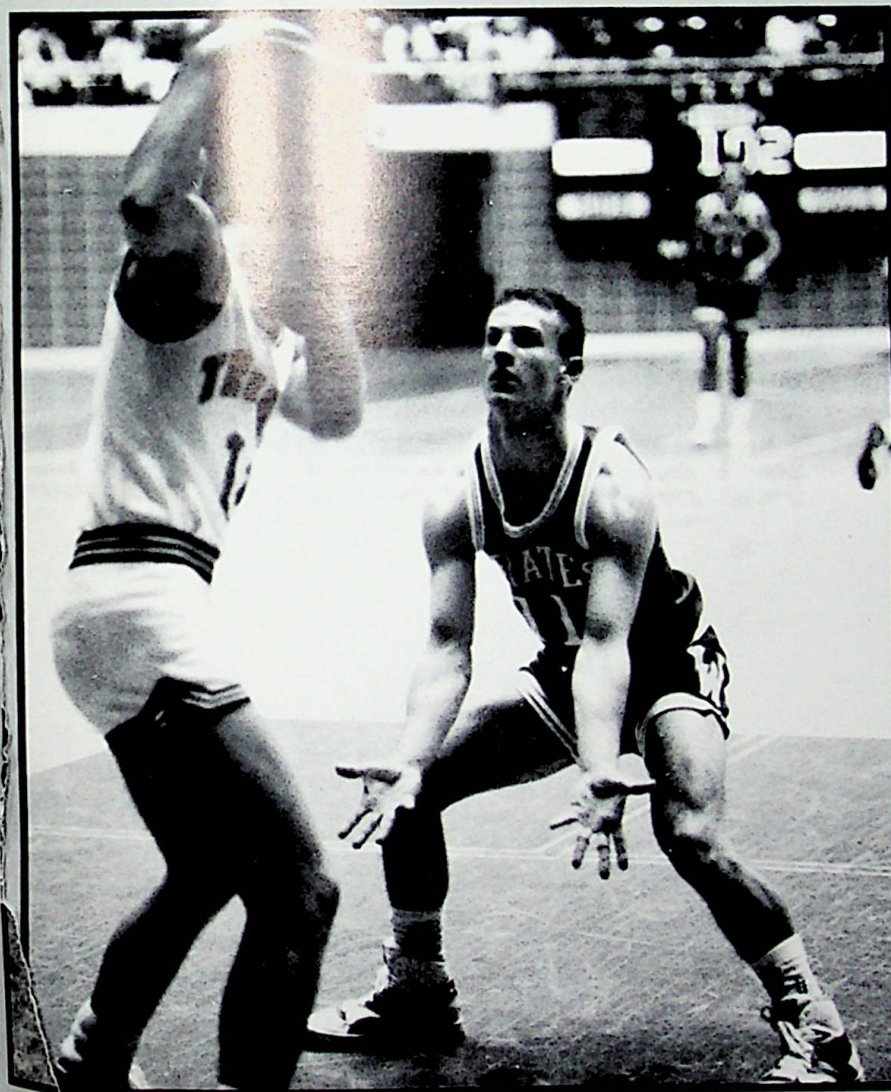

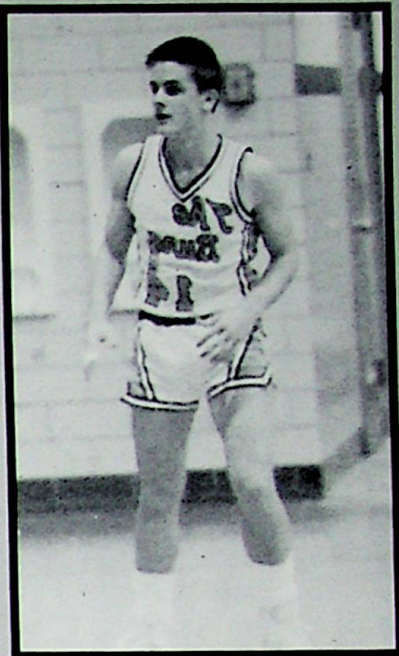

and beat West Union in Regional play. The team was led by seniors Mark Eaton, Roche Croy, Bill Thacker, David Newsome, Matt

Freeman, Chad Mowery, Andy Rase, David Martin and Jason Willis. The Junior Varsity basketball team also had a perfect regular season with a record of 20 wins and no losses. The freshman team had a record of 6 wins and 10 losses but lost several very close games. It is obvious by the combined record of 50 wins and only 11 losses that Pirates are on top of their game.

Girls Second in S.O.C.

A young team makes a good showing.

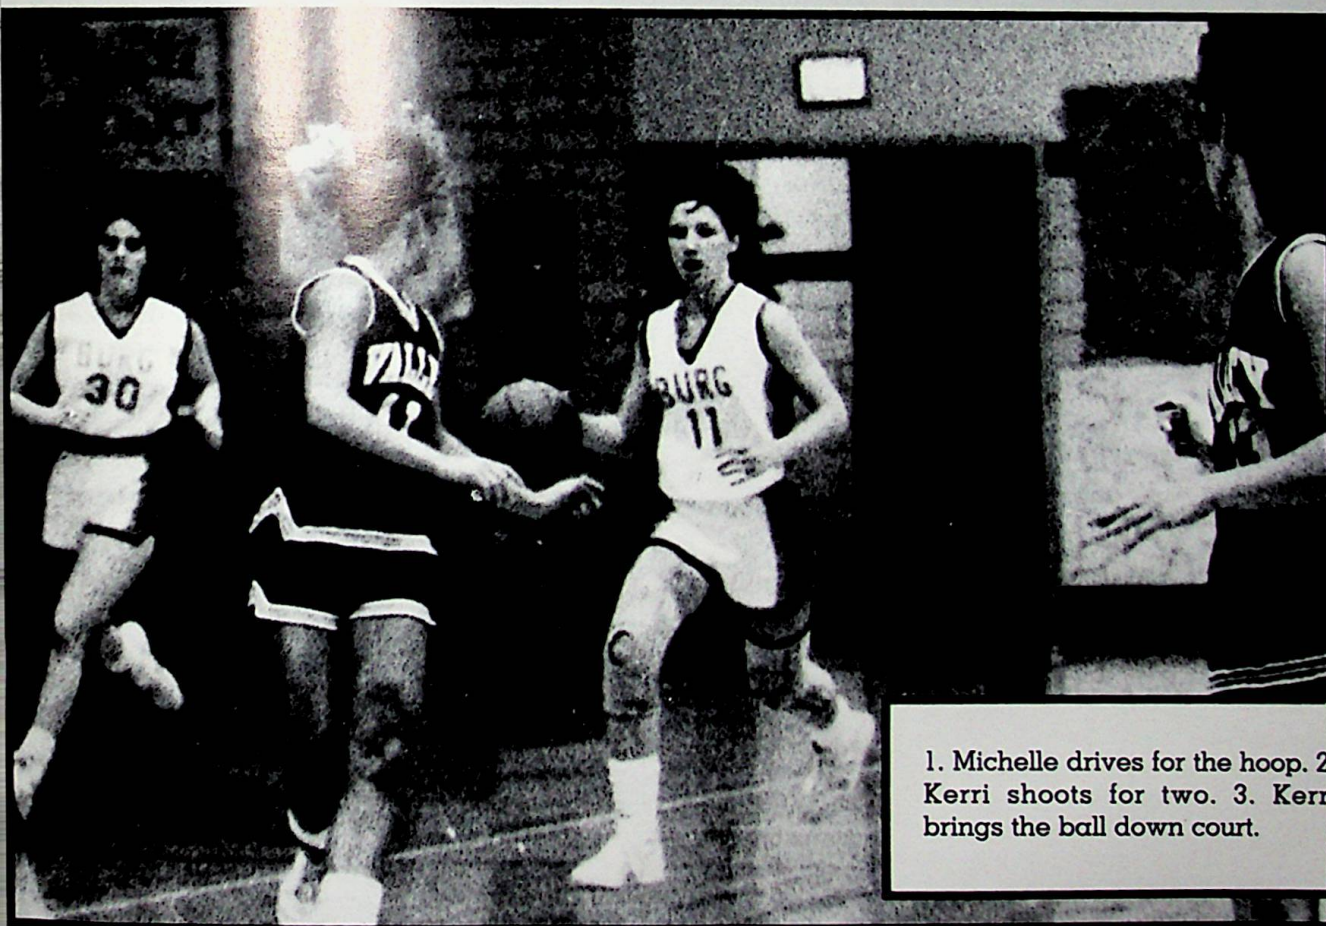

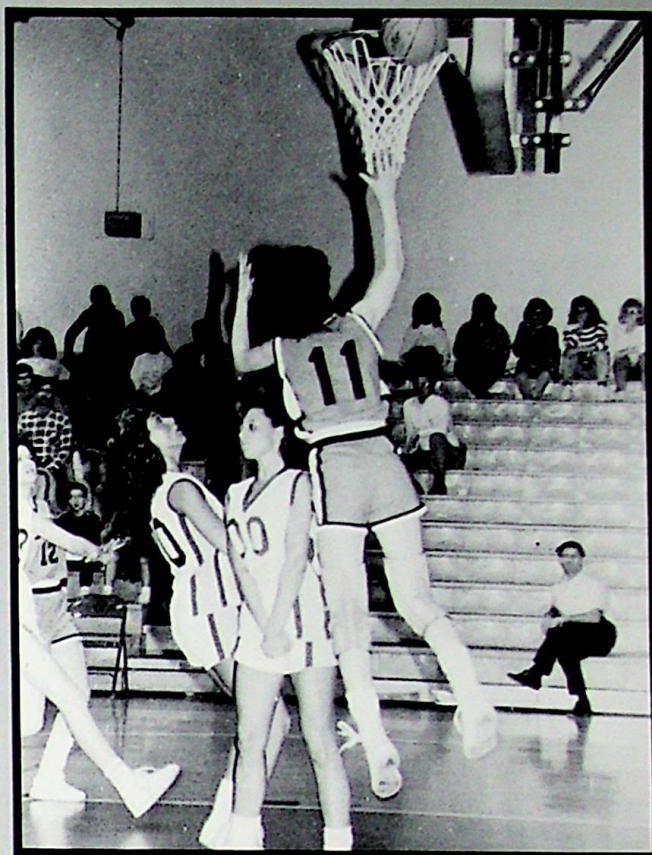

The girls basketball team, under the leadership of Coach Larry Hall, had a fine season. The record may not be indicative of the talent on the team, but they lost 11 games by a margin of ten points or less. They also defeated some excellent teams. They beat the Valley Indians to knock them out of first place and they beat the Northwest Mohawks which caused a tie in for first place in the S.O.C. standings. They also beat Rock Hill which had a season record of 18 wins and 2 losses and was state ranked. The

team was led by high scorers Michelle Wells and Kerri Cremeans, rebounders Angie Sherman and Kathy Wheeler, and defensive play by Kathy Bell and Mary McClure.

1. Kristi watches the ball intently. 2. Kathy leaps for the rebound. 3. Angie plays tenacious defense.

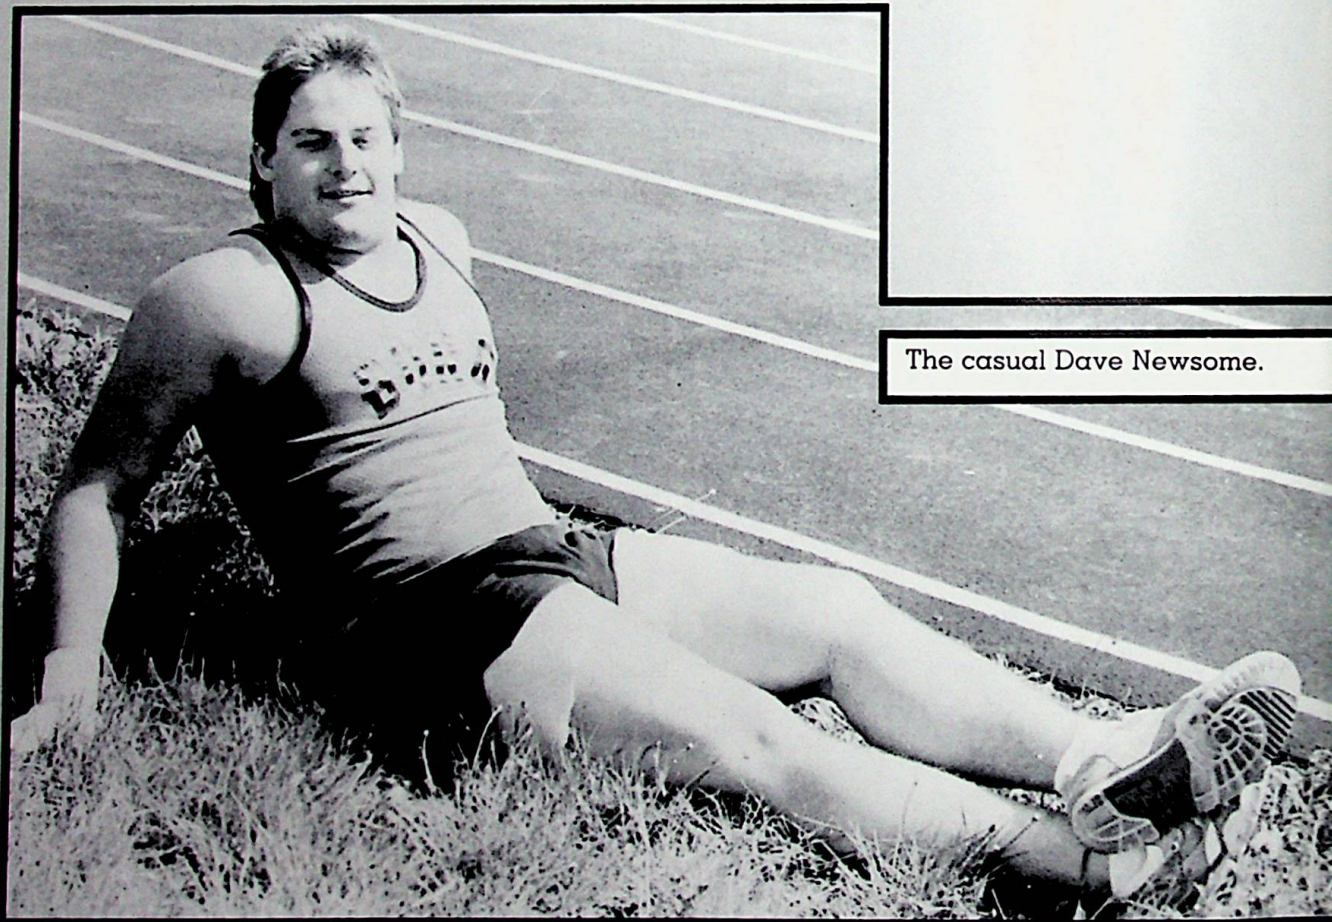

1. Michelle drives for the hoop. 2. Kerri shoots for two. 3. Kerr brings the ball down court.

Track And Field

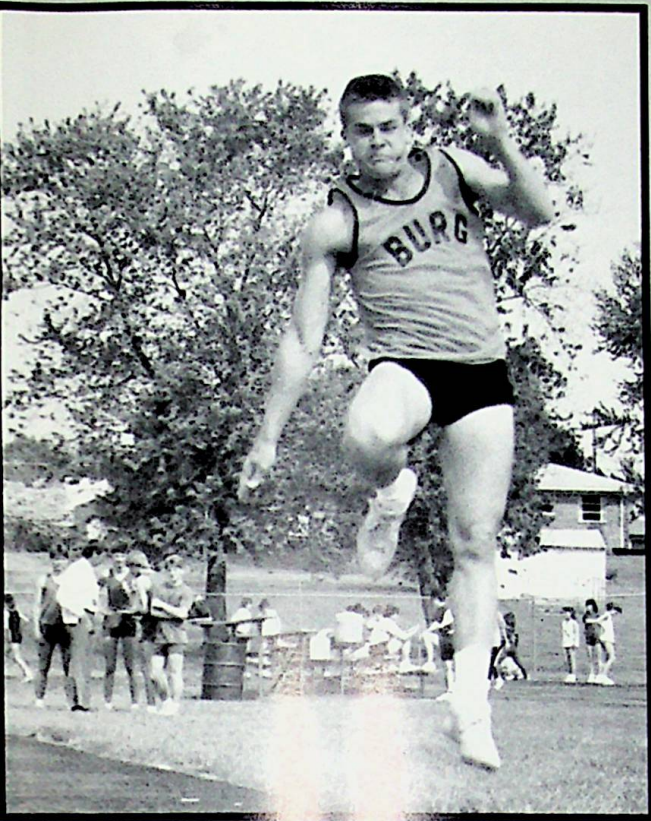

Both Boys and Girls Have Regional Qualifiers

The boys track team was very strong this year. They only lost one meet and they finished second in that one. The 400 meter relay team was state ranked and many people qualified for regional competition. Trevor Irwin threw discuss for the team and Pete Ruby competed in the long jump. Both were outstanding. David Newsome threw the shot put and Bryan Doerr was at the high jump. Both won a lot during the regular season. On the girls' side of the story, they were also very successful. They had freshman

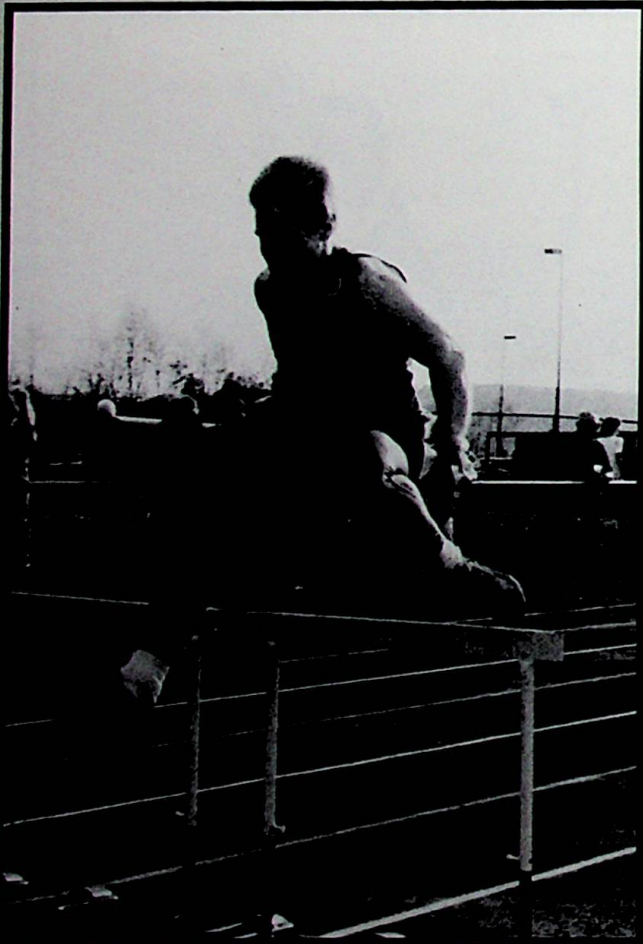

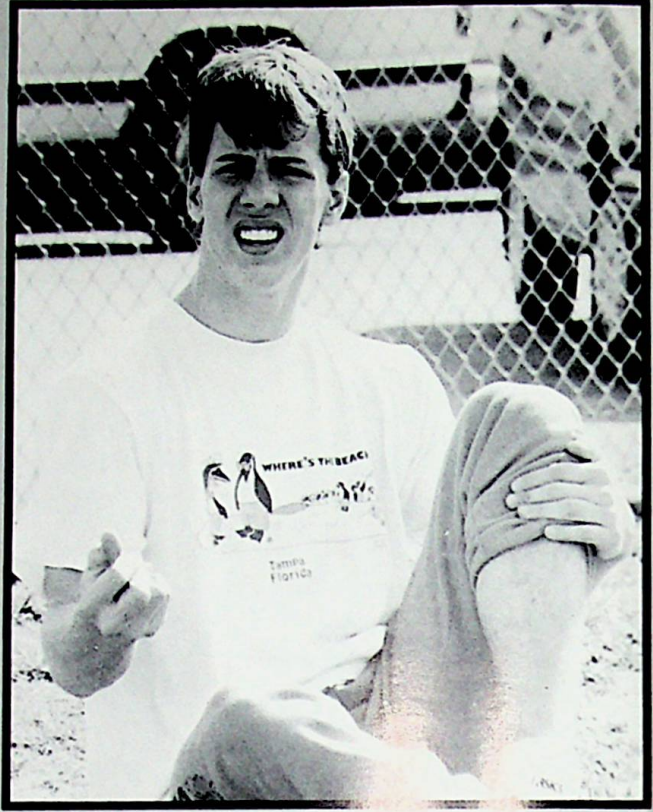

Kathy Wheeler who set the school record with a height of 5'4" and set several meet records. She also competed in regional competition. Kristi Layne threw shot put and also has the school record in this event. The team was well balanced; they had the long distance runners in Kim Cogan and Mary McClure. And they had the sprinters in Lori Spriggs and Lisa Haney. Coach Bialkowski brought all of this talent together to provide for an excellent season and an excellent record to back it up.

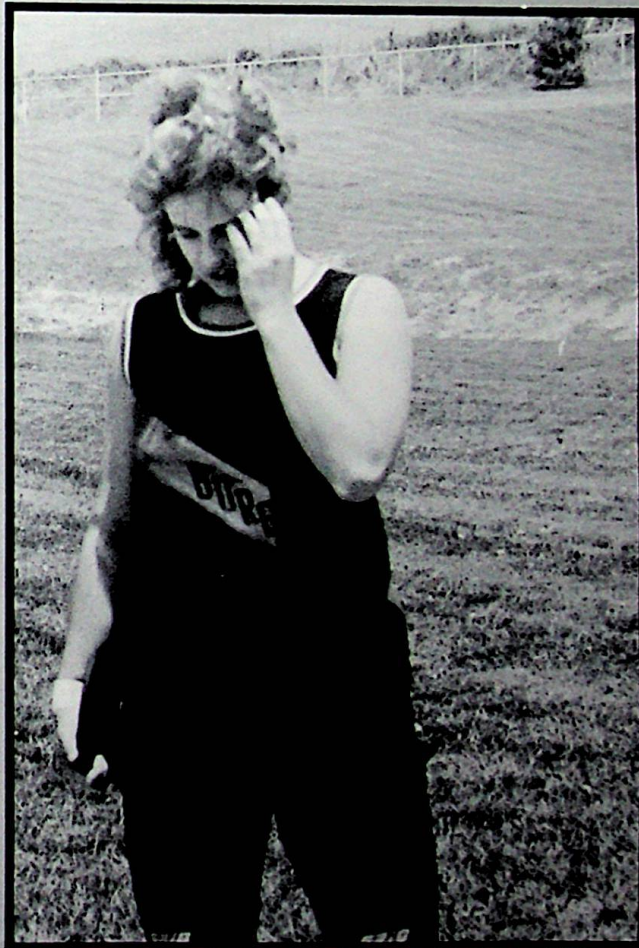

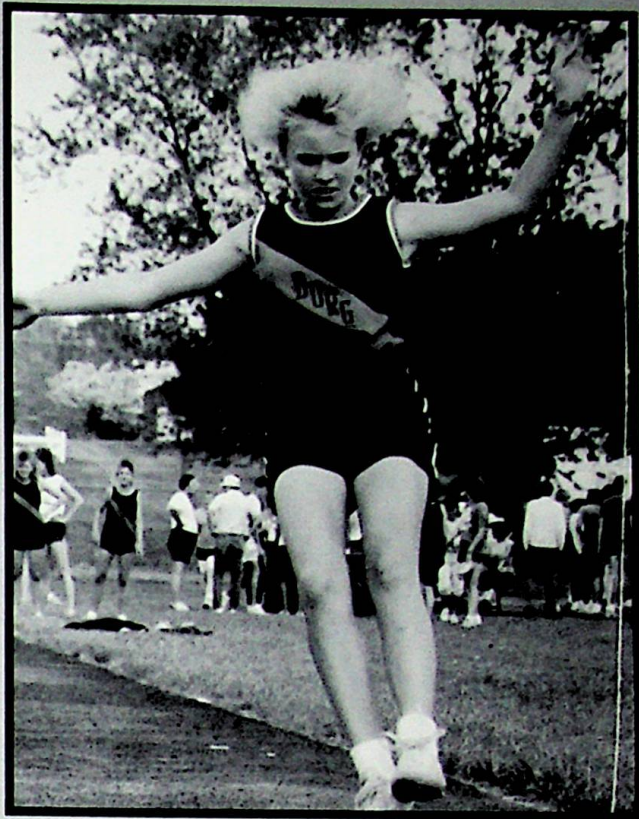

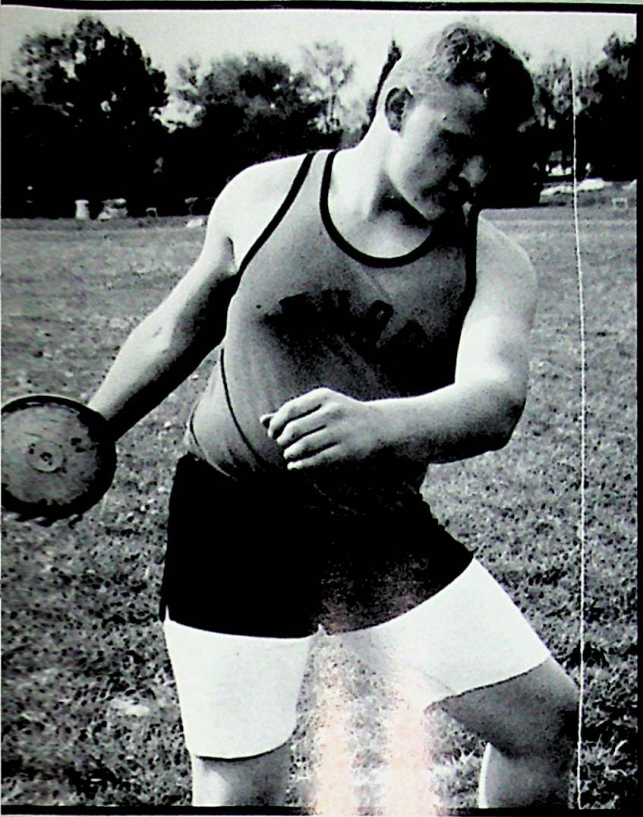

The casual Dave Newsome.

1. Pete Ruby jumps for 21 feet. 2. Michelle Wells gives it a heave. 3. Lisa Haney has the lead. 4. Brian Doerr has the hang time.

Room For Improvement

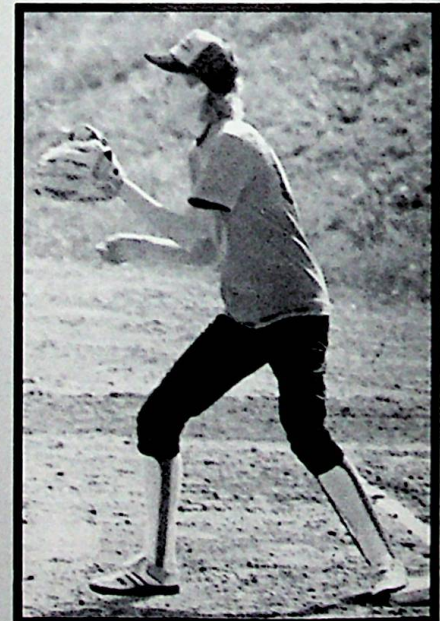

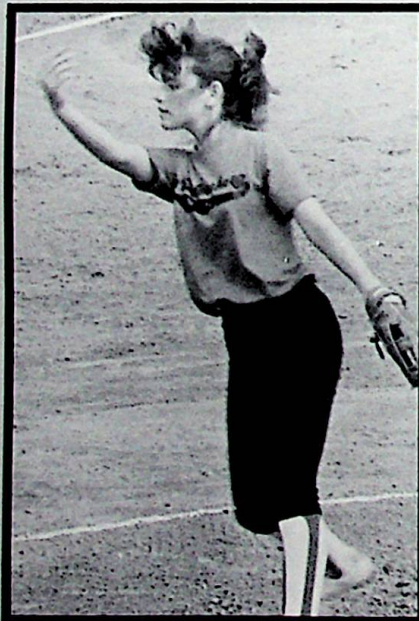

Pirates Play in a Tough League

The softball team, coached by Paul Boll and Jerry Lyles, had its ups and downs. They played some good games beating New Boston 32-0 and Ironton 5-2, but they also played such powers as Clay and West Portsmouth both of which made it to state tournament and fell short of victory. The talent was there though; they had the hard throwing Julie Lyles who had all of the team's wins,

the slugging power of Tonya Green and Kathy Bell, and the fielding expertise of Amy Nelson. The Pirates had 3 players batting over .400 and 6 players batting over .300. They also had a sound defense with a middle infield of Tonya Green and Kathy Bell. Maybe they will be able to put it all together next year to have a record indicative of the talent possessed.

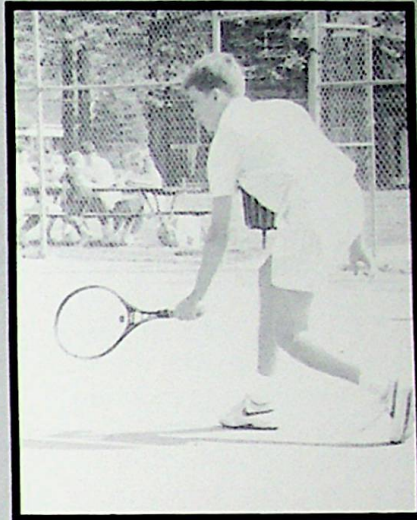

1. Julie steals second. 2. Karla warms up a pitcher. 3. Kelly pitches a strike. 4. Christina stretches for the ball.

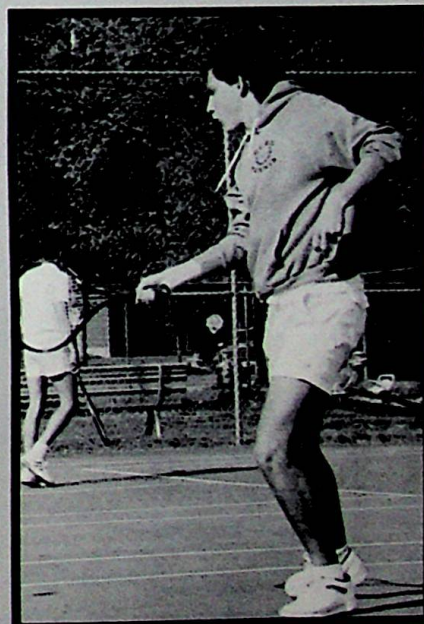

Looking Good

Tennis Team Serves Up to an Impressive Season

Under the leadership of Sally Rock, the tennis team had a good year with victories of East, Iron-ton and Valley just to name a few. The starting team consisted of Andy Lee, Mike Powell, Brian Felts, Dennis Day, Shane Bussey, Curtis Krick and Mark Sroczynski. The team's exhibition squad looks hopeful for next year. Andy Lee and Shane Bussey did well in the doubles tournament. They advanced to regional tournament. The future looks bright for Burg tennis.

1. Mark stretches to hit the ball. 2. Mike concentrates on his game. 3. Andy with a wicked serve. 4. Dennis works on his forehand.

Pirates Finish 3 Games Over .500

The Pirates had a very up and down season to say the least. They lost their first two then won their next 13 out of 17 games. Then they lost the last 6 out of 8 games. The Pirates did serve as spoilers though; they beat the Valley Indians to knock them out of the league championship and they beat the top seeded South Point Pointers in the sectional tournament. The team was led by Matt Freeman who received the defensive award, most valuable player and offensive award. On the mound, the team was led by curve baller Charlie Vaughn,

Football Homecoming

The 1988 Football Homecoming was held on October 16th during halftime of the game against the Northwest Mohawks. This year's beautiful Queen was Andrea Gifford. Surrounded by her lovely court, Andrea was presented the homecoming crown. Festivities, such as the Homecoming Parade and bonfire, held prior to the game, enhanced the spirit of the homecoming ceremony. It was an enchanted evening as the football team thundered to another victory.

After the pictures, smiles, and congratulations, the sparkle of the evening continued with the post-game dance held in honor of the Queen and her court. Those honored and the student body swayed to the music and made memories that would last a lifetime.

Junior Class Play

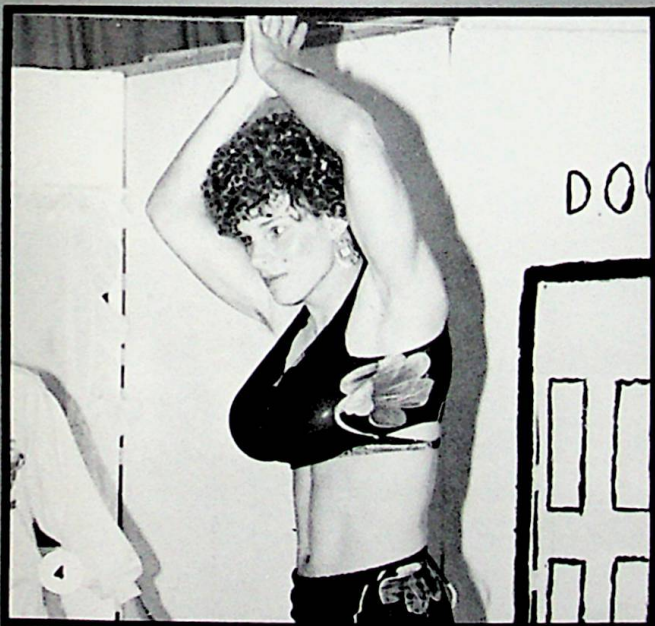

Junior Class Play

The 1987 edition of the Junior Class Play added new heights and depths to the term COMEDY. Under the direction of Miss Brenda Ball and Miss Kim Noble, as well as student directors Cammy Hedrick and Kim Cogan, the cast excellently portrayed a group of students attempting to rehearse a play. From the first "Yuk, yuk, yuk!" to the last "How are ye?", this play held its audience in laughter. Who will ever forget Matt Steele as the bawdy, beautiful bosomful belly dancer? The cast will always remember when Adam "PC" Gross brought the stage walls crashing down in dress rehearsal. Through the efforts of the cast, this play was viewed by many as a smash success.

Basketball Homecoming

January 16th was an exciting night as the 1988 Basketball Homecoming Queen and her Court were named. Dressed in a beautiful white gown, Jodi Steele was crowned the Queen before the packed crowd. With a mixture of nervousness and excitement, the Queen and her Court smiled as they were congratulated by friends and snapped by photographers.

Senior Class Play

Senior Class Play

'Desperate Ambrose' was the name of this year's hilarious Senior Class Play. The performances held on April 21 and 22, brought a spoof of the wild, wild west to our stage. The local Sheriff, played by Dennis Day, and his villainous cohorts, Hoot Owl Pete and Stinkweed (played by George Walton and Mark Scrocgynski) planned to become rich by killing the local hotel owner and sabotaging the upcoming town elections. Their plan is foiled when the hotel owner's two nieces and their chaperone arrive on the scene and begin to open the Inn for business. Add a couple of salesmen posing as dangerous desperados, some mixed-up marriages, and a lazy innkeeper and you get a great comedy that brought laughter to all who saw it. Great Job, Guys!

PROM "We've Got Tonight"

On April 29th, the juniors and seniors rushed home to begin preparations for what promised to be the most magical night of the year. Silk, satin, and sequins were on order for the day as the ladies slipped on their costly dresses and waited for their dates and friends. After a multitude of pictures, many of the prom-goers headed to some of the fanciest restaurants in the area for dining in luxury.

 6. The students arrive to a breath taking scene of Paris at night.
 7. Mary Wheeler and Keith Angel show everyone how it's done as they dance the night away.

They danced, and danced, and danced until the clock struck twelve. A feeling of fun, laughter and magic filled the room as friends talked, laughed, and danced. The prom is a special time of year for juniors and seniors. It is a time of happiness in which memories are made. These memories are held dear for many years to come. Each time they look through their old photographs and remember the good times they had, their hearts will warm to the memories of the 1988 Junior-Senior Prom of Wheelersburg High.

1. Stacy Ferguson and Corey Bender share a quiet moment at the prom.

Scholarship Banquet

On Friday, May 6th, the annual Wheelersburg Scholarship Banquet was held to honor the 100 students who had made outstanding academic achievements throughout the year. The students were each given certificates and pins as rewards for the hard work they had put forth. The evening was one of fun and entertainment for all. The students and special guests were treated to a marvelous show by the select chorus. Afterwards, the awards were presented to the students, and a special award was presented to this year's quiz bowl team for their excellent season. The two main highlights of the banquet were the drawing for the dictionaries (we all waited anxiously for that one!) and Mrs. Switalski's closing tribute to the Seniors. That's one we'll never forget!

Dancing
the Year
Away!

This year, the students danced the year away at the many dances held by the school. The annual Homecoming dances pictured here provide an evening of fun and laughter for everyone involved. Friends gather to celebrate and unwind from the rigorous school pace. The dances and other activities held this year made the year special to everyone and created happy memories that will be cherished for a lifetime.

FRESHMEN TIME STANDS STILL

For freshmen at Wheelersburg High School, Time Stands Still. Being the new kids on the block is definitely not fun and it takes some getting used to. Once they are settled, activities bustle around

them and new friends are made. Overall, the year passes slowly but surely, until finally, the freshmen are sophomores.

Coming to school each morning is a ritual that everybody hates. These freshmen demonstrate the first thing that one does upon arriving at school.

Going to your locker is a necessity, unless you carry all of your books home each night. This activity becomes second nature to all students once they get into high school.

The freshmen who are so excited about coming to the high school will quickly realize that coming into a high school locker means the same day-long boredom as a grade school one.

JUNIORS WITH THIS PASSING YEAR

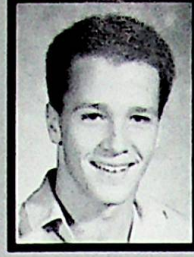

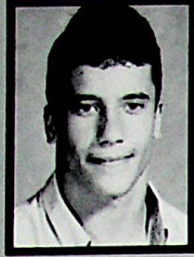

With this passing year the junior class at Wheelersburg High School will become the graduating class of 1983. Finally the end is within reach and all seems possible. The past two high school years are but blurs of the anticipation of the year to

come. As this class begins their last year of school, new ideas will open up to them and life will take on a new meaning. This the last year as a "normal" high school student.

On behalf of the juniors Matt and Adam were selected to show everybody how to type. Adam is just beginning and has to look.

Who just pinched my rear?

SENIORS

HOW TIME

FLIES

This year's seniors, the graduating class of 1988, had many things to prove to themselves and to others. They also each had personal goals to reach. Friends remember the good old days from nursery school, kindergarten, grade school, and junior high. Even memories from the first three years run

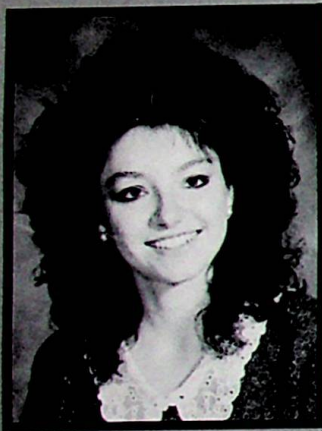

through the minds of graduating seniors. As we prepare to leave this phase of our lives, we think of all we have done and all we have yet to do, and as this chapter in our lives closes, all we can exclaim is "how time flies."

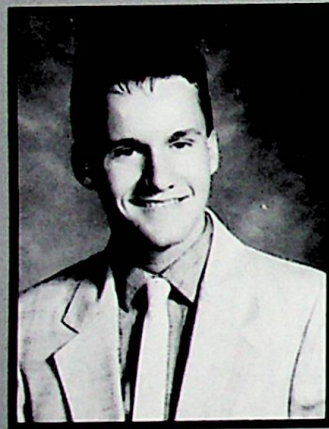

Matt Freeman, President; David Martin, Secretary; Angie Sherman, Treasurer; Andi Gifford, Student Council; Mark Eaton, Vice-President.

helped lead the team to many victories. Trev takes time to smile at the camera since he knows that he is so popular. Kelly is trying to impress us by making us think that he is big and strong because he works out, but we know the truth — it's all that pizza you eat.

Because of the fine football season, many players express their pride in the team by wearing their team jerseys. Trevor and Kelly, two of the seniors, have a lot to be proud of since they

As much as the juniors love to study, the seniors love to eat. Here is an example of seniors at NHS inductions. Not only do we eat at school, but also at Franks, Sarahs, and various other places that serve good food. At any given time, someplace, somebody can catch a senior eating.

Seniors are into acting, whether it is in a Christmas production, as Shawn demonstrates, or in a class play like Rachel. As well as school productions, many seniors have participated in various community productions. Examples may be ballet performances, musicals, or theater plays. Also, there are several seniors who are going to acting in college.

Sisters and Brothers . . .

THE SCENE

Due to the fact that there are a lot of siblings in the school, we decided to learn more about having to put up with a brother or sister at school as well as at home. Most said that it wasn't as bad as what you would think. Rachel Boggs, Julie Wakefield, Ronnie Pack, Chris Hacker, and Jeff Hacker said they get called by their brother's and sister's names every once in a while. Mark Miller said that people get him and Matt confused all the time. Mark admitted that they have been known to pull pranks to get people even more baffled.

Most of the brothers and sisters have their own system of deciding who drives to school. Mark and Matt Miller said that whoever is ready first gets to drive. Jim McClure said that if it's raining Mary makes him drive. Chris and Jeff Hacker wait on each other and walk to school together. Andy Hall takes Amy to school, but he has to wait for her every morning. Jodi Steele decides who drives between her and Matt. Kathryn Boggs said that she has to wait for Rachel or else she gets in trouble.

On the home front, most said when they fight it's usually about clothes, chores, the bathroom, or as Jason Mougey stated-they fight over stupid things. Kathryn Boggs said, in respect to dancing that there is very little competition between her and Rachel. They are equal in talent and they help each other. Jeff Hacker said that Chris rubs it in when he beats Jeff in a track meet, but Jeff said that is when he is especially proud of Chris. Amy Hall said that she was really proud when Andy scored a touchdown in the Springfield Catholic tournament game.

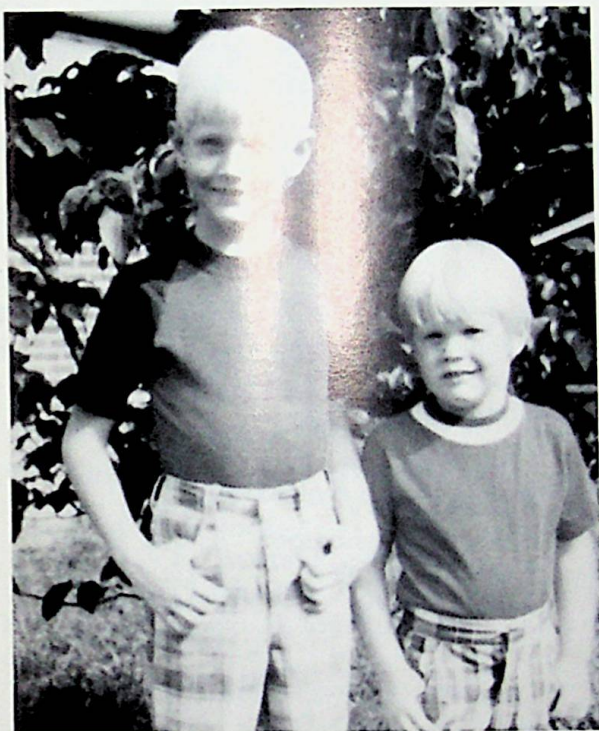

Since brothers and sisters are around each other a lot of the time, they know all sorts of stupid things that their siblings do. Jeff Hacker said that Chris experiments with fire and plastic and once burned his mother's curtains. Amy Hall said that Andy pulled out of the garage once while his car door was still open and it got jammed. Mary McClure stated that when Jim feels silly he jumps up like a leprechaun. Andy Hall said that Amy bumped into something and turned around to say "excuse me" before she realized that what she had bumped into was a chair. Jodi Steele said that

when Matt was young he sneaked downstairs while his father and guests were drinking wine. Matt crept under the table and drank the guests' wine until he was drunk.

Sometimes brothers and sisters are a pain but in the end they are nice to have around. Jodi Mougey put it well when she said this about Jason, "He's a great brother!"

SCORING:

0-3 Are you sure you're in the right school? Maybe you should get your head up off your desk and start paying attention!

4-8 Well, you're about average. You don't know everything, but at least you have some idea about what's going on.

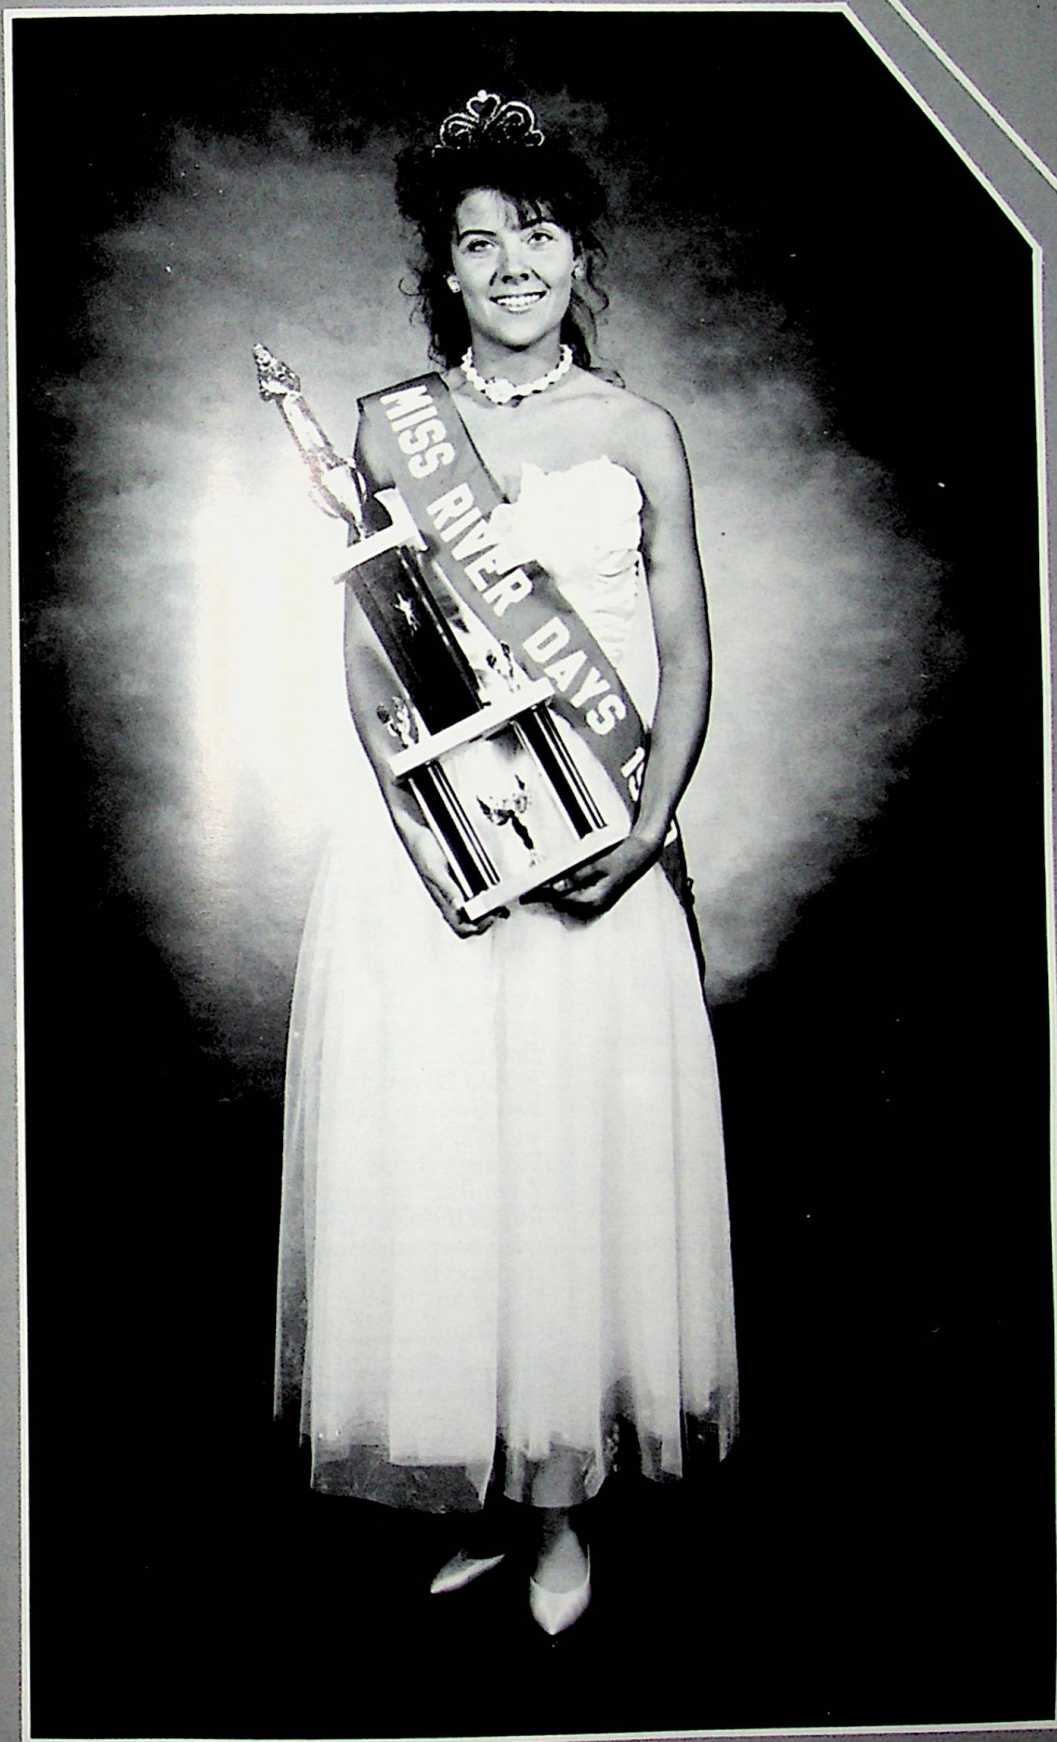

9-11 Wow! You've really been doing your homework! You've got all your teachers down pat. Are you sure you aren't just trying to get an A?

THE SCENE

According to two Wheelersburg High School students, participating in beauty pageants is both exciting and memorable as well as highly worthwhile. Having been selected from representatives of all Scioto County schools, Andrea Gifford is presently serving as the Portsmouth area's Miss River Days; and, Christy Thompson was recently chosen as Miss Hocking Valley in that area's first pageant which leads to the Miss Ohio contest. The evening she was crowned, Christy says that she was not nervous but "happy." And I was "surprised" when she finally realized — above all the yelling — that the announcer had called her name. Both girls agree that much preparation is required, involving weeks of selecting outfits, getting in shape, and finding sponsors; however, the rewards are great. There are travel experiences, learning situations, opportunities to meet people and make close friends, and finally scholarships that will enable further education. Yes, the memories and rewards will last a lifetime.

THE SCENE

Reader's Poll...

Reader's Poll...

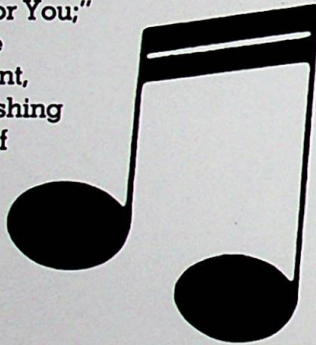

To meet those of the opposite sex, most of you say things like "Don't I know you from somewhere?" or "Haven't I seen you before?" Many of you, though, go for the honest approach and just say "Hi!"

When a relationship doesn't work out a good number of you tell the other person that you just want to be friends. Some of you guys are honest and say you want to see others while the rest of you say it's getting too serious.

THE SCENE

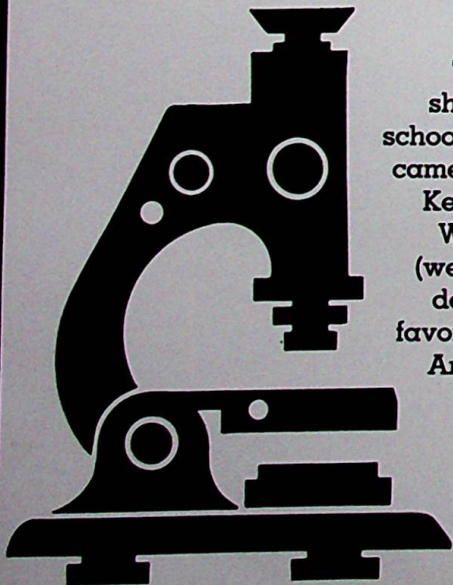

As songs go, most of you like hearing Miami Sound Machine sing "Anything for You;" you also like Terence Trent, D'Arby's Wishing Well and Def Leopard on WKEE and WNXT.

The Democrats are in a definite majority at Wheelersburg High and most of you favor Michael Dukakis ("The Duke") for President, but some people agree with Mr. Branon and would be glad to see George Bush at 1600 Pennsylvania Ave. And we can't forget those of you who support Jesse Jackson for President.

The long and short of it in the school department came down to Mr. Keller and Miss Weisenberger (we're not being dense) as your favorite teachers. And, of course, your favorite subjects are Physics, Chemistry, and English.

When you guys are hungry, most of you head to Red Lobster for the best food. If the wallet is a little thin, however, some of you head into downtown Wheelersburg and eat at Fred's. Those of you who don't like seafood or Italian stick with the All-American restaurant: McDonald's.

FAVORITE OHIO COLLEGES

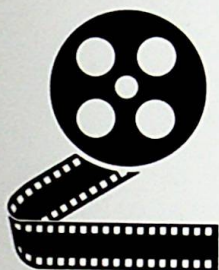

Most of you said cruising downtown was your favorite thing to do on the weekends, but going to Frank's to play card to be with friends or to just hang out seemed to be "the thing to do."

THE SCENE

The runaway movie hit of 1988 was — hands down — DIRTY DANCING. While all the girls were watching Patrick Swayze twirling Jennifer Gray, the boys were in Cinema 2 catching THE LOST BOYS.

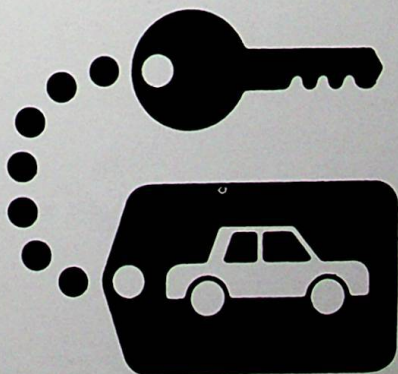

When vegetating, most of you tune in to The Cosby Show, Cheers, or Alf. Alf was one of your fav stars, but Kirk Cameron is definitely the ladies' favorite.

If anyone from the Burg wins the lottery, he or she will probably buy a car, according to our poll results. Some of you less motor-minded people would either buy clothes, invest or bank the money or even give it to your parents.

When snow falls, so do your sleepy heads. Most of you said you sleep on snow days. Some of our more ambitious readers, however, go sledging with friends.

Hands down, the best road trip of 1988 was the "journey to the tourney" at Ohio University's Convocations Center in March. A close runner-up was trips to Myrtle Beach with friends and family — especially Seniors celebrating graduation!

As the year drew to a close, many things began to end, and just as many things saw a new beginning. Spring sports teams ended their particular seasons on a successful, positive note, while fall sports teams began again to think about preparation for next year. The various organizations concluded their projects and often gathered for end-of-the-year parties. Spring was a time for planning and preparation for the year to come.

As the days grew longer and hotter, students thoughts began naturally to turn toward summer and all it would bring — vacations, days in the sun, sleeping late and plain idleness. But before summer could be here, the

student body had to complete their classes and survive a week of exhausting finals. Perhaps thoughts of the coming summer kept students going during long nights spent studying — or trying to avoid studying!

Above: Julie Gleim finds something useful to do during a track invitational!

The latter part of the year was most important to the seniors, who would soon graduate and leave high school years behind them. In fact, the entire months of both April and May were devoted to the upcoming event. Seniors sent out announcements and invitations to relatives and friends. Caps and gowns were ordered and received, pictures taken by proud parents. Finally, the actual day of graduation came, and it was time to make the end of high school final. The ceremony and the receiving of the diplomas is one of the most moving events in a student's life — a memory to cherish forever.
