

Valley Echoes

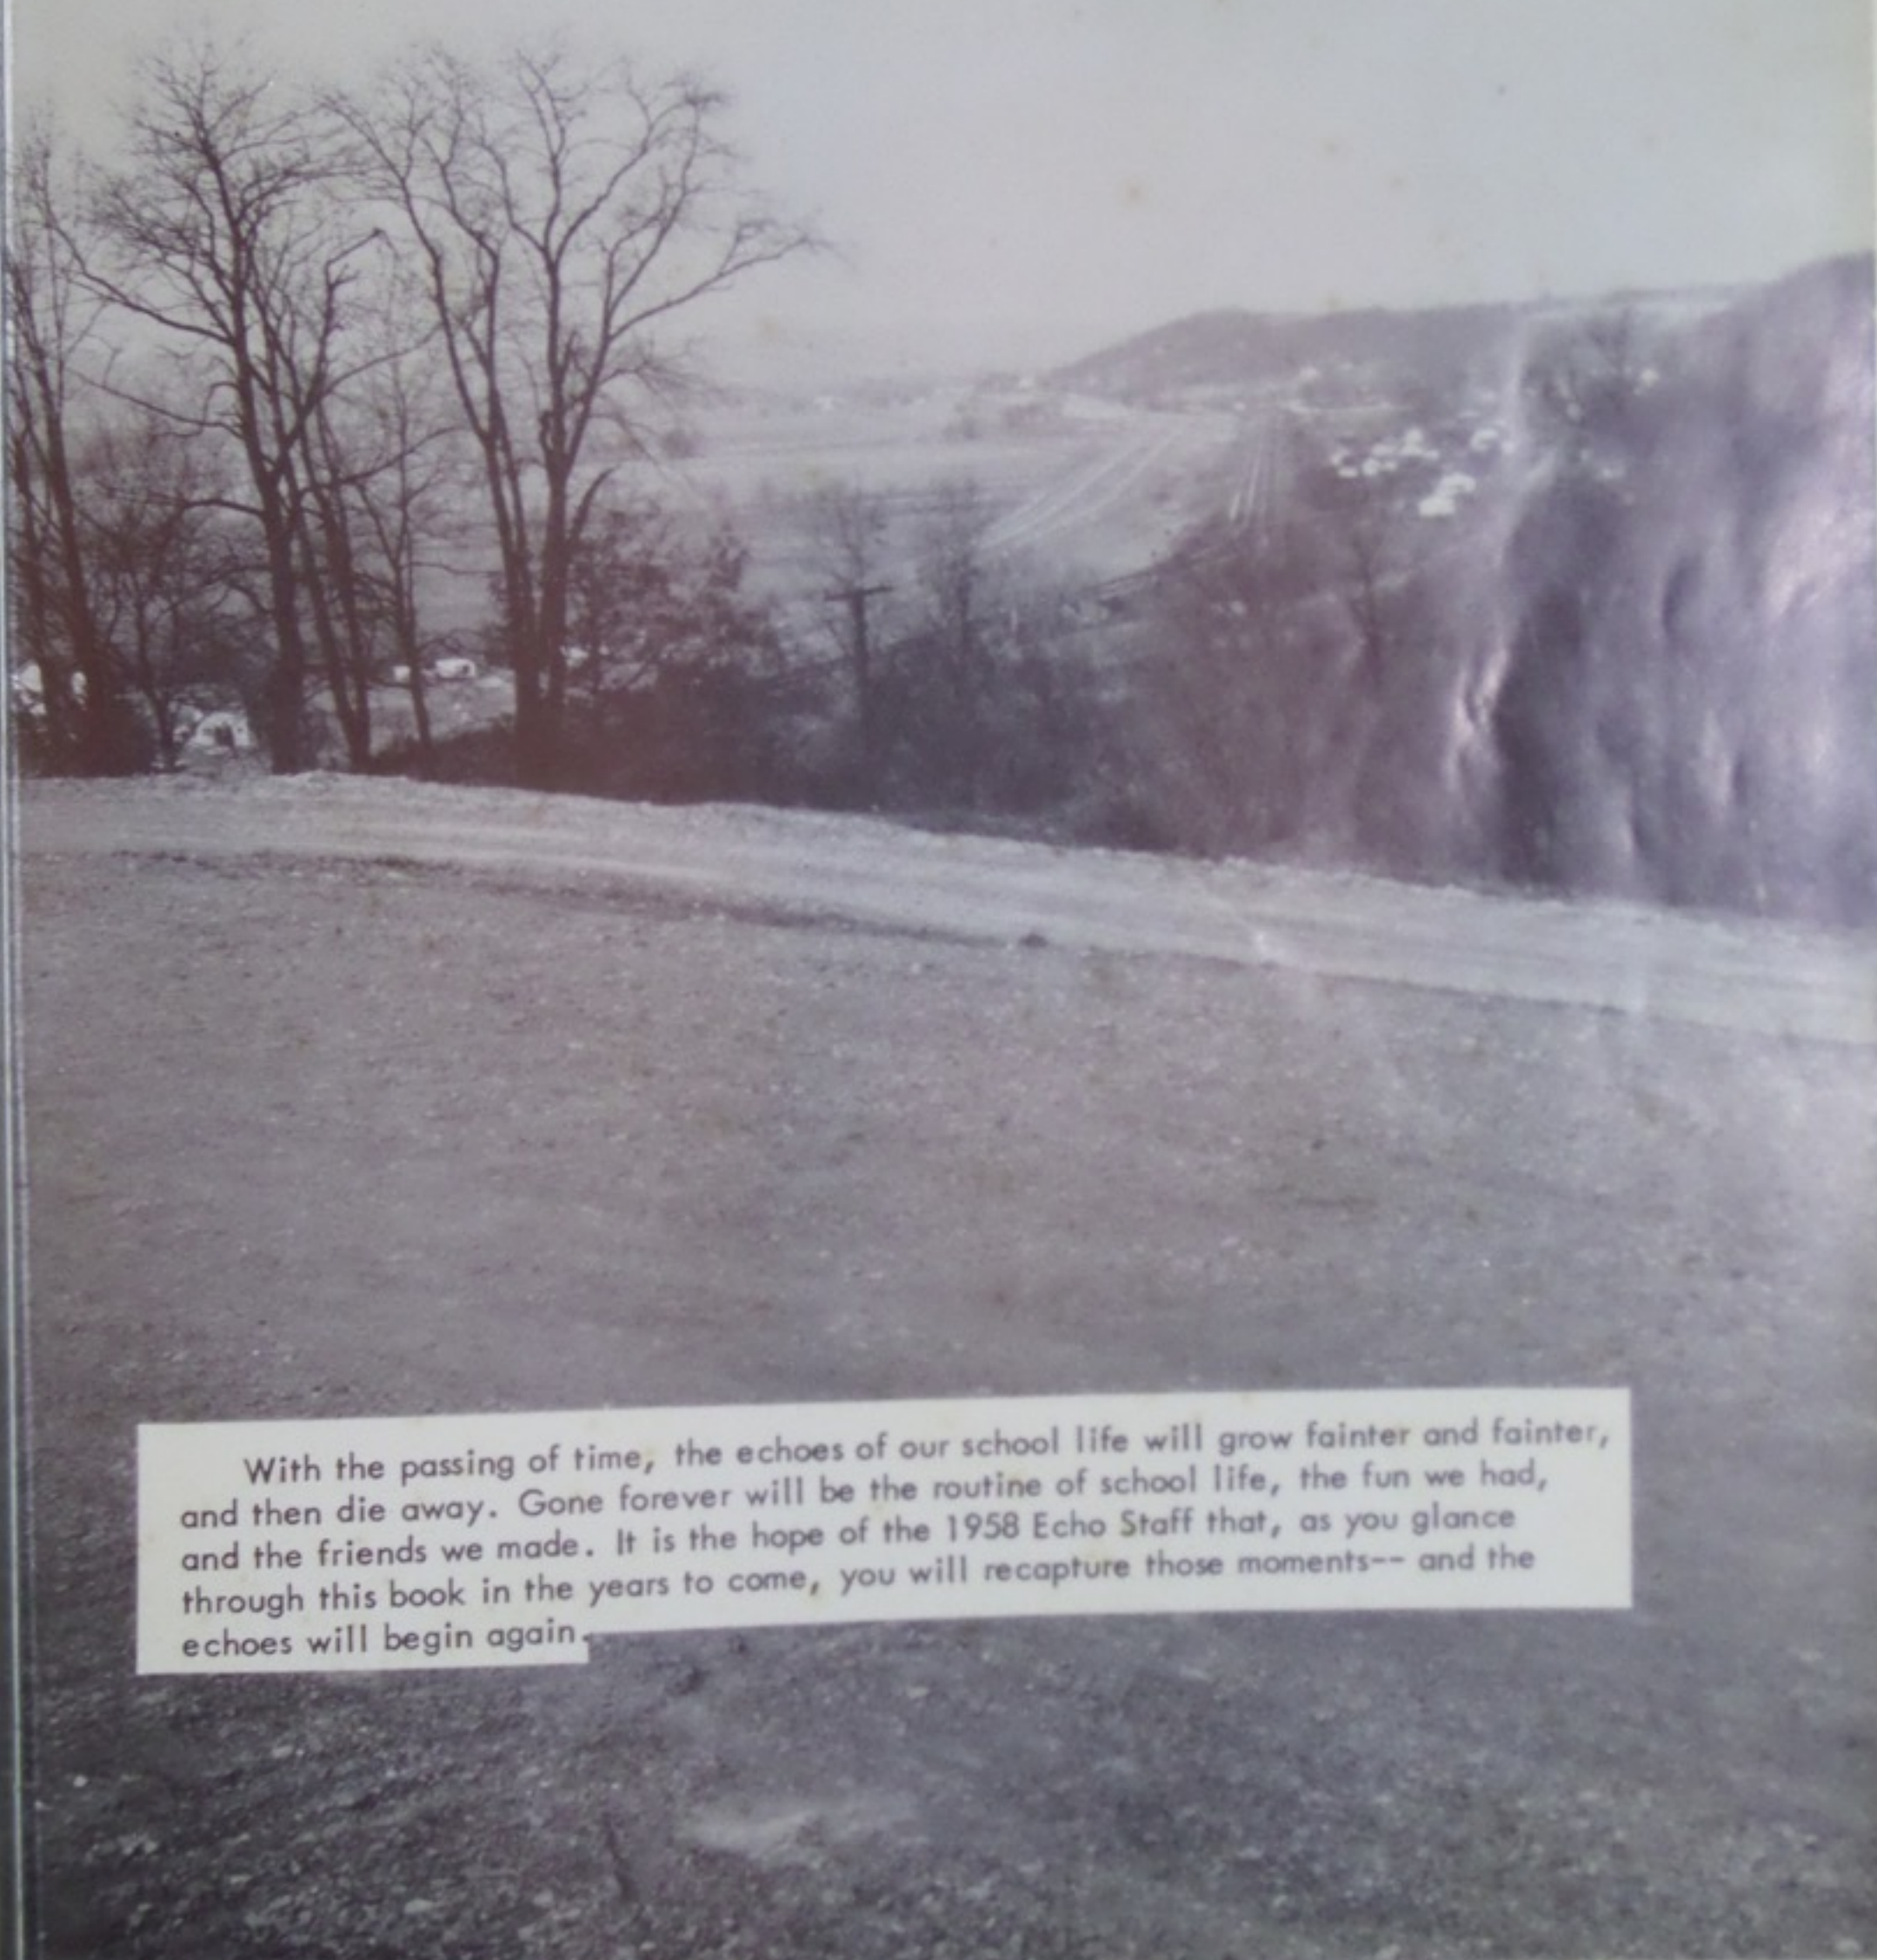

1958

We Walk These Immortal Halls . . .

Foreword

With the passing of time, the echoes of our school life will grow fainter and fainter, and then die away. Gone forever will be the routine of school life, the fun we had, and the friends we made. It is the hope of the 1958 Echo Staff that, as you glance through this book in the years to come, you will recapture those moments-- and the echoes will begin again.

ADMINISTRATION

Edward R. McCowen

County Superintendent

County Superintendent McCowen received his B.S. degree in Education from Ohio University, the Masters degree from Northwestern University and has attended both Otterbein College and Harvard University.

Mr. McCowen said in a statement to us, "We shall continue to fight very vigorously for the ideals and principals on which our Republic was founded and to preserve in our schools the fundamentals of sound education. Good schools make for better communities, we must constantly strive to improve the whole educational program. Our motto shall be, "May all Rural Schools continue to excel in buildings and curriculum."

N.B. POTTS
Assistant County Superintendent

FRANK C. TAYLOR
Supervisor

MR. FENTON, EXECUTIVE HEAD

Well done! Seniors Yours is a tremendous responsibility. Many of you may see and take part in the conquest of space. Much depends on your basic training here at school. We know you can meet the challenge and we wish you the best of luck in your new adventure.

MR. SLOAN, PRINCIPAL

Members of the graduating class of 1958, you leave here with our best wishes. We hope that your twelve years school work will prove adequate to your needs.

BOARD OF EDUCATION

In Memoriam

Floyd Wallace would have graduated with the class of 1958 had he lived, but, some higher authority saw fit to take him from us. All of us will long remember Floyd. Some will remember him for his quiet and ever present smile. Others think of him and remember most his thoughtful and courteous manners. His teachers remember him for his interest, fine attitude, and his steadily improving academic competence. His many friends, classmates, and teachers, share in some measure the grief that the loss of this fine young man has brought to his parents, brothers and sisters.

Each class must relive in memory those phases of high school life which are most dear.

Our desire has been to represent the best of your years at Valley High School: the friendships, the activities, and the traditions which have been an inspiration toward the making and fulfilling of your ambitions.

When you look back on the year 1958, may this book make more tangible the vague dreams of your high school days. May it enhance and brighten your memories and ever stimulate your loyalty to your Alma Mater.

Class History

In September, 1954, along with all the new students who came with the Atomic Plant, we made our debut as Freshmen.

Our Sophomore year flew by in a flurry of parties, basketball games, and studies.

And then the great Junior year. It was just what it was built up to be. We got our class rings and gave the first class play in our new high school

The Prom which we looked forward to sponsoring was financed in a large part by our record breaking Magazine Sales.

At last we are Seniors. The years have flown by and we are all sorry. And as Commencement draws closer and closer, all 87 of us are still hoping that we will be the first class to graduate in our beautiful, wonderful, new gymnasium.

There is a time for all of us to leave. We will miss the parties, ballgames, class plays, and yes, even our classrooms. We will never forget Valley High!

The image shows a page from a book with a musical score. The score consists of four staves of music, arranged in two pairs. The top pair of staves is on the left, and the bottom pair is on the right. The music is written in black ink on a light-colored background. The notes are simple, and the staves are connected by a central vertical line. The title "MUSIC ECHOES" is printed in a bold, serif font in the center of the page. There are four decorative silhouettes, one in each corner, which appear to be of a person's head and shoulders. The page is framed by a gold-colored border.
