

Mon. June 7. 1896.

A damp cloudy
forenoon. Sprinkles
kept a little
beard moist to
get to work.
Dad & I cut
spears & weeds
off the pasture
till noon.

Began to plow
again after dinner
He helped Pa
drag a load
of hay to take
to town on the
new wagon.

June 2.

A nice cool day
bowl of a morning
I was up at five
this morning.

Steamer out after
this load by
4 o'clock.

Pa took his load
of hay to town
and was back
before sundown.
Dad & I plowed
and hauled corn
all day
the get done.

up a load of
hay.
Genie & Pa worked
most all day
on a wagon

Fri. June 5
A very warm day
Pa took a load
of hay to town
& Orr, Genie & I cut
spears till noon
in the pasture
Genie plowed
for mullet the
rest of the day
and Orr & I
went on cutting
spears
I sold Ben
& Shepard three
bu. of potatoes
for 25¢ a bu.

Sat. June 6.
A warm day
A nice shower
between eleven
and one.
To wet to plow
over.

Pat & I hauled two
logs to the saw
mill. Hauled a
load of wood
and moved near
fence.

Genie is plowing
for mill.
Genie & I drove
over to P. B. Caillie
on a fishing
trip. Had a nice
time. Saw Watters
baby for the first
time.

Sun. June 7
A nice warm day
Raining went around.
Mr. Genie & I stayed
all night at P. Caillie
last night. He had
a nice time.

Genie & the boys
Lida & Rena all
went fishing last
night and failed.
Genie & Rena took
the buggy and
attended the children
exercises in the evening.
He did not get
back home until
time to build the
fire in the kitchen
& built it and
then went to bed.

Mon. June 8th
A rainy after
noon. G. & I hoid in
the garden all
the forenoon.
Plowed potatoes
until the rain
came.

A nice day
One half hour
about 2 P.M.
I finished cutting
for Shepard &
moved the birds
here. He then
began to cut for
a while.

Fri. June 19

A very warm day.
He cut wheat
until noon
just at noon
we made an
awkward dent
and caught on
a shock of
wheat and
broke my arm
on the scap.
That caused me
a good half
day's work to
make some
new arms.
He picked up
and got ready
for night.

Sat. June 20.

A very warm day
A small shower
of rain in the
