Winning Doors

This year, for the first time, the Student Council sponsored a door decorating contest. Organizations were invited to enter the contest for a fee of one dollar. On Monday, December 14, participating clubs decorated during the week prior to Christmas vacation for everyone to enjoy.

The first place winner, of a prize of \$15, was the Spanish Club. They planned to spend their winnings on pizza. The second place winner was the Library Club, with third place going to the National Honor Society. The Quiz Bowl received Honorable Mention.

The Spanish Club door had a cactus with icicles hanging on it. The Library Club door had Santa Claus, with a list of the names of each member. The National Honor Society had a lighted fireplace with stockings for each of the members.

Community Supports Issue

On December 16, 1981 the State Board of Education approved the bond issue for improvements on the Wheelersburg schools.

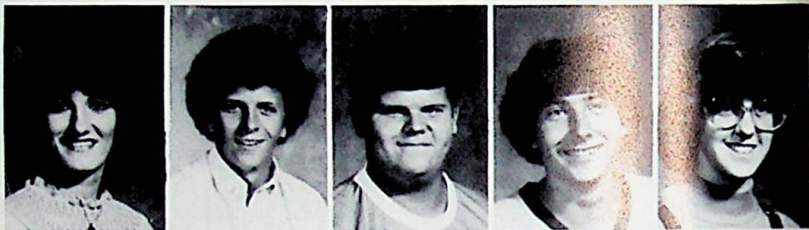

Wheelersburg proposed the bond issue in order that their schools could benefit from unused millage, instead of losing it to the state. The \$500,000 that Wheelersburg was allotted was to go toward school improvements in the Porter Township district. The issue went before the public on February 2, 1982 and passed by a surprising 81% margin with 892 votes for and 214 against. This is the first time that an issue of

this type was ever proposed in Scioto County.

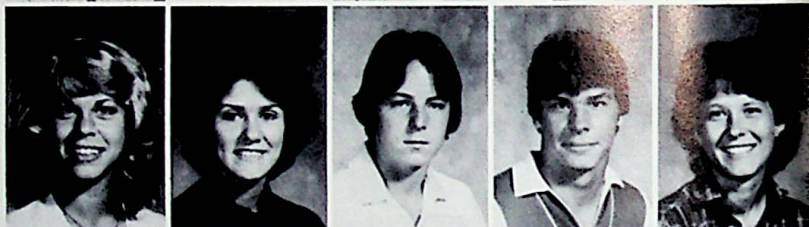

All of the money received must be used on capital improvements which include buildings or equipment with a life expectancy of at least five years. The improvements to be made include extensions on the art and music rooms at the elementary school plus some necessary roof repairs. At the high school there will be an entire new section added which will include a larger band room with a storage and physical fitness and training rooms.

Another new addition will be built to replace the two metal English rooms beside the library. The addition will include two English rooms, an art room, a drafting room, and computer lab. An extension will be made to the chemistry and physics room and the present art room will be made into a science lab. The architect chosen for this project is Gerald Pierron. He hopes to have the work nearing completion by the fall of the 1982-83 school year. Thanks to the support of the community, Wheelersburg students will benefit greatly from this project.

As Pirate fans gathered for the 2nd annual Bon-Fire Pep Rally, which was the beginning of a three day event for Homecoming; a parade consisting of the WHS band, MOPS, football players, and the Homecoming Queen and attendants marched through the 'Burg to the High School where everyone was to meet.

After the bon fire had been lit, the cheerleaders led everyone in some inspiring cheers including "Let's get fired up" which was suitable for the evening's events. In addition, Coach Miller gave an "enlightening" speech about the upcoming games.

Frank L. Miller was selected the new superintendent of Wheelersburg Schools. He replaced retiring superintendent Paul Maple on August 1, 1981. He completed post graduate work in administration from Marshall, Xavier, and Ohio Universities. Mr. Miller says, "Although I do miss being close to the everyday activities of our students, I feel my new job is a real challenge. My job is made much easier by having an excellent staff in all areas and by the strong support the community gives our schools."

Mr. Adams has a nice conversation with Mr. James.

Our Junior Classical League (JCL) was composed of all people in Latin or those who already had two years of Latin and also paid the dues at the beginning of the year. Our members also belong to the National JCL and the Ohio JCL. The office holders were as follows: Stephen Shoe and April Bolander as the Consuls, Amy Wesney as the scribe or secretary, Scott Adkins as the Quaester or treasurer, and Kelly Elswick as the Historian. The

sponsor of the group was Mrs. Irma Switalski, who is the French and Latin teacher.

At Christmas time they made Christmas cards for the residents at the Best Care Nursing Home. They delivered the cards and sang Christmas carols after they had their Saturnalia Party. They held a Roman Banquet in the Spring and finished out the year with a trip to King's Island.

Of all the clubs at Wheelersburg High School, the Spanish Club is one of the most active. This past summer 9 students traveled to Mexico where they visited Mexico City, Taxco, and Acapulco, and this year the students were busy raising money for another trip to Mexico or to Spain in the summer of 1983. In addition to this, it has become a tradition for the club to take a trip to King's Island every spring.

Besides all of their traveling, these students have been very busy in class activities. The Spanish III and Spanish IV classes planned and prepared an authentic Spanish meal. These two classes also wrote and produced an original video program done completely in Spanish, in hopes of having it aired on a local t.v. channel.

As for Christmas, Spanish style, the organization entered the first annual Christmas door decorating contest and won first place. The students had also planned to go caroling in Spanish, but due to bad weather, they couldn't go.

To end the year, the classes took a trip to El Sombrero, a local restaurant. During their visit they ordered in Spanish and spoke Spanish with the proprietor.

Thanks to their teacher and sponsor, Mr. Beckett, these students are receiving a very complete and beneficial Spanish education.

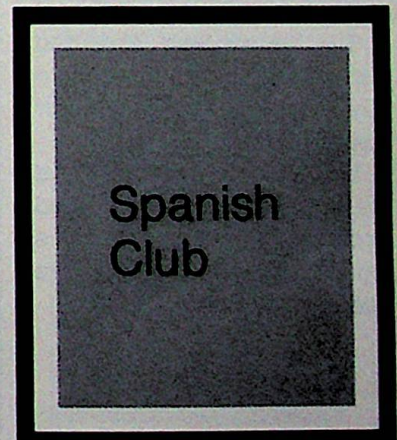

"Do you like my hat?"

Look at all those starving students.

FOOD!!!

Student Council

Our Student Council started out the year with an open heart. Their first project was a ham and turkey raffle, which was a big success. All the proceeds from the raffle were donated to the Mercy Hospital Guild so that they could be used to buy Christmas presents for the children in the hospital. During the Christmas season, the Student Council went caroling and afterwards had a party. They also helped to spread the Christmas spirit through the school by sponsoring a door decorating contest. The entrance fee was \$1.00, and the winners received \$10.00. The judges had a difficult time, but they finally declared the Spanish Club as the winner.

In February, to get everyone in a romantic mood, the Council sold carnations to be passed out during first period on Valentine's Day. The cost of the flowers was 75¢, and everyone was encouraged to buy a flower for his or her favorite person.

The Student Council ended the year by sponsoring a Wild and Crazy Day. The day was a big success; it couldn't have been much crazier.

Wild and Crazy Day

"Good day, eh?" "Our topic today is Wild and Crazy Day."

The Student Council rests after getting the flowers ready for Valentine's Day.

Although the library club participates in very few extracurricular activities, it is a very important organization to the students at Wheelersburg High. The librarian assistants aid students by helping find books for term papers and research, checking magazines out for information or personal pleasure, and locating pamphlets and files on subjects for papers.

The staff is chosen by Mrs. Bibbey, the librarian.

Although many students may not realize it, the staff really works hard shelving books, taking inventory, typing cards, and keeping track of checked out books.

The library staff is a vital asset to Wheelersburg High School.

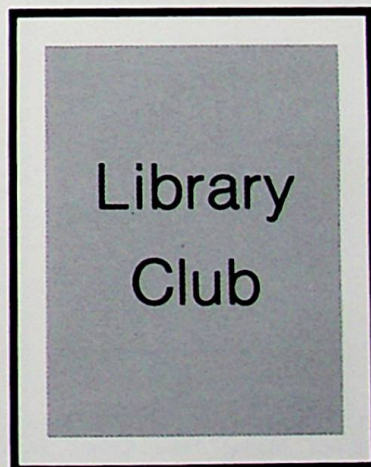

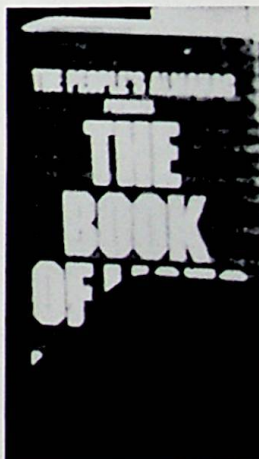

"This is my good side."

Lisa Villarreal works hard to keep things organized.

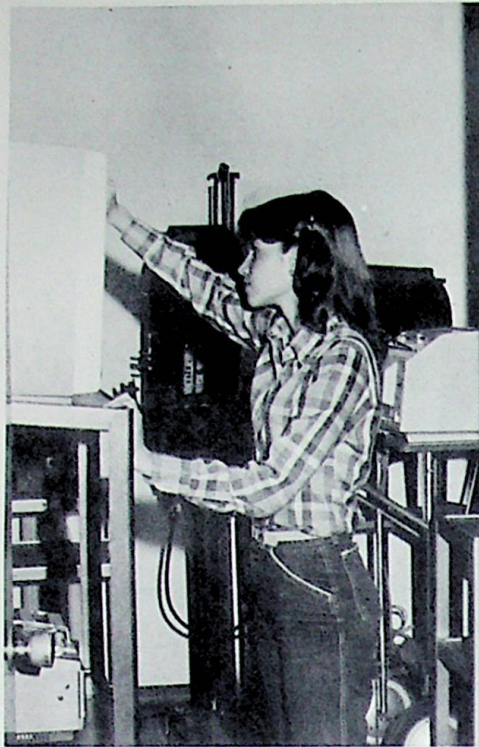

Becky Dyer and Teri Parsley work hard on the bulletin board.

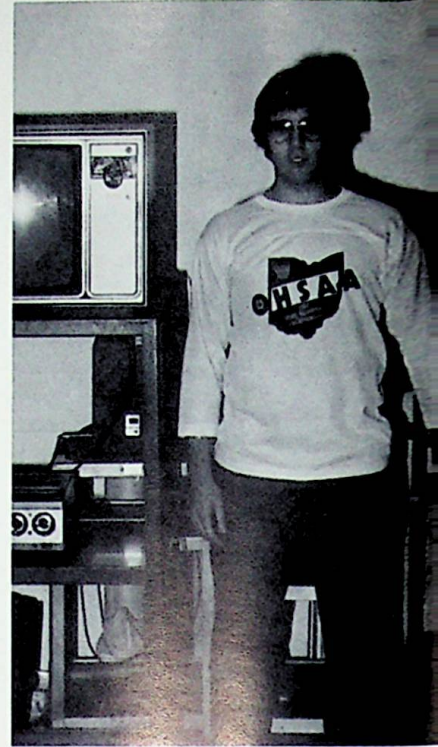

Audio-Visual Staff

The Audio-Visual Staff is a vital and to the teachers and students at Wheelersburg High School. The staff is made up of students who choose to work in the A.V. room during their study halls. Under the supervision of Mrs. Bibbey, the staff saves the teachers a lot of time and trouble by taping educational television programs and making sure that the teachers have the materials that they need. These students also help the other students and the teachers operate the equipment that they are using. The audio-visual staff is a welcome asset, to Wheelersburg, and the members would like to thank Mrs. Bibbey, their advisor, and also substitute teacher, Mrs. Preston, who took over for Mrs. Bibbey when she was off on sick leave.

This year's F.H.A./HERO group was very active during the school year. In October they had a Halloween party and held a district FHA rally at Valley High School. At Christmas time they went Christmas caroling, had a spaghetti dinner, and they had a passing party. Later in the year they sent the proceeds from a county wide skating party to the Speech and Hearing School in Green Township.

Their state theme this year was "Team up with FHA/HERO Family," and many people had a chance to do that when, as a state project, the club donated to Children's Hospital. Their main goal for the year was "Making teenagers aware of the importance of good nutrition."

The hard working officers standing behind this club, kept things organized and running smoothly. The officers were: Peggy Stratton, President; Paige Weghorst, 1st vice-president; Diane Bennett, 2nd vice-president; Diane Bennett, 2nd vice-president; Becky Dyer, Reporter; Pam Brown, parliamentarian; Barbie Boggs, Representative to county FHA/HERO.

FHA/HERO members busily decorate for their dinner.

Smile, Peggy. You have an audience.

Chip indulges at the FHA Christmas dinner.

National Honor Society

The National Honor Society at Wheelersburg High School is a group of juniors and seniors who are elected into the organization by the faculty. The elected students are chosen for participation in the four basic categories of service, scholarship, leadership, and character.

This past year there were 14 members who had been inducted their junior year. Mrs. Bibbey, the N.H.S. advisor, chose from these members students to represent Wheelersburg High School at National Honor Society inductions at other area schools. Besides this, the members also decorated a door at Christmas time, for which they won third place, and they held a car wash in the fall to raise money.

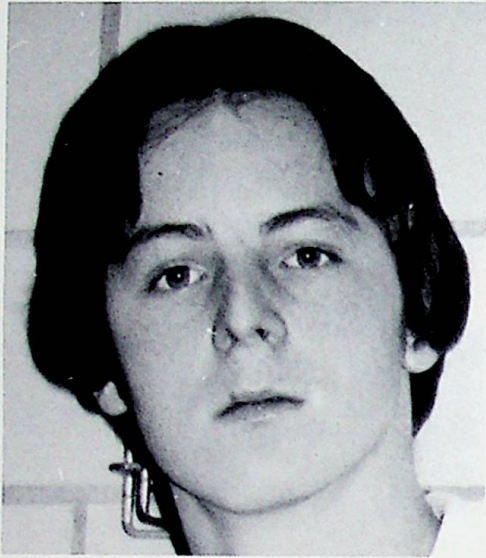

In the beginning of March, inductions for the new members were held. Eleven juniors were inducted as well as 3 seniors. As a group the members helped to collect money for the Juvenile Diabetes Foundation on May 8th, and they held another car wash on May 15th.

"Cute robe, huh?"

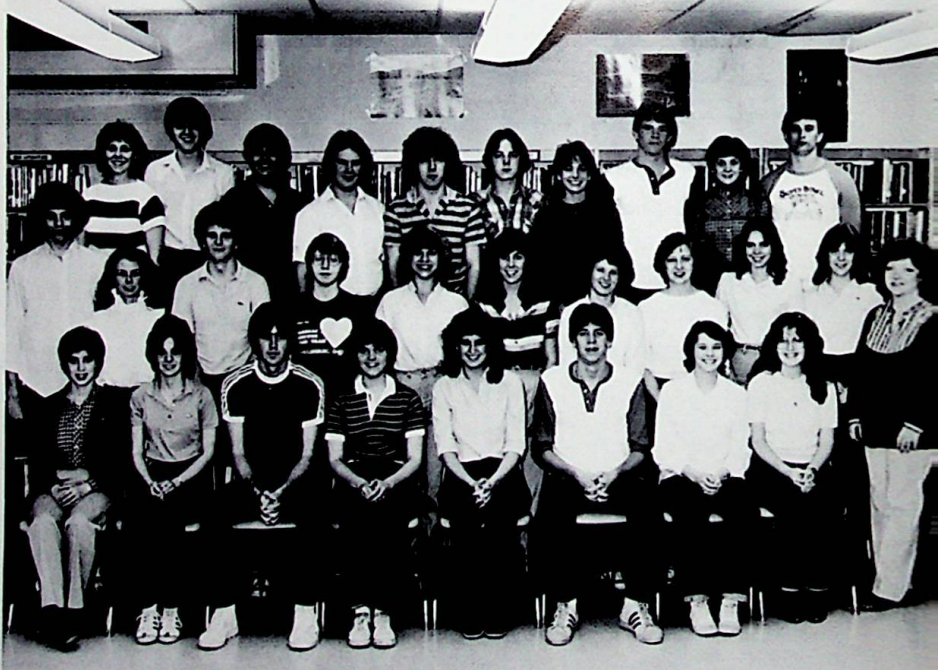

Melissa enjoys being hostess at N.H.S. inductions.

Yearbook Staff

Hee-hee-hee-hee-hee-hee-hee-hee-hee.

Cheryl and Becky choose pictures for yearbook.

The Yearbook staff is, of course, the organization of students who put together the yearbook each year. Contrary to most people's thoughts, a lot of work goes into the book. This past year each section of the yearbook was delegated to two or three members of the staff who worked together to complete their section. The yearbook staff, sponsored by Ms. Caudill, worked hand in hand with the photographers, who were sponsored by Miss Turner. Of course every yearbook staff has to have an editor, and the hard working editor of the 1981-82 school year was Pam Brown. Taking care of the business end was business manager Beth Stevison.

Besides working hard on the book, the yearbook staff had a Christmas party, and at the end of the year they celebrated the finish of the book with a cook-out.

In tree: Angie Hazelbaker, Don Riepenhoff, Rhonda McCoy, Barbie Mullins, Kelly Lee.

Quiz Bowl

The Quiz Bowl consists of interested students participating in competition with other schools, answering questions based on mathematics, the sciences, the arts and current events.

This year's Quiz Bowl team enjoyed a highly successful season. Facing such opponents as Notre Dame, Portsmouth and Northwest the team emerged with a season record of 8-3. On Nov. 7 the team travelled to Huntington, West Va. to appear on the T.V. game show, Scholastic Showdown. Their opponent was Poca H.S. from Poca West Va. Although they lost, the quiz bowl team put up an excellent fight against the Poca Dots; second runner-up in the West Va. Quiz Bowl conference. They all agreed it was a beneficial experience.

Members: seated, L. to R.: Debbie Keplinger, Chris Young, Brian Bayless, Steve Shoe, Tony Bussler, Leigh Ann McLaughlin, Ruth Boll, Luann Rawlings.

PIRATES'

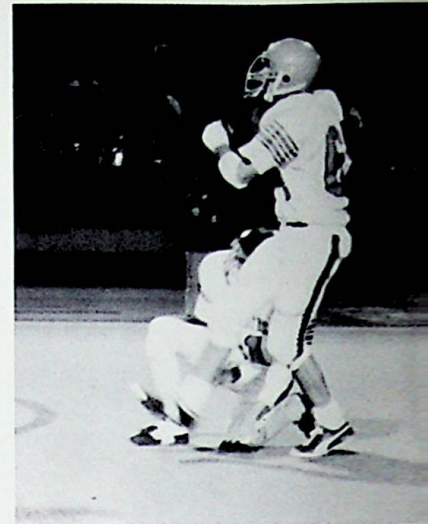

Sports

81-82 Pirates Football Is First Scioto County Team to Quarter Finals

Once again the Wheelersburg football team had an excellent season. The Pirates won the SOC conference and went on to be the first Scioto County team in the playoffs and regional champions in the district. The super teamwork of the Pirates helped bring large crowds to all the games especially,

during the New Haven game and playoffs.

The Pirates played a fine game against their first playoff team, Dayton Bellbrook in Dayton winning with a score of 20-19. The team was defeated in their second playoff game against Nelsonville York in Ironton with a score of 0-14.

Freshman Football Toughens Up

Wheelersburg Pirate
freshman football team had a hard
season this year. Under the
leadership of Mike Schomberg and

assistant coach Gary Johnson, the
team ended its final season with a
record of three wins and four losses.
Although they played many tough

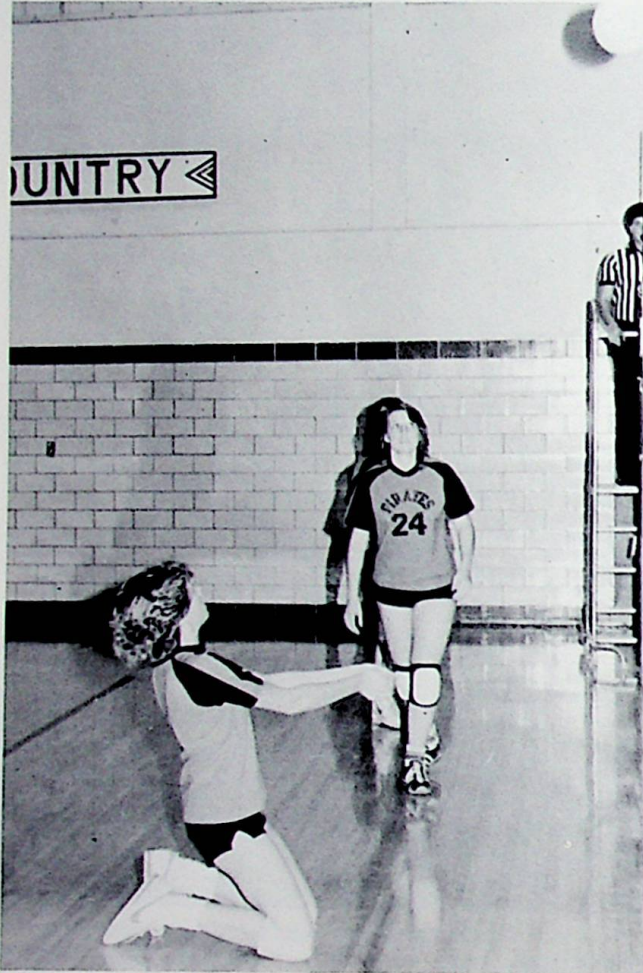

teams, this only strengthens them
for the upcoming varsity football
season next year.

Volleyball Team Plays Hard

The Pirate Volleyball team ended the 81-82 season with a record of 6 wins and 9 losses. With much practice and hard work the team showed their talent on court. Under the coaching of Jackie Moore, the squad showed their ability to get two members on the All-SOC team. These included Dee Turner, first team All-SOC, and Kelli Steele, who was named to the second team All-SOC. The varsity and reserve team gained a lot of experience through games and practices and are looking to the fun of next season.

Golf Team Splits Season

Under the direction of Coach John Eaton, the 1981-1982 golf team finished third in the S.O.C. and seventh in the district. The team of club swingers hit the golf courses with remarkable consistency through a long season of thirty matches, pulling away with fifteen wins. Todd Staker and Jeff Weaver led the group with average scores of 42.9 strokes per round.

Todd Staker finished par at Little Scioto's fifth hole.

Cross-Country Makes Transition

With only three veteran runners, this year's cross-country team earmarked the season for learning. The team is also making a gradual transition of techniques. The dirt and potholes of Gleim Road readied them for the ditches and dips of a course, and the hills of Turkeyfoot and Herms Hill Roads simulated the valleys and rises of the countrysides where the meets are held. Endurance and consistency, by Coach Jack Brannon, were stressed upon more than speed. The results of this training paid off for the young team. In the S.O.C., they placed third, and eleventh in the District.

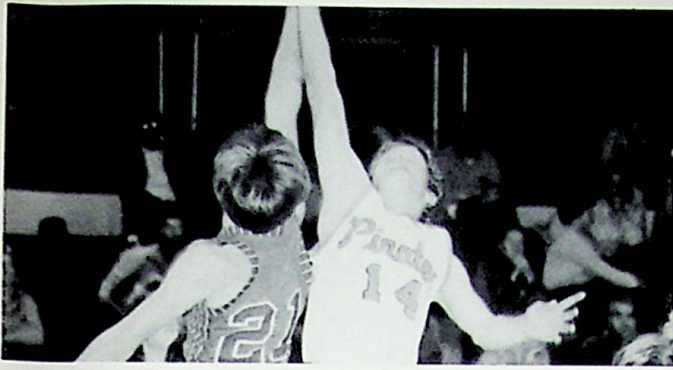

Front Row: Robin Cross, Patience Montgomery, Anna Boll, Ruth Boll. Second Row: Mack Shelton, Mark Bowling, James Willis, Jim Cyr, Scott Hill, Brian Bowling, Coach Brannon. Third Row: Keith Grimm, Chris Harner, Brad Walke, Don Piepenhoff, Brian Cooper.

Rookies

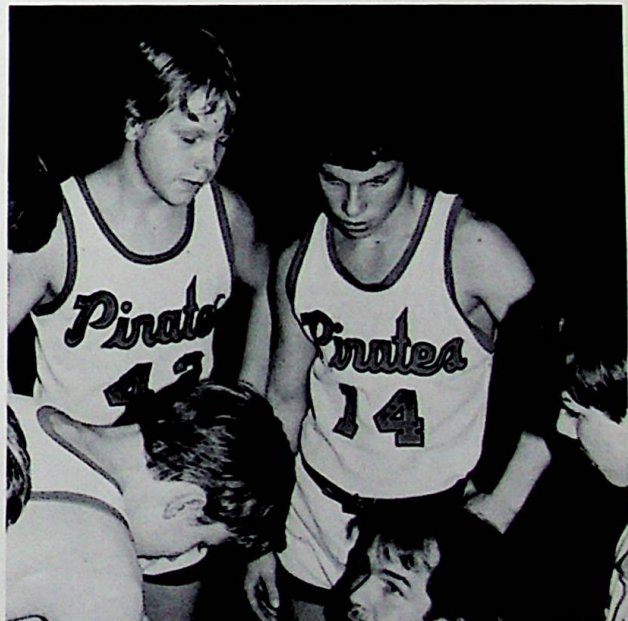

The 1981 Wheelersburg Freshman Basketball squad, coached by Mike Smith, played a rough schedule this year, sparring teams like Ironton, Waverly, and Northwest. The team was only 2-10 this year, but there is a lot of talent shown here. This team's future looks good as future reserve and varsity members. The squad is blessed with ballhandlers and fine rebounding ability.

Reserve Team Shows Ability

The Wheelersburg reserve basketball team, coached by Mike Schomburg, concluded the 1981-82 season with a record of 7-13. Although the team did not have an outstanding season, they will

use their ability and skill next year when the opportunity arises for them to play varsity ball, they will be waiting and prepared to meet the competition.

Varsity Makes The Sweet Sixteen

The Wheelersburg Varsity Basketball team went, for the first year, to the State Tournaments, held in St. John's Arena, included the Top 16 teams in the state. They had a regular season record of 19 wins and 1 loss, and won 6 games in the Sectional, District, and Regional Tournaments, losing only to

Youngstown Rayen in the State Tournament. But this in no way discouraged Coach John Eaton, Coach Brannon or the team. Coach Eaton has surpassed many coaches' dreams by reaching the upper tournament, and the team is looking forward to a great season next year.

The 1981-82 Wheelersburg band began practicing their routines in August to successfully perform another season of halftime entertainment. Under band director Robert McCoy the band played selections such as "Sing, Sing, Sing," "Superstar," and "America the Beautiful." The band traveled to Dayton with the football team to the regional play-off game where they performed "Hello Dolly," "Johnson Rag," and "Jazz Me Blues." The Pirate band also marched in several parades including the third annual Strawberry Festival, River Days, WOWK Community Days in Huntington, and the Apple Festival in Jackson. Two concerts were also given by the band including one at Christmas and one in the spring to finish off a very enjoyable and entertaining season for both the band members and the community.

A lot of hard work doesn't always pay off, but the girls and their sponsors must feel the work was worth

Her Kissin' Cousin

This year's Junior Class Play, "Her Kissin' Cousin," was a light comedy with many memorable moments. The action and laughs began with the first scene and lasted to the final bow.

The comedy revolved around Tom Jackson, played by Frank Tate, and his efforts to win the heart of Lucy Lee Saunders, a true Southern Belle, played by Kelley Elswick. Because of his efforts to completely change his personality so he can win Lucy Lee, he jeopardizes his relationship with his old friends.

After he wins Lucy Lee, her old boyfriend returns to take her home, which results in more zany situations.

Both the student and public presentations were held in the high school gymnasium on the day and night of October 27, 1981, and both were big successes. The play was directed by Mrs. Irma Switalski, and the cast presented her with a gift to show their appreciation.

Senior Class Play

"The Prime Time Crime"

or "What are Charlie's Devils, Kojacket, a Kung Soo Priest and Tony Borrota doing at Shropshire Manor and does the Phantom know this is no ordinary buzzard?"

Back Row: Ken Knowlton, Rusty Gleim, Ms. Westerfield, Tony Bussler, Steve Shoe, Brian Bayless, Fred Boll, Bill Keplinger, Todd Balzer, Chip Collins, Scott Adkins, John Bays, Craig Bahner, Kelli Steele, Melissa Rutan. On April 2, 1982, the Seniors presented their class play entitled, "The Prime Time Crime."

The first act consisted of outdoor sets and various others introducing the detectives of this story. They were all sent to reveal the true identity of the phantom at Shropshire Manor. Shropshire Manor was run by an aged, one-eyed matriarch, Aunt Abigail and her niece, Marie Shropshire. While several of Abigail's relatives gathered at the manor, trying to make sure they would

be mentioned in her will, many strange things began to happen, including attempted murders and scheming plots.

At a dance concluding the play, all the pieces fell into place. The identity of the phantom was revealed along with all the motives of these involved.

Thanks to the superb help and guidance of the play advisor, Ms. Westerfield, the play was a very successful production, and many people enjoyed it.

"Hold still — this won't hurt a bit."

"This is a hold-up pretty blue eyes."

"Look at them just waiting for me to jump."

The phantom lurks in the shadows.

"You have the right to remain silent . . ."

Stageband Is Alive Again

The 17 Members of our stage band under the direction of Robert McCoy, worked hard this year, striving to develop a good sounding group. Their efforts were successful as they blew us all away at each of our home basketball games.

Don't think that playing at the games was all that they did, though. On March 18 they travelled to Morehead State University where they attended a jazz band clinic. They also performed several concerts. One concert was given at the elementary school for the students there, while the other two concerts were joint concerts given by our stage band and the stage band from Minford High School. One performance was given at each high school before an assembly of the student body. Congratulations on a successful year, stage band, and keep on rockin'!

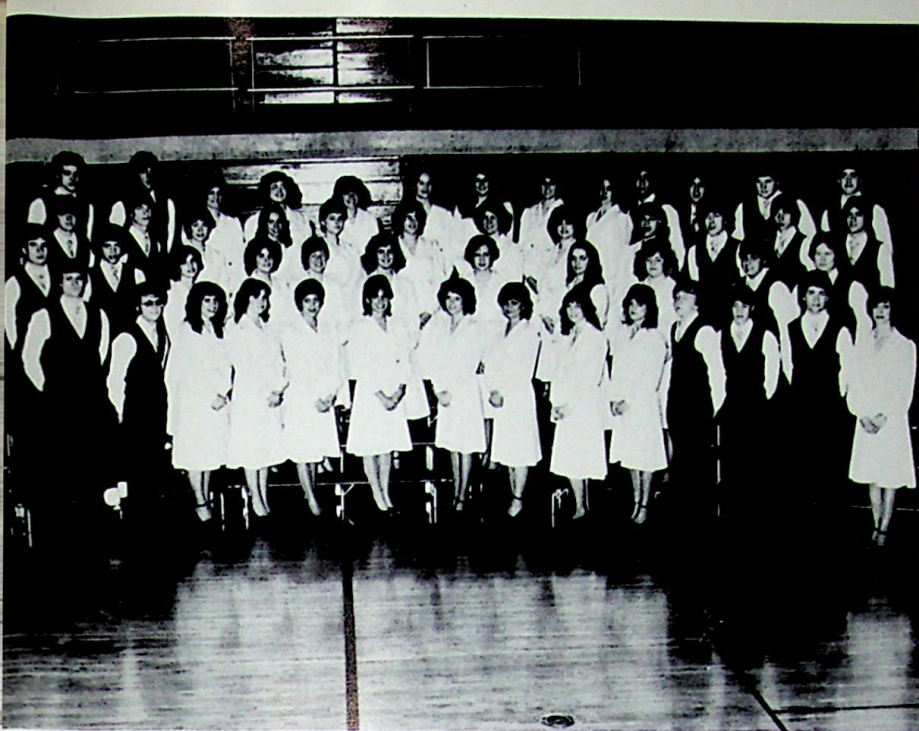

The sax section carries the melody as the rest of the band rests.

The Select Chorus was very active in 1982. They started their season of concerts with a Christmas program at Saint Peter's Church for a women's dinner. The Chorus also participated in other concerts in the area. Besides Christmas concerts, they also performed at the American Legion, Ramada Inn, Grade School and Vo-Tech. In addition to these, the Select Chorus also performed at school functions such as the Scholarship Banquet and Commencement Exercises of 1982.

The Select Chorus had a lot of fun along with all their hard work. They visited Pizza Hut twice and also threw a surprise shower for Mrs. Climer when Stevie came to live with them.

In all of their performances they represented their school and community proudly. The Select Chorus was under the direction of Rebecca Climer who also chose the members after tryouts in the fall of 1981.

Mixed Chorus Has Busy Year

The Mixed Chorus traveled by bus to sing on the WNXT radio station on Friday, December 10, 1981. They performed many of their Christmas songs including "Glory Hallelu", "It's the Most Wonderful Time of the Year", and "The Jesus Gift." The pianists who accompanied on this performance and many others were Christi Newman, Karen Colegrove, Jill Colegrove,

Sandi Truitt, Barbie Mullins, Caroline McClure, and Patty Sparks. Besides this performance the Mixed Chorus also performed at the Christmas concert and the Spring Concert.

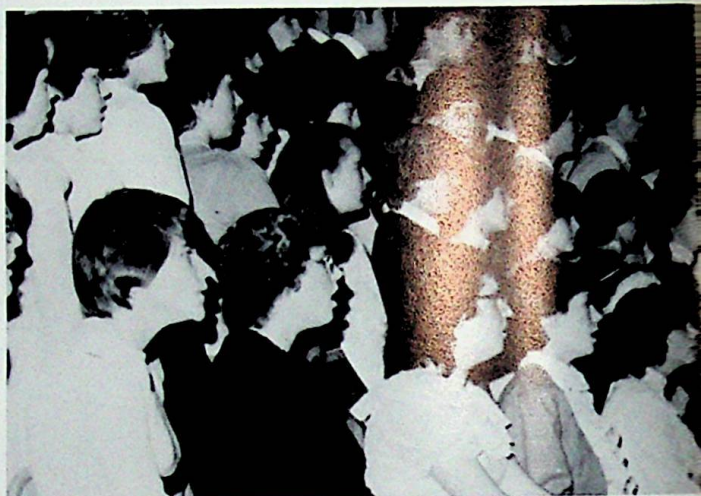

In March the Scioto County Music Festival was held, and many members of the Chorus were chosen to go sing in either the Girl's Glee Club or the Mixed

Chorus.

Nine students were chosen to perform at the Ohio State Fair from Aug. 1 to Aug. 22 as members of the All Ohio Youth Choir. These nine students were Bill Keplinger, Tim Harris, Tonya Cooper, Tim Cooper, Brian Raison, Brian Benner, Julie Behrer, Steve Jarrells, and Eric Valentine.

“She’s Got a Way”

Suzanne Cass was all smiles as the 1982 Basketball Queen. She was escorted by the two handsome Pirate captains Joe DeCamp and Paul Newman. Julie Baker, escorted by Bruce Parsley, also represented the senior class as their attendant. Kelley Elswick, the junior’s proud choice for attendant, chose Clint Baker as her escort. The sophomores voted Redonda Miller their class attendant, and she was escorted by Brian Ickes. Shellie Christian and escort, Chris Blair, also represented the freshmen class well.

The Pirate victory over Valley, coupled with the homecoming dance sponsored by the cheerleaders with music by “Sideshow” created a memorable night for everyone who attended.

The Falkland Crisis

The dispute between Argentina and Great Britain is a serious argument as to who should control the destiny of the Falkland Island.

Argentina has sent 4,000 men to the Falkland Islands, while Britain plans to capture the Falklands with 1,800 men. Prime Minister Margaret Thatcher of Great Britain demanded that Argentina withdraw all its troops before diplomats would take over, and Defense Secretary John Nott declared a 200 nautical mile war zone around the Falklands.

With Great Britain and Argentina as our allies the U.S. is in a difficult position. Through all the issues United States joined the U.N. Security Council majority demanding that Argentina withdraw its troops. Secretary of State Alexander Haig arranged peace talks between London and Buenos Aires. After six hours of talks he offered a first step in negotiating; if Britain called off its fleet, Argentina would withdraw its troops and negotiate with Britain. Haig spent almost eleven hours of talks with the Argentinians, then flew back to London with their proposal, but the British did not accept it. It seems now that Argentina has made a proposal to the U.S., if we are caught between any other allies that may be against Argentina, then we must fight on their side. Also Argentina has been receiving help from Russia and Cuba. Russia has been supplying information on the British fleet, by satellites, by 35 Soviet merchant ships, and by long range aircraft flying out of Angola and Cuba. The Argentinians can only guess how long the British plan to press the battle.

Will Billy Graham Go to Moscow

Billy Graham has received an invitation to minister in Moscow. For over 40 years Graham has been preaching the Gospel in the United States as well as many other countries, but there has been one country he has never been allowed in. This country is the Soviet Union. The White House is worried that the Soviets are going to use Graham for propaganda purposes. Even though there are dangerous risks in the trip, Graham predicts he will go.

Sadat's Assassination

The Egyptian President Anwar el-Sadat was assassinated October 6, 1982 while watching a military parade celebrating his 1973 surprise attack on Israel. A young lieutenant stepped from a truck and walked toward him. Sadat, expecting a salute, rose to his feet, and the officer tossed a grenade, while many other officers opened fire. Sadat and at least six others died during the shooting. His assassination left the Middle East in a difficult political position.

Controversy With Libya

Although there is a war of words between the United States and Libya, there are still strong commercial ties between the two countries. American exports have jumped by 20 percent this year. The U.S. is not only selling Libya such things as toys, tobacco, etc., but oil-field drilling equipment. Libya has stocked up on sophisticated American technology that is believed being converted to Muammar Kaddafi's Soviet Military. Not only do we trade with Libya, but there are many American oil corporations involved with Libya's oil fields.

The administration may soon bar Libya from buying sophisticated equipment as the U.S. did with Russia. With this decision it could mean Libya may send them somewhere else to buy such goods. Only Libya can decide exactly who to negotiate with.

The Columbia Takeoff

The space shuttle, Columbia, had a successful take-off. For the first time, a space-shuttle mission began on the day it was supposed to only an hour behind schedule. Columbia has been used twice with almost 2 million miles on it before the last flight. The only complication aboard the shuttle was the mechanical arm that failed. With a pair of binoculars, the astronauts were able to control the arm with its elbow. The main job for the arm was to take pictures in space. All experiments went as expected.

El Salvadore

It seems like over many years communism has been growing or wanting more power. One example is in El Salvadore. This is another dispute between two governments wanting more power. The real controversy is between the guerrillas and Christian democrats, to who will control the government. The peasants want to keep their socialist government while guerrillas refuse. The guerrillas are backed by Moscow and Cuba's Castro, they supply them with money, weapons, and more.

So far this year, the United States has sent the government of Jose Napoleon Duarte \$35 million in military aid, \$126.5 million in economic aid, and 51 military advisors. A Washington Post news poll showed that 72% of Americans want no more military aid sent to El Salvadore and more than 20,000 people marched on Washington to protest the Administrations stand in Central America. Secretary Haig told Walters to tell Castro that Cuba could expect better relations if it would stop aiding revolutionaries but Castro told Walters that he would not consider withdrawing his support for the guerrillas. Until these countries start negotiating more seriously this war will lead to nowhere.

Liz Taylor

The reconciliation of Elizabeth Taylor Hilton Wilding Todd Fisher Burton Burton Warner and longtime flame Richard Burton, occurred in February for Elizabeth's 50th birthday party.

Burton called Liz on the morning of her birthday, February 27th, to get permission to attend her private party in London.

It was the first reunion for the couple in more than five years.

Princess Diana 'Lady Di'

Just two months after the royal wedding, Prince Charles and Princess Diana announced that the newlywed Diana is expecting to deliver sometime in early June. Just 11 months after the July 29th wedding.

The child will be second in line to the throne, after Prince Charles, putting aside his brother Andrew.

The most likely names for the child in case of a boy are George, Philip (In honor of Charles' father) Edward, and Louis (in honor of Charles favorite uncle, the late Lord Mountabatten). For a girl the most likely names are Elizabeth and Francis for the parents mothers.

Movies and Songs

Some of the most popular movies of 82 were "Golden Pond" "Endless Love" "Reds" "Taps" "Absence of Malice" "Some Kind of Hero" "The Jazz Singer" "Ragtime" and "Chariots of Fire."

Songs heard up and down the dial were "I Love Rock n Roll" by Joan Jett and the Blackhearts. "Arthurs Theme" by Christopher Cross. "Open Arms" by Journey. "Juke Box Hero" by Foreigner. "Endless Love" by Diana Ross and Lionel Richie "Physical" by Olivia Newton John. "I've Never Been to ME" by CHARLENE "Don't TALK to Strangers" BY Rick Springfield "Centerfold by J. Giels Band.

Electronic Games

The new craze that has hit our world in the past few years are the electronic games. T.V. games have become popular recently too. Odyssey, Atari, and Intellivision are the three most popular brands. As you look around the cities you are seeing many Arcades. Just slip a quarter in the slot and see how long your luck holds out. You can bet that in the next few years electronic games will dominate everywhere.

Some of these games are:

Pac Man
Ms. Pac
Space Invaders
Asteroids
Frogger
Battlezone
Donkey Kong
Omega Race
Gorf
Highway 16
Super Cobra
Galaxian
Defender
Boot Hill
Centipede
Missile Command
Sea Wolf
Phoenix
Pic Man

Computers

Computers have become of age in the 1980's as a learning tool, business tool, and for just plain entertainment. You can have one in your own home for as little as \$99.95 or as expensive as you can afford. Several different brands of computers are: Atari, Apple, Radio Shack, Commodore, Texas Instruments, IBM, and Sinclair. This generation is breeding children who have developed firm foundations in computer science and who are as at ease with the computer as previous generations were at ease with the telephone. In the near future scientists will develop computers which will recognize speech, talk back to you, and provide household control functions. Just think! A computer that would tell your kid brother when it is time to go to bed!

Super Bowl XVI

On January 24, 1982, the Cincinnati Bengals were defeated by the San Francisco 49er's. The game was played at the Pontiac Silver Dome in Detroit, Michigan: This is first game in the history of the Super Bowls in which the Bengals have ever played. The Bengals had a record of 12 and 4 and the 49er's had a record of 13 and 3. Maybe in another 16 years the Bengals will have another shot at the Super Bowl!

"The Preppie Look"

Until just a few years ago, teenagers have not been very clothes conscious. But now as we look around, we are beginning to see designer labels such as: Gloria Vanderbilt, Calvin Klein, Jordache, Sasson, Liz Claiborne, as well as the famous Izod alligator label. Everywhere we look we see Izod shirts, pants, shorts, belts, socks, barrettes, and earrings. In addition to the designer labels, old fads are coming back into style such as sailor blouses, mini skirts, pedal pushers, bermudas, petticoats, flat shoes as well as the old fashion lace and frills. This shows that history does repeat itself even in fashions. Let's see if in 1992 the fads of yesterday will reappear!

Milestones

Paul Lynde, 55, comedian best known as a regular panelist on "The Hollywood Squares" game show on T.V.

Natalie Wood, 43, actress who played Maria in the movie "West Side Story." She also starred in many other movies and recently had one of the leading roles in the television series "From Here to Eternity."

William Holden, 53, actor whose fame in many motion pictures distinguished himself as a great performer. His most famous motion picture was "Picnic."

John Belushi, 33, actor who originally starred in T.V.'s Saturday Night Live," then went on to star in the movies, "The Blues Brothers" and "Neighbors."

The Runners Craze

Runners are everywhere. They run through rain, snow, fog, hail, heat, and cold because running is their way of life. They're in their teens, they're in their 20's, 30's, 40's, 50's, 60's, and older. They are men and women. They're the people in the next town, country, or right next door.

Runners run because it is important for the body, the mind, and gives them something to pride themselves in. They run to be in a group or to be alone. Some run for the thrill of a victory while others run just for the fun of it. Losing weight is another big reason why they run. But some people just run because it's in.

Williams Suspected of Murder

One of the main suspects of the Atlanta killings which began in 1979 is Wayne Williams. He was found guilty of 2 of the murders, and is being charged with 9 more. Each of his victims was black. He would leave them partially dressed, some raped and all of them were found dead. The strongest evidence found against Williams were textile fibers in Williams' apartment.

There were other witnesses that told stunning stories of the crimes that helped the jury to decide that he was guilty.

Women of Steel

Body building is becoming a popular sport, once only for men now also for women. The small dressing room off the Grand Ballroom of the old Philadelphia Sheraton is filled with women in bikini bathing suits with the odor of perfume, coconut oil and sweat and the metallic clank of weights. It's the women preparing for the Miss Olympia Body Building Contest to begin. Inside the small dressing room are some of the 21 women who have come from all over the world to compete in the event. Although the women may seem to be masculine, they really care about their feminine characteristics.

After the 9 judges are in place, the first woman is called out greeted with thunderous applause. As she stands relaxed under the spotlight, her tanned and oiled body is as smooth and perfectly proportioned as that of a beauty queen. But when she strikes a pose her body is no longer one smooth piece, but now a series of distinct and separate parts, each muscle is delineated as though outlined with a pen. Heart-shaped calves. Flaring thighs split down the middle. Ribbed abdominals rising, like steps, to her rib cage. Shoulders and biceps and triceps like a series of small half-moons. This is the description of all body builders all over the world — men and women alike.

The popular sport of

body building is not only for show but also used for health, good looks and discipline. Body building is the thing to do shown by the movie stars and top models, and if it's good enough for them maybe everyone should try it.

Dozier — His Capture and Rescue

The Red Brigades struck again by capturing U.S. Brig. Gen. James Dozier. He was captured in his home in Verona when kidnapers jumped him and carried him off in a truck. He was held a brigades prisoner during a 42 day ordeal.

Not since 1975 had Italy's police rescued a Red Brigades kidnap victim alive but it was done with Dozier in 90 breath-taking seconds. The police sealed off the area while the commando unit stormed the apartment building, rushed up to the second floor and broke down the door. One of the terrorist who was intending to shoot Dozier was stopped with a blow to the head, by one of the commandos. Under a pup tent in the middle of the floor the rescue squad found Dozier bearded, shoeless, and handcuffed to a camp bed.

He was taken at once to an Army hospital where he recovered quickly after treatment. He must not have had a very happy Christmas but he received a warm homecoming, including a call from President Reagan, after his release. During his press conference he described his captivity as "just a small sacrifice for freedom."

"A Time for Us . . ."

The 1982 Junior-Senior Prom was held at the Car-rington Place in Portsmouth on April 23. The theme was "A Time For Us" and the decorations added a nice touch with a working water fountain and flowers. Juniors and Seniors enjoyed dancing the night away to the music of the evening. The hard work of the prom committee really paid off as it seems everyone had a great time. The after-prom was held at Sunset Bowling Lanes.

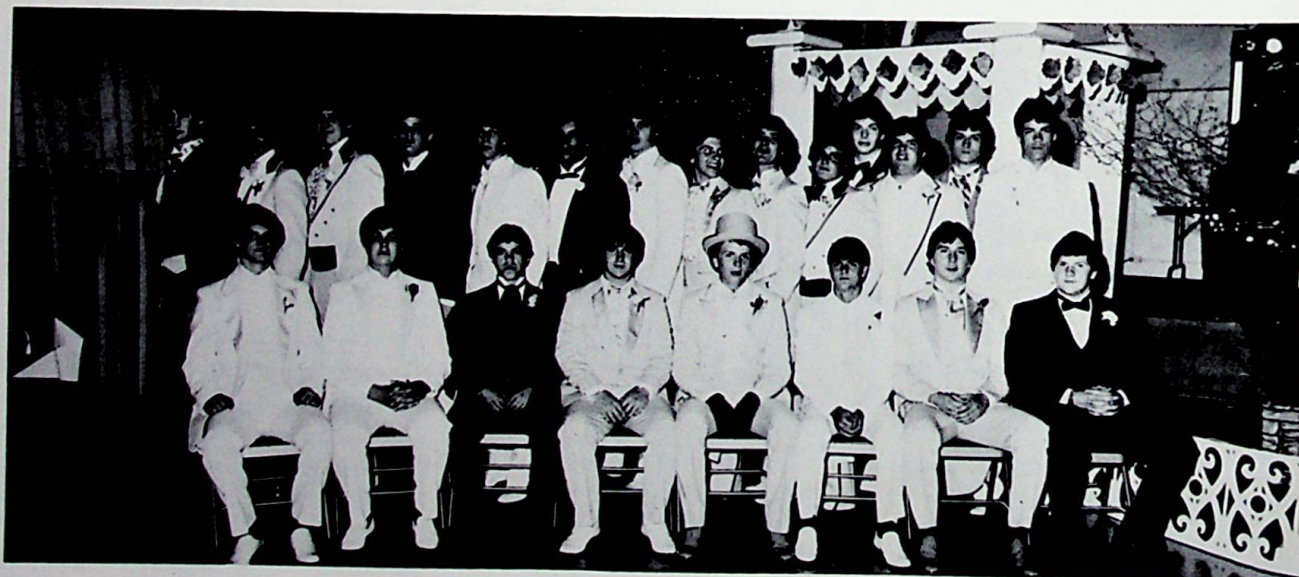

Juniors and Seniors dance the night away.

Todd and Lisa catch their breath between dances.

"You've stepped on my feet for the last time!"

A few of our football players take time to pose for a picture.

"That's right, we bad!"

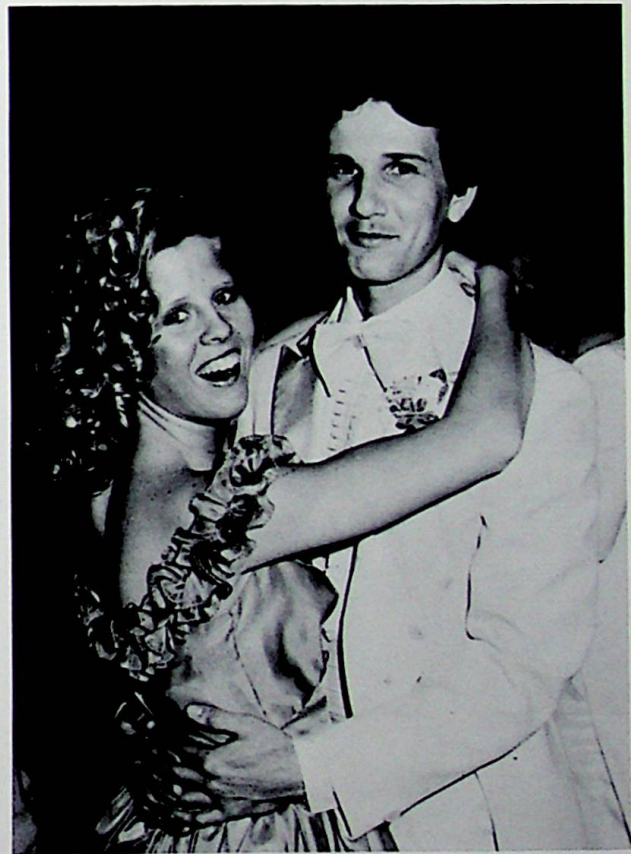

"Look Tim, we've finally found someone to dance with us."

Angie Hughes and David Lewis chat between dances.

"Spit it out, Chip, that was my cookie!"

Patty flashes a pretty smile at the camera.

Ray and Cheryl share a romantic moment by the fountain.

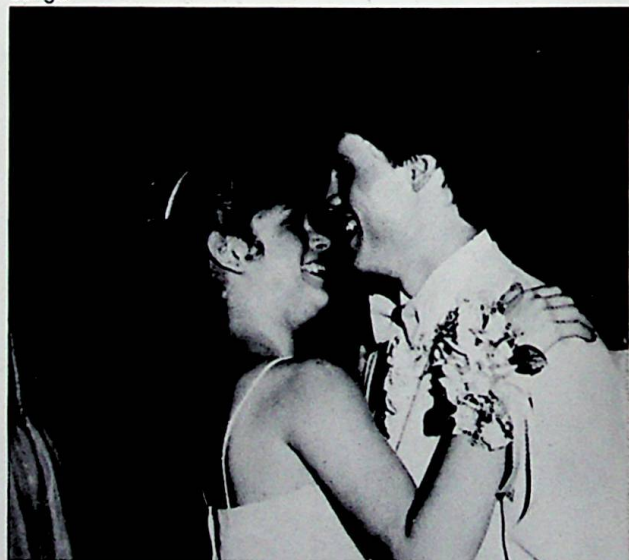

"Hey Vanessa, let's try Plan B!"

Jerry Kaskey and Kris Chamberlin rest their tired feet between songs.

Mike and Whitney share a special moment dancing to the music of the evening.

"Alright you two, what's so funny?"

W.H.S. 98th Commencement Exercises

Wheelersburg High School commencement exercises took place Friday, May 20, 1982, at 8:00 p.m. 145 seniors were assembled together for their last time as a class.

Our 1982 Valedictorian was Judi Mitchell, and the Co-Salutatorians were Ellen Smith and Melissa Rutan. The top Vocational student from Wheelersburg was Carol Bennett.

Nine of the students graduated with High Honors. These students were Rebecca Lupton, Julie Behrer, Kristi Bihl, Stephen Shoe, Craig Bahner, Kelli Steele, Whitney Wallace, Pam Brown, and Liz Guilkey.

Those who received Honors were Don Riepenhoff, Kim Shaw, Elizabeth Glass, Cheryl Fraley, Brian Bayless, Mike Fisher, Paige Weghorst, David

Special awards were given to the students by Mr. Gilbert, the guidance counselor, the Presentation of Class by principal, Ted Adams, and the presentation of the diplomas was given by Mr. William Lewis, President of the Board of Education.

Our Valedictorian, Judi Mitchell

Top Vocational Student, Carol Bennett.

Salutatorian, Ellen Smith.

Salutatorian, Melissa Rutan, receives her trophy.

A very pretty soon-to-be graduate!

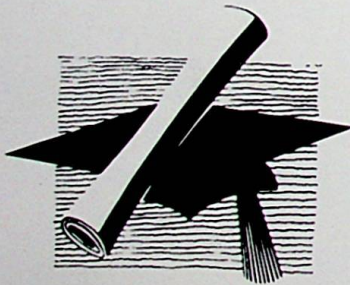

Becky is thinking of the times to come.

Amazing, how fast the years go by!

Roger accepting his diploma from Mr. Lewis.

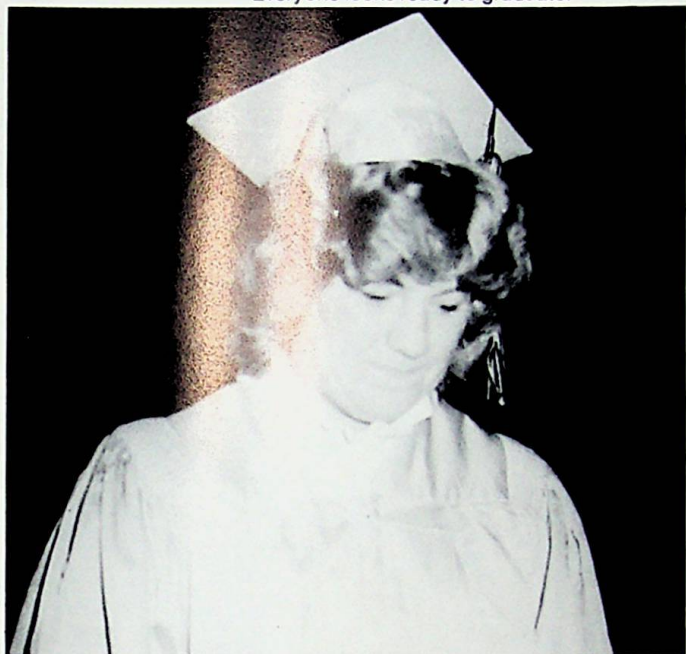

These girls are ready to celebrate!

Everyone looks ready to graduate!

Mr. Adams, a few words of praise.

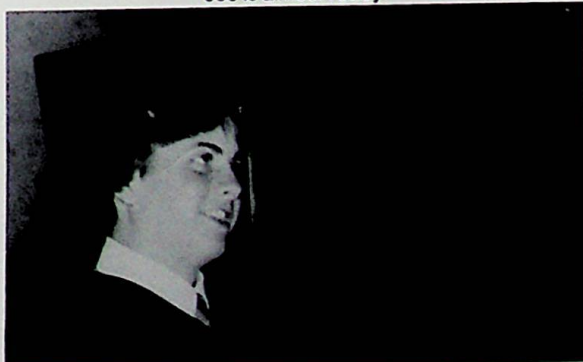

A thoughtful Lisa . . .

Joe is almost ready.

A prayer for good luck in the future.

Definitely, a happy occasion!!

And What Do We Remember?

We looked back and remembered the happy times, feeling the rewards of hard work and dedication. At other times we felt so alone, isolated in the midst of a crowd. Our existence was one of constant new beginnings and continuous endings that filled our lives and our memories. It was our year, molded by the vast and diverse character of who we were and had become.

Mrs. Sylvia,

For the education you've given us, for the things you've put up with, and especially for the friend you've been, we thank you.

May you remember each and every one of us and the crazy things that we've done. Whenever you are feeling blue, just remember that we love you dearly.

Good luck always,
Kelly Lee and the
1982 Yearbook Staff

Susan does her homework like a good little smurf.

Will someone please explain what that means!

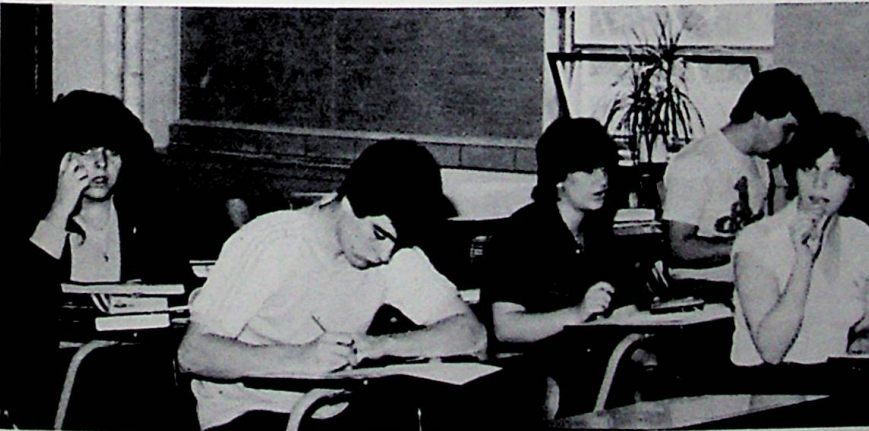

Class of 82

See what too many McDonald's hamburgers can do to you

Rusty Gliem gets measured for his cap and gown.

Psst. Chip, what's the answer to number two.

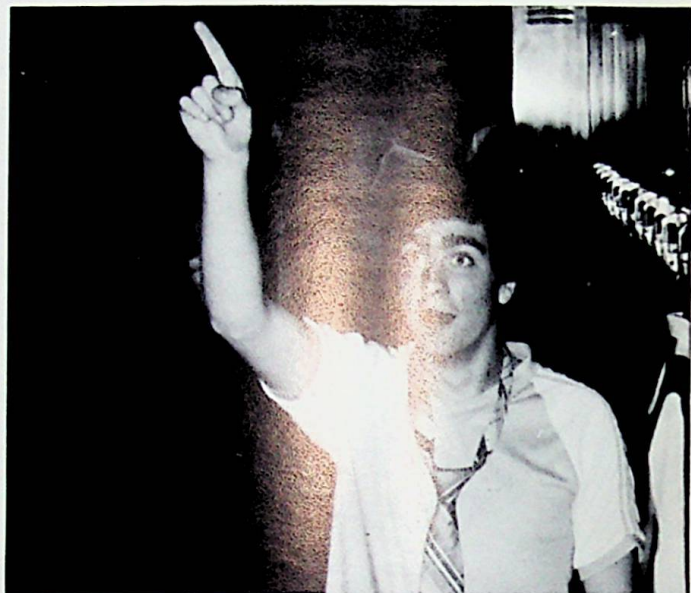

Who is that?

What in the world is he talking about?

"Is that a threat or a promise?"

Disco Tattoo!

Motto: Happy are those who dream dreams and are ready to pay the price to make them come true

Joe DeCamp watches as Mr. Adams shoots for two.

Look out world here we come.

"I can't stand these 'close' games."

See what 12 years of school can do to a person.

Class Flower: Yellow Rose

Class Color: Brown and Beige

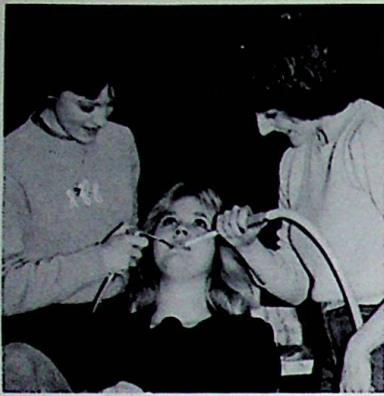

"Maybe if I get the numbers right this time it will not blow up."

Don't forget Ginger, others are waiting.

Hey man!

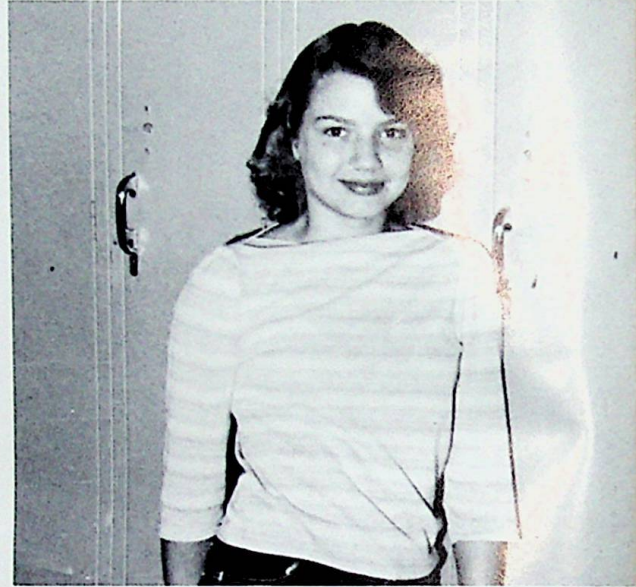

Say Ahh!

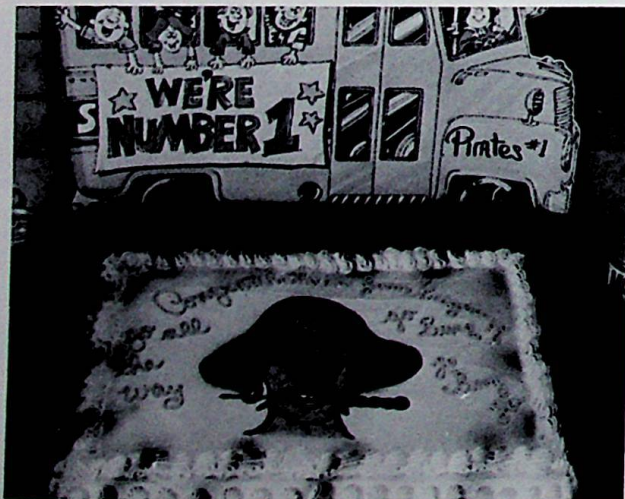

Pirate fans stand up as the score gets closer.

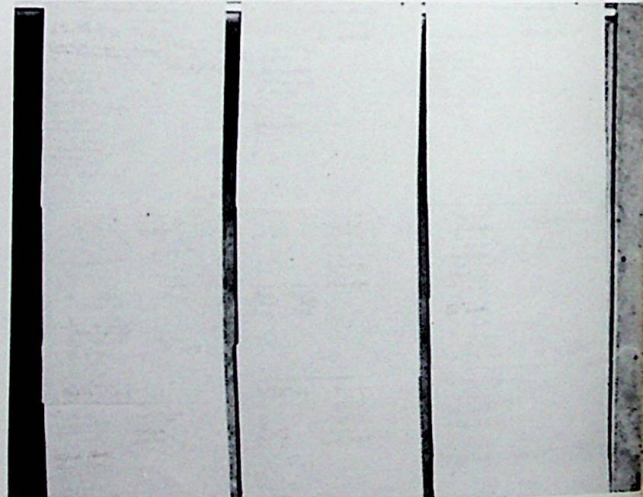

Mommy always told me to pick up my toys.

I hope the bell rings soon.

What else can we say?

Valley students wish the Pirate basketball team good luck on their trip to St. Johns.
