Sun. July 7.
A nice warm
day. Cool at
night.

We had a good
time.

For Ed & I took a
walk over the
farm looking at
the various cattle
and grass. Then
got after the
weeds, peas and
coaxed them
up and found
them.

We got started
for home about
three and got in
by a little
of the dark all right.

Mon. July 2.
A more barren day
Billie & Leo &
Hubert were
in the car.
She got the front
of the car gleamy
but not here

Tues. July 3.
A very hot day
Billie & Leo left
in the car
all day.

Great party
A very warm
day
The usual hard
rough up the
creek.

Rained a little
here.

It started up
The sawlog of
chips but the
got to sawing
I heard that you
came back

It started at the
shed and got
50 lbs worth of
mail and a 25 lb
can of apple sugar
Can have the
of turn by dipping in
butter

Thurs. Oct 5.

A very warm day
Rained a little
this morning
I finished my
to the more than
I had loved you
Bill has I see
had a holy
day. I have
took Bill to the
and took Bill
Company of wheat
up to the mill
The Balcon beam
came and moved
The sawmill
as one on the
got 7 lbs
I had 1 lb
due to night

7
In July 5
I went inland
day to
Blaine tried
over all day
Got about
through north
the down
Billie Lea
and John
helped
get in his
to my

at July 7
A nice day
sea fun
blowing and
then cut woods
out of corn
Billie went and
got my cook to
the ash with
and then get his
to see the old
mill ahead down
to get boards to
make a gear
out of
The thing he put
down 10 gallons
of oil to be
dropped and they
worked at this till
10 o'clock

Sun July 8.
A cool day and
yester cool by night.
The sun at last
all day. Looked
for Saint Elmo's
fire & Bill
but neither in
sight. A bear
found his way
here was up
a hill.
He worked at
an oxen, all
about, to
to get the road.

Mon July 9.
A cool morning
and day.
Sea plumed the
wreck of a
and helped down
some. Bill & I
worked all day
at our granary
to build out of
it. To be a
long.

June July 10
A very hot day
Billie pulled
me with the
grain till
noon

I then worked
my and finished
it and cleaned
up around the
gran ahead
Ollie put out
a big wash
to get it
up to see
about the
threshing machine

Wed July 11
I when I am
I began to
grain and out till
noon. Pa took
the machine and
cut the rest of
the day
Billie & I hauled
in the afternoon
Hoe in the evening
till noon
then I a bed
day

Thurs July 12

Went to the
hill & along
up on top of
mountain
Buller's
helped

Went on to
Cuba & back
through the
west of the

Fri July 13

Went all night
to find
the hat all
Billie's
did
We
cutting and
got it all
about
are dead

Sat. July 12
A fine day
Cool at night
but very hot
during the day
The breeze
up the bay
threw out
I went all my
way to get
a little sea
and sea sickness
Billie took the
sake day
I take my
bag

Sun. July 13
A nice day
Cool at night
but very hot
during the day
The breeze
home where
we arrived about
10 o'clock.

There were some
there but we
had a good time
The got a load
of early harvest
apples
The mat Jim's
Remo coming over to
David's house
He did not get
back until after
dark.

Monday July 16
A very hot day
A hard wind off
a light shower
came about 4
o'clock that blew
and wet. The
up heat and dust
the only way
in my tent was
shape but the
wind scoured
the shock of water
and damped
them.

Heat buffed
me a hot day
I dated the
journey and got
ready to head

Tuesday July 17
A very hot day
Heat buffed
me a fine day
till noon.
I was very
hot. The
heat got the
heat all shock
by my
heat buffed
the heat the
throat.
The hitting was
that the throat
would not be
the heat
and here the
the throat. 35

Sat. July 12.

Spent a few hours
in a study hall
and then at home
that night. The
breathing

We were getting
along fine

Got 235 hours
of heat breath

It had looks
up by me

Thurs. July 18

A school of birds
about me
that kept
up from
the afternoon
the ground all
gathered to
the air about
went back
there

Spent a few
hours at home
all morning

July 22
The birds were
very busy
about the
house today
and I saw
many of them
around the
house. They
were very
active and
seemed to be
very happy.
