## "Heirs Of Hope And Labor"

Friends;

We, the members of the class of 1939, having reached the end of our scholastic career, and although somewhat fatigued by constant, mental and physical toil, we are still of sound mind, memory and understanding and do hereby make and publish this our last will and testament, hereby revoking and voiding all former wills by us at any time.

We have tried to be just, as well as generous and impartial, and to distribute wisely unto those who will make the best use of such gifts as we have in our power to bestow---especially the superior talents and characteristics that have served us so faithfully these four years. We hereby give unto your possession the following itemized articles and as you will accept them as sacred trust from us who have gone on before.

Listen well while I read the document as duly drawn up and sworn to:

To our dear faculty who have worked and worried, not all together in vain, that we might be exposed to those things of a weighty and intellectual nature, we give and bequeath all the amazing and startling information that we have given them from time to time on our examination papers.

In Fact, to you we relinquish all publication rights on these things in order that when you consider the world ready for such startling facts you may immediately start publication of a general all inclusive textbook embodying the same material.

We give and bequeath to the Junior Class all our pep and leadership ability. Also we leave you all our ingenious secrets of getting by without studying much.

The Sophomores will be Juniors next year and to them we give one of our most cherished possessions, namely our ability to win all inter-class activities and contests.

To the Freshmen we have nothing to offer, because in their temperamental. flighty and puffed up state they are not responsible and are, therefore, not capable of caring for any of our treasured possessions.

The following may seem but trifling bequests, but we hope and trust they may be accepted not as worthless things to be thrown to the four winds, but as valuable assets to those who may receive them, and most of all may they be a constant reminder of our generosity:

First of all--to start the grand old party I think Banny Jones said he would like to leave to Garland Langdon the facts of the heart-breaker. He has sure had the experience of breaking plenty of hearts. Especially the Freshmen.

Raymond Altman leaves his ability to write poems about blue eyed girls to Donald Gift.

Beulah Ballengee wills her technique to play hooky on afternoons too pretty to stay in school to Violet Koch.

Jane Blanford would like to leave all her extra height to Mrs. Gillette.

Mary Carpenter leaves her temper to Merrill Brown to see if he can control it any better than she could.

Jack Fearing leaves his green pants and big shoes to any one man enough to wear them.

Hubert Crabtree leaves his quietness and timid manner to Harold Thompson.

Jack Duncan leaves his ability to play basketball to Billy Mustard and by the way, Billy, are you going out for B.B. next year.

Harold Evans leaves his ability to play the guitar at entertainments to Charlene Shelpman.

James Forman leaves his beautiful chestnut brown curls to Bobby Waddell.

Bob Grady leaves his ability to tell fibs and to patch up broken romances to Glenn Jones.

Bob McNeal leaves his friendliness and ability to dance to Opal Armstrong.

Paul Hamby leaves all his good grades to Howard Thompson. Do you need them Red?

Jeanette Hansen leaves that Scottish accent of hers to Evelyn Brown.

Charlotte Hurst leaves her ability to tell some one what she thinks of them in few words to Pauline Bradon.

Edward Hall leaves his ability to borrow teachers cars to play hooky in to Louis Montavon.

Donald Humphreys leaves his ability to be heard and seen at all times and places to Violet Current.

Grover Jones leaves his knack of entertaining the Senior girls when they're supposed to be having play practice to Eugene Moore.

Janice Jones leaves her diet recipe to Jean Cook. Partake of sweet things only, Jean.

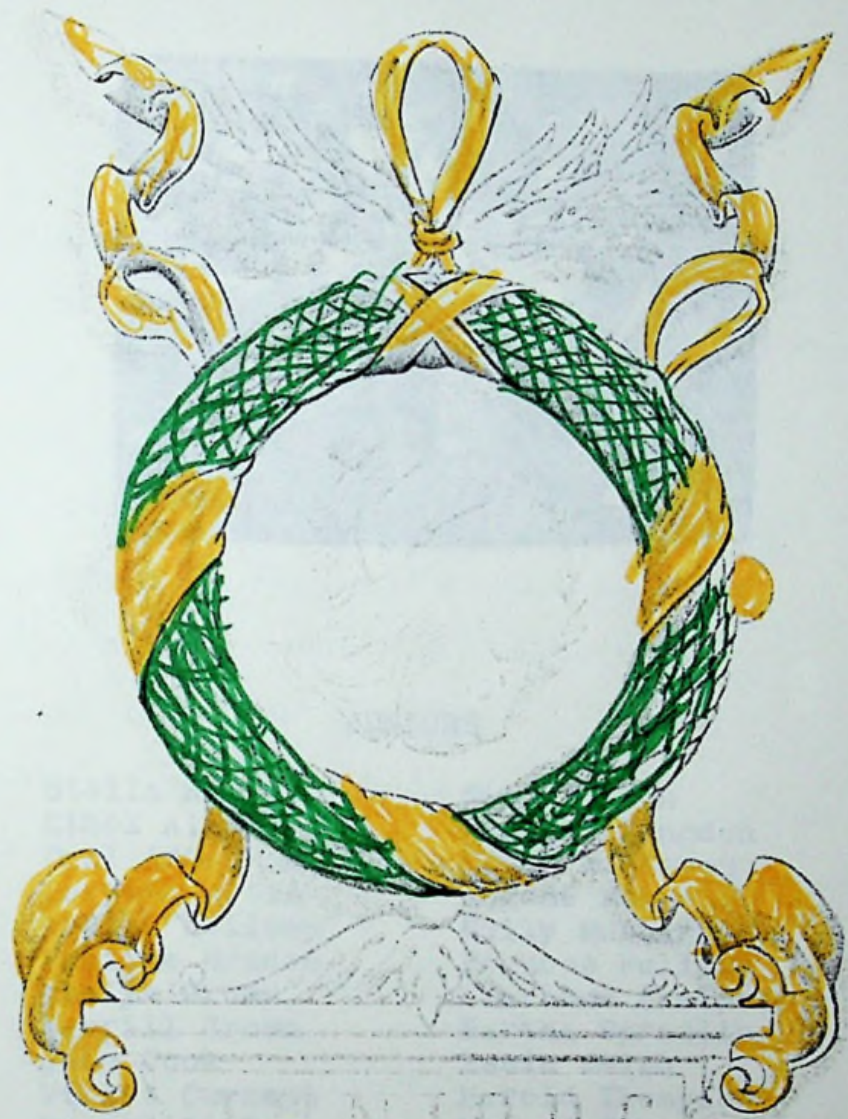

Alma Newman wills her freckles to Martha Spradlin.

John Payne leaves his habit of arriving at school 10 or 15 minutes late to Ethel Allen.

Mary Fertuset leaves her long hair to Essie Smith.

Rita Schellenger leaves her efficiency to play the piano to Francis Pulliam.

Velma Wooten leaves her capability of getting good grades to Garland Langdon.

The McDermott girls' basketball team had a very successful season winning 17 out of 18 games and tied with Lucasville for the League championship.

E. Smith and V. Young were the scoring aces of the team, Essie having an average of 14.4 points and Virginia 12.8 points per game.

S. Adkins, H. McClure, M. Jordan, and F. Hubbard received plenty of credit because they were in every game and played bang-up ball all season.

J. Cook was out of the lineup for some time because of illness but came back just in time to help her team-mates win the game from Lucasville on their own court 35-29. J. Vonderembse and C. Jordan also played good games during the hardwood season.

BOY'S BASKETBALL TEAM ('38-'39)

The McDermott Boy's Basketball Team did very well for themselves, winning 15 out of 21 games this season. The team was centered around senior, Jack Duncan, who was chosen captain and center on the County All Star Team. He scored 325 points, averaging 12.8 points per game. Jack was chosen as center on the All Ohio Class B Second Team by the Associated Press.

The team went to the finals in the Scioto County Tournament but was defeated by Green Township.

They received the honor of going to Waverly district Tournament. Though trying very hard the McDermott Tigers were defeated by Unioto.

The Squad was composed of the following:

Sophomores  
John Newman  
Gerald Jones

Juniors  
Harold Thompson

Seniors

Grover Jones  
Jack Duncan  
Jack Fearing

Robert Grady  
Donald Humphreys

BOY'S RESERVE BASKETBALL TEAM

The Reserve Team had a perfect season winning 14 games without a defeat. They won the Reserve Tournament beating Wheelersburg in the final game at Grant Gym.

From what we have seen out of the Reserve Team this season they should land plenty of players on the Varsity Squad next year.

The third grade entertained with a Christmas party and program for the mothers. Each pupil in the room took some small part in making preparation for it.

The entire fourth grade has taken part in two programs during the year. The parents were invited to the first one, held in November to celebrate book week. Two pupils from each of the other five grades were invited to the March program which completed a study of the Netherlands.
