

April 1.

A nice day.
I have been in
mulling fast
the night a
grit of even.
I took it down
to the mill this
after noon.

The Surgeon.
The organ man
arrived with two
organs. He left
one here and the
other one took to
the river.

The first organ
was in our hands
we played all
night

April 2.

A nice day.
I have been
at work making
a wooden
pa work for
the organ. This aft
noon. The organ
man left
here this after
noon.

Ma has been
and for the
organ. Giving
her more of
one hundred doll
due in one year
without interest

April. 3

The weather is warm.

We took up 21
bys of potatoes
this forenoon,
and took them
to the city, with
three mules and
the three yokes

of oxen.
I sent a letter
to Mrs. Staller
by them.
Pd for the
oil lamp of
I worked at the
presses. I
to rain this
afternoon,

April. 4.

A rainy morning
but cleared off
again in noon.

We packed up
15 sacks of wheat
Smith took up
a load of wheat
as far as Jake
Derk Pile and
Mr. Perry were here
on business.

Mrs. Hannawalt
drove up here the
evening with Mr.
Cade and Mrs.
Emery.

They were here
but a few min
The boys filled
up the hot bed.

April 6.

A nice day.
The rest two loads
of wheat up to
the city. 35 bushels
at .81 per bushel
we got 30 per bushel
for potatoes.

I have found
in the day at
nearly nothing.

Heck came over
and fixed up
the small table.

G. H. S. took
dinner with us
to day. Aunt

Juliah is to be
barricaded tomorrow.

I received a letter
from

Appie.

April 6.

A beautiful ca-
ster Sunday.

The weather was
like this morning
than usual for
Sunday. I felt
the fire.

I started over to
Mr. Currier, where
I arrived after 2 1/2
hours travel.

He had considerable
country over there.

It was a pleas-
ant trip & very
took.

I stayed all
night.

April 7.

A very warm day
for an election.
The wind blows
like rain.

I started for
home about eight
o'clock. After coming
home, I started
for the fields.

I saw John Diller
there for the first
time for a long
time. I got some
saw-ball spunk
from Biddle Jinks.
Smith took up a
load of what to
the store & for B.
came down with
him.

Oscar Hood has
been here since
April 8. ^{Shaw}

A nice warm day.
Squire & I fixed
the hot bed and
the fence around
the nursery. I then
set out 72
quince trees, and
put out a lot
of the quince cuttings
in the nursery.
Planted potatoes
and set out some
pear grafts.
Pa went over
to Mr. Hackensley
after our peach
trees. He did not
get back till
after dark, as will
Effie is here.

April 5.

April shows today
It showed the most
of the full moon.

Squire & I set out
saw strawberry plant
after dinner. Our
set out 111 peach
trees.

Benjamin took Eppie
Bennett home
this afternoon.

I practiced
on the organ
this morning
for the second
time.

Benjamin & Oscar
took Uncle Jake's
wagon home.

April 10.

A blizzard day.
There has been
four blizzards
this afternoon.
Squire & I finish
ed setting out the
peach trees and
digging the post
holes.

I wrote Miss
Hattie a letter
sent it to the
mail by Cass.
It snowed
about as hard
as I ever seen
it.

April 11.

A nice day.
Squire & I fixed
fence till noon.
After dinner we
set out apple
grafts, and
tended to the
sheep.

Squire & Smith
& I went down
to the Mill to
hear preacher
Warraka preacher
but got disap-
pointed.
His wife and
wife's mother
was sick.

April 12.

A nice day.
I set out apple
grafts till noon.
After dinner I
took the survey
fence out at
the end.

Pa went to the
sale at Mr.
Tully's.

Squire, Caroline
& I got
ready and went
over to the
Chapman
church.

Mr. Lemons preached
I went in and
sat with Lou to
help sing.

April 13.

It looks like
rain this morning.
Mattie & I stayed
all night at
Dr. Baker's. We
had a good time.
We all went to
church: I walked
down with Belle.
It rained a little
while we were
going and coming.
Mattie, Lida
was over with
her father &
mother but
went back
before dinner.
We came home
in the evening.

April 14.

A rainy fore
noon. Smith
plowed the ad
dition to the
nursery.
I took the sheep
felt, and the
other two fleeces.
I have been
used all this
afternoon, and
then got beat
in a peculiar
way.
I heard from
Sunt Liss.
They started last
Tuesday.
They got there
all right.

April 13.

It has got cooler
And begun to
rain and rain
ed all the after
noon.

I wrote a letter
to Hancock
and sent it by
Cox. I went over
to Mr. Ball to
see him, but
did not get to
see him till in
the afternoon.

Mr. Hancy has
worked two days
for us; made a
new harrow and
pulled the wagon
wheel.

April 16

A nice day.
Pa went down on
Dogwood Ridge to
be gone several
days. I fixed
around this fore
noon. After dinner
I fixed up the
fence up in
front of the back
and then set out
apple scissers
set posts and
got 7 head of our
cattle out of the
peach orchard.
Smith plowed
part of the
garden.

April 17.

It looks like
rain but does
not rain until
evening. I finished
setting out the
fall's apple
trees.

We have sowed
corn for the first
time years.
I worked the
pully. Mr. Bally
has tried to
Mr. Strait
was here today.
I got up and
built the pier.
He did not get
up till after 6.

April 18.

A nice day.
It is too wet
to sow corn.
He finished
the pig fence
and turned the
pig out.
Mr. O'Leary helped
me. He worked
at the pack pen
till 8 o'clock,
when Sam &
five others went
to the switch
Smith & I set
out a few
squirrels. He
set out over 6
hundred. Got up
this morning till 6.

April 19.

A nice cool day.
The worked at
the oats all day.

Pa got back
this evening.

Dear bought
the mail up
for me.

I got a letter
from Miss. Hattie
Sony & Lennie was
here awhile this
evening. They
were going down
to the Mill.

I got up this
morning and
built the fire
was up at 9 o m
after 6 o'clock

April 20.

A beautiful day.
We have been
alone all day.
Pa has been and
ing to his horse
& I have put in
the day reading and
trying to play on
the organ and
have wrote letters
Hattie a letter
Smith has gone
to church this
evening.

April 21.

A nice day.

I shoveled in
oats all the fore
noon with John.

After dinner I
shoveled up to
the top to me.

The Board of educa-
tion to see a
our trouble concern

ing the school
election. I found
out that we

were miss. had
I saw Mr. Shaw
and several others

I mailed three
letters up there
I saw Miss

Howell.

April 22.

A nice day.

I shoveled in
oats all day.

Lost my knife
so did not go

to Bone
with

John.

Anna came
down and eat
her dinner.

April 23.

A ~~rainy~~ ^{rainy} morning
Squire & I sowed
grain - seed on the
pat ground till
ten o'clock.

Smith & Jennie
took a load of
potatoes up
to the store.

Pa started out
with his horse

Squire & I finished
shed the water.

It has rained
several small
hours today.

Billie moved
out of the hole
today. I saw
Lavin.

April 24.

It has been
raining about
all day but not
hard.

I went up to
Blum Co. The
farmers. Squire
inspected garden
under the snow
at this after
noon. Smith

has been plow
ing in the bottom.

Squire & I looked
after the sheep
we found 2

dead ones
by Mr. Phillips
field.

April 25.

A damp ~~the morning~~
We all started
out at 4:30. The
sheep I found there
all 165 in all.
I went and
skinned one of
the dead ones
and skinned
the other one.
Then we worked
at the pack pen
the rest of the
day.

Mr. John Lemmon
and his wife
came over to
quarters.

April 26.

A right nice
forenoon. But
rains late in
the afternoon.
We finished the
pack pen and
finished getting
out the apple
graphs. ~~John~~
with haul
trunk and
logs of the
sphaceloh, and
finished hawking
in the goats
at camp. Pack
this evening.
He swam in
the rain.

April 27.

A nice day.
A little cool.
The wrens at
home all day
I not alone.

I have been
terribly lonesome
to day.

Smith & I went
to the
hill to church
this evening.

I saw Bertha
and Bannie.

Came out of the
house with them

and went home
with Bannie.

She was alone.
Wrote Bertha a letter.

April 28.

A nice day.
Bennie and I
helped put an
ox tongue in the
wagon and fixed

the fence, dug
post holes for
the nursery fence

and took the wire
off the garden.

After dinner we
fixed the berry

fence up.

Got done with
the fence in

the evening.

continued

April 29,

A nice day.

It looked like

again this evening

Sammy & I took

the logs off the

bottom between

the creek and

worked at the

nursery fence.

Got half of it

done.

Mr. Bennington

eat dinner

with us.

Sammy & I

came here this

evening and in

the night.

Quack brought

the logs off the bottom between the creek and worked at the nursery fence. Got half of it done. Mr. Bennington eat dinner with us. Sammy & I came here this evening and in the night. Quack brought

April 30,

A nice day.

Sammy & I finished

the nursery fence

between the

my in the fence

at hand.

Then we fixed

a crossing and

burnt brush

out of Smithway

and made a

couple of ox bows

John. Butel came

up this evening

The boys from

below came up

with the drums

he had a good

drum. He first

had a long time

concluded

April 29.

Smith went
with some of
Couch Baker's

wagon, to
haul off my
wheat to Dr.

Bungarus.

He will
begin taking
it off tomorrow.
