I finished plant
corn.

Billie & Lea
took in 2 loads
of fuel to do
the 3 things
first.

Billie & Lea
Billie's horse
to Brown Street
to do some work.
He stayed at
Aunt Hammer's
to see Aunt
Dorcas & Mel
He is fairly
fast.

Sun June 9
A cool morning
and evening.
He got up early
and drove to
old 95 of house
and to Lower
Correll's on the
river, and
spent the day
back at the
late evening.
He took a photo
and had a
nice time.

Mon June 4
A nice day
The boys got a
nice lot of work
done to day
Plowed gold corn
and plowed it
took up the rest
of the potatoes
Lea helped
me to
Billie and
a load of
logs this
after noon

the rest of the
potatoes 16 bus.

Wed. June 6
A light shower
about noon and
about 4 o'clock
I shovelled and
plowed potatoes
in wet all day
Billie made
two loads to Blum
L. T. S.

Kia only one
load and then
went to the
shop to get
two shovels
sent and a
dip net.

Thurs June 7
Several showers
and gossamer
webs.
I shovelled out
the bunch fixed
paruses for the
cold & planted
them & looked
that the cold
I saw some and
a lot of small
I reared the cold
up and down the
spand archway
Came to the Center
takes my hand
Billie & I can look
I loaded a piece
day.

Trin. June 8,

A very nice
day. At the
shop a good
thing but
did not
to go
mountain.

On hand
the 8 of the
around
all day. They
are doing
Bully to
make them
do
all right.

Lat. June 9,

A nice day
cool.
The team
they two
after
I have
Cody on
and
they
they do

Sun. Jan 10
A mild day
Cold at night
but very warm
during the day
We got ready
and drove away
home when
we found there
a part as usual
The is some
better

We got back
home late
but brought things
all right

Sun. Jan 11
A very warm
day the clouds
gave a little
but did not get
up until late
This morning
Billie took 1 load
of lumber on his
B. Co. car. 8:15
I got ready and
went off for
a while for me

Thurs June 12

A cool morning
but around 10
threatened rain &
little

Buller took a
load to Blount
and one to Smith
Sea Cook and to
Blount - finished
and then went
to the shop
I cut the clay
and raked with
clay up and
part of mine

Frid. June 13

A very day
threatened rain
but did not
rain much
I raked up clay
and gave Ball
helped shock
up and load
the material
I hauled three
loads up and
then cut some
more
Buller went to
Blount and got
me a piece of
wagon \$10.00
I hauled two
loads of lumber

Thursday June 14
A damp showery
day did not
rain very much
I finished
cutting a log
and I hauled 3
loads of
Billie hauled
two loads of
lumber and
I hauled
one of them
I helped me with
the logs
The fish were
hauling them
on the train
road.

Friday June 15

Had andy

played the music
to the cultivation
Billings & Co. with
a few for day.

Sun. June 17

A nice day
worked
He got started
but home early
He arrived there
and found them all
about as usual
A big lot of
have to work just
ahead of them
He took a walk
through the woods
Then in the woods
and then found
beech in abundance.
Then began to look
over them and had a
big looking tree
He did not get
home till late but
all things were all

Monday June 18

A good morning
Shove went around
and a high
hour. Billie found
corn till only the
and part of clay
high. Got a
hilled us day
at

Flac was down
and got me
haul a few
to his and
haul a few
each of

Tuesday June 19

Cork at night
Sea. Lick
and not
ing two
clouds
it and
flowering
the corn
out

Billie
haul
I have

Tues. June 20

A cool morning
but swells during
the day.
I have edged at
the bridge and
have got some
material.

The wheat is the
heaviest yet ever
gained here.

Billie & La took 4
loads of lumber.

The present day's
lumber hauling has
been done with
with

I went over to
Evan Ball's by
noon and his
house had burned
down.

Thurs. June 21

A nice day
some signs of
rain.

The weather at
the wheat
has been heavy
crop.

Miner helped
back.

Dec 22

They got out the
work at a little
early but were
down in the
morning by getting
out a number of
of the old ones.
That night is
annoyed by mice
Ella is about
half sick.
I got the skin
to help me and
we dined back.

Dec 23

A warm clear
day.
The first frost
most all day
but a late start
on the account of
mist.
We drove the
hundred & three
& a packed.
The engine won't
keep up the
wheel as after
noon.
Smith & Jones
came down.
Smith eat
supper here.
He took off a
cup of honey.

Sun. Jan. 24
A very warm cloud
day.

I did not get
up till late
but ready and
went down home
rather full of
me. Children
was at home
with a companion
and the three
grand children
I hope first time
that we have
all been together
since I made
marriage my two
years ago.

Mon. June 25.
A very hot
bright day
I had a guess for
rain but a shower
showers swept around
and a light
sprinkle here
a time or two.
I cut up what
all day
Frank Means
helped me
I think I have
up to now
this afternoon

Friday, Jan. 26

A windy showery day

Had cast up heat
throughout all day
showers went
down and snow
the afternoon

One small one
came up late
in the evening
that did not
amount to
much

Saturday, Jan. 27

A showery day
by gusts with
between sharp
faint rain little
showers to day
We have all the
water, but except
the wind

7
Thurs. June 28

A cloudy day
I had to
bring up from
a hole potato
and cut many
up to show to
the old man
Edla & Kamma
went at my
behind
I as it is
cut a little
mossy up feet
with the hands
till the rain
came and
Bill & Beth
came up and
I passed this
the dollack

I am about
more and
I should be

Sat. June 30

A nice day.
A couple of nights

The ground will
soak up and to
wait to work for

last night's rain
I managed the

day a little on
wrote that up
I left.

We got ready
and drove away

home where we
arrived about dark

where we found
them all before

as usual.
The price of the

lots, but the
the product price is
the same.
