# THE BAND

The Minford High School Band was organized in September 1938, by Mr. E. R. McCowen.

At the beginning of the third year Mr. Dane Heitzman succeeded Mr. McCowen as director.

We have had two music teachers since Mr. Heitzman, Mr. Gilbert and now at the present we have Miss Mary Sue Collins.

During the war the All County Band was discontinued but this year it has been taken up again. From our band fourteen members were selected.

We are hoping that in the near future the Band Contests will be held in Athens as was the case in previous years.

## BASEBALL

Although this is the first regular baseball season for several years, the prospects for the team seems very good. Whether an undefeated season is in store cannot be forseen. The team last year played a few non-league games but in those they did well.

The team is handicapped for lack of a field but Clay has been very gracious in letting us use theirs.

The team as a whole shapes up very well. The pitching, which is the most important on any high school team, is ably handled by Paul Sparks. In the games played Sparks has shown plenty of speed and control and ranks with the top pitchers of the county. Another asset to the team is the able coaching of Roy Pflieger who is much experienced in the field of baseball.

The team was outfitted with new uniforms which added much to the appearance of players. There is little doubt but what they will show themselves worthy of them.
