STUDENT POETRY

I saw a boy named Gulliver
 He thought he was a cover
 He was indeed
 But what he needs
 Is polk-a-dots all over
 Is polk-a-dots all over

LeAnn Cayton

There once was a girl named Kate
 Who had never gone out on a date
 One night she went out
 And wondered all about
 And when she came back it was late

Candy Cheek

A gorilla whose name is Meens

 When he gets mad
 He gets so bad
 He likes to eat steel screens

CITY HALL READATHON

SCORE

SCIOTO COUNTY ONGOING READING EFFORT

The schools in this county dedicated an entire week of school to the emphasis of reading. Many activities, programs, games, reading contests and poster contests were a part of this effort. A READATHON was conducted at the South Webster City Hall--- this consisted of round-the-clock reading for 5 straight days and nights. Many people in our community donated their time to the furthering of reading.
