EDWARD R. McCOWEN

County Superintendent of Schools

B.S. Degree, Ohio University; Master's Degree, Northwestern University; has attended Otterbein College and Harvard University.

Mr. McCowen said in a statement to us: "The rural schools of Scioto County shall continue meeting the demands of its youth. We are very proud of our students and their achievements. It is hoped this year, as in the past, that our seniors will enter their roadway of life with high ideals and a very good educational foundation. In these trying times, perhaps more than ever before in our history, the United State of America needs strong members of its society - members who have firm and solid ideas as to the democratic way of life.

We shall keep providing strong curriculums and school facilities for our ever growing population. All of us are determined to constantly serve our purpose toward the progress of our society."

ARTHUR PRESTON

"The future of our democracy depends upon the continued success of our free public school systems. We must be constantly alert to the needs of education today and make the proper adjustments and advancements in all educational fields."

"I want to take this opportunity to congratulate all of the people concerned in our educational system for the fine work they have done."

THE JUNIOR-SENIOR PROM

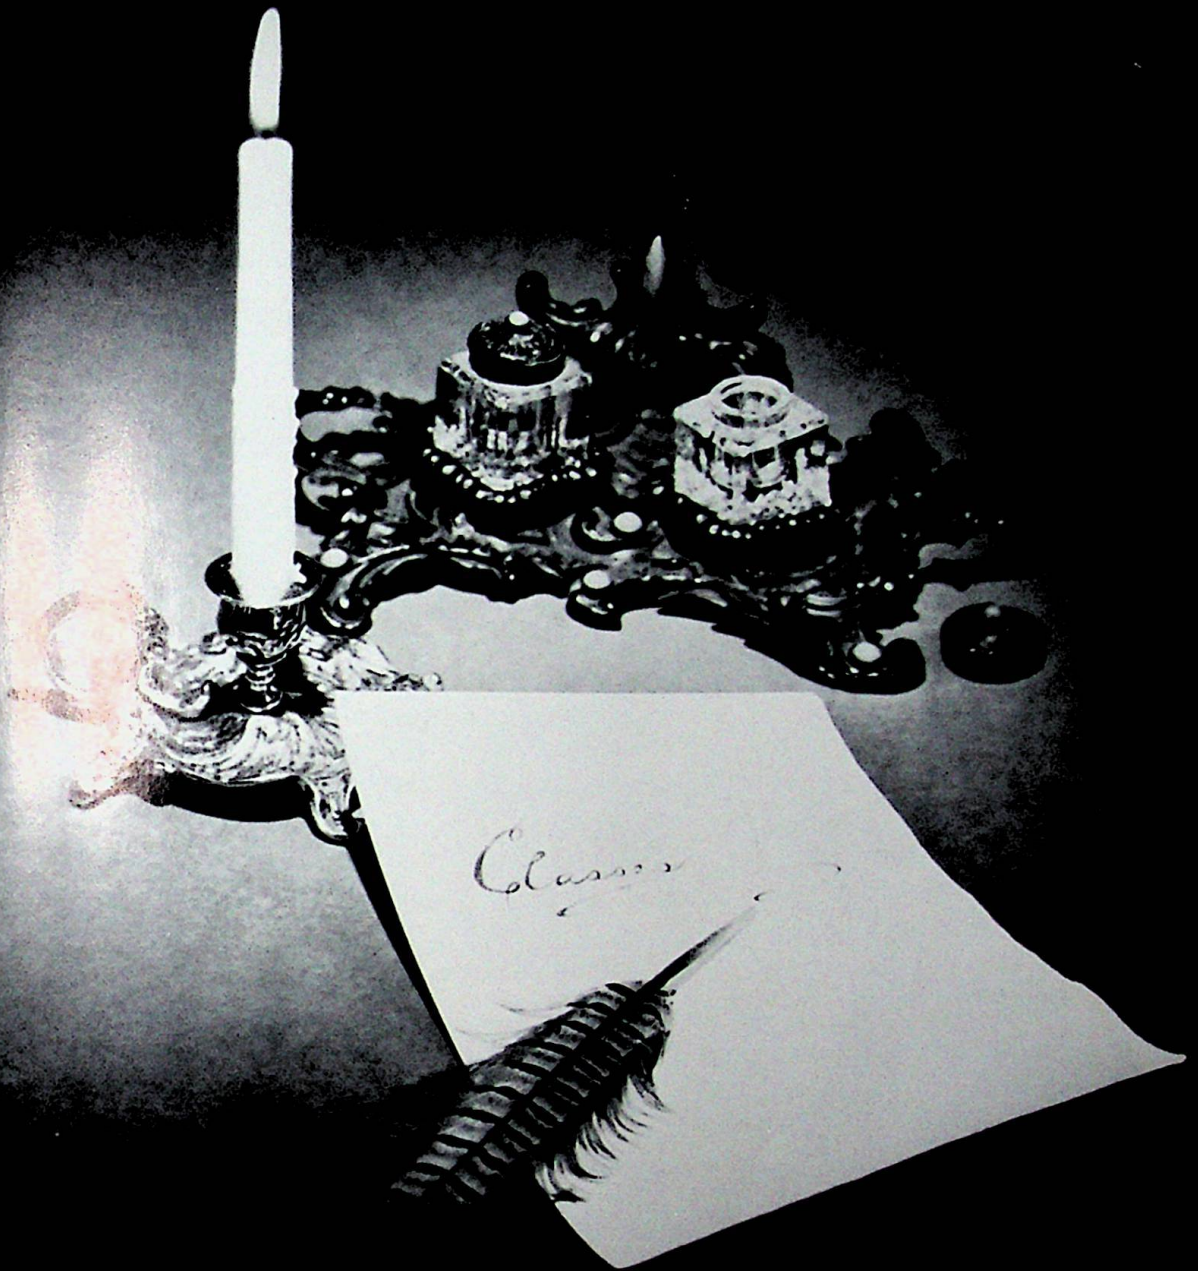

"Oriental Gardens"

The Junior Class entertained the seniors at a Prom in the high school gymnasium, which was turned into an "Oriental Garden" for the occasion. Mount Fugii, at one end of the dance floor, remained calm compared to the Parliaments at the opposite end. Myriads of Japanese lanterns, an oriental garden and bridge, and favors pertaining to the oriental theme made the evening one not to be forgotten. After the Prom, the Juniors again played host to the Seniors at the bowling lanes with food and fun 'til five A. M.

BOOSTERS

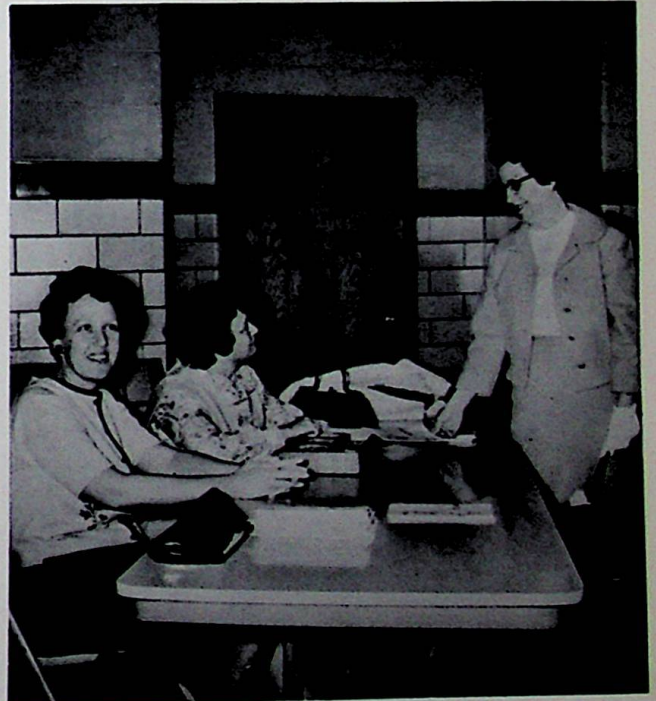

The P. T. A. has completed a successful year under the leadership of Gene Bennett. Interesting meetings were held monthly in the high school cafeteria.

Among the many ways by which the P. T. A. helps our high school is the granting of a scholarship for one year which pays tuition at Ohio University's Portsmouth Branch. Sharon Ruggles is shown receiving the scholarship from Gene Bennett, this year's President, with John Sherman, next year's President, looking on.

The Football Boosters spend many hours of their own leisure time working for our football program. They earn money by manning a concession stand at football and basketball games. Their project this year is adding new bleachers on the football field.

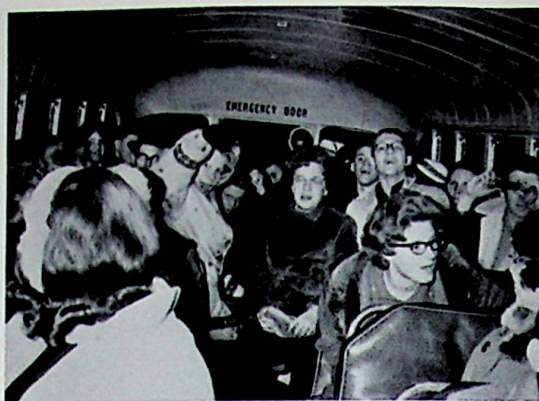

The Band Boosters prime purpose is to make money in order to buy instruments and uniforms for the band.

Their main project for the year is the selling of Birthday Calendars.

LANGUAGE CLUB

Our five Latin American friends.

Camera Shy???

Although we study only two foreign languages at our school, the Language Club studies about the culture and civilization of many foreign countries.

For the first meeting, the Language Club had five girls from Latin America who told about their countries. The December meeting was the annual Christmas Caroling and a program on Christmas in foreign lands. In February, a banquet emphasizing a travel theme was held for the club. For this banquet Mr. and Mrs. Robert Litteral presented a linguistic demonstration.

Our trip to Columbus to visit the Columbus Gallery of Fine Arts and the Ohio State Museum completed the list of scheduled meetings for the year.

The band had a very successful year during the 1963-1964 season. This was due to the hard work of all the members.

The band was constantly on the go this year. Aside from appearing at nearly all football games and marching in all local parades, they again made the annual trip to Ohio State University.

Also this year they made two trips to Huntington, West Virginia. Our band was fortunate to be televised during one of the parades and then received a large trophy after their appearance in the East Huntington Christmas Parade.
